(c) Conversion of Merger Sub Shares. At the Effective Time, by virtue of the Merger and without any action on the part of Parent, the Merger Sub, the Company or the Stockholders, each share of capital stock of Merger Sub that is issued and outstanding immediately prior to the Effective Time shall be canceled and automatically converted into a share of common stock, par value \$0.0001 of the Surviving Corporation. Each certificate evidencing ownership of shares of capital stock of Merger Sub shall, as of the Effective Time, evidence ownership of shares of common stock of the Surviving Corporation.

(d) Treatment of Certain Company Shares. At the Effective Time, all Company Common Shares that are owned by the Company (as treasury shares or otherwise) or any of its direct or indirect

Subsidiaries as of immediately prior to the Effective Time (collectively, the “ Excluded Shares”) shall be automatically canceled and extinguished without any conversion or consideration delivered in exchange thereof.

(e) No Liability. Notwithstanding anything to the contrary in this Section 4.1, none of Surviving Corporation or any party hereto shall be liable to any Person for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or similar law.

(f) Surrender of Certificates. All securities issued upon the surrender of Company Common Shares in accordance with the terms hereof shall be deemed to have been issued in full satisfaction of all rights pertaining to such securities.

(g) Lost, Stolen or Destroyed Certificates. In the event any certificates for any Company Common Share shall have been lost, stolen or destroyed, Parent shall cause to be issued in exchange for such lost, stolen or destroyed certificates and for each such share, upon the making of an affidavit of that fact by the holder thereof; *provided, however*, that Parent may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificates to deliver a bond in such sum as it may reasonably direct as indemnity against any claim that may be made against Parent with respect to the certificates alleged to have been lost, stolen or destroyed.

(h) Adjustments in Certain Circumstances. Without limiting the other provisions of this Agreement, if at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding Parent Ordinary Shares into a different number, class or series, including by reason of any reclassification, recapitalization, share split (including a reverse share split), or combination, exchange, readjustment of shares, or similar transaction, or any share dividend or distribution paid in shares, then the Merger Consideration and any other amounts payable pursuant to this Agreement shall be appropriately adjusted to provide to the holders of Company Common Shares and Company Options the same economic effect as contemplated by this Agreement without giving effect to such event; *provided, however*, that this sentence shall not be construed to permit Parent, Merger Sub or the Company to take any action with respect to its securities that is prohibited by the terms of this Agreement.

4.2 Treatment of Company Options. As of the Effective Time, each Company Option that is then outstanding shall be converted into the right to receive an option relating to Domesticated Parent Common Shares upon substantially the same terms and conditions as are in effect with respect to such option immediately prior to the Effective Time, including with respect to vesting and termination-related provisions (each, a “Domesticated Parent Option”) except that (i) such Domesticated Parent Option shall relate to that whole number of Domesticated Parent Common Shares (rounded down to the nearest whole share) equal to the number of Company Common Shares subject to such Company Option, *multiplied by* the Exchange Ratio, and (ii) the exercise price per share for each such Domesticated Parent Common Shares shall be equal to the exercise price per share of such Company Option in effect immediately prior to the Effective Time, *divided by* the Exchange Ratio (the exercise price per share, as so determined, being rounded up to the nearest full cent); *provided, however*, that the conversion of the Company Options will be made in a manner consistent with Treasury Regulation Section 1.424-1, such that such conversion will not constitute a “modification” of such Company Options for purposes of Section 409A or Section 424 of the Code.

#### 4.3 Payment of Merger Consideration.

(a) Share Exchange Procedures. At or after the Closing, as soon as reasonably practicable after each Stockholder surrenders to Parent the certificates evidencing such Stockholder's Company Common Shares to the extent certificated (collectively, for purposes of this Section 4.3, the “Share Certificates”) for cancellation, together with a completed and executed Letter of Transmittal substantially in the form agreed to between Parent and the Company (the “Letter of Transmittal”): (i) Parent shall cause to be issued to such Stockholder the Applicable Per Share Merger Consideration such Stockholder has the right to receive in connection with the Merger pursuant to Section 4.1 and (ii) the Share Certificate, if any, so surrendered shall forthwith be cancelled. If a transfer of ownership of a Stockholder's Share Certificate that is not registered in the transfer records of the Company is stated to have occurred, then payment of the relevant portion of the Merger Consideration may be made to a Person other than

the Person in whose name the Share Certificate so surrendered is registered if the Share Certificate representing such shares is properly endorsed or otherwise is in proper form for transfer. If any Share Certificate shall have been lost, stolen or destroyed, then upon the making of an affidavit of that fact by the Stockholder claiming such Share Certificate to be lost, stolen or destroyed as provided in the Letter of Transmittal, Parent will issue in consideration of the Company Common Shares represented by such lost, stolen or destroyed Share Certificate the Merger Consideration to which the Stockholder thereof is entitled pursuant to the express terms of this Agreement; *provided, however*, that Parent may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificates to deliver a bond in such sum as it may reasonably direct as indemnity against any claim that may be made against Parent with respect to the Share certificate(s) alleged to have been lost, stolen or destroyed. Until surrendered as contemplated by this Section 4.3(a), each Share Certificate shall be deemed at all times after the Effective Time to represent only the right to receive upon such surrender (or at such other applicable time) such portion of the Merger Consideration to which the holder of such Share Certificate is entitled pursuant and subject to this Article IV.

(b) No Issuance of Fractional Shares. No certificates or scrip representing fractional Domesticated Parent Common Shares will be issued pursuant to the Merger, and instead any such fractional share that would otherwise be issued will be rounded to the nearest whole share (with 0.5 shares rounded up).

4.4 Appraisal Rights. No Dissenting Stockholder who has validly exercised his, her or its appraisal rights pursuant to Section 262 of the DGCL shall be entitled to receive the Applicable Per Share Merger Consideration with respect to the Dissenting Shares owned by such Dissenting Stockholder unless and until such Dissenting Stockholder shall have effectively withdrawn or lost their dissenters' rights under the DGCL. Each Dissenting Stockholder shall be entitled to receive only the payment resulting from the procedure set forth in the DGCL with respect to the Dissenting Shares owned by such Dissenting Stockholder. The Company shall give the Parent Parties (i) prompt notice of any notices of objection, notices of dissent, written demands for appraisal, demands for fair value, attempted withdrawals of such demands, and any other instruments served pursuant to applicable Laws that are received by the Company relating to any Dissenting Stockholder's rights of dissent under Cayman Companies Act and (ii) the opportunity to direct all negotiations and Proceedings with respect to demand for appraisal under the DGCL. Each of Parent and the Company shall furnish all information concerning it as may reasonably be requested by the other Party in connection with such actions and the preparation of the Registration Statement and the Proxy Statement/Prospectus. Promptly after the Registration Statement is declared effective under the Securities Act, Parent will cause the Proxy Statement/Prospectus to be mailed to shareholders of Parent. Parent also agrees to use its reasonable best efforts to obtain all necessary state securities law or "Blue Sky" permits and approvals required to carry out the transactions contemplated hereby.

(d) Each of Parent and the Company shall cooperate and mutually agree upon (such agreement not to be unreasonably withheld or delayed), any response to comments of the SEC or its staff with respect to the Registration Statement and any amendment to the Registration Statement filed in response thereto. If Parent or the Company becomes aware that any information contained in the Registration Statement shall have become false or misleading in any material respect or that the Registration Statement is required to be amended in order to comply with applicable Law, then (i) such Party shall promptly inform the other Parties and (ii) Parent, on the one hand, and the Company, on the other hand, and shall cooperate and mutually agree upon (such agreement not to be unreasonably withheld or delayed) an amendment or supplement to the Registration Statement. Parent shall cause the Registration Statement as so amended or supplemented, which is mutually agreed upon by Parent and the Company, to be filed with the SEC and to be disseminated to the holders of shares of Parent Ordinary Shares pursuant to applicable Law and subject to the terms and conditions of this Agreement and the Parent Organizational Documents and the Company Organizational Documents. (e) Each party shall, and shall cause each of its subsidiaries to, make their respective directors, officers and employees, upon reasonable advance notice, available at a reasonable time and location to the Company, the Parent Parties and their respective representatives in connection with the drafting of the public filings with respect to the transactions contemplated by this Agreement, including the Proxy Statement/Prospectus, and responding in a timely manner to comments from the SEC. The Parent

Parties shall cause the Proxy Statement/Prospectus to be disseminated to Parent's shareholders, in each case as and to the extent required by applicable Laws and subject to the terms and conditions of this Agreement and Parent's Organizational Documents.

(f) Parent shall as promptly as reasonably practicable advise the Company of the time of effectiveness of the Proxy Statement/Prospectus or the filing of any supplement or amendment thereto, the issuance of any stop order relating thereto or the suspension of the qualification of the Parent Ordinary Shares for offering or sale in any jurisdiction, of the initiation or written threat of any Proceeding for any such purpose, or of any request by the SEC for the amendment or supplement of the Proxy Statement/Prospectus or for additional information and Parent and the Company shall each use its reasonable best efforts to have any such stop order or suspension lifted, reversed or otherwise terminated.

(g) As promptly as reasonably practicable following the time at which the Proxy Statement/Prospectus is declared effective under the Securities Act, Parent shall (i) establish the record date for, duly call, give notice of and (ii) duly convene and hold the Parent Special Meeting. Parent may postpone or adjourn the Parent Special Meeting (i) to solicit additional proxies for the purpose of obtaining the Parent's shareholders' approval, (ii) due to the absence of a quorum or (iii) to allow reasonable additional time for the filing or mailing of any supplemental or amended disclosures that Parent has determined, based on the advice of outside legal counsel, is reasonably likely to be required under applicable Law and for such supplemental or amended disclosure to be disseminated and reviewed by the Parent's shareholders prior to the Parent Special Meeting; provided that, without the consent of the Company, in no event shall Parent adjourn the Parent Special Meeting for more than 15 Business Days later than the most recently adjourned meeting or a date that is beyond the Outside Date.

7.23 Confidentiality. Except as necessary to complete the Proxy Statement/Prospectus, the Company, on the one hand, and the Parent Parties, on the other hand, shall hold and shall cause their respective Representatives to hold in strict confidence, unless compelled to disclose by judicial or administrative process or by other requirements of Law, all documents and information concerning the other party furnished to it by such other party or its representatives in connection with the transactions contemplated by this Agreement (except to the extent that such information can be shown to have been (a) previously known by the party to which it was furnished, (b) in the public domain through no fault of such party or (c) later lawfully acquired from other sources, which source is not the agent of the other party, by the party to which it was furnished), and each party shall not release or disclose such information to any other person, except its representatives in connection with this Agreement. In the event that any party believes that it is required to disclose any such confidential information pursuant to applicable Laws, such party shall give timely written notice to the other parties so that such parties may have an opportunity to obtain a protective order or other appropriate relief. Each party shall be deemed to have satisfied its obligations to hold confidential information concerning or supplied by the other parties if it exercises the same care as it takes to preserve confidentiality for its own similar information, but in no event less than reasonable care. The parties acknowledge that some previously confidential information will be required to be disclosed in the Proxy Statement/Prospectus.

7.24 Equity Incentive Plan and ESPP. Prior to the Effective Time, Parent shall adopt and approve the (a) Parent Incentive Plan, with a share reserve equal to ten percent (10%) of the issued and outstanding shares of Purchaser as of immediately following the Effective Time, and (b) the ESPP, with a share reserve equal to one percent (1%) of the issued and outstanding shares of Purchaser as of immediately following the Effective Time.

7.25 Certain Compensation Arrangements. Parent hereby acknowledges the compensation arrangements set forth on Schedule 7.25 of the Company Disclosure Schedules, which arrangements shall become effective as of the Closing, subject to necessary approvals; provided that the actual grant of the equity awards included in any such arrangements may be deferred until after Parent has filed its first Registration Statement on Form S-8 following the Closing.

7.26 Extension Proposal.

(a) In the event that it is reasonably determined by Parent and the Company on May 11, 2022 (or such other date that is agreed to in writing by Parent and the Company) that it is reasonably likely

that the Merger will not be consummated by July 10, 2022, then upon the written request of Parent or the Company to the other party, then Parent and the Company (i) shall reasonably cooperate with respect to the preparation, filing and mailing of a proxy statement and any other materials necessary to solicit proxies from Parent shareholders to vote, at an extraordinary general meeting of Parent to be called and held for purpose of such vote, in favor of (A) amending Parent's Organizational Documents (such amendment, the "Extension Amendment") to extend the final date in respect of which Parent must consummate a Business Combination thereunder to the date that that is six (6) months following delivery of the Audited 2020/2021 Financial Statements to the Parent Parties pursuant to Section 7.8 or such other date that is mutually agreed to by the Company and Parent in writing (the "Extension Date") and (B) such other matters as the Company and Parent shall mutually determine to be necessary or appropriate in order to effect the Extension Amendment; and (ii) execute and deliver such other documents and take such other actions, as may reasonably be necessary to effectuate the Extension Amendment. Notwithstanding anything to the contrary, the right to make a written request pursuant to the preceding sentence shall not be available to a party if the potential failure of the Merger to be consummated by July 10, 2022 was due to such party's breach of or failure to perform any of its covenants or agreements set forth in this Agreement.

(b) As promptly as reasonably practicable following the time at which the proxy statement contemplated by Section 7.26(a) is cleared by the SEC, Parent shall (i) establish the record date for, duly call, give notice of and (ii) duly convene and hold the applicable extraordinary general meeting.

7.27 Interim Financing. Parent and the Company shall use their commercially reasonable efforts to assure that, as mutually determined by Parent and the Company, Parent will have sufficient funds at the Closing to pay the Outstanding Parent Expense Amount and the Outstanding Company Expense Amount in full. Such efforts may include, without limitation, obtaining a backstop, put, forward contract, debt, equity or convertible financing, or other similar arrangement, in each case, on terms that are mutually agreed to by Parent and the Company.

No provision hereof can be waived, except by a writing signed by the party against whom such waiver is to be enforced, and any such waiver shall apply only in the particular instance in which such waiver shall have been given.

(b) Neither any failure or delay in exercising any right or remedy hereunder or in requiring satisfaction of any condition herein nor any course of dealing shall constitute a waiver of or prevent any party from enforcing any right or remedy or from requiring satisfaction of any condition. No notice to or demand on a party waives or otherwise affects any obligation of that party or impairs any right of the party giving such notice or making such demand, including any right to take any action without notice or demand not otherwise required by this Agreement. No exercise of any right or remedy with respect to a breach of this Agreement shall preclude exercise of any other right or remedy, as appropriate to make the aggrieved party whole with respect to such breach, or subsequent exercise of any right or remedy with respect to any other breach.

10.3 Nonsurvival of Representations. None of the representations, warranties, covenants, obligations or other agreements in this Agreement or in any certificate, statement or instrument delivered pursuant to this Agreement, including any rights arising out of any breach of such representations, warranties, covenants, obligations, agreements and other provisions, shall survive the Closing and shall terminate and expire upon the occurrence of the Effective Time (and there shall be no Liability after the Closing in respect thereof), except for (a) those covenants and agreements contained herein that by their terms expressly apply in whole or in part after the Closing and then only with respect to any breaches occurring on or after the Closing and (b) this Section 10.3.

10.4 Arm's Length Bargaining; No Presumption Against Drafter. This Agreement has been negotiated at arm's-length by parties of equal bargaining strength, each represented by counsel or having had but declined the opportunity to be represented by counsel and having participated in the drafting of this Agreement. This Agreement creates no fiduciary or other special relationship between the parties, and no such relationship otherwise exists. No presumption in favor of or against any party in the construction or interpretation of this Agreement or any provision hereof shall be made based upon which Person might have drafted this Agreement or such provision.

10.5 Publicity. Except as required by law and except with respect to the Parent SEC Documents, the parties agree that neither they nor their agents shall issue any press release or make any other public disclosure concerning the transactions contemplated hereunder without the prior approval of the other party hereto. If a party is required to make such a disclosure as required by law, the parties will use their reasonable best efforts to cause a mutually agreeable release or public disclosure to be issued.

10.6 Expenses. Each party shall bear its own costs and expenses in connection with this Agreement and the transactions contemplated hereby; provided however that at the Closing, all of Parent's and the Company's unpaid Transaction Expenses shall be paid pursuant to Section 4.5(b).

10.7 No Assignment or Delegation. No party may assign any right or delegate any obligation hereunder, including by merger, consolidation, operation of law, or otherwise, without the written consent of the other party. Any purported assignment or delegation without such consent shall be void, in addition to constituting a material breach of this Agreement.

10.8 Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Delaware, without giving effect to the conflict of laws principles thereof.

10.9 Counterparts; Facsimile Signatures. This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which shall constitute one agreement. This Agreement shall become effective upon delivery to each party of an executed counterpart or the earlier delivery to each party of original, photocopied, or electronically transmitted signature pages that together (but need not individually) bear the signatures of all other parties.

10.10 Entire Agreement. This Agreement together with the Additional Agreements, the Company Disclosure Schedules and the Parent Disclosure Schedules, including any exhibits and schedules attached hereto or thereto, sets forth the entire agreement of the parties with respect to the subject matter hereof and thereof and supersedes all prior and contemporaneous understandings and agreements related thereto (whether written or oral), all of which are merged herein. Except as otherwise expressly stated herein or any Additional Agreement, there is no condition precedent to the effectiveness of any provision hereof or thereof.

10.11 Severability. A determination by a court or other legal authority that any provision that is not of the essence of this Agreement is legally invalid shall not affect the validity or enforceability of any other provision hereof. The parties shall cooperate in good faith to substitute (or cause such court or other legal authority to substitute) for any provision so held to be invalid a valid provision, as alike in substance to such invalid provision as is lawful.

10.12 Construction of Certain Terms and References; Captions. In this Agreement:

(a) References to particular sections and subsections, schedules, and exhibits not otherwise specified are cross-references to sections and subsections, schedules, and exhibits of this Agreement.

(b) The words "herein," "hereof," "hereunder," and words of similar import refer to this Agreement as a whole and not to any particular provision of this Agreement, and, unless the context requires otherwise, "party" means a party signatory hereto.

(c) Any use of the singular or plural, or the masculine, feminine, or neuter gender, includes the others, unless the context otherwise requires; "including" means "including without limitation;" "or" means "and/or;" "any" means "any one, more than one, or all;" and, unless otherwise specified, any financial or accounting term has the meaning of the term under United States generally accepted accounting principles as consistently applied heretofore by the Company.

(d) Unless otherwise specified, any reference to any agreement (including this Agreement), instrument, or other document includes all schedules, exhibits, or other attachments referred to therein, and any reference to a statute or other law includes any rule, regulation, ordinance, or the like promulgated thereunder, in each case, as amended, restated, supplemented, or otherwise modified from time to time. Any reference to a numbered schedule means the same-numbered section of the disclosure schedule.

(e) If any action is required to be taken or notice is required to be given within a specified number of days following a specific date or event, the day of such date or event is not counted in determining the last day for such action or notice. If any action is required to be taken or notice is required to be given on or before a particular day which is not a Business Day, such action or notice shall be considered timely if it is taken or given on or before the next Business Day.

(f) Captions are not a part of this Agreement, but are included for convenience, only.

(g) For the avoidance of any doubt, all references in this Agreement to "the knowledge or best knowledge of the Company" or similar terms shall be deemed to include the actual knowledge of Jaisim Shah and Dmitri Lissin, after due inquiry.

10.13 Further Assurances. Each party hereto shall execute and deliver such documents and take such action, as may reasonably be considered within the scope of such party's obligations hereunder, necessary to effectuate the transactions contemplated by this Agreement.

10.14 Third Party Beneficiaries. Except as set forth in Section 7.11 and Section 10.20, neither this Agreement nor any provision hereof confers any benefit or right upon or may be enforced by any Person not a signatory hereto.

10.15 Waiver. The Company has read the Prospectus and understand that the Parent has established the Trust Account for the benefit of the public shareholders of the Parent and the underwriters of the IPO pursuant to the Investment Management Trust Agreement and that, except for a portion of the interest earned on the amounts held in the Trust Account, the Parent may disburse monies from the Trust Account only for the purposes set forth in the Investment Management Trust Agreement. For and in consideration of the Parent agreeing to enter into this Agreement, the Company hereby agrees that it does not have any right, title, interest or claim of any kind in or to any monies in the Trust Account and hereby agrees that he, she or it will not seek recourse against the Trust Account for any claim it may have in the future as a result of, or arising out of, any negotiations, contracts or agreements with the Parent.

(b) except to the extent a party hereto (and then only to the extent of the specific obligations undertaken by such party hereto), (i) no past, present or future director, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative or Affiliate of the Company, Parent or Merger Sub and (ii) no past, present or future director, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any of the foregoing shall have any liability (whether in Contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of any one or more of the Company, Parent or Merger Sub under this Agreement for any claim based on, arising out of, or related to this Agreement or the transactions contemplated hereby.

10.17 Jurisdiction. Any Action based upon, arising out of or related to this Agreement or the transactions contemplated hereby must be brought in the Court of Chancery of the State of Delaware (or, to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware), or, if it has or can acquire jurisdiction, in the United States District Court for the District of Delaware, and each of the parties irrevocably (i) submits to the exclusive jurisdiction of each such court in any such proceeding or Action, (ii) waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum, (iii) agrees that all claims in respect of the proceeding or Action shall be heard and determined only in any such court, and (iv) agrees not to bring any proceeding or Action arising out of or relating to this Agreement or the transactions contemplated hereby in any other court. Nothing herein contained shall be deemed to affect the right of any party to serve process in any manner permitted by Law or to commence Proceedings or otherwise proceed against any other party in any other jurisdiction, in each case, to enforce judgments obtained in any Action brought pursuant to this Section 10.17.

10.18 Waiver of Jury Trial; Exemplary Damages .

(a) THE PARTIES TO THIS AGREEMENT HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVE ANY RIGHT EACH SUCH PARTY MAY HAVE TO TRIAL BY JURY IN ANY ACTION OF ANY KIND OR NATURE, IN ANY COURT IN WHICH AN ACTION MAY BE COMMENCED, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY ADDITIONAL AGREEMENT, OR BY REASON OF ANY OTHER CAUSE OR DISPUTE WHATSOEVER BETWEEN OR AMONG ANY OF THE PARTIES TO THIS AGREEMENT OF ANY KIND OR NATURE. NO PARTY SHALL BE AWARDED PUNITIVE OR OTHER EXEMPLARY DAMAGES RESPECTING ANY DISPUTE ARISING UNDER THIS AGREEMENT OR ANY ADDITIONAL AGREEMENT.

(b) Each of the parties to this Agreement acknowledge that each has been represented in connection with the signing of this waiver by independent legal counsel selected by the respective party and that such party has discussed the legal consequences and import of this waiver with legal counsel. 10.19 Company and Parent Disclosure Schedules. The Company Disclosure Schedules and the Parent Disclosure Schedules (collectively, "Disclosure Schedules") referenced herein are a part of this Agreement as if fully set forth herein. All references herein to the Company Disclosure Schedules and/or the Parent Disclosure Schedules shall be deemed references to such parts of this Agreement, unless the context shall otherwise require. Any disclosure made by a party in the applicable Disclosure Schedules or any schedule thereof, with a reference to any corresponding section of this Agreement or schedule of the applicable Disclosure Schedules shall be deemed to be a disclosure with respect to such other applicable sections of this Agreement or schedules of the applicable Disclosure Schedules if it is reasonably apparent on the face of such disclosure that such disclosure is responsive to such other section of this Agreement or schedule of the applicable Disclosure Schedules. 10.20 Conflicts and Privilege.

(a) Each of the parties hereto, on its own behalf and on behalf of its Representatives (including, after the Closing, the Surviving Corporation), hereby agree that, in the event that a dispute with respect to this Agreement or the transactions contemplated hereby arises after the Closing between or among (x) the Sponsors, the stockholders or holders of other equity securities of Parent or the Sponsors and/or any of their respective directors, members, partners, officers, employees or Affiliates (other than the Surviving Corporation) (collectively, the "Parent Group"), on the one hand, and (y) the Surviving Corporation and/or any member of the Company Group, on the other hand, any legal counsel, including L&L, that represented Parent and/or the Sponsors prior to the Closing may represent the Sponsors and/or any other member of the Parent Group in such dispute even though the interests of such Persons may be directly adverse to the Surviving Corporation, and even though such counsel may have represented Parent in a matter substantially related to such dispute, or may be handling ongoing matters for the Surviving Corporation and/or the Sponsors. Parent and the Company, on behalf of their respective successors and assigns (including, after the Closing, the Surviving Corporation), further agree that, as to all legally privileged communications prior to the Closing (made in connection with the negotiation, preparation, execution, delivery and performance under, or any dispute or Action arising out of or relating to, this Agreement, any Additional Agreements or the transactions contemplated hereby or thereby) between or among Parent, the Sponsors and/or any other member of the Parent Group, on the one hand, and L&L, on the other hand, the attorney-client privilege and the expectation of client confidence shall survive the Merger and belong to the Parent Group after the Closing, and shall not pass to or be claimed or controlled by the Surviving Corporation. (b) Parent and the Company, on behalf of their respective successors and assigns (including, after the Closing, the Surviving Corporation), hereby agree that, in the event a dispute with respect to this Agreement or the transactions contemplated hereby arises after the Closing between or among (x) the stockholders or holders of other equity securities of the Company and/or any of their respective directors, members, partners, officers, employees or Affiliates (other than the Surviving Corporation) (collectively, the "Company Group"), on the one hand, and (y) the Surviving Corporation and/or any member of the Parent Group, on the other hand, any legal counsel, including Paul Hastings LLP ("PH") that represented the Company prior to the Closing may represent any member of the Company Group in such dispute even though the interests of such Persons may be directly adverse to the Surviving Corporation, and even though such counsel may have represented Parent and/or the Company in a matter substantially related to such dispute, or may be handling ongoing matters for the Surviving Corporation, further agree that, as to all legally privileged communications prior to the Closing (made in connection with the negotiation, preparation, execution, delivery and performance under, or any dispute or Action arising out of or relating to, this Agreement, any Additional Agreements or the transactions contemplated hereby or thereby) between or among the Company and/or any member of the Company Group, on the one hand, and PH, on the other hand, the attorney-client privilege and the

expectation of client confidence shall survive the Merger and belong to the Company Group after the Closing, and shall not pass to or be claimed or controlled by the Surviving Corporation. AMENDED AND RESTATED  
CERTIFICATE OF INCORPORATION  
OF  
SCILEX HOLDING COMPANY  
a Delaware corporation

---

ARTICLE I.  
NAME

The name of the Corporation is Scilex Holding Company.

ARTICLE II.  
REGISTERED OFFICE AND AGENT

The address of the Corporation's registered office in the State of Delaware is located at 251 Little Falls Drive, in the City of Wilmington, County of New Castle, Delaware 19808. The registered agent is Corporation Service Company.

ARTICLE III.  
PURPOSE

The purpose of the Corporation is to engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of the State of Delaware (as amended from time to time, the "**DGCL**").

ARTICLE IV.  
CAPITAL STOCK

A. The total number of shares of all classes of stock that the Corporation shall have authority to issue is 750,000,000 shares, consisting of (i) 740,000,000 shares of common stock, par value \$0.0001 per share (the "**Common Stock**"), and (ii) 10,000,000 shares of preferred stock, par value \$0.0001 per share (the "**Preferred Stock**").

B. The designations, preferences, privileges, rights and voting powers and any limitations, restrictions or qualifications thereof of the shares of each class are as follows:

(i) Each holder of Common Stock, as such, shall be entitled to one vote for each share of Common Stock held of record by such holder on all matters on which stockholders generally are entitled to vote; provided, however, that, except as otherwise required by law, holders of Common Stock, as such, shall not be entitled to vote on any amendment to this Amended and Restated Certificate of Incorporation (this "**Certificate**") (including any Preferred Stock Designation (as hereinafter defined)) that relates solely to the terms of one or more outstanding classes or series of Preferred Stock if the holders of such affected classes or series are entitled, either separately or together with the holders of one or more other such classes or series, to vote thereon pursuant to this Certificate (including any Preferred Stock Designation) or pursuant to the DGCL.

(ii) The Preferred Stock may be issued from time to time in one or more series pursuant to a resolution or resolutions providing for such issue duly adopted by the Board of Directors and by filing a certificate pursuant to applicable law of the State of Delaware (hereinafter referred to as a "**Preferred Stock Designation**") pursuant to the DGCL. The Board of Directors of the Corporation (the "**Board of Directors**") (or any committee to which it may duly delegate the authority granted in this Section B(ii) of Article IV) is hereby empowered to authorize the issuance from time to time of all or any of the shares of Preferred Stock in one or more series, for such consideration and for such corporate purposes as the Board of Directors may from time to time determine, and to establish from time to time for each such series the number of shares to be included in each such series and to fix the designations, powers, rights and preferences of the shares of each such series, and the qualifications, limitations and restrictions

thereof to the fullest extent now or hereafter permitted by this Certificate and the laws of the State of Delaware, including, without limitation, voting rights (if any), dividend rights, dissolution rights, conversion rights, exchange rights and redemption rights thereof, as shall be stated and expressed in a resolution or resolutions adopted by the Board of Directors (or such committee thereof) providing for the issuance of such series of Preferred Stock. Each series of Preferred Stock shall be distinctly designated.

C. The number of authorized shares of Common Stock or Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority in voting power of the outstanding stock of the Corporation entitled to vote thereon irrespective of the provisions of Section 242(b)(2) of the DGCL (or any successor provision thereto), and no vote of the holders of any of the Common Stock or the Preferred Stock voting separately as a class shall be required therefor, unless a vote of any such holder is required pursuant to this Certificate (including as required in any Preferred Stock Designation).

#### ARTICLE V. BOARD OF DIRECTORS

A. Except as otherwise provided by applicable law or this Certificate, the business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

B. Subject to the rights of any holders of Preferred Stock to elect directors pursuant to any Preferred Stock Designation, the total number of directors shall be as determined from time to time exclusively by the Board of Directors; provided that, at any time Sorrento Therapeutics, Inc. (together with its Affiliates (as defined below), subsidiaries, successors and assigns (other than the Corporation and its subsidiaries), "**Sorrento Therapeutics, Inc.**") beneficially owns, in the aggregate, at least 50% in voting power of the then-outstanding shares of stock of the Corporation entitled to vote generally in the election of directors, the stockholders may also fix the number of directors by resolution adopted by the stockholders. Election of directors need not be by written ballot unless the bylaws of the Corporation (as the same may be amended and/or restated from time to time, the "**Bylaws**") shall so require. As used in this Article V only, the term "**Affiliate**" means a Person that directly, or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with, another Person, and the term "**Person**" means any individual, corporation, general or limited partnership, limited liability company, joint venture, trust, association or any other entity.

C. Subject to the rights of the holders of any series of Preferred Stock to elect additional directors under specified circumstances, the Board of Directors of the Corporation shall be divided into three classes designated as Class I, Class II and Class III, respectively. Directors shall be assigned to each class in accordance with a resolution or resolutions adopted by the Board of Directors. To the extent practicable, the Board of Directors shall assign an equal number of directors to Class I, Class II and Class III. At the first annual meeting of stockholders after the filing of this Certificate, the terms of the Class I directors shall expire, and Class I directors shall be elected for a full term of office to expire at the third succeeding annual meeting of stockholders after their election. At the second annual meeting of stockholders, the terms of the Class II directors shall expire, and Class II directors shall be elected for a full term of office to expire at the third succeeding annual meeting of stockholders after their election. At the third annual meeting of stockholders, the terms of the Class III directors shall expire, and Class III directors shall be elected for a full term of office to expire at the third succeeding annual meeting of stockholders after their election. At each succeeding annual meeting of stockholders, directors elected to succeed the directors of the class whose terms expire at such meeting shall be elected for a full term of office to expire at the third succeeding annual meeting of stockholders after their election. If the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as practicable, and any additional director of any class elected to fill a vacancy resulting from an increase in such class shall hold office for a term that shall coincide with the remaining term of that class. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

D. Subject to the rights of the holders of any series of Preferred Stock and except as otherwise required by law or this Certificate, any vacancy resulting from the death, resignation, removal or

disqualification of a director or other cause, or any newly created directorship in the Board of Directors, may be filled by a majority of the directors then in office, although less than a quorum, by the sole remaining director, or by the stockholders of the Corporation; provided, however, that from and after the Trigger Event (as defined below), any vacancy resulting from the death, resignation, removal or disqualification of a director or other cause, or any newly created directorship in the Board of Directors, shall be filled only by a majority of the directors then in office, although less than a quorum, or by the sole remaining director, and shall not be filled by the stockholders of the Corporation. Except as otherwise provided by this Certificate, a director elected to fill a vacancy or newly created directorship shall hold office until the annual meeting of stockholders for the election of directors of the class to which he or she has been appointed and until his or her successor has been duly elected and qualified, subject, however, to such director's earlier death, resignation, retirement, removal or disqualification.

E. Except as otherwise required by law or this Certificate, and subject to the rights of the holders of any series of Preferred Stock, directors may be removed with or without cause by the affirmative vote of the holders of a majority in voting power of the then-outstanding shares of stock of the Corporation entitled to vote generally in the election of such directors; provided, however, that, from and after the Trigger Event (as defined below) any such director or all such directors may be removed only for cause and only by the affirmative vote of the holders of at least 66 2/3% in voting power of all the then-outstanding shares of stock of the Corporation entitled to vote thereon, voting together as a single class.

ARTICLE VI.  
CONSENT OF STOCKHOLDERS IN LIEU OF MEETING; SPECIAL MEETINGS OF  
STOCKHOLDERS

A. Subject to the rights of the holders of any series of Preferred Stock with respect to such series of Preferred Stock, any action required or permitted to be taken by stockholders must be effected at a duly called annual or special meeting of stockholders; provided, that prior to the Trigger Event, any action required or permitted to be taken at any annual or special meeting of stockholders of the Corporation may be taken without a meeting, without prior notice and without a vote, if a consent or consents, setting forth the action so taken, is signed by or on behalf of the holders of record of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, is delivered to the Corporation in accordance with the DGCL. For purposes of this Certificate of Incorporation, "**Trigger Event**" means the time that Sorrento Therapeutics, Inc. first ceases to beneficially own more than 50% in voting power of the then-outstanding shares of stock of the Corporation entitled to vote generally in the election of directors.

B. Subject to the rights of the holders of any series of Preferred Stock with respect to such series of Preferred Stock, special meetings of stockholders for the transaction of such business as may properly come before the meeting may only be called by order of the Chairman of the Board of Directors, the Board of Directors (pursuant to a resolution adopted by the affirmative vote of a majority of the authorized number of directors constituting the Board of Directors, whether or not there exist any vacancies or other unfilled seats in previously authorized directorships) or the Chief Executive Officer of the Corporation; provided, however, that at any time prior to the Trigger Event, special meetings of the stockholders of the Corporation for any purpose or purposes shall also be called by or at the direction of the Board of Directors or the Chairman of the Board of Directors at the request of Sorrento Therapeutics, Inc. Any such special meeting of stockholders shall be held at such date, time, and place, within or without the State of Delaware, as may be specified by such order. The Board of Directors may, in its sole discretion, determine that special meetings of stockholders shall not be held at any place but may instead be held solely by means of remote communication as authorized by Section 211(a)(2) of the DGCL. If such order fails to fix such place, the meeting shall be held at the principal executive offices of the Corporation.

ARTICLE VII.  
LIMITATION OF LIABILITY

Except to the extent that the DGCL prohibits the elimination or limitation of liability of directors, no director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director, notwithstanding any provision of law imposing such liability. No amendment to or repeal of this provision shall apply to or have any effect on the liability or

alleged liability of any director of the Corporation for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal. If the DGCL is amended to permit further elimination or limitation of the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL as so amended.

ARTICLE VIII.  
CORPORATE OPPORTUNITIES AND COMPETITION

A. In recognition and anticipation that (i) certain directors, officers, principals, partners, members, managers, employees, agents and/or other representatives of Sorrento Therapeutics, Inc. and its Affiliates (as defined below) may serve as directors, officers or agents of the Corporation and its Affiliates, and (ii) Sorrento Therapeutics, Inc. and its Affiliates may now engage and may continue to engage in the same or similar activities or related lines of business as those in which the Corporation and Affiliates, directly or indirectly, may engage and/or other business activities that overlap with or compete with those in which the Corporation and its Affiliates, directly or indirectly, may engage, the provisions of this Article VIII are set forth to regulate and define the conduct of certain affairs of the Corporation and its Affiliates with respect to certain classes or categories of business opportunities as they may involve Sorrento Therapeutics, Inc. and its Affiliates and any person or entity who, while a stockholder, director, officer or agent of the Corporation or any of its Affiliates, is a director, officer, principal, partner, member, manager, employee, agent and/or other representative of Sorrento Therapeutics, Inc. and its Affiliates (each, an "**Identified Person**"), on the one hand, and the powers, rights, duties and liabilities of the Corporation and its Affiliates and its and their respective stockholders, directors, officers and agents in connection therewith, on the other.

B. To the fullest extent permitted by law (including, without limitation, the DGCL), and notwithstanding any other duty (contractual, fiduciary or otherwise, whether at law or in equity), each Identified Person (i) shall have the right to, and shall have no duty (contractual, fiduciary or otherwise, whether at law or in equity) not to, directly or indirectly engage in and possess interests in other business ventures of every type and description, including those engaged in the same or similar business activities or lines of business as the Corporation or any of its Affiliates or deemed to be competing with the Corporation or any of its Affiliates, on its own account, or in partnership with, or as a direct or indirect equity holder, controlling person, stockholder, director, officer, employee, agent, Affiliate (including any portfolio company), member, financing source, investor, director or indirect manager, general or limited partner or assignee of any other person or entity with no obligation to offer to the Corporation or its subsidiaries or other Affiliates the right to participate therein and (ii) shall have the right to invest in, or provide services to, any person that is engaged in the same or similar business activities as the Corporation or its Affiliates or directly or indirectly competes with the Corporation or any of its Affiliates. To the fullest extent permitted by applicable law, but subject to the immediately preceding sentence, neither the Corporation nor any of its Subsidiaries shall have any rights in any business interests, activities or ventures of any Identified Person, and the Corporation hereby waives and renounces any interest or expectancy therein, except with respect to opportunities offered solely and expressly to officers of the Corporation in their capacity as such.

C. Solely for purposes of this Article VIII, (i) "**Affiliate**" shall mean (a) with respect to Sorrento Therapeutics, Inc., any person or entity that, directly or indirectly, is controlled by Sorrento Therapeutics, Inc., controls Sorrento Therapeutics, Inc., or is under common control with Sorrento Therapeutics, Inc., but excluding (1) the Corporation, and (2) any entity that is controlled by the Corporation (including its direct and indirect subsidiaries), and (b) in respect of the Corporation, any Person that, directly or indirectly, is controlled by the Corporation; and (ii) "**Person**" shall mean any individual, corporation, general or limited partnership, limited liability company, joint venture, trust, association or any other entity.

ARTICLE IX.  
EXCLUSIVE FORUM

A. Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware (or, if and only if the Court of Chancery of the State of Delaware lacks subject matter jurisdiction, any state court located within the State of Delaware or, if and only if all such state courts lack subject matter jurisdiction, the federal district court for the District of Delaware) and any appellate court therefrom, shall, to the fullest extent permitted by law, be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a

claim of breach of a fiduciary duty owed by any current or former director, officer, employee or stockholder of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim against the Corporation or any current or former director, officer, employee or stockholder of the Corporation arising pursuant to any provision of the DGCL or of this Certificate or the Bylaws (as either may be amended and/or restated from time to time), (iv) any claim or cause of action seeking to interpret, apply, enforce or determine the validity of this Certificate or the Bylaws (each as may be amended from time to time, including any right, obligation or remedy thereunder), (v) any action or proceeding asserting a claim against the Corporation or any current or former director, officer, employee or stockholder of the Corporation as to which the DGCL confers jurisdiction to the Court of Chancery of the State of Delaware, or (vi) any action asserting an "internal corporate claim," as that term is defined in Section 115 of the DGCL. This Article IX.A. shall not apply to claims arising under the Securities Exchange Act of 1934, as amended, or any other claim for which the federal courts have exclusive jurisdiction.

B. Unless the Corporation consents in writing to the selection of an alternative forum, to the fullest extent permitted by law, the federal district courts of the United States of America shall be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act of 1933.

C. Any person or entity purchasing or otherwise acquiring any interest in shares of stock of the Corporation shall be deemed to have notice of and, to the fullest extent permitted by law, to have consented to the provisions of this Article IX.

#### ARTICLE X. SECTION 203 OF THE DGCL

The Corporation hereby expressly elects not to be governed by Section 203 of the DGCL until the occurrence of a Trigger Event; whereupon, the Corporation shall immediately and automatically, without further action on the part of the Corporation or any holder of stock of the Corporation, become governed by Section 203 of the DGCL, except that the restrictions on business combinations of Section 203 of the DGCL will not apply to Sorrento Therapeutics, Inc. or its current or future Affiliates regardless of the percentage of ownership of the total voting power of all the then-outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors beneficially owned by them.

#### ARTICLE XI. AMENDMENT OF CERTIFICATE OF INCORPORATION AND BYLAWS

A. The Corporation reserves the right to amend, alter, change or repeal any provision contained in this Certificate, in the manner now or hereafter prescribed by this Certificate and the DGCL, and all rights, preferences and privileges herein conferred upon stockholders by and pursuant to this Certificate in its current form or as hereafter amended are granted subject to the rights reserved in this Article XI. Notwithstanding the foregoing, from and after the occurrence of the Trigger Event, notwithstanding any other provisions of this Certificate or any provision of law that might otherwise permit a lesser vote or no vote, but in addition to any greater or additional vote or consent required hereunder (including any vote of the holders of any particular class or classes or series of stock required by law or by this Certificate or any Preferred Stock Designation), the affirmative vote of the holders of at least 66 2/3% of the voting power of the then-outstanding shares of stock entitled to vote thereon, voting together as a single class, shall be required to alter, amend or repeal Articles V (Board of Directors), VI (Consent of Stockholders in Lieu of Meeting; Special Meetings of Stockholders), VII (Limitation of Liability), VIII (Corporate Opportunities and Competition), IX (Exclusive Forum), X (Section 203 of the DGCL) and this Article XI, and no other provision may be adopted, amended or repealed that would have the effect of modifying or permitting the circumvention of the provisions set forth in any of such Articles.

B. In furtherance and not in limitation of the powers conferred by the laws of the State of Delaware, the Board of Directors is expressly authorized to make, alter and repeal the Bylaws without the consent or vote of the stockholders in any manner not inconsistent with the laws of the State of Delaware or this Certificate. Any adoption, amendment or repeal of the Bylaws of the Corporation by the Board of Directors shall require the approval of a majority of the total authorized number of directors. From and after the occurrence of the Trigger Event, notwithstanding any other provisions of this Certificate or any provision of law that might otherwise permit a lesser vote or no vote, but in addition to any additional or

greater vote or consent required hereunder (including any vote of the holders of any particular class or classes or series of stock required by law or by this Certificate or any Preferred Stock Designation), the affirmative vote of the holders of at least 66 2/3% of the voting power of the then-outstanding shares of stock entitled to vote thereon, voting together as a single class, shall be required in order for the stockholders of the Corporation to alter, amend or repeal, in whole or in part, any provision of the Bylaws or to adopt any provision inconsistent therewith.

**AMENDED AND RESTATED BYLAWS  
OF  
SCILEX HOLDING COMPANY**

**ARTICLE I**

**OFFICES**

SECTION 1. **Registered Office.** The registered office of Scilex Holding Company (the "**Corporation**") shall be fixed in the Corporation's certificate of incorporation, as the same may be amended and/or restated from time to time (the "**Certificate of Incorporation**").

SECTION 2. **Other Offices.** The Corporation may, in addition to its registered office in the State of Delaware, have other offices at any place or places, either within or outside the State of Delaware, as the Corporation's board of directors (the "**Board of Directors**") shall from time to time determine or the business of the Corporation may from time to time require.

**ARTICLE II**

**STOCKHOLDERS**

SECTION 1. **Time and Place of Meetings.** Meetings of stockholders shall be held at any place within or outside the State of Delaware, on such date and at such time as designated by (or in the manner determined by) the Board of Directors. The Board of Directors may, in its sole discretion, determine that a meeting of stockholders shall not be held at any place but may be held instead solely by means of remote communication as authorized by Section 211(a)(2) of the General Corporation Law of the State of Delaware (the "**DGCL**"). In the absence of any such designation or determination, stockholders' meetings shall be held at the Corporation's principal executive office.

SECTION 2. **Annual Meetings.** The annual meeting of stockholders of the Corporation for the election of directors and for the transaction of such other business as may properly come before the meeting in accordance with Section 9 of this Article II shall be held each fiscal year on such date, and at such time and place, if any, within or outside the State of Delaware, or by means of remote communications, as the Board of Directors (or its designee) shall determine.

SECTION 3. **Special Meetings.** Subject to the rights of the holders of any class or series of Preferred Stock (as hereinafter defined), special meetings of the stockholders may only be called in the manner provided in the Certificate of Incorporation as then in effect and may be held at such place either within or outside the State of Delaware, and at such time and date as provided in the Certificate of Incorporation. The Board of Directors may, in its sole discretion, determine that special meetings of stockholders shall not be held at any place, but may instead be held solely by means of remote communication as authorized by Section 211(a)(2) of the DGCL.

SECTION 4. **Notice of Meetings.**

(a) Unless otherwise provided by law, the Certificate of Incorporation or these Bylaws, the notice of any meeting of stockholders shall be given in accordance with either Section 4(b) of this Article II or Article XV of these Bylaws not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting as of the record date for determining the stockholders entitled to notice of the meeting. The notice shall specify the place, if any, date and hour of the meeting, the record date for determining the stockholders entitled to vote at the meeting (if such date is different from the record date for stockholders entitled to notice of the meeting), the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called.

(b) Notice of any meeting of stockholders shall be deemed given:

(1) if mailed, when deposited in the United States mail, postage prepaid, directed to the stockholder at such stockholder's address as it appears on the Corporation's records;

- (2) if delivered by courier service, notice shall be deemed given at the earlier of when the notice is received or left at such stockholder's address as it appears on the records of the Corporation; or
- (3) if electronically transmitted, as provided in Article XV of these Bylaws.

An affidavit of the secretary or an assistant secretary of the Corporation or of the transfer agent or any other agent of the Corporation that the notice has been given by mail or by a form of electronic transmission, as applicable, shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

**SECTION 5. Quorum; Adjournment; Postponement.**

(a) Except as otherwise provided by law, the Certificate of Incorporation, a quorum for the transaction of business at any meeting of stockholders shall consist of the holders of record of a majority of the voting power of the issued and outstanding shares of the capital stock of the Corporation entitled to vote at a meeting of stockholders, present in person, or by remote communication, if applicable, or represented by proxy; provided that, when specified business is to be voted on by a class or series of stock voting as a class, the holders of a majority of the shares of such class or series shall constitute a quorum of such class or series for the transaction of such business.

(b) Any meeting of stockholders, whether annual or special, may be adjourned from time to time either by the Chairman of the meeting or by the affirmative vote of a majority of the voting power of the issued and outstanding shares of the capital stock of the Corporation entitled to vote at the meeting, present in person, or by remote communication, if applicable, or represented by proxy, whether or not there is a quorum. When a meeting is adjourned to another time or place, unless these Bylaws otherwise require, notice need not be given of the adjourned meeting if the time and place, if any, thereof, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, as long as a quorum is present in person or by remote communication or represented by proxy, the Corporation may transact any business that might have been transacted at the original meeting. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date for determining the stockholders entitled to vote is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the adjourned meeting as of the record date for determining the stockholders entitled to notice of the adjourned meeting.

(c) Any previously scheduled annual or special meeting of the stockholders may be postponed or adjourned, and any previously scheduled annual or special meeting of the stockholders may be canceled, by resolution of the Board of Directors; provided, however, that with respect to any special meeting of stockholders previously scheduled by the Board of Directors or the Chairman of the Board of Directors at the request of Sorrento Therapeutics, Inc. (as defined in the Certificate of Incorporation), the Board of Directors shall not postpone, reschedule or cancel such special meeting without the prior written consent of Sorrento Therapeutics, Inc. (as defined in the Certificate of Incorporation).

**SECTION 6. Organization.**

(a) Meetings of stockholders shall be presided over by such person as the Board of Directors may have designated or, in the absence of such a person, the Chairman, or if none or in the Chairman's absence, the Chief Executive Officer, or in the Chief Executive Officer's absence, a Vice-President, or, if none of the foregoing is present, by a chairman to be chosen by a majority of the stockholders entitled to vote who are present in person or represented by proxy at the meeting. The Secretary of the Corporation or, in the Secretary's absence, an Assistant Secretary, shall act as secretary of every meeting, but if neither the Secretary nor an Assistant Secretary is present, the presiding officer of the meeting shall appoint any person present to act as secretary of the meeting.

(b) The Chairman shall call the meeting to order, establish the agenda, and conduct the business of the meeting in accordance therewith. The date and time of the opening and closing of the polls for each matter upon which the stockholders will vote at the meeting shall be announced at the meeting.

(c) The Chairman shall also conduct the meeting in an orderly manner, rule on the precedence of, and procedure on, motions and other procedural matters, and exercise discretion with respect to such procedural

matters. The Board of Directors may adopt such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the Chairman presiding over any meeting of stockholders shall have the right and authority to convene and (for any reason) to recess and/or adjourn the meeting, to prescribe such rules, regulations and procedures (which need not be in writing) and to do all such acts as, in the judgment of the Chairman, are appropriate for the proper conduct of the meeting and the safety of those in attendance. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the Chairman, may include, without limitation, the following: (i) the establishment of an agenda or order of business for the meeting; (ii) rules and procedures for maintaining order at the meeting and the safety of those present (including, without limitation, rules and procedures for removal of disruptive persons from the meeting); (iii) limitations on attendance at or participation in the meeting to stockholders entitled to vote at the meeting, their duly authorized and constituted proxies or such other persons as the Chairman shall determine; (iv) restrictions on entry to the meeting after the time fixed for the commencement thereof; (v) limitations on the time allotted (if any) to questions or comments by participants; (vi) regulations for the opening and closing of the polls for balloting and matters which are to be voted on by ballot (if any); (vii) procedures (if any) requiring attendees to provide the Corporation advance notice of their intent to attend the meeting; (viii) restrictions on the use of cell phones, audio or video recording devices and similar devices at the meeting; and (ix) compliance with any state and local laws and regulations concerning safety and security. Notwithstanding anything in these Bylaws to the contrary, no business shall be conducted at a meeting except in accordance with the procedures set forth in this Section 6 and Section 9 of this Article II. The Chairman, in addition to making any other determinations that may be appropriate to the conduct of the meeting, shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the provisions of this Section 6 and Section 9 of this Article II, and if the Chairman should so determine that any proposed nomination or business is not in compliance with such sections, the Chairman shall so declare to the meeting that such defective nomination or proposal shall be disregarded.

**SECTION 7. Voting; Proxies; Required Vote.**

(a) The stockholders entitled to vote at any meeting of stockholders shall be determined in accordance with the provisions of Section 11 of this Article II, subject to Section 217 (relating to voting rights of fiduciaries, pledgors and joint owners of stock) and Section 218 (relating to voting trusts and other voting agreements) of the DGCL. Unless the Certificate of Incorporation provides otherwise, each stockholder shall have one (1) vote for each share of stock entitled to vote registered in the name of such stockholder on the books of the Corporation on the applicable record date fixed pursuant to these Bylaws.

(b) At each meeting of stockholders, every stockholder shall be entitled to vote in person or by proxy appointed by instrument in writing, subscribed by such stockholder or by such stockholder's duly authorized attorney in fact (but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period). The revocability of a proxy that states on its face that it is irrevocable shall be governed by the provisions of Section 212 of the DGCL. A proxy may be in the form of a telegram, cablegram or other means of electronic transmission, which sets forth or is submitted with information from which it can be determined that the telegram, cablegram or other means of electronic transmission was authorized by the stockholder.

(c) At all duly called or convened meetings of stockholders, at which a quorum is present, for the election of directors, a plurality of the votes cast by the stockholders entitled to vote at the election shall be sufficient to elect a director. All other elections and questions presented to the stockholders at a duly called or convened meeting, at which a quorum is present, shall, unless a different or minimum vote is required by the Certificate of Incorporation, these Bylaws, the rules or regulations of any stock exchange applicable to the Corporation, or any law or regulation applicable to the Corporation or its securities, in which case such different or minimum vote shall be the applicable vote on the matter, be decided by the affirmative vote of the holders of a majority of the votes cast affirmatively or negatively (excluding abstentions) at the meeting by the holders entitled to vote thereon.

**SECTION 8. Inspectors of Election.** The Board of Directors, in advance of any meeting of stockholders, may, and shall if required pursuant to Section 231 of the DGCL or other applicable law, appoint one or more inspectors of election to act at the meeting or any adjournment thereof, and make a

written report thereof. If an inspector or inspectors are not so appointed, the person presiding at the meeting may, and shall if required pursuant to Section 231 of the DGCL or other applicable law, appoint one or more inspectors to act at the meeting. In case any person who may be appointed as an inspector fails to appear or act, the vacancy may be filled by appointment made by the Board of Directors in advance of the meeting or at the meeting by the person presiding thereat. Each inspector, if any, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector at such meeting with strict impartiality and according to the best of his or her ability. The inspectors, if any, shall determine the number of shares of stock outstanding and the voting power of each, the shares of stock represented at the meeting, the existence of a quorum, and the validity and effect of proxies, and shall receive votes, ballots or consents; hear and determine all challenges and questions arising in connection with the right to vote; count and tabulate all votes, ballots or consents; determine the result; and do such acts as are proper to conduct the election or vote with fairness to all stockholders. On request of the person presiding at the meeting, the inspector or inspectors, if any, shall make a report in writing of any challenge, question or matter determined by such inspector or inspectors and execute a certificate of any fact found by such inspector or inspectors.

**SECTION 9. Advance Notice Procedures for Stockholder Nominations of Directors and Other Business.**

(a) Annual Meetings of Stockholders.

(1) At an annual meeting of the stockholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before an annual meeting, nominations of persons for election to the Board of Directors or proposal of other business must be (A) specified in the Corporation's notice of meeting (or any supplement thereto) given by or at the direction of the Board of Directors (or any committee thereof), (B) otherwise properly brought before the meeting by or at the direction of the Board of Directors (or any committee thereof), or (C) otherwise properly brought before the meeting by any stockholder of the Corporation who (i) was a stockholder of record of the Corporation (and, with respect to any beneficial owner, if different, on whose behalf such business is proposed, only if such beneficial owner was the beneficial owner of shares of the Corporation) both at the time the notice provided for in this Section 9 is delivered to the Secretary of the Corporation and at the time of the annual meeting, (ii) is entitled to vote at the meeting, and (iii) has complied with the notice procedures set forth in this Section 9 as to such business or nomination. Clause (C) of the preceding sentence shall be the exclusive means for a stockholder to make nominations or submit other business (other than matters properly brought under Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "**Exchange Act**") and included in the Corporation's notice of meeting) before an annual meeting of stockholders. The number of nominees a stockholder may nominate for election at an annual meeting of the stockholders (or in the case of a stockholder giving notice on behalf of a beneficial owner, the number of nominees a stockholder may nominate for election at the annual meeting on behalf of such beneficial owner) shall not exceed the number of directors to be elected at such meeting.

(2) Without qualification or limitation, for any nominations or any other business to be properly brought before an annual meeting by a stockholder pursuant to clause (C) of paragraph (a)(1) of this Section 9, the stockholder must (A) have given timely notice thereof in writing and in proper form to the Secretary of the Corporation and any such proposed business, other than the nominations of persons for election to the Board of Directors, must constitute a proper matter for stockholder action, and (B) provide any updates or supplements to such notice at the times and in the forms required by this Section 9. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the one hundred twentieth (120th) day nor later than the close of business on the ninetieth (90th) day prior to the first anniversary of the preceding year's annual meeting (in the case of the first annual meeting of stockholders held after January 1, 2022, the date of the preceding year's annual meeting of the stockholders shall be deemed to be [ ], 2021); provided, however, that if the date of the annual meeting is advanced more than thirty (30) days prior to or delayed by more than sixty (60) days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting

and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such annual meeting was first made by the Corporation (such notice within such time periods, "**Timely Notice**"). In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of Timely Notice as described above.

(3) To be in proper form for purposes of this Section 9, a stockholder's notice to the Secretary of the Corporation delivered pursuant to this Section 9 must set forth:

A. as to each person, if any, whom the stockholder proposes to nominate for election or reelection as a director (i) all information with respect to such proposed nominee that would be required under Section 9(a)(3)(C) of this Article II if such proposed nominee were the nominating stockholder, (ii) all information relating to such person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors in contested election, or is otherwise required, in each case pursuant to and in accordance with Regulation 14A under the Exchange Act, including, without limitation, each proposed nominee's name, age, principal occupation or employment (present and for the five year prior to such stockholder's notice), (iii) such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected, (iv) a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three (3) years, and any other material relationships, between or among such stockholder and beneficial owner, if any, and their respective affiliates and associates, or others acting in concert therewith, on the one hand, and each proposed nominee, and his or her respective affiliates and associates, or others acting in concert therewith, on the other hand, including, without limitation all information that would be required to be disclosed pursuant to Rule 404 promulgated under Regulation S-K if the stockholder making the nomination and any beneficial owner on whose behalf the nomination is made, if any, or any affiliate or associate thereof or person acting in concert therewith, were the "**registrant**" for purposes of such rule and the nominee were a director or executive officer of such registrant, (v) a description of any material pending or threatened legal proceedings in which any such stockholder and beneficial owner and each proposed nominee is a party or material participant involving the Corporation or any of its affiliates, officers or directors, (vi) a statement whether each proposed nominee is, or has been within the last three years from the date of the stockholder's notice, an officer or director of a competitor of the Corporation, as defined in Section 8 of the Clayton Antitrust Act of 1914, as amended from time to time, (vii) a statement whether each proposed nominee is a named subject of a pending criminal proceeding (excluding traffic violations and other minor offenses) or has been convicted in a criminal proceeding within the 10 years prior to the date of the stockholder's notice, and (viii) a completed and signed questionnaire, representation and agreement required by Section 10 of this Article II; provided, that the Corporation may require any proposed nominee to furnish such other information as it reasonably may require to determine the eligibility of such proposed nominee to serve as an independent director of the Corporation or that could be material to a reasonable stockholder's understanding of the independence, or lack thereof, of such nominee, including, without limitation, for purposes of serving on one or more committees of the Board;

B. if the notice relates to any business other than a nomination of a director or directors that the stockholder proposes to bring before the meeting, (i) a brief description of the business desired to be brought before the meeting and any material interest in such business of such stockholder, (ii) the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend the Bylaws of the Corporation, the language of the proposed amendment), (iii) the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made, and (iv) a reasonably detailed description of all agreements, arrangements and understandings between such stockholder and beneficial owner, if any, and any other person or persons (including their names) in connection with the proposal of such business by such stockholder; and

C. as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on the Corporation's books, and of such beneficial owner, if any, (ii) (a) the class or series and number of shares of capital stock of the Corporation which are, directly or indirectly, owned of record or beneficially owned (within the meaning of Rule 13d-3 under the Exchange Act) by such stockholder and beneficial owner, except that such stockholder and beneficial owner shall in all events be deemed to beneficially own any shares of any class or series of the Corporation as to which such stockholder and beneficial owner has a right to acquire beneficial ownership at any time in the future, (b) any option, warrant, convertible security, stock appreciation right or similar right with an exercise or conversion privilege or a settlement payment or mechanism at a price related to any class or series of shares of the Corporation or with a value derived in whole or in part from the value of any class or series of shares of the Corporation, whether or not such instrument or right shall be subject to settlement in the underlying class or series of capital stock of the Corporation or otherwise, including, without limitation, any derivative, swap, hedge, repurchase or so-called "stock borrowing" agreement or arrangement (a "**Derivative Instrument**"), directly or indirectly owned beneficially by such stockholder and any other direct or indirect opportunity to profit or share in any profit derived from any increase or decrease in the value of shares of the Corporation, (c) any proxy, contract, arrangement, understanding or relationship pursuant to which such stockholder has a right to vote any shares of any security of the Corporation, (d) any short interest in any security of the Corporation (for purposes of this Bylaw a person shall be deemed to have a short interest in a security if such person directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, has the opportunity to profit or share in any profit derived from any decrease in the value of the subject security), (e) any rights to dividends on the shares of the Corporation owned beneficially by such stockholder that are separated or separable from the underlying shares of the Corporation, (f) any proportionate interest in shares of the Corporation or Derivative Instruments held, directly or indirectly, by a general or limited partnership in which such stockholder is a general partner or, directly or indirectly, beneficially owns an interest in a general partner and (g) any performance-related fees (other than an asset-based fee) that such stockholder is entitled to based on any increase or decrease in the value of shares of the Corporation or Derivative Instruments, if any, as of the date of such notice, including without limitation any such interests held by members of such stockholder's immediate family sharing the same household, (iii) a description of any agreement, arrangement or understanding with respect to the nomination or proposal between or among such stockholder and such beneficial owner, any of their respective affiliates or associates, and any others acting in concert with any of the foregoing, (iv) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such business or nomination, (v) a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group that intends (a) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock required to approve or adopt the proposal or elect the nominee or (b) otherwise to solicit proxies from stockholders in support of such proposal or nomination and (vi) any other information relating to such stockholder and beneficial owner, if any, that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for, as applicable, the proposal and/or for the election of directors in a contested election pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder.

(4) A stockholder providing notice of any nomination proposed to be made, or business proposed to be brought, in each case before an annual meeting, shall further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 9 shall be true and correct as of the record date for determining stockholders entitled to the notice of the annual meeting and as of the date that is ten (10) business days prior to the meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to, or mailed and received by, the Secretary of the Corporation at the principal executive offices of the Corporation not later than five (5) business days after the record date for determining stockholders entitled to notice of the annual meeting (in the case of the update and supplement required to be made as of the record date), and not later than eight (8) business days prior to the date

for the meeting or, if practicable, any adjournment or postponement thereof (and, if not practicable, on the first practicable date prior to the date to which the meeting has been adjourned or postponed) (in the case of the update and supplement required to be made as of ten (10) business days prior to the meeting or any adjournment or postponement thereof).

(5) Notwithstanding anything in the second sentence of paragraph (a)(2) of this Section 9 to the contrary, in the event that the number of directors to be elected to the Board of Directors of the Corporation at an annual meeting is increased effective after the time period for which nominations would otherwise be due under this Section 9 and there is no public announcement by the Corporation naming all of the nominees for director or specifying the size of the increased Board of Directors at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this Section 9 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Corporation.

(b) Special Meetings of Stockholders. Stockholders shall not be permitted to propose business to be brought before a special meeting of the stockholders, and the only matters that may be brought before a special meeting are the matters specified in the notice of meeting given by or at the direction of the person calling the meeting pursuant to Section 3 of this Article II. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (1) by or at the direction of the Board of Directors, or (2) provided that the Board of Directors has determined that directors shall be elected at such meeting, by any stockholder of the Corporation who (A) is a stockholder of record of the Corporation at the time the notice provided for in this Section 9 is delivered to the Secretary of the Corporation and at the time of the special meeting, (B) is entitled to vote at the meeting and upon such election, and (C) complies with the notice procedures set forth in this Section 9 as to such nomination. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting, if a stockholder's notice containing all of the information required by paragraphs (a)(3) and (4) hereof as if the special meeting were an annual meeting with respect to any nomination (including the completed and signed questionnaire, representation and agreement required by this Bylaw) shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the one hundred twentieth (120th) day prior to such special meeting and not later than the close of business on the later of: (i) the ninetieth (90th) day prior to such special meeting or (ii) the tenth (10th) day following the day on which public announcement is first made by the Corporation of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

(c) General.

(1) Only such persons who are nominated in accordance with the procedures set forth in this Section 9 or the Certificate of Incorporation shall be eligible to be elected at an annual or special meeting of stockholders of the Corporation to serve as directors and only such other business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 9. Except as otherwise provided by law, the Certificate of Incorporation or these Bylaws, the person presiding at the meeting of stockholders shall have the power and duty (A) to determine whether a nomination or any other business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 9 (including whether the stockholder or beneficial owner, if any, on whose behalf the nomination or proposal is made solicited (or is part of a group that solicited) or did not so solicit, as the case may be, proxies in support of such stockholder's nominee or proposal in compliance with such stockholder's representation as required by clause (a)(3)(C)(v) of this Section 9), whereby any failure to comply with the representation in clause (a)(3)(C)(v) will cause the nomination or other business to be disregarded; and (B) if any proposed nomination or other business was not made or proposed in

compliance with this Section 9, to declare that such nomination shall be disregarded or that such proposed other business shall not be transacted. Notwithstanding the foregoing provisions of this Section 9, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of the Corporation to present a nomination or other business, such nomination shall be disregarded and such proposed other business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of this Section 9, to be considered a qualified representative of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of stockholders.

(2) For purposes of this Section 9, "**public announcement**" shall mean disclosure in a press release reported by a national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act and the rules and regulations promulgated thereunder.

(3) Notwithstanding the foregoing provisions of this Section 9, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Section 9; provided, however, that any references in these Bylaws to the Exchange Act or the rules promulgated thereunder are not intended to and shall not limit any requirements applicable to nominations or proposals as to any other business to be considered pursuant to this Section 9 (including clause (a)(1)(C) and paragraph (b) hereof), and compliance with clause (a)(1)(C) and paragraph (b) of this Section 9 shall be the exclusive means for a stockholder to make nominations or submit other business, as applicable (other than matters brought properly under and in compliance with Rule 14a-8 of the Exchange Act, as may be amended from time to time). Nothing in this Section 9 shall be deemed to affect any rights of (A) stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 of the Exchange Act or (B) the holders of any class or series of stock having a preference over the common stock of the Corporation as to dividends or upon liquidation ("**Preferred Stock**") to elect directors pursuant to any applicable provisions of the Certificate of Incorporation.

**SECTION 10. Submission of Questionnaire, Representation and Agreement.** To be eligible to be a nominee for election or reelection as a director of the Corporation, a person must deliver (in accordance with the time periods prescribed for delivery of notice under Section 9 of this Article II) to the Secretary at the principal executive offices of the Corporation a written questionnaire with respect to the background and qualification of such person and the background of any other person or entity on whose behalf the nomination is being made (which questionnaire shall be provided by the Secretary upon written request) and a written representation and agreement (in the form provided by the Secretary upon written request) that such person (a) is not and will not become a party to (1) any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how such person, if elected as a director of the Corporation, will act or vote on any issue or question (a "**Voting Commitment**") that has not been disclosed to the Corporation or (2) any Voting Commitment that could limit or interfere with such person's ability to comply, if elected as a director of the Corporation, with such person's fiduciary duties under applicable law as it presently exists or may hereafter be amended; (b) is not and will not become a party to any agreement, arrangement or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a director that has not been disclosed therein; and (c) in such person's individual capacity and on behalf of any person or entity on whose behalf the nomination is being made, would be in compliance, if elected as a director of the Corporation, and will comply with all applicable publicly disclosed corporate governance, conflict of interest, confidentiality, stock ownership, related party and trading policies and guidelines of the Corporation.

**SECTION 11. Fixing Date for Determination of Stockholders of Record.**

(a) In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, the Board of Directors may fix a record date,

which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If the Board of Directors so fixes a date, such date shall also be the record date for determining the stockholders entitled to vote at such meeting unless the Board of Directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting, and in such case shall also fix as the record date for stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of stockholders entitled to vote in accordance herewith at the adjourned meeting.

(b) Unless otherwise restricted by the Certificate of Incorporation, in order that the Corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date for determining stockholders entitled to consent to corporate action in writing without a meeting is fixed by the Board of Directors, (i) when no prior action of the Board of Directors is required by law, the record date for such purpose shall be the first date on which a signed consent setting forth the action taken or proposed to be taken is delivered to the Corporation in accordance with applicable law, and (ii) if prior action by the Board of Directors is required by law, the record date for such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

(c) In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

**SECTION 12. List of Stockholders Entitled to Vote.** The Corporation shall prepare, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting (provided, however, if the record date for determining the stockholders entitled to vote is less than ten (10) days before the date of the meeting, the list shall reflect the stockholders entitled to vote as of the tenth (10th) day before the date of the meeting), arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. The Corporation shall not be required to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting for a period of at least ten (10) days prior to the meeting: (a) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting or (b) during ordinary business hours, at the Corporation's principal executive office. In the event that the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to stockholders of the Corporation. If the meeting is to be held at a place, then the list shall be produced and kept at the time and place of the meeting during the whole time thereof and may be inspected by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting. Except as otherwise provided by law, the stock ledger shall be the only evidence as to the identity of the

stockholders entitled to vote in person or by proxy and the number of shares held by each of them, and as to the stockholders entitled to examine the list of stockholders.

### ARTICLE III

#### BOARD OF DIRECTORS

**SECTION 1. General Powers.** The business, property and affairs of the Corporation shall be managed by, or under the direction of, the Board of Directors. In addition to the powers and authorities by these Bylaws expressly conferred upon them, the Board of Directors may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these Bylaws required to be exercised or done by the stockholders.

**SECTION 2. Number, Term and Qualification; Remuneration.**

(a) Subject to the Certificate of Incorporation, the number of directors shall be fixed in the manner provided in the Certificate of Incorporation. The term of each director shall be as set forth in the Certificate of Incorporation. Directors need not be stockholders. The directors shall be divided into classes as and to the extent provided in the Certificate of Incorporation, except as otherwise required by applicable law.

(b) The Board of Directors may establish policies for the compensation of directors and for the reimbursement of the expenses of directors, in each case, in connection with services provided by directors to the Corporation. Directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors, and Directors who are not employees of the Corporation may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as director. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed compensation for committee service.

**SECTION 3. Quorum and Manner of Voting.** Except as otherwise required by law, the Certificate of Incorporation, or in these Bylaws, a majority of the total number of authorized directors constituting the Board of Directors, whether or not there exist any vacancies or other unfilled seats in previously authorized directorships (the "**Whole Board**") shall constitute a quorum for the transaction of business. A majority of the directors present, whether or not a quorum is present, may adjourn a meeting from time to time to another time and place without notice. The vote of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors. To the extent permitted by law, the directors present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough directors to leave less than a quorum.

**SECTION 4. Places of Meetings; Conference Telephone Meetings.** Meetings of the Board of Directors may be held at any place within or outside the State of Delaware, as may be fixed from time to time by resolution of the Board of Directors, or as may be specified in the notice of meeting. Members of the Board of Directors, or any committee thereof, may participate in a meeting of the Board of Directors or such committee by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at such meeting.

**SECTION 5. Regular Meetings.** Regular meetings of the Board of Directors shall be held at such times and places as the Board of Directors shall from time to time by resolution determine. Notice need not be given of regular meetings of the Board of Directors held at times and places fixed by resolution of the Board of Directors.

**SECTION 6. Special Meetings.** Special meetings of the Board of Directors shall be held whenever called by the Chairman of the Board, Chief Executive Officer or a majority of the directors then in office.

**SECTION 7. Notice of Meetings.**

(a) Notice of the time and place of special meetings of the Board of Directors shall be: (1) delivered personally by hand, by courier or by telephone; (2) sent by United States first-class mail, postage prepaid; (3) sent by facsimile; or (4) sent by electronic mail, electronic transmission or other similar means, directed to

each director at that director's address, telephone number, facsimile number or electronic mail or other electronic address, as the case may be, as shown on the Corporation's records.

(b) If the notice is (1) delivered personally by hand, by courier or by telephone, (2) sent by facsimile or (3) sent by electronic mail or electronic transmission, it shall be delivered or sent at least twenty-four (24) hours before the time of the holding of the meeting. If the notice is sent by United States mail, it shall be deposited in the United States mail at least four (4) days before the time of the holding of the meeting. The notice need not specify the place of the meeting (if the meeting is to be held at the Corporation's principal executive office). Notice need not be given to any director who consents in writing, whether before or after the meeting, or who attends the meeting without protesting prior thereto or at its commencement, the lack of notice to such director.

**SECTION 8. Chairman of the Board.** Except as otherwise provided by law, the Certificate of Incorporation, or in Section 9 of this Article III, the Chairman of the Board of Directors, if there be one, shall preside at all meetings of the Board of Directors and shall have such other powers and duties as may from time to time be assigned by the Board of Directors.

**SECTION 9. Organization.** At all meetings of the Board of Directors, the Chairman, or, if none or in the Chairman's absence or inability to act, the Chief Executive Officer, or, in the Chief Executive Officer's absence or inability to act, any Vice-President who is a member of the Board of Directors, or, if none or in such Vice-President's absence or inability to act, a chairman chosen by the directors, shall preside. The Secretary of the Corporation shall act as secretary at all meetings of the Board of Directors when present, and, in the Secretary's absence, the presiding officer may appoint any person to act as secretary.

**SECTION 10. Resignation.** Any director may resign at any time upon written notice (including by electronic transmission) to the Chairman or the Corporation's Chief Executive Officer, and such resignation shall take effect upon receipt thereof by the Chairman or Chief Executive Officer, unless otherwise specified in the resignation.

**SECTION 11. Vacancies.** Vacancies occurring in any directorship (whether by death, resignation, retirement, disqualification, removal or other cause) and newly created directorships resulting from any increase in the number of directors shall be filled in accordance with the Certificate of Incorporation. Any director elected to fill a vacancy or newly created directorship shall hold office until the next election of the class for which such director shall have been chosen and until his or her successor shall be elected and qualified, or until his or her earlier death, resignation, retirement, disqualification or removal.

**SECTION 12. Removal of Director.** Directors of the Corporation may be removed in the manner provided in the Certificate of Incorporation and applicable law.

**SECTION 13. Action by Written Consent.** Any action required or permitted to be taken at any meeting of the Board of Directors may be taken without a meeting if all the directors consent thereto in writing (which may be provided by electronic transmission). After an action is taken, such writing or writings (or electronic transmission or transmissions) shall be filed with the minutes of proceedings of the Board of Directors. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

## ARTICLE IV

### COMMITTEES

**SECTION 1. Appointment.** From time to time, the Board of Directors by a resolution adopted by a majority of the Whole Board may appoint any committee or committees for any purpose or purposes, to the extent lawful, which shall have such duties and powers as shall be determined and specified by the Board of Directors in the resolution of appointment. The Board of Directors may at any time for any reason remove any individual committee member, and the Board of Directors may fill any committee vacancy created by death, resignation, removal or increase in the number of members of the committee. Nothing herein shall be deemed to prevent the Board of Directors from appointing one or more committees consisting in whole or in part of persons who are not directors of the Corporation; provided, however, that no such committee shall have or may exercise any authority of the Board of Directors.

**SECTION 2. Procedures, Quorum and Manner of Acting.** Each committee shall fix its own rules of procedure and shall meet where and as provided by such rules or by resolution of the Board of Directors. Except as otherwise provided by law, the presence of a majority of the then appointed members of a committee shall constitute a quorum for the transaction of business by that committee, and in every case where a quorum is present the affirmative vote of a majority of the members of the committee present shall be the act of the committee. Any director may belong to any number of committees of the Board of Directors. Subject to the Certificate of Incorporation, the Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of any member of such committee or committees, the member or members thereof present at any meeting and not disqualified from voting, whether or not constituting a quorum, may unanimously appoint another member of the Board to act at the meeting in the place of any such absent or disqualified member. Each committee shall keep minutes of its proceedings, and actions taken by a committee shall be reported to the Board of Directors.

**SECTION 3. Action by Written Consent.** Any action required or permitted to be taken at any meeting of any committee of the Board of Directors may be taken without a meeting if all the members of the committee consent thereto in writing (which may be provided by electronic transmission). After such action is taken, such writing or writings shall be filed with the minutes of proceedings of the committee.

**SECTION 4. Term; Termination.** In the event any person shall cease to be a director of the Corporation, such person shall simultaneously therewith cease to be a member of any committee appointed by the Board of Directors.

**SECTION 5. Reliance on Books and Records.** A member of the Board of Directors, or a member of any committee designated by the Board of Directors shall be fully protected, in the performance of such person's duties, in relying in good faith upon records of the Corporation and upon such information, opinions, reports or statements presented to the Corporation by any of the Corporation's officers or employees, or committees of the Board, or by any other person as to matters the member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation.

**SECTION 1. Stock; Signatures.** Shares of the Corporation's stock may be evidenced by certificates for shares of stock or may be issued in uncertificated form in accordance with applicable law as it presently exists or may hereafter be amended. The Board of Directors of the Corporation may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares. Any such resolution or the issuance of shares in uncertificated form shall not affect shares already represented

by a certificate until such certificate is surrendered to the Corporation. Every holder of shares of stock in the Corporation that is represented by certificates shall be entitled to have a certificate certifying the number of shares owned by such holder in the Corporation and registered in certificated form. Stock certificates shall be signed by or in the name of the Corporation by any two authorized officers, including the Chairman, the Vice Chairman of the Board of Directors, the Chief Executive Officer, the President, any Vice-President, the Treasurer, the Secretary or an Assistant Secretary of the Corporation, representing the number of shares registered in certificate form. Any and all signatures on any such certificate may be facsimiles. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if he, she or it were such officer, transfer agent or registrar at the date of issue. The name of the holder of record of the shares represented by certificated or uncertificated shares, with the number of such shares and the date of issue, shall be entered on the books of the Corporation.

**SECTION 2. Transfers of Stock.** Transfers of record of shares of stock of the Corporation shall be made on the books administered by or on behalf of the Corporation after receipt of a request with proper evidence of succession, assignation or authority to transfer by the record holder of such stock, or by an attorney lawfully constituted in writing, and in the case of stock represented by a certificate, upon surrender of the certificate. Subject to the foregoing, the Board of Directors may make such rules and regulations as it shall deem necessary or appropriate concerning the issue, transfer and registration of shares of stock of the Corporation, and to appoint and remove transfer agents and registrars of transfers, subject to applicable law.

**ARTICLE XI**

**WAIVER OF NOTICE**

Whenever notice is required to be given by these Bylaws or by the Certificate of Incorporation or by law, the person or persons entitled to said notice may consent in writing or by electronic transmission, whether before or after the time stated therein, to waive such notice requirement. Attendance of a person at any meeting shall constitute a waiver of notice of such meeting, except when the person attends the meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

**ARTICLE XII**

**BANK ACCOUNTS, DRAFTS, CONTRACTS, ETC.**

**SECTION 1. Bank Accounts and Drafts.** In addition to such bank accounts as may be authorized by the Board of Directors, the primary financial officer or any person designated by said primary financial officer, whether or not an employee of the Corporation, may authorize such bank accounts to be opened or maintained in the name and on behalf of the Corporation as such primary financial officer (or designee thereof) may deem necessary or appropriate, payments from such bank accounts to be made upon and according to the check of the Corporation in accordance with the written instructions of said primary financial officer or other person so designated by the Treasurer.

**SECTION 2. Contracts.** The Board of Directors (or its designee) may authorize any person or persons, in the name and on behalf of the Corporation, to enter into or execute and deliver any and all deeds, bonds, mortgages, contracts and other obligations or instruments, and such authority may be general or confined to specific instances.

**SECTION 3. Proxies; Powers of Attorney; Other Instruments.** The Chairman, the Chief Executive Officer or any other person designated by either of them shall have the power and authority to execute and deliver proxies, powers of attorney and other instruments on behalf of the Corporation in connection with the rights and powers incident to the ownership of stock or other interests by the Corporation. The Chairman, the Chief Executive Officer or any other person authorized by proxy or power of attorney executed and delivered by either of them on behalf of the Corporation may attend and vote at any meeting of stockholders or equity holders of any entity in which the Corporation may hold stock or other interests, and may exercise on behalf of the Corporation any and all of the rights and powers incident to the ownership of such stock or interests at any such meeting, or otherwise as specified in the proxy or power of attorney so authorizing any such person. The Board of Directors, from time to time, may confer like powers upon any other person.

**ARTICLE XIII**

**INDEMNIFICATION OF DIRECTORS AND OFFICERS**

**SECTION 1. Right to Indemnification.** The Corporation shall indemnify, to the fullest extent permitted by the DGCL, as it presently exists or may be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), any natural person (a) who is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director, officer or trustee of another corporation, limited liability company, partnership, joint venture, employee benefit plan, trust, nonprofit entity or other enterprise at any time during which these Bylaws are in effect (a "**Covered Person**"), whether or not such Covered Person continues to serve in such capacity at the time any indemnification is sought or at the time of any proceeding (as defined below) relating thereto exists or is brought, and (b) who is or was a party to, is threatened to be made a party to, or is otherwise involved in (including as a witness) any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative in nature (a "**proceeding**") based on such Covered Person's action(s) in his or her official capacity as a director or officer of the Corporation or as a director, officer or trustee of another corporation, limited liability company, partnership, joint venture, employee benefit plan,

trust, nonprofit entity or other enterprise (to the extent serving in such position at the request of the Corporation), against all liability and loss suffered (including, without limitation, any judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement consented to in writing by the Corporation) and expenses (including attorneys' fees), actually and reasonably incurred by such Covered Person in connection with such proceeding. Such indemnification shall continue to a Covered Person who has ceased to be a director or officer, of the Corporation or as a director, officer or trustee of another corporation, limited liability company, partnership, joint venture, employee benefit plan, trust, nonprofit entity or other enterprise at the request of the Corporation and shall inure to the benefit of his or her heirs, executors and administrators. Except as provided in this Section 1, the Corporation shall be required to indemnify a Covered Person in connection with a proceeding (or part thereof) initiated by such Covered Person only if the proceeding (or part thereof) was authorized by the Board of Directors.

**SECTION 2. Notification of Claim.** To obtain indemnification under Section 1 of this Article XIII, a claimant shall submit to the Corporation a written request, including any such documentation and information as is reasonably available to the claimant and is reasonably necessary to determine whether and to what extent the claimant is entitled to indemnification. Upon written request by a claimant for indemnification pursuant to the first sentence of this Section 2, a determination, if required by the DGCL, with respect to the claimant's entitlement to indemnification shall be made in accordance with Section 145(d) of the DGCL. In the event the determination of entitlement to indemnification is to be made by Independent Counsel, the Independent Counsel shall be selected by the Board of Directors. If it is so determined that the claimant is entitled to indemnification, payment to the claimant shall be made within ninety (90) days after such determination.

**SECTION 3. Right of Covered Person to Bring Suit.** If a claim for indemnification under Section 1 of this Article XIII is not paid in full within ninety (90) days after a written claim pursuant to Section 2 of this Article XIII has been received by the Corporation, the claimant may at any time thereafter file suit to recover the unpaid amount of such claim and, to the extent successful, shall be entitled to be paid the reasonable costs, fees and expenses of prosecuting such claim to the fullest extent permitted by law. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking has been tendered to the Corporation) that the claimant has not met the standard of conduct that makes it permissible under the DGCL for the Corporation to indemnify the claimant for the amount claimed. Neither the failure of the Corporation (including its Board of Directors, Independent Counsel or stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including its Board of Directors, Independent Counsel or stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

**SECTION 4. Non-Exclusivity of Rights.** The right to indemnification conferred on any Covered Person by this Article XIII (a) shall not be exclusive of any other rights that such Covered Person may have or acquire under any statute, provision of these Bylaws, agreement, vote of stockholders or Disinterested Directors or otherwise and (b) cannot be terminated by the Corporation, the Board of Directors or the stockholders of the Corporation with respect to a Covered Person's service occurring prior to the date of such termination. Notwithstanding the foregoing, the Corporation's obligation to indemnify or advance expenses to any Covered Person who was or is serving at its request as a director, officer or trustee of another corporation, limited liability company, partnership, joint venture, trust, enterprise or nonprofit entity shall be excess and secondary to any obligations of such other entity, and shall in all cases be reduced by any amount such person has collected as indemnification from such other corporation, limited liability company, partnership, joint venture, trust, nonprofit entity or other enterprise, and, in the event the Corporation has fully paid such expenses, the Covered Person shall return to the Corporation any amounts subsequently received from such other source of indemnification.

**SECTION 5. Nature of Rights.** The rights conferred upon indemnitees in this Article XIII shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a director, officer or trustee and shall inure to the benefit of the indemnitee's heirs, executors and administrators. Any repeal or

modification of the provisions of this Article XIII that in any way diminishes any right of an indemnitee or his or her successors to indemnification or advancement (or related rights) shall be prospective only and shall not in any way diminish, limit, restrict, adversely affect or eliminate any such right with respect to any actual or alleged acts or omissions occurring prior to such repeal or modification.

**SECTION 6. Right to Advancement of Expenses.** The Corporation, in its sole discretion, may advance any costs, fees or expenses (including attorneys' fees) incurred by a Covered Person defending or participating in any proceeding prior to the final disposition of such proceeding; provided, however, to the extent required by law, the payment of such costs, fees or expenses incurred by a Covered Person shall be made only upon receipt of an undertaking by or on behalf of the Covered Person to repay all amounts advanced if it ultimately shall be determined by final judicial decision from which there is no further right of appeal that the Covered Person is not entitled to be indemnified by the Corporation for such expenses under this Article XIII or otherwise.

**SECTION 7. Savings Clause.** If any provision or provisions of this Article XIII shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Article XIII (including, without limitation, each portion of any paragraph of this Article XIII containing any such provision held to be invalid, illegal or unenforceable, that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and (b) to the fullest extent possible, the provisions of this Article XIII (including, without limitation, each such portion of any paragraph of this Article XIII containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable.

**SECTION 8. Indemnification of Other Persons.** This Article XIII shall not limit the right of the Corporation, to the extent and in the manner permitted by law, to indemnify and advance expenses to persons other than Covered Persons when and as authorized by the Board of Directors. In addition, the Corporation may enter into agreements with any person or entity for the purpose of providing for indemnification or advancement, in any manner or extent consistent with Delaware law.

**SECTION 9. Indemnification Agreements; Insurance.** The Corporation shall have the discretionary power to enter into indemnification agreements with any Covered Person or agent of the Corporation that confer broader or other rights, including without limitation advancement of expenses, to the extent allowed by Delaware law. The Corporation may purchase and maintain insurance, at its expense, on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was a director, officer, employee or agent of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise against any liability, expense or loss asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power or the obligation to indemnify such person against such liability, expense or loss under the provisions of these Bylaws of the Corporation or the DGCL. To the extent that the Corporation maintains any policy or policies providing such insurance, each such person shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage thereunder for any such person.

**SECTION 10. Definitions.** For purposes of this Article XIII:

(1) "**Disinterested Director**" means a director of the Corporation who is not and was not a party to the matter in respect of which indemnification is sought by the claimant.

(2) "**Independent Counsel**" means a law firm, a member of a law firm, or an independent practitioner, that is experienced in matters of corporation law and shall include any person who, under the applicable standards of professional conduct then prevailing, would not have a conflict of interest in representing either the Corporation or the claimant in an action to determine the claimant's rights under this Article XIII.

**SECTION 11. Notice.** Any notice, request or other communication required or permitted to be given to the Corporation under this Article XIII shall be in writing and either delivered in person or sent by

telecopy, telex, telegram, overnight mail or courier service, or certified or registered mail, postage prepaid, return receipt requested, to the Secretary of the Corporation and shall be effective only upon receipt by the Secretary.

##### AMENDMENTS

In furtherance and not in limitation of the powers conferred by the laws of the State of Delaware, the Board of Directors of the Corporation is expressly authorized to make, alter and repeal these Bylaws without the consent or vote of the stockholders in any manner not inconsistent with the laws of the State of Delaware or the Certificate of Incorporation. From and after the occurrence of the Trigger Event (as defined in the Certificate of Incorporation), notwithstanding any other provisions of these Bylaws or any provision of law that might otherwise permit a lesser vote or no vote, but in addition to any additional or greater vote or consent required by the Certificate of Incorporation (including any vote of the holders of any particular class or classes or series of stock required by law or by the Certificate of Incorporation), the affirmative vote of the holders of at least 66 2/3% of the voting power of the outstanding shares of stock entitled to vote thereon, voting together as a single class, shall be required in order for the stockholders of the Corporation to alter, amend or repeal, in whole or in part, any provision of these Bylaws or to adopt any provision inconsistent herewith.

##### NOTICE BY ELECTRONIC TRANSMISSION

**SECTION 1. Notice of Electronic Transmission.** Without limiting the manner by which notice otherwise may be given effectively to stockholders pursuant to the DGCL, the Certificate of Incorporation or these Bylaws, any notice to stockholders given by the Corporation under any provision of the DGCL, the Certificate of Incorporation or these Bylaws shall be effective if given by a form of electronic transmission to the stockholder when directed to such stockholder's electronic mail address unless the stockholder has notified the Corporation in writing or by electronic transmission of an objection to receiving notice by electronic mail or such notice is prohibited.

A notice by electronic mail must include a prominent legend that the communication is an important notice regarding the Corporation. Without limiting the manner by which notice otherwise may be given effectively to stockholders, any notice to stockholders may be given by electronic transmission in the manner provided in Section 232 of the DGCL.

An affidavit of the secretary or an assistant secretary of the Corporation or of the transfer agent or other agent of the Corporation that the notice has been given by a form of electronic transmission shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

do not reduce the number of shares subject to the Share Reserve and available for issuance under the Plan: (1) the expiration or termination of any portion of an Award without the shares covered by such portion of the Award having been issued, (2) the settlement of any portion of an Award in cash (i.e., the Participant receives cash rather than Common Stock), (3) the withholding of shares that would otherwise be issued by the Company to satisfy the exercise, strike or purchase price of an Award; or (4) the withholding of shares that would otherwise be issued by the Company to satisfy a tax withholding obligation in connection with an Award. For the avoidance of doubt, with respect to a SAR, only shares of Common Stock which are issued upon settlement of the SAR shall count towards reducing the number of shares available for issuance under the Plan.

**(iii) Reversion of Previously Issued Shares of Common Stock to Share Reserve.** The following shares of Common Stock previously issued pursuant to an Award and accordingly initially deducted from the Share Reserve will be added back to the Share Reserve and again become available for issuance under the Plan: (1) any shares that are forfeited back to or repurchased by the Company because of a failure to meet a contingency or condition required for the vesting of such shares; (2) any shares that are reacquired by the Company to satisfy the exercise, strike or purchase price of an Award; and (3) any shares that are reacquired by the Company to satisfy a tax withholding obligation in connection with an Award.

### **3. ELIGIBILITY AND LIMITATIONS.**

**(a) Eligible Award Recipients.** Subject to the terms of the Plan, Employees, Directors and Consultants are eligible to receive Awards.

#### **(b) Specific Award Limitations.**

**(i) Limitations on Incentive Stock Option Recipients.** Incentive Stock Options may be granted only to Employees of the Company or a "parent corporation" or "subsidiary corporation" thereof (as such terms are defined in Sections 424(e) and (f) of the Code).

**(ii) Incentive Stock Option \$100,000 Limitation.** To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any Affiliates) exceeds \$100,000 (or such other limit established in the Code) or otherwise does not comply with the rules governing Incentive Stock Options, the Options or portions thereof that exceed such limit (according to the order in which they were granted) or otherwise do not comply with such rules will be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of the applicable Option Agreement(s).

**(iii) Limitations on Incentive Stock Options Granted to Ten Percent Stockholders.** A Ten Percent Stockholder may not be granted an Incentive Stock Option unless (i) the exercise price of such Option is at least 110% of the Fair Market Value on the date of grant of such Option and (ii) the Option is not exercisable after the expiration of five years from the date of grant of such Option.

**(iv) Limitations on Nonstatutory Stock Options and SARs.** Nonstatutory Stock Options and SARs may not be granted to Employees, Directors and Consultants who are providing Continuous Service only to any "parent" of the Company (as such term is defined in Rule 405) unless the stock underlying such Awards is treated as "service recipient stock" under Section 409A because the Awards are granted pursuant to a corporate transaction (such as a spin off transaction) or unless such Awards otherwise comply with the distribution requirements of Section 409A.

**(c) Aggregate Incentive Stock Option Limit.** The aggregate maximum number of shares of Common Stock that may be issued pursuant to the exercise of Incentive Stock Options is the number of shares specified in Section 2(b).

**(d) Non-Employee Director Compensation Limit.** The aggregate value of all compensation granted or paid, as applicable, in each case following the Effective Date, to any individual for service as a Non-Employee Director with respect to any fiscal year, including Awards granted and cash fees paid by the Company to such Non-Employee Director for his or her service as a Non-Employee Director, will not exceed

(i) \$750,000 in total value or (ii) in the event such Non-Employee Director is first appointed or elected to the Board during such fiscal year, \$1,000,000 in total value, in each case calculating the value of any equity awards based on the grant date fair value of such equity awards for financial reporting purposes.

#### 4. OPTIONS AND STOCK APPRECIATION RIGHTS.

Each Option and SAR will have such terms and conditions as determined by the Board. Each Option will be designated in writing as an Incentive Stock Option or Nonstatutory Stock Option at the time of grant; provided, however, that if an Option is not so designated, then such Option will be a Nonstatutory Stock Option, and the shares purchased upon exercise of each type of Option will be separately accounted for. Each SAR will be denominated in shares of Common Stock equivalents. The terms and conditions of separate Options and SARs need not be identical; provided, however, that each Option Agreement and SAR Agreement will conform (through incorporation of provisions hereof by reference in the Award Agreement or otherwise) to the substance of each of the following provisions:

**(a) Term.** Subject to Section 3(b) regarding Ten Percent Stockholders, no Option or SAR will be exercisable after the expiration of ten years from the date of grant of such Award or such shorter period specified in the Award Agreement.

**(b) Exercise or Strike Price.** Subject to Section 3(b) regarding Ten Percent Stockholders, the exercise or strike price of each Option or SAR will not be less than 100% of the Fair Market Value on the date of grant of such Award. Notwithstanding the foregoing, an Option or SAR may be granted with an exercise or strike price lower than 100% of the Fair Market Value on the date of grant of such Award if such Award is granted pursuant to an assumption of or substitution for another option or stock appreciation right pursuant to a Corporate Transaction and in a manner consistent with the provisions of Sections 409A and, if applicable, 424(a) of the Code.

**(c) Exercise Procedure and Payment of Exercise Price for Options.** In order to exercise an Option, the Participant must provide notice of exercise to the Plan Administrator in accordance with the procedures specified in the Option Agreement or otherwise provided by the Company. The Board has the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to utilize a particular method of payment. The exercise price of an Option may be paid, to the extent permitted by Applicable Law and as determined by the Board, by one or more of the following methods of payment to the extent set forth in the Option Agreement:

**(i)** by cash or check, bank draft or money order payable to the Company;

**(ii)** pursuant to a "cashless exercise" program developed under Regulation T as promulgated by the U.S. Federal Reserve Board that, prior to the issuance of the Common Stock subject to the Option, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the exercise price to the Company from the sales proceeds;

**(iii)** by delivery to the Company (either by actual delivery or attestation) of shares of Common Stock that are already owned by the Participant free and clear of any liens, claims, encumbrances or security interests, with a Fair Market Value on the date of exercise that does not exceed the exercise price, provided that (1) at the time of exercise the Common Stock is publicly traded, (2) any remaining balance of the exercise price not satisfied by such delivery is paid by the Participant in cash or other permitted form of payment, (3) such delivery would not violate any Applicable Law or agreement restricting the redemption of the Common Stock, (4) any certificated shares are endorsed or accompanied by an executed assignment separate from certificate and (5) such shares have been held by the Participant for any minimum period necessary to avoid adverse accounting treatment as a result of such delivery;

**(iv)** if the Option is a Nonstatutory Stock Option, by a "net exercise" arrangement pursuant to which the Company will reduce the number of shares of Common Stock issuable upon exercise by the largest whole number of shares with a Fair Market Value on the date of exercise that does not exceed the exercise price, provided that (1) such shares used to pay the exercise price will not be exercisable

thereafter and (2) any remaining balance of the exercise price not satisfied by such net exercise is paid by the Participant in cash or other permitted form of payment; or

(v) in any other form of consideration that may be acceptable to the Board and permissible under Applicable Law.

**(d) Exercise Procedure and Payment of Appreciation Distribution for SARs.** In order to exercise any SAR, the Participant must provide notice of exercise to the Plan Administrator in accordance with the SAR Agreement. The appreciation distribution payable to a Participant upon the exercise of a SAR will not be greater than an amount equal to the excess of (i) the aggregate Fair Market Value on the date of exercise of a number of shares of Common Stock equal to the number of Common Stock equivalents that are vested and being exercised under such SAR, over (ii) the strike price of such SAR. Such appreciation distribution may be paid to the Participant in the form of Common Stock or cash (or any combination of Common Stock and cash) or in any other form of payment, as determined by the Board and specified in the SAR Agreement.

**(e) Transferability.** Options and SARs may not be transferred to third-party financial institutions for value. The Board may impose such additional limitations on the transferability of an Option or SAR as it determines. In the absence of any such determination by the Board, the following restrictions on the transferability of Options and SARs will apply, provided that except as explicitly provided herein, neither an Option nor a SAR may be transferred for consideration and provided, further, that if an Option is an Incentive Stock Option, such Option may be deemed to be a Nonstatutory Stock Option as a result of such transfer:

**(i) Restrictions on Transfer.** An Option or SAR will not be transferable, except by will or by the laws of descent and distribution, and will be exercisable during the lifetime of the Participant only by the Participant; provided, however, that the Board may permit transfer of an Option or SAR in a manner that is not prohibited by applicable tax and securities laws upon the Participant's request, including to a trust if the Participant is considered to be the sole beneficial owner of such trust (as determined under Section 671 of the Code and applicable U.S. state law) while such Option or SAR is held in such trust, provided that the Participant and the trustee enter into a transfer and other agreements required by the Company.

**(ii) Domestic Relations Orders.** Notwithstanding the foregoing, subject to the execution of transfer documentation in a format acceptable to the Company and subject to the approval of the Board or a duly authorized Officer, an Option or SAR may be transferred pursuant to a domestic relations order.

**(f) Vesting.** The Board may impose such restrictions on or conditions to the vesting and/or exercisability of an Option or SAR as determined by the Board. Except as otherwise provided in the applicable Award Agreement or other written agreement between a Participant and the Company, vesting of Options and SARs will cease upon termination of the Participant's Continuous Service.

**(g) Termination of Continuous Service for Cause.** Except as explicitly otherwise provided in the Award Agreement or other written agreement between a Participant and the Company, if a Participant's Continuous Service is terminated for Cause, the Participant's Options and SARs will terminate and be forfeited immediately upon such termination of Continuous Service, and the Participant will be prohibited from exercising any portion (including any vested portion) of such Awards on and after the date of such termination of Continuous Service and the Participant will have no further right, title or interest in such forfeited Award, the shares of Common Stock subject to the forfeited Award, or any consideration in respect of the forfeited Award.

**(h) Post-Termination Exercise Period Following Termination of Continuous Service for Reasons Other than Cause.** Subject to Section 4(i), if a Participant's Continuous Service terminates for any reason other than for Cause, the Participant may exercise his or her Option or SAR to the extent vested, but only within the following period of time or, if applicable, such other period of time provided in the Award Agreement or other written agreement between a Participant and the Company; provided, however, that in no event may such Award be exercised after the expiration of its maximum term (as set forth in Section 4(a)):

(i) three months following the date of such termination if such termination is a termination without Cause (other than any termination due to the Participant's Disability or death);

(ii) 12 months following the date of such termination if such termination is due to the Participant's Disability;

(iii) 18 months following the date of such termination if such termination is due to the Participant's death; or

(iv) 18 months following the date of the Participant's death if such death occurs following the date of such termination but during the period such Award is otherwise exercisable (as provided in (i) or (ii) above).

Following the date of such termination, to the extent the Participant does not exercise such Award within the applicable Post-Termination Exercise Period (or, if earlier, prior to the expiration of the maximum term of such Award), such unexercised portion of the Award will terminate, and the Participant will have no further right, title or interest in terminated Award, the shares of Common Stock subject to the terminated Award, or any consideration in respect of the terminated Award.

**(i) Restrictions on Exercise; Extension of Exercisability.** A Participant may not exercise an Option or SAR at any time that the issuance of shares of Common Stock upon such exercise would violate Applicable Law. Except as otherwise provided in the Award Agreement or other written agreement between a Participant and the Company, if a Participant's Continuous Service terminates for any reason other than for Cause and, at any time during the last thirty days of the applicable Post-Termination Exercise Period: (i) the exercise of the Participant's Option or SAR would be prohibited solely because the issuance of shares of Common Stock upon such exercise would violate Applicable Law, or (ii) the immediate sale of any shares of Common Stock issued upon such exercise would violate the Company's Trading Policy, then the applicable Post-Termination Exercise Period will be extended to the last day of the calendar month that commences following the date the Award would otherwise expire, with an additional extension of the exercise period to the last day of the next calendar month to apply if any of the foregoing restrictions apply at any time during such extended exercise period, generally without limitation as to the maximum permitted number of extensions; provided, however, that in no event may such Award be exercised after the expiration of its maximum term (as set forth in Section 4(a)).

**(j) Non-Exempt Employees.** No Option or SAR, whether or not vested, granted to an Employee who is a non-exempt employee for purposes of the Fair Labor Standards Act of 1938, as amended, will be first exercisable for any shares of Common Stock until at least six months following the date of grant of such Award. Notwithstanding the foregoing, in accordance with the provisions of the Worker Economic Opportunity Act, any vested portion of such Award may be exercised earlier than six months following the date of grant of such Award in the event of (i) such Participant's death or Disability, (ii) a Corporate Transaction in which such Award is not assumed, continued or substituted, (iii) a Change in Control, or (iv) such Participant's retirement (as such term may be defined in the Award Agreement or another applicable agreement or, in the absence of any such definition, in accordance with the Company's then current employment policies and guidelines). This Section 4(j) is intended to operate so that any income derived by a non-exempt employee in connection with the exercise or vesting of an Option or SAR will be exempt from his or her regular rate of pay.

**(k) Whole Shares.** Options and SARs may be exercised only with respect to whole shares of Common Stock or their equivalents.

**5. AWARDS OTHER THAN OPTIONS AND STOCK APPRECIATION RIGHTS.**

**(a) Restricted Stock Awards and RSU Awards.** Each Restricted Stock Award and RSU Award will have such terms and conditions as determined by the Board; provided, however, that each Restricted Stock Award Agreement and RSU Award Agreement will conform (through incorporation of the provisions hereof by reference in the Award Agreement or otherwise) to the substance of each of the following provisions:

**(i) Form of Award.**

**(1) RSAs:** To the extent consistent with the Company's Bylaws, at the Board's election, shares of Common Stock subject to a Restricted Stock Award may be (i) held in book entry form subject to the Company's instructions until such shares become vested or any other restrictions lapse, or (ii) evidenced by a certificate, which certificate will be held in such form and manner as determined by the Board. Unless otherwise determined by the Board, a Participant will have voting and other rights as a stockholder of the Company with respect to any shares subject to a Restricted Stock Award.

**(2) RSUs:** A RSU Award represents a Participant's right to be issued on a future date the number of shares of Common Stock that is equal to the number of restricted stock units subject to the RSU Award. As a holder of a RSU Award, a Participant is an unsecured creditor of the Company with respect to the Company's unfunded obligation, if any, to issue shares of Common Stock in settlement of such Award and nothing contained in the Plan or any RSU Agreement, and no action taken pursuant to its provisions, will create or be construed to create a trust of any kind or a fiduciary relationship between a Participant and the Company or an Affiliate or any other person. A Participant will not have voting or any other rights as a stockholder of the Company with respect to any RSU Award (unless and until shares are actually issued in settlement of a vested RSU Award).

**(ii) Consideration.**

**(1) RSA:** A Restricted Stock Award may be granted in consideration for (A) cash or check, bank draft or money order payable to the Company, (B) past services to the Company or an Affiliate, or (C) any other form of consideration as the Board may determine and permissible under Applicable Law.

**(2) RSU:** Unless otherwise determined by the Board at the time of grant, a RSU Award will be granted in consideration for the Participant's services to the Company or an Affiliate, such that the Participant will not be required to make any payment to the Company (other than such services) with respect to the grant or vesting of the RSU Award, or the issuance of any shares of Common Stock pursuant to the RSU Award. If, at the time of grant, the Board determines that any consideration must be paid by the Participant (in a form other than the Participant's services to the Company or an Affiliate) upon the issuance of any shares of Common Stock in settlement of the RSU Award, such consideration may be paid in any form of consideration as the Board may determine and permissible under Applicable Law.

**(iii) Vesting.** The Board may impose such restrictions on or conditions to the vesting of a Restricted Stock Award or RSU Award as determined by the Board. Except as otherwise provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate, vesting of Restricted Stock Awards and RSU Awards will cease upon termination of the Participant's Continuous Service.

**(iv) Termination of Continuous Service.** Except as otherwise provided in the Award Agreement or other written agreement between a Participant and the Company, if a Participant's Continuous Service terminates for any reason, (i) the Company may receive through a forfeiture condition or a repurchase right any or all of the shares of Common Stock held by the Participant under his or her Restricted Stock Award that have not vested as of the date of such termination as set forth in the Restricted Stock Award Agreement and (ii) any portion of his or her RSU Award that has not vested will be forfeited upon such termination and the Participant will have no further right, title or interest in the RSU Award, the shares of Common Stock issuable pursuant to the RSU Award, or any consideration in respect of the RSU Award.

**(v) Dividends and Dividend Equivalents.** Dividends or dividend equivalents may be paid or credited, as applicable, with respect to any shares of Common Stock subject to a Restricted Stock Award or RSU Award, as determined by the Board and specified in the Award Agreement).

**(vi) Settlement of RSU Awards.** A RSU Award may be settled by the issuance of shares of Common Stock or cash (or any combination thereof) or in any other form of payment, as determined by the Board and specified in the RSU Award Agreement. At the time of grant, the Board may determine to impose such restrictions or conditions that delay such delivery to a date following the vesting of the RSU Award.

**(b) Performance Awards.** With respect to any Performance Award, the length of any Performance Period, the Performance Goals to be achieved during the Performance Period, the other terms and conditions of such Award, and the measure of whether and to what degree such Performance Goals have been attained will be determined by the Board.

**(c) Other Awards.** Other Awards may be granted either alone or in addition to Awards provided for under Section 4 and the preceding provisions of this Section 5. Subject to the provisions of the Plan, the Board will have sole and complete discretion to determine the persons to whom and the time or times at which such Other Awards will be granted, the number of shares of Common Stock (or the cash equivalent thereof) to be granted pursuant to such Other Awards and all other terms and conditions of such Other Awards.

#### **6. ADJUSTMENTS UPON CHANGES IN COMMON STOCK; OTHER CORPORATE EVENTS.**

**(a) Capitalization Adjustments.** In the event of a Capitalization Adjustment, the Board shall appropriately and proportionately adjust: (i) the class(es) and maximum number of shares of Common Stock subject to the Plan and the maximum number of shares by which the Share Reserve may annually increase pursuant to Section 2(a), (ii) the class(es) and maximum number of shares that may be issued pursuant to the exercise of Incentive Stock Options pursuant to Section 2(b), and (iii) the class(es) and number of securities and exercise price, strike price or purchase price of Common Stock subject to outstanding Awards. The Board shall make such adjustments, and its determination shall be final, binding and conclusive. Notwithstanding the foregoing, no fractional shares or rights for fractional shares of Common Stock shall be created in order to implement any Capitalization Adjustment. The Board shall determine an appropriate equivalent benefit, if any, for any fractional shares or rights to fractional shares that might be created by the adjustments referred to in the preceding provisions of this Section.

**(b) Dissolution or Liquidation.** Except as otherwise provided in the Award Agreement, in the event of a dissolution or liquidation of the Company, all outstanding Awards (other than Awards consisting of vested and outstanding shares of Common Stock not subject to a forfeiture condition or the Company's right of repurchase) will terminate immediately prior to the completion of such dissolution or liquidation, and the shares of Common Stock subject to the Company's repurchase rights or subject to a forfeiture condition may be repurchased or reacquired by the Company notwithstanding the fact that the holder of such Award is providing Continuous Service, provided, however, that the Board may determine to cause some or all Awards to become fully vested, exercisable and/or no longer subject to repurchase or forfeiture (to the extent such Awards have not previously expired or terminated) before the dissolution or liquidation is completed but contingent on its completion.

**(c) Corporate Transaction.** The following provisions will apply to Awards in the event of a Corporate Transaction except as set forth in Section 11, and unless otherwise provided in the instrument evidencing the Award or any other written agreement between the Company or any Affiliate and the Participant or unless otherwise expressly provided by the Board at the time of grant of an Award.

**(i) Awards May Be Assumed.** In the event of a Corporate Transaction, any surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) may assume or continue any or all Awards outstanding under the Plan or may substitute similar awards for Awards outstanding under the Plan (including but not limited to, awards to acquire the same consideration paid to the stockholders of the Company pursuant to the Corporate Transaction), and any reacquisition or repurchase rights held by the Company in respect of Common Stock issued pursuant to Awards may be assigned by the Company to the successor of the Company (or the successor's parent company, if any), in connection with such Corporate Transaction. A surviving corporation or acquiring corporation (or its parent) may choose to assume or continue only a portion of an Award or substitute

a similar award for only a portion of an Award, or may choose to assume or continue the Awards held by some, but not all Participants. The terms of any assumption, continuation or substitution will be set by the Board.

**(ii) Awards Held by Current Participants.** In the event of a Corporate Transaction in which the surviving corporation or acquiring corporation (or its parent company) does not assume or continue such outstanding Awards or substitute similar awards for such outstanding Awards, then with respect to Awards that have not been assumed, continued or substituted and that are held by Participants whose Continuous Service has not terminated prior to the effective time of the Corporate Transaction (referred to as the "**Current Participants**"), the vesting of such Awards (and, with respect to Options and Stock Appreciation Rights, the time when such Awards may be exercised) will be accelerated in full to a date prior to the effective time of such Corporate Transaction (contingent upon the effectiveness of the Corporate Transaction) as the Board determines (or, if the Board does not determine such a date, to the date that is five days prior to the effective time of the Corporate Transaction), and such Awards will terminate if not exercised (if applicable) at or prior to the effective time of the Corporate Transaction, and any reacquisition or repurchase rights held by the Company with respect to such Awards will lapse (contingent upon the effectiveness of the Corporate Transaction). With respect to the vesting of Performance Awards that will accelerate upon the occurrence of a Corporate Transaction pursuant to this subsection (ii) and that have multiple vesting levels depending on the level of performance, unless otherwise provided in the Award Agreement, the vesting of such Performance Awards will accelerate at 100% of the target level upon the occurrence of the Corporate Transaction. With respect to the vesting of Awards that will accelerate upon the occurrence of a Corporate Transaction pursuant to this subsection (ii) and are settled in the form of a cash payment, such cash payment will be made no later than 30 days following the occurrence of the Corporate Transaction.

**(iii) Awards Held by Persons other than Current Participants.** In the event of a Corporate Transaction in which the surviving corporation or acquiring corporation (or its parent company) does not assume or continue such outstanding Awards or substitute similar awards for such outstanding Awards, then with respect to Awards that have not been assumed, continued or substituted and that are held by persons other than Current Participants, such Awards will terminate if not exercised (if applicable) prior to the occurrence of the Corporate Transaction; provided, however, that any reacquisition or repurchase rights held by the Company with respect to such Awards will not terminate and may continue to be exercised notwithstanding the Corporate Transaction.

**(iv) Payment for Awards in Lieu of Exercise.** Notwithstanding the foregoing, in the event an Award will terminate if not exercised prior to the effective time of a Corporate Transaction, the Board may provide, in its sole discretion, that the holder of such Award may not exercise such Award but will receive a payment, in such form as may be determined by the Board, equal in value, at the effective time, to the excess, if any, of (1) the value of the property the Participant would have received upon the exercise of the Award (including, at the discretion of the Board, any unvested portion of such Award), over (2) any exercise price payable by such holder in connection with such exercise.

**(d) Appointment of Stockholder Representative.** As a condition to the receipt of an Award under this Plan, a Participant will be deemed to have agreed that the Award will be subject to the terms of any agreement governing a Corporate Transaction involving the Company, including, without limitation, a provision for the appointment of a stockholder representative that is authorized to act on the Participant's behalf with respect to any escrow, indemnities and any contingent consideration.

**(e) No Restriction on Right to Undertake Transactions.** The grant of any Award under the Plan and the issuance of shares pursuant to any Award does not affect or restrict in any way the right or power of the Company or the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, rights or options to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights thereof or which are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

**7. ADMINISTRATION.**

**(a) Administration by Board.** The Board will administer the Plan unless and until the Board delegates administration of the Plan to a Committee or Committees, as provided in subsection (c) below.

**(b) Powers of Board.** The Board will have the power, subject to, and within the limitations of, the express provisions of the Plan:

**(i)** To determine from time to time: (1) which of the persons eligible under the Plan will be granted Awards; (2) when and how each Award will be granted; (3) what type or combination of types of Award will be granted; (4) the provisions of each Award granted (which need not be identical), including the time or times when a person will be permitted to receive an issuance of Common Stock or other payment pursuant to an Award; (5) the number of shares of Common Stock or cash equivalent with respect to which an Award will be granted to each such person; (6) the Fair Market Value applicable to an Award; and (7) the terms of any Performance Award that is not valued in whole or in part by reference to, or otherwise based on, the Common Stock, including the amount of cash payment or other property that may be earned and the timing of payment.

**(ii)** To construe and interpret the Plan and Awards granted under it, and to establish, amend and revoke rules and regulations for its administration. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan or in any Award Agreement, in a manner and to the extent it deems necessary or expedient to make the Plan or Award fully effective.

**(iii)** To settle all controversies regarding the Plan and Awards granted under it.

**(iv)** To accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest, notwithstanding the provisions in the Award Agreement stating the time at which it may first be exercised or the time during which it will vest.

**(v)** To prohibit the exercise of any Option, SAR or other exercisable Award during a period of up to 30 days prior to the consummation of any pending stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other change affecting the shares of Common Stock or the share price of the Common Stock including any Corporate Transaction, for reasons of administrative convenience.

**(vi)** To suspend or terminate the Plan at any time. Suspension or termination of the Plan will not Materially Impair rights and obligations under any Award granted while the Plan is in effect except with the written consent of the affected Participant.

**(vii)** To amend the Plan in any respect the Board deems necessary or advisable; provided, however, that stockholder approval will be required for any amendment to the extent required by Applicable Law. Except as provided above, rights under any Award granted before amendment of the Plan will not be Materially Impaired by any amendment of the Plan unless (1) the Company requests the consent of the affected Participant, and (2) such Participant consents in writing.

**(viii)** To submit any amendment to the Plan for stockholder approval.

**(ix)** To approve forms of Award Agreements for use under the Plan and to amend the terms of any one or more Awards, including, but not limited to, amendments to provide terms more favorable to the Participant than previously provided in the Award Agreement, subject to any specified limits in the Plan that are not subject to Board discretion; provided however, that, (1) the Board shall not, without stockholder approval, reduce the exercise or strike price of an Option or SAR (other than in connection with a Capitalization Adjustment) and, at any time when the exercise or strike price of an Option or SAR is above the Fair Market Value of a share of Common Stock, the Board shall not, without stockholder approval, cancel and re-grant or exchange such Option or SAR for a new Award with a lower (or no) purchase price or for cash, and (2) a Participant's rights under any Award will not be Materially Impaired by any such amendment unless (A) the Company requests the consent of the affected Participant, and (B) such Participant consents in writing.

(x) Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company and that are not in conflict with the provisions of the Plan or Awards.

(xi) To adopt such procedures and sub-plans as are necessary or appropriate to permit and facilitate participation in the Plan by, or take advantage of specific tax treatment for Awards granted to, Employees, Directors or Consultants who are non-U.S. nationals or employed outside the United States (provided that Board approval will not be necessary for immaterial modifications to the Plan or any Award Agreement to ensure or facilitate compliance with the laws of the relevant non-U.S. jurisdiction).

**(c) Delegation to Committee.**

(i) **General.** The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration of the Plan is delegated to a Committee, the Committee will have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to another Committee or a subcommittee of the Committee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board will thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. Each Committee may retain the authority to concurrently administer the Plan with the Committee or subcommittee to which it has delegated its authority hereunder and may, at any time, revert in such Committee some or all of the powers previously delegated. The Board may retain the authority to concurrently administer the Plan with any Committee and may, at any time, revert in the Board some or all of the powers previously delegated.

(ii) **Rule 16b-3 Compliance.** To the extent an Award is intended to qualify for the exemption from Section 16(b) of the Exchange Act that is available under Rule 16b-3 of the Exchange Act, the Award will be granted by the Board or a Committee that consists solely of two or more Non-Employee Directors, as determined under Rule 16b-3(b)(3) of the Exchange Act, and, thereafter, any action establishing or modifying the terms of the Award will be approved by the Board or a Committee meeting such requirements to the extent necessary for such exemption to remain available.

(d) **Effect of Board's Decision.** All determinations, interpretations and constructions made by the Board or any Committee in good faith will not be subject to review by any person and will be final, binding and conclusive on all persons.

(e) **Delegation to an Officer.** The Board or any Committee may delegate to one or more Officers the authority to do one or both of the following (i) designate Employees who are not Officers to be recipients of Options and SARs (and, to the extent permitted by Applicable Law, other types of Awards) and, to the extent permitted by Applicable Law, the terms thereof, and (ii) determine the number of shares of Common Stock to be subject to such Awards granted to such Employees; provided, however, that the resolutions or charter adopted by the Board or any Committee evidencing such delegation will specify the total number of shares of Common Stock that may be subject to the Awards granted by such Officer and that such Officer may not grant an Award to himself or herself. Any such Awards will be granted on the applicable form of Award Agreement most recently approved for use by the Board or the Committee, unless otherwise provided in the resolutions approving the delegation authority. Notwithstanding anything to the contrary herein, neither the Board nor any Committee may delegate to an Officer who is acting solely in the capacity of an Officer (and not also as a Director) the authority to determine the Fair Market Value.

**8. TAX WITHHOLDING**

(a) **Withholding Authorization.** As a condition to acceptance of any Award under the Plan, a Participant authorizes withholding from payroll and any other amounts payable to such Participant, and otherwise agrees to make adequate provision for (including), any sums required to satisfy any U.S. and/or non-U.S. federal, state, or local tax or social insurance contribution withholding obligations of the Company or an Affiliate, if any, which arise in connection with the exercise, vesting or settlement of such Award, as applicable. Accordingly, a Participant may not be able to exercise an Award even though the Award is vested,

and the Company shall have no obligation to issue shares of Common Stock subject to an Award, unless and until such obligations are satisfied.

**(b) Satisfaction of Withholding Obligation.** To the extent permitted by the terms of an Award Agreement, the Company may, in its sole discretion, satisfy any U.S. and/or non-U.S. federal, state or local tax or social insurance withholding obligation relating to an Award by any of the following means or by a combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding shares of Common Stock from the shares of Common Stock issued or otherwise issuable to the Participant in connection with the Award; (iii) withholding cash from an Award settled in cash; (iv) withholding payment from any amounts otherwise payable to the Participant; (v) by allowing a Participant to effectuate a "cashless exercise" pursuant to a program developed under Regulation T as promulgated by the U.S. Federal Reserve Board or (vi) by such other method as may be set forth in the Award Agreement.

**(c) No Obligation to Notify or Minimize Taxes; No Liability to Claims.** Except as required by Applicable Law, the Company has no duty or obligation to any Participant to advise such holder as to the time or manner of exercising such Award. Furthermore, the Company has no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of an Award or a possible period in which the Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Award to the holder of such Award and will not be liable to any holder of an Award for any adverse tax consequences to such holder in connection with an Award. As a condition to accepting an Award under the Plan, each Participant (i) agrees to not make any claim against the Company, or any of its Officers, Directors, Employees or Affiliates related to tax liabilities arising from such Award or other Company compensation and (ii) acknowledges that such Participant was advised to consult with his or her own personal tax, financial and other legal advisors regarding the tax consequences of the Award and has either done so or knowingly and voluntarily declined to do so. Additionally, each Participant acknowledges any Option or SAR granted under the Plan is exempt from Section 409A only if the exercise or strike price is at least equal to the "fair market value" of the Common Stock on the date of grant as determined by the Internal Revenue Service and there is no other impermissible deferral of compensation associated with the Award. Additionally, as a condition to accepting an Option or SAR granted under the Plan, each Participant agrees not make any claim against the Company, or any of its Officers, Directors, Employees or Affiliates in the event that the U.S. Internal Revenue Service asserts that such exercise price or strike price is less than the "fair market value" of the Common Stock on the date of grant as subsequently determined by the U.S. Internal Revenue Service.

**(d) Withholding Indemnification.** As a condition to accepting an Award under the Plan, in the event that the amount of the Company's and/or its Affiliate's withholding obligation in connection with such Award was greater than the amount actually withheld by the Company and/or its Affiliates, each Participant agrees to indemnify and hold the Company and/or its Affiliates harmless from any failure by the Company and/or its Affiliates to withhold the proper amount.

## 9. MISCELLANEOUS.

**(a) Source of Shares.** The stock issuable under the Plan will be shares of authorized but unissued or reacquired Common Stock, including shares repurchased by the Company on the open market or otherwise.

**(b) Use of Proceeds from Sales of Common Stock.** Proceeds from the sale of shares of Common Stock pursuant to Awards will constitute general funds of the Company.

**(c) Corporate Action Constituting Grant of Awards.** Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (e.g., Board consents, resolutions or minutes) documenting the corporate action approving the grant contain terms (e.g., exercise price, vesting schedule or number of shares) that are inconsistent with those in the Award Agreement or related grant documents as a result of a clerical error in the Award Agreement or related grant documents, the corporate records will control and the Participant will have no legally binding right to the incorrect term in the Award Agreement or related grant documents.

**(d) Stockholder Rights.** No Participant will be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to such Award unless and until (i) such Participant has satisfied all requirements for exercise of the Award pursuant to its terms, if applicable, and (ii) the issuance of the Common Stock subject to such Award is reflected in the records of the Company.

**(e) No Employment or Other Service Rights.** Nothing in the Plan, any Award Agreement or any other instrument executed thereunder or in connection with any Award granted pursuant thereto will confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Award was granted or affect the right of the Company or an Affiliate to terminate at will and without regard to any future vesting opportunity that a Participant may have with respect to any Award (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate or (iii) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the U.S. state or non-U.S. jurisdiction in which the Company or the Affiliate is incorporated, as the case may be. Further, nothing in the Plan, any Award Agreement or any other instrument executed thereunder or in connection with any Award will constitute any promise or commitment by the Company or an Affiliate regarding the fact or nature of future positions, future work assignments, future compensation or any other term or condition of employment or service or confer any right or benefit under the Award or the Plan unless such right or benefit has specifically accrued under the terms of the Award Agreement and/or Plan.

**(f) Change in Time Commitment.** In the event a Participant's regular level of time commitment in the performance of his or her services for the Company and any Affiliates is reduced (for example, and without limitation, if the Participant is an Employee of the Company and the Employee has a change in status from a full-time Employee to a part-time Employee or takes an extended leave of absence) after the date of grant of any Award to the Participant, the Board may determine, to the extent permitted by Applicable Law, to (i) make a corresponding reduction in the number of shares or cash amount subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment, and (ii) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award. In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

**(g) Execution of Additional Documents.** As a condition to accepting an Award under the Plan, the Participant agrees to execute any additional documents or instruments necessary or desirable, as determined in the Plan Administrator's sole discretion, to carry out the purposes or intent of the Award, or facilitate compliance with securities and/or other regulatory requirements, in each case at the Plan Administrator's request.

**(h) Electronic Delivery and Participation.** Any reference herein or in an Award Agreement to a "written" agreement or document will include any agreement or document delivered electronically, filed publicly at [www.sec.gov](http://www.sec.gov) (or any successor website thereto) or posted on the Company's intranet (or other shared electronic medium controlled by the Company to which the Participant has access). By accepting any Award the Participant consents to receive documents by electronic delivery and to participate in the Plan through any on-line electronic system established and maintained by the Plan Administrator or another third party selected by the Plan Administrator. The form of delivery of any Common Stock (e.g., a stock certificate or electronic entry evidencing such shares) shall be determined by the Company.

**(i) Clawback/Recovery.** All Awards granted under the Plan will be subject to recoupment in accordance with any clawback policy that the Company is required to adopt pursuant to the listing standards of any national securities exchange or association on which the Company's securities are listed or as is otherwise required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other Applicable Law and any clawback policy that the Company otherwise adopts, to the extent applicable and permissible under Applicable Law. In addition, the Board may impose such other clawback, recovery or recoupment provisions in an Award Agreement as the Board determines necessary or appropriate, including but not limited to a reacquisition right in respect of previously acquired shares of Common Stock or other cash or property upon the occurrence of Cause. No recovery of compensation under such a clawback policy will be an event giving rise to a Participant's right to voluntarily terminate employment

upon a "resignation for good reason," or for a "constructive termination" or any similar term under any plan of or agreement with the Company.

**(j) Securities Law Compliance.** A Participant will not be issued any shares in respect of an Award unless either (i) the shares are registered under the Securities Act; or (ii) the Company has determined that such issuance would be exempt from the registration requirements of the Securities Act. Each Award also must comply with other Applicable Law governing the Award, and a Participant will not receive such shares if the Company determines that such receipt would not be in material compliance with Applicable Law.

**(k) Transfer or Assignment of Awards; Issued Shares.** Except as expressly provided in the Plan or the form of Award Agreement, Awards granted under the Plan may not be transferred or assigned by the Participant. After the vested shares subject to an Award have been issued, or in the case of Restricted Stock and similar awards, after the issued shares have vested, the holder of such shares is free to assign, hypothecate, donate, encumber or otherwise dispose of any interest in such shares provided that any such actions are in compliance with the provisions herein, the terms of the Trading Policy and Applicable Law.

**(l) Effect on Other Employee Benefit Plans.** The value of any Award granted under the Plan, as determined upon grant, vesting or settlement, shall not be included as compensation, earnings, salaries, or other similar terms used when calculating any Participant's benefits under any employee benefit plan sponsored by the Company or any Affiliate, except as such plan otherwise expressly provides. The Company expressly reserves its rights to amend, modify, or terminate any of the Company's or any Affiliate's employee benefit plans.

**(m) Deferrals.** To the extent permitted by Applicable Law, the Board, in its sole discretion, may determine that the delivery of Common Stock or the payment of cash, upon the exercise, vesting or settlement of all or a portion of any Award may be deferred and may establish programs and procedures for deferral elections to be made by Participants. Deferrals will be made in accordance with the requirements of Section 409A.

**(n) Section 409A.** Unless otherwise expressly provided for in an Award Agreement, the Plan and Award Agreements will be interpreted to the greatest extent possible in a manner that makes the Plan and the Awards granted hereunder exempt from Section 409A, and, to the extent not so exempt, in compliance with the requirements of Section 409A. If the Board determines that any Award granted hereunder is not exempt from and is therefore subject to Section 409A, the Award Agreement evidencing such Award will incorporate the terms and conditions necessary to avoid the consequences specified in Section 409A(a)(1) of the Code, and to the extent an Award Agreement is silent on terms necessary for compliance, such terms are hereby incorporated by reference into the Award Agreement. Notwithstanding anything to the contrary in this Plan (and unless the Award Agreement specifically provides otherwise), if the shares of Common Stock are publicly traded, and if a Participant holding an Award that constitutes "deferred compensation" under Section 409A is a "specified employee" for purposes of Section 409A, no distribution or payment of any amount that is due because of a "separation from service" (as defined in Section 409A without regard to alternative definitions thereunder) will be issued or paid before the date that is six months and one day following the date of such Participant's "separation from service" or, if earlier, the date of the Participant's death, unless such distribution or payment can be made in a manner that complies with Section 409A, and any amounts so deferred will be paid in a lump sum on the day after such six month period elapses, with the balance paid thereafter on the original schedule.

**(o) Choice of Law.** This Plan and any controversy arising out of or relating to this Plan shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to conflict of law principles that would result in any application of any law other than the law of the State of Delaware.

#### 10. COVENANTS OF THE COMPANY.

**(a) Compliance with Law.** The Company will seek to obtain from each regulatory commission or agency, as may be deemed necessary, having jurisdiction over the Plan such authority as may be required to grant Awards and to issue and sell shares of Common Stock upon exercise or vesting of the Awards; provided, however, that this undertaking will not require the Company to register under the Securities Act

the Plan, any Award or any Common Stock issued or issuable pursuant to any such Award. If, after reasonable efforts and at a reasonable cost, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary or advisable for the lawful issuance and sale of Common Stock under the Plan, the Company will be relieved from any liability for failure to issue and sell Common Stock upon exercise or vesting of such Awards unless and until such authority is obtained. A Participant is not eligible for the grant of an Award or the subsequent issuance of Common Stock pursuant to the Award if such grant or issuance would be in violation of any Applicable Law.

**11. ADDITIONAL RULES FOR AWARDS SUBJECT TO SECTION 409A.**

**(a) Application.** Unless the provisions of this Section of the Plan are expressly superseded by the provisions in the form of Award Agreement, the provisions of this Section shall apply and shall supersede anything to the contrary set forth in the Award Agreement for a Non-Exempt Award.

**(b) Non-Exempt Awards Subject to Non-Exempt Severance Arrangements.** To the extent a Non-Exempt Award is subject to Section 409A due to application of a Non-Exempt Severance Arrangement, the following provisions of this subsection (b) apply.

**(i)** If the Non-Exempt Award vests in the ordinary course during the Participant's Continuous Service in accordance with the vesting schedule set forth in the Award Agreement, and does not accelerate vesting under the terms of a Non-Exempt Severance Arrangement, in no event will the shares be issued in respect of such Non-Exempt Award any later than the later of: (i) December 31<sup>st</sup> of the calendar year that includes the applicable vesting date, or (ii) the 60<sup>th</sup> day that follows the applicable vesting date.

**(ii)** If vesting of the Non-Exempt Award accelerates under the terms of a Non-Exempt Severance Arrangement in connection with the Participant's Separation from Service, and such vesting acceleration provisions were in effect as of the date of grant of the Non-Exempt Award and, therefore, are part of the terms of such Non-Exempt Award as of the date of grant, then the shares will be earlier issued in settlement of such Non-Exempt Award upon the Participant's Separation from Service in accordance with the terms of the Non-Exempt Severance Arrangement, but in no event later than the 60<sup>th</sup> day that follows the date of the Participant's Separation from Service. However, if at the time the shares would otherwise be issued the Participant is subject to the distribution limitations contained in Section 409A applicable to "specified employees," as defined in Section 409A(a)(2)(B)(i) of the Code, such shares shall not be issued before the date that is six months following the date of such Participant's Separation from Service, or, if earlier, the date of the Participant's death that occurs within such six month period.

**(iii)** If vesting of a Non-Exempt Award accelerates under the terms of a Non-Exempt Severance Arrangement in connection with a Participant's Separation from Service, and such vesting acceleration provisions were not in effect as of the date of grant of the Non-Exempt Award and, therefore, are not a part of the terms of such Non-Exempt Award on the date of grant, then such acceleration of vesting of the Non-Exempt Award shall not accelerate the issuance date of the shares, but the shares shall instead be issued on the same schedule as set forth in the Grant Notice as if they had vested in the ordinary course during the Participant's Continuous Service, notwithstanding the vesting acceleration of the Non-Exempt Award. Such issuance schedule is intended to satisfy the requirements of payment on a specified date or pursuant to a fixed schedule, as provided under Treasury Regulations Section 1.409A-3(a)(4).

**(c) Treatment of Non-Exempt Awards Upon a Corporate Transaction for Employees and Consultants.** The provisions of this subsection (c) shall apply and shall supersede anything to the contrary set forth in the Plan with respect to the permitted treatment of any Non-Exempt Award in connection with a Corporate Transaction if the Participant was either an Employee or Consultant upon the applicable date of grant of the Non-Exempt Award.

**(i) Vested Non-Exempt Awards.** The following provisions shall apply to any Vested Non-Exempt Award in connection with a Corporate Transaction:

(1) If the Corporate Transaction is also a Section 409A Change in Control then the Acquiring Entity may not assume, continue or substitute the Vested Non-Exempt Award. Upon the Section 409A Change in Control the settlement of the Vested Non-Exempt Award will automatically be accelerated and the shares will be immediately issued in respect of the Vested Non-Exempt Award. Alternatively, the Company may instead provide that the Participant will receive a cash settlement equal to the Fair Market Value of the shares that would otherwise be issued to the Participant upon the Section 409A Change in Control.

(2) If the Corporate Transaction is not also a Section 409A Change in Control, then the Acquiring Entity must either assume, continue or substitute each Vested Non-Exempt Award. The shares to be issued in respect of the Vested Non-Exempt Award shall be issued to the Participant by the Acquiring Entity on the same schedule that the shares would have been issued to the Participant if the Corporate Transaction had not occurred. In the Acquiring Entity's discretion, in lieu of an issuance of shares, the Acquiring Entity may instead substitute a cash payment on each applicable issuance date, equal to the Fair Market Value of the shares that would otherwise be issued to the Participant on such issuance dates, with the determination of the Fair Market Value of the shares made on the date of the Corporate Transaction.

(ii) **Unvested Non-Exempt Awards.** The following provisions shall apply to any Unvested Non-Exempt Award unless otherwise determined by the Board pursuant to subsection (e) of this Section.

(1) In the event of a Corporate Transaction, the Acquiring Entity shall assume, continue or substitute any Unvested Non-Exempt Award. Unless otherwise determined by the Board, any Unvested Non-Exempt Award will remain subject to the same vesting and forfeiture restrictions that were applicable to the Award prior to the Corporate Transaction. The shares to be issued in respect of any Unvested Non-Exempt Award shall be issued to the Participant by the Acquiring Entity on the same schedule that the shares would have been issued to the Participant if the Corporate Transaction had not occurred. In the Acquiring Entity's discretion, in lieu of an issuance of shares, the Acquiring Entity may instead substitute a cash payment on each applicable issuance date, equal to the Fair Market Value of the shares that would otherwise be issued to the Participant on such issuance dates, with the determination of Fair Market Value of the shares made on the date of the Corporate Transaction.

(2) If the Acquiring Entity will not assume, substitute or continue any Unvested Non-Exempt Award in connection with a Corporate Transaction, then such Award shall automatically terminate and be forfeited upon the Corporate Transaction with no consideration payable to any Participant in respect of such forfeited Unvested Non-Exempt Award. Notwithstanding the foregoing, to the extent permitted and in compliance with the requirements of Section 409A, the Board may in its discretion determine to elect to accelerate the vesting and settlement of the Unvested Non-Exempt Award upon the Corporate Transaction, or instead substitute a cash payment equal to the Fair Market Value of such shares that would otherwise be issued to the Participant, as further provided in subsection (e)(ii) below. In the absence of such discretionary election by the Board, any Unvested Non-Exempt Award shall be forfeited without payment of any consideration to the affected Participants if the Acquiring Entity will not assume, substitute or continue the Unvested Non-Exempt Awards in connection with the Corporate Transaction.

(3) The foregoing treatment shall apply with respect to all Unvested Non-Exempt Awards upon any Corporate Transaction, and regardless of whether or not such Corporate Transaction is also a Section 409A Change in Control.

(d) **Treatment of Non-Exempt Awards Upon a Corporate Transaction for Non-Employee Directors.** The following provisions of this subsection (d) shall apply and shall supersede anything to the contrary that may be set forth in the Plan with respect to the permitted treatment of a Non-Exempt Director Award in connection with a Corporate Transaction.

(i) If the Corporate Transaction is also a Section 409A Change in Control then the Acquiring Entity may not assume, continue or substitute the Non-Exempt Director Award. Upon the Section 409A Change in Control the vesting and settlement of any Non-Exempt Director Award will automatically

be accelerated and the shares will be immediately issued to the Participant in respect of the Non-Exempt Director Award. Alternatively, the Company may provide that the Participant will instead receive a cash settlement equal to the Fair Market Value of the shares that would otherwise be issued to the Participant upon the Section 409A Change in Control pursuant to the preceding provision.

(ii) If the Corporate Transaction is not also a Section 409A Change in Control, then the Acquiring Entity must either assume, continue or substitute the Non-Exempt Director Award. Unless otherwise determined by the Board, the Non-Exempt Director Award will remain subject to the same vesting and forfeiture restrictions that were applicable to the Award prior to the Corporate Transaction. The shares to be issued in respect of the Non-Exempt Director Award shall be issued to the Participant by the Acquiring Entity on the same schedule that the shares would have been issued to the Participant if the Corporate Transaction had not occurred. In the Acquiring Entity's discretion, in lieu of an issuance of shares, the Acquiring Entity may instead substitute a cash payment on each applicable issuance date, equal to the Fair Market Value of the shares that would otherwise be issued to the Participant on such issuance dates, with the determination of Fair Market Value made on the date of the Corporate Transaction.

(e) If the RSU Award is a Non-Exempt Award, then the provisions in this Section 11(e) shall apply and supersede anything to the contrary that may be set forth in the Plan or the Award Agreement with respect to the permitted treatment of such Non-Exempt Award:

(i) Any exercise by the Board of discretion to accelerate the vesting of a Non-Exempt Award shall not result in any acceleration of the scheduled issuance dates for the shares in respect of the Non-Exempt Award unless earlier issuance of the shares upon the applicable vesting dates would be in compliance with the requirements of Section 409A.

(ii) The Company explicitly reserves the right to earlier settle any Non-Exempt Award to the extent permitted and in compliance with the requirements of Section 409A, including pursuant to any of the exemptions available in Treasury Regulations Section 1.409A-3(j)(4)(ix).

(iii) To the extent the terms of any Non-Exempt Award provide that it will be settled upon a Change in Control or Corporate Transaction, to the extent it is required for compliance with the requirements of Section 409A, the Change in Control or Corporate Transaction event triggering settlement must also constitute a Section 409A Change in Control. To the extent the terms of a Non-Exempt Award provide that it will be settled upon a termination of employment or termination of Continuous Service, to the extent it is required for compliance with the requirements of Section 409A, the termination event triggering settlement must also constitute a Separation From Service. However, if at the time the shares would otherwise be issued to a Participant in connection with a "separation from service" such Participant is subject to the distribution limitations contained in Section 409A applicable to "specified employees," as defined in Section 409A(a)(2)(B)(i) of the Code, such shares shall not be issued before the date that is six months following the date of the Participant's Separation From Service, or, if earlier, the date of the Participant's death that occurs within such six month period.

(iv) The provisions in this subsection (e) for delivery of the shares in respect of the settlement of a RSU Award that is a Non-Exempt Award are intended to comply with the requirements of Section 409A so that the delivery of the shares to the Participant in respect of such Non-Exempt Award will not trigger the additional tax imposed under Section 409A, and any ambiguities herein will be so interpreted.

## **12. SEVERABILITY.**

If all or any part of the Plan or any Award Agreement is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not invalidate any portion of the Plan or such Award Agreement not declared to be unlawful or invalid. The determination that a termination of the Participant's Continuous Service is either for Cause or without Cause will be made by the Board with respect to Participants who are executive officers of the Company and by the Company's Chief Executive Officer or his or her designee with respect to Participants who are not executive officers of the Company. Any determination by the Company that the Continuous Service of a Participant was terminated with or without Cause for the purposes of outstanding Awards held by such Participant will have no effect upon any determination of the rights or obligations of the Company or such Participant for any other purpose.

**(j) "Change in Control" or "Change of Control"** means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events; provided, however, to the extent necessary to avoid adverse personal income tax consequences to the Participant in connection with an Award, also constitutes a Section 409A Change in Control:

**(i)** any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding securities other than by virtue of a merger, consolidation or similar transaction. Notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company directly from the Company, (B) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person that acquires the Company's securities in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities, or (C) solely because the level of Ownership held by any Exchange Act Person (the "**Subject Person**") exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;

**(ii)** there is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the stockholders of the Company immediately prior thereto do not Own, directly or indirectly, either (A) outstanding voting securities representing more than 50% of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or (B) more than 50% of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such transaction;

**(iii)** the stockholders of the Company approve or the Board approves a plan of complete dissolution or liquidation of the Company, or a complete dissolution or liquidation of the Company shall otherwise occur, except for a liquidation into a parent corporation;

**(iv)** there is consummated a sale, lease, exclusive license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries

to an Entity, more than 50% of the combined voting power of the voting securities of which are Owned by stockholders of the Company in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such sale, lease, license or other disposition; or

(v) individuals who, on the date the Plan is adopted by the Board, are members of the Board (the "**Incumbent Board**") cease for any reason to constitute at least a majority of the members of the Board; provided, however, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member shall, for purposes of this Plan, be considered as a member of the Incumbent Board.

Notwithstanding the foregoing or any other provision of this Plan, (A) the term Change in Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company, and (B) the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Awards subject to such agreement; provided, however, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply.

However, service solely as a Director, or payment of a fee for such service, will not cause a Director to be considered a "Consultant" for purposes of the Plan. Notwithstanding the foregoing, a person is treated as a Consultant under this Plan only if a Form S-8 Registration Statement under the Securities Act is available to register either the offer or the sale of the Company's securities to such person.

(q) "**Continuous Service**" means that the Participant's service with the Company or an Affiliate, whether as an Employee, Director or Consultant, is not interrupted or terminated. A change in the capacity in which the Participant renders service to the Company or an Affiliate as an Employee, Director or Consultant or a change in the Entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant's service with the Company or an Affiliate, will not terminate a Participant's Continuous Service; provided, however, that if the Entity for which a Participant is rendering services ceases to qualify as an Affiliate, as determined by the Board, such Participant's Continuous Service will be considered to have terminated on the date such Entity ceases to qualify as an Affiliate. For example, a change in status from an Employee of the Company to a Consultant of an Affiliate or to a Director will not constitute an interruption of Continuous Service. To the extent permitted by law, the Board or the chief executive officer of the Company, in that party's sole discretion, may determine whether Continuous Service will be considered interrupted in the case of (i) any leave of absence approved by the Board or chief executive officer, including sick leave, military leave or any other personal leave, or (ii) transfers between the Company, an Affiliate, or their successors. Notwithstanding the foregoing, a leave of absence will be treated as Continuous Service for purposes of vesting in an Award only to such extent as may be provided in the Company's leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law. In addition, to the extent required for

exemption from or compliance with Section 409A, the determination of whether there has been a termination of Continuous Service will be made, and such term will be construed, in a manner that is consistent with the definition of "separation from service" as defined under U.S. Treasury Regulation Section 1.409A-1(h) (without regard to any alternative definition thereunder).

For example, the following types of amendments to the terms of an Award do not Materially Impair the Participant's rights under the Award: (i) imposition of reasonable restrictions on the minimum number of shares subject to an Option that may be exercised, (ii) to maintain the qualified status of the Award as an Incentive Stock Option under Section 422 of the Code; (iii) to change the terms of an Incentive Stock Option in a manner that disqualifies, impairs or otherwise affects the qualified status of the Award as an Incentive Stock Option under Section 422 of the Code; (iv) to clarify the manner of exemption from, or to bring the Award into compliance with or qualify it for an exemption from, Section 409A; or (v) to comply with other Applicable Laws.

outside the United States. Without limiting the generality of, and consistent with, the foregoing, the Board specifically is authorized to adopt rules, procedures, and sub-plans regarding, without limitation, eligibility to participate in the Plan, the definition of eligible "earnings," handling and making of Contributions, establishment of bank or trust accounts to hold Contributions, payment of interest, conversion of local currency, obligations to pay payroll tax, determination of beneficiary designation requirements, withholding procedures and handling of share issuances, any of which may vary according to applicable requirements, and which, if applicable to a Designated Non-423 Corporation, do not have to comply with the requirements of Section 423 of the Code.

(c) The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration is delegated to a Committee, the Committee will have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to a subcommittee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board will thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. Further, to the extent not prohibited by Applicable Law, the Board or Committee may, from time to time, delegate some or all of its authority under the Plan to one or more officers of the Company or other persons or groups of persons as it deems necessary, appropriate or advisable under conditions or limitations that it may set at or after the time of the delegation. The Board may retain the authority to concurrently administer the Plan with the Committee and may, at any time, revert in the Board some or all of the powers previously delegated. Whether or not the Board has delegated administration of the Plan to a Committee, the Board will have the final power to determine all questions of policy and expediency that may arise in the administration of the Plan.

(d) All determinations, interpretations and constructions made by the Board in good faith will not be subject to review by any person and will be final, binding and conclusive on all persons.

### **3. SHARES OF COMMON STOCK SUBJECT TO THE PLAN.**

(a) Subject to the provisions of Section 11(a) relating to Capitalization Adjustments, the maximum number of shares of Common Stock that may be issued under the Plan will not exceed [ ] shares of Common Stock, plus the number of shares of Common Stock that are automatically added on January 1<sup>st</sup> of each year for a period of up to ten years, commencing on January 1, 2023 and ending on (and including) January 1, 2032, in an amount equal to the lesser of (i) 1% of the total number of shares of Common Stock outstanding on December 31<sup>st</sup> of the preceding calendar year, (ii) [ ] shares of Common Stock, and (iii) such number of shares of Common Stock determined by the Board or the Compensation Committee prior to January 1<sup>st</sup> of a given year. Notwithstanding the foregoing, the Board may act prior to the first day of any calendar year to provide that there will be no January 1<sup>st</sup> increase in the share reserve for such calendar year or that the increase in the share reserve for such calendar year will be a lesser number of shares of Common Stock than would otherwise occur pursuant to the preceding sentence. For the avoidance of doubt, up to the maximum number of shares of Common Stock reserved under this Section 3(a) may be used to satisfy purchases of Common Stock under the 423 Component and any remaining portion of such maximum number of shares may be used to satisfy purchases of Common Stock under the Non-423 Component.

(b) If any Purchase Right granted under the Plan terminates without having been exercised in full, the shares of Common Stock not purchased under such Purchase Right will again become available for issuance under the Plan.

(c) The stock purchasable under the Plan will be shares of authorized but unissued or reacquired Common Stock, including shares repurchased by the Company on the open market.

**4. GRANT OF PURCHASE RIGHTS; OFFERING.**

(a) The Board may, from time to time, grant or provide for the grant of Purchase Rights to Eligible Employees under an Offering (consisting of one or more Purchase Periods) on an Offering Date or Offering Dates selected by the Board. Each Offering will be in such form and will contain such terms and conditions as the Board will deem appropriate, and, with respect to the 423 Component, will comply with the requirement of Section 423(b)(5) of the Code that all Employees granted Purchase Rights will have the same rights and privileges. The terms and conditions of an Offering shall be incorporated by reference into the Plan and treated as part of the Plan. The provisions of separate Offerings need not be identical, but each Offering will include (through incorporation of the provisions of this Plan by reference in the document comprising the Offering or otherwise) the period during which the Offering will be effective, which period will not exceed 27 months beginning with the Offering Date, and the substance of the provisions contained in Sections 5 through 8, inclusive.

(b) If a Participant has more than one Purchase Right outstanding under the Plan, unless he or she otherwise indicates in forms delivered to the Company or a third party designated by the Company (each, a "**Company Designee**"): (i) each form will apply to all of his or her Purchase Rights under the Plan, and (ii) a Purchase Right with a lower exercise price (or an earlier-granted Purchase Right, if different Purchase Rights have identical exercise prices) will be exercised to the fullest possible extent before a Purchase Right with a higher exercise price (or a later-granted Purchase Right if different Purchase Rights have identical exercise prices) will be exercised.

(c) The Board will have the discretion to structure an Offering so that if the Fair Market Value of a share of Common Stock on the first Trading Day of a new Purchase Period within that Offering is less than or equal to the Fair Market Value of a share of Common Stock on the Offering Date for that Offering, then (i) that Offering will terminate immediately as of that first Trading Day, and (ii) the Participants in such terminated Offering will be automatically enrolled in a new Offering beginning on the first Trading Day of such new Purchase Period.

**5. ELIGIBILITY.**

(a) Purchase Rights may be granted only to Employees of the Company or, as the Board may designate in accordance with Section 2(b), to Employees of a Related Corporation or an Affiliate. Except as provided in Section 5(b) or as required by Applicable Law, an Employee will not be eligible to be granted Purchase Rights unless, on the Offering Date, the Employee has been in the employ of the Company or the Related Corporation or an Affiliate, as the case may be, for such continuous period preceding such Offering Date as the Board may require, but in no event will the required period of continuous employment be equal to or greater than two years. In addition, the Board may (unless prohibited by Applicable Law) provide that no Employee will be eligible to be granted Purchase Rights under the Plan unless, on the Offering Date, such Employee's customary employment with the Company, the Related Corporation, or the Affiliate is more than 20 hours per week and more than five months per calendar year or such other criteria as the Board may determine consistent with Section 423 of the Code with respect to the 423 Component. The Board may also exclude from participation in the Plan or any Offering Employees who are "highly compensated employees" (within the meaning of Section 423(b)(4) (D) of the Code) of the Company or a Related Corporation or a subset of such highly compensated employees.

(b) The Board may provide that each person who, during the course of an Offering, first becomes an Eligible Employee will, on a date or dates specified in the Offering which coincides with the day on which such person becomes an Eligible Employee or which occurs thereafter, receive a Purchase Right under that Offering, which Purchase Right will thereafter be deemed to be a part of that Offering. Such Purchase Right will have the same characteristics as any Purchase Rights originally granted under that Offering, as described herein, except that:

(i) the date on which such Purchase Right is granted will be the "Offering Date" of such Purchase Right for all purposes, including determination of the exercise price of such Purchase Right;

(ii) the period of the Offering with respect to such Purchase Right will begin on its Offering Date and end coincident with the end of such Offering; and

(iii) the Board may provide that if such person first becomes an Eligible Employee within a specified period of time before the end of the Offering, he or she will not receive any Purchase Right under that Offering.

(c) No Employee will be eligible for the grant of any Purchase Rights if, immediately after any such Purchase Rights are granted, such Employee owns stock possessing 5% or more of the total combined voting power or value of all classes of stock of the Company or of any Related Corporation. For purposes of this Section 5(c), the rules of Section 424(d) of the Code will apply in determining the stock ownership of any Employee, and stock that such Employee may purchase under all outstanding Purchase Rights and options will be treated as stock owned by such Employee.

(d) As specified by Section 423(b)(8) of the Code, an Eligible Employee may be granted Purchase Rights only if such Purchase Rights, together with any other rights granted under all Employee Stock Purchase Plans of the Company and any Related Corporations, do not permit such Eligible Employee's rights to purchase stock of the Company or any Related Corporation to accrue at a rate which, when aggregated, exceeds US \$25,000 of Fair Market Value of such stock (determined at the time such rights are granted, and which, with respect to the Plan, will be determined as of their respective Offering Dates) for each calendar year in which such rights are outstanding at any time.

(e) Officers of the Company and any Designated Company, if they are otherwise Eligible Employees, will be eligible to participate in Offerings under the Plan. Notwithstanding the foregoing, the Board may (unless prohibited by Applicable Law) provide in an Offering that Employees who are highly compensated Employees within the meaning of Section 423(b)(4)(D) of the Code will not be eligible to participate.

(f) Notwithstanding anything in this Section 5 to the contrary, in the case of an Offering under the Non-423 Component, an Eligible Employee (or group of Eligible Employees) may be excluded from participation in the Plan or an Offering if the Board has determined, in its sole discretion, that participation of such Eligible Employee(s) is not advisable or practical for any reason.

#### **6. PURCHASE RIGHTS; PURCHASE PRICE.**

(a) On each Offering Date, each Eligible Employee, pursuant to an Offering made under the Plan, will be granted a Purchase Right to purchase up to that number of shares of Common Stock purchasable either with a percentage or with a maximum dollar amount, as designated by the Board, but in either case not exceeding 15% of such Employee's earnings (as defined by the Board in each Offering) during the period that begins on the Offering Date (or such later date as the Board determines for a particular Offering) and ends on the date stated in the Offering, which date will be no later than the end of the Offering.

(b) The Board will establish one or more Purchase Dates during an Offering on which Purchase Rights granted for that Offering will be exercised and shares of Common Stock will be purchased in accordance with such Offering.

(c) In connection with each Offering made under the Plan, each Eligible Employee may purchase up to [ ] shares of Common Stock (or such lesser number of shares determined by the Board prior to the commencement of the Offering) and the Board may specify (i) a maximum number of shares of Common Stock that may be purchased by any Participant on any Purchase Date during such Offering, (ii) a maximum aggregate number of shares of Common Stock that may be purchased by all Participants pursuant to such Offering and/or (iii) a maximum aggregate number of shares of Common Stock that may be purchased by all Participants on any Purchase Date under the Offering. If the aggregate purchase of shares of Common Stock issuable upon exercise of Purchase Rights granted under the Offering would exceed any such maximum aggregate number, then, in the absence of any Board action otherwise, a pro rata (based on each Participant's accumulated Contributions) allocation of the shares of Common Stock (rounded down to the nearest whole share) available will be made in as nearly a uniform manner as will be practicable and equitable.

(d) The purchase price of shares of Common Stock acquired pursuant to Purchase Rights will be not less than the lesser of:

(i) an amount equal to 85% of the Fair Market Value of the shares of Common Stock on the Offering Date; or

(ii) an amount equal to 85% of the Fair Market Value of the shares of Common Stock on the applicable Purchase Date.

**7. PARTICIPATION; WITHDRAWAL; TERMINATION.**

(a) An Eligible Employee may elect to participate in an Offering and authorize payroll deductions as the means of making Contributions by completing and delivering to the Company or a Company Designee, within the time specified in the Offering, an enrollment form provided by the Company or Company Designee. The enrollment form will specify the amount of Contributions not to exceed the maximum amount specified by the Board. Each Participant's Contributions will be credited to a bookkeeping account for such Participant under the Plan and will be deposited with the general funds of the Company except where Applicable Law requires that Contributions be deposited with a third party. If permitted in the Offering, a Participant may begin such Contributions with the first payroll occurring on or after the Offering Date (or, in the case of a payroll date that occurs after the end of the prior Offering but before the Offering Date of the next new Offering, Contributions from such payroll will be included in the new Offering). If permitted in the Offering, a Participant may thereafter reduce (including to zero) or increase his or her Contributions. If required under Applicable Law or if specifically provided in the Offering, in addition to or instead of making Contributions by payroll deductions, a Participant may make Contributions through payment by cash, check or wire transfer prior to a Purchase Date.

(b) During an Offering, a Participant may cease making Contributions and withdraw from the Offering by delivering to the Company or a Company Designee a withdrawal form provided by the Company. The Company may impose a deadline before a Purchase Date for withdrawing. Upon such withdrawal, such Participant's Purchase Right in that Offering will immediately terminate and the Company will distribute as soon as practicable to such Participant all of his or her accumulated but unused Contributions and such Participant's Purchase Right in that Offering shall thereupon terminate. A Participant's withdrawal from that Offering will have no effect upon his or her eligibility to participate in any other Offerings under the Plan, but such Participant will be required to deliver a new enrollment form to participate in subsequent Offerings.

(c) Unless otherwise required by Applicable Law, Purchase Rights granted pursuant to any Offering under the Plan will terminate immediately if the Participant either (i) is no longer an Employee for any reason or for no reason (subject to any post-employment participation period required by Applicable Law) or (ii) is otherwise no longer eligible to participate. The Company will distribute as soon as practicable to such individual all of his or her accumulated but unused Contributions.

(d) Unless otherwise determined by the Board, a Participant whose employment transfers or whose employment terminates with an immediate rehire (with no break in service) by or between the Company and a Designated Company or between Designated Companies will not be treated as having terminated employment for purposes of participating in the Plan or an Offering; however, if a Participant transfers from an Offering under the 423 Component to an Offering under the Non-423 Component, the exercise of the Participant's Purchase Right will be qualified under the 423 Component only to the extent such exercise complies with Section 423 of the Code. If a Participant transfers from an Offering under the Non-423 Component to an Offering under the 423 Component, the exercise of the Purchase Right will remain non-qualified under the Non-423 Component. The Board may establish different and additional rules governing transfers between separate Offerings within the 423 Component and between Offerings under the 423 Component and Offerings under the Non-423 Component.

(e) During a Participant's lifetime, Purchase Rights will be exercisable only by such Participant. Purchase Rights are not transferable by a Participant, except by will, by the laws of descent and distribution, or, if permitted by the Company, by a beneficiary designation as described in Section 10.

(f) Unless otherwise specified in the Offering or as required by Applicable Law, the Company will have no obligation to pay interest on Contributions.

**8. EXERCISE OF PURCHASE RIGHTS.**

(a) On each Purchase Date, each Participant's accumulated Contributions will be applied to the purchase of shares of Common Stock, up to the maximum number of shares of Common Stock permitted by the Plan and the applicable Offering, at the purchase price specified in the Offering. No fractional shares will be issued unless specifically provided for in the Offering.

(b) Unless otherwise provided in the Offering, if any amount of accumulated Contributions remains in a Participant's account after the purchase of shares of Common Stock on the final Purchase Date of an Offering, then such remaining amount will not roll over to the next Offering and will instead be distributed in full to such Participant after the final Purchase Date of such Offering without interest (unless otherwise required by Applicable Law).

(c) No Purchase Rights may be exercised to any extent unless the shares of Common Stock to be issued upon such exercise under the Plan are covered by an effective registration statement pursuant to the Securities Act and the Plan is in material compliance with all applicable U.S. federal and state, foreign and other securities, exchange control and other laws applicable to the Plan. If on a Purchase Date the shares of Common Stock are not so registered or the Plan is not in such compliance, no Purchase Rights will be exercised on such Purchase Date, and the Purchase Date will be delayed until the shares of Common Stock are subject to such an effective registration statement and the Plan is in material compliance, except that the Purchase Date will in no event be more than 27 months from the Offering Date. If, on the Purchase Date, as delayed to the maximum extent permissible, the shares of Common Stock are not registered and the Plan is not in material compliance with all Applicable Laws, as determined by the Company in its sole discretion, no Purchase Rights will be exercised and all accumulated but unused Contributions will be distributed to the Participants without interest (unless the payment of interest is otherwise required by Applicable Law).

**9. COVENANTS OF THE COMPANY.**

The Company will seek to obtain from each U.S. federal or state, foreign or other regulatory commission, agency or other Governmental Body having jurisdiction over the Plan such authority as may be required to grant Purchase Rights and issue and sell shares of Common Stock thereunder unless the Company determines, in its sole discretion, that doing so is not practical or would cause the Company to incur costs that are unreasonable. If, after commercially reasonable efforts, the Company is unable to obtain the authority that counsel for the Company deems necessary for the grant of Purchase Rights or the lawful issuance and sale of Common Stock under the Plan, and at a commercially reasonable cost, the Company will be relieved from any liability for failure to grant Purchase Rights and/or to issue and sell Common Stock upon exercise of such Purchase Rights.

**10. DESIGNATION OF BENEFICIARY.**

(a) The Company may, but is not obligated to, permit a Participant to submit a form designating a beneficiary who will receive any shares of Common Stock and/or Contributions from the Participant's account under the Plan if the Participant dies before such shares and/or Contributions are delivered to the Participant. The Company may, but is not obligated to, permit the Participant to change such designation of beneficiary. Any such designation and/or change must be on a form approved by the Company.

(b) If a Participant dies, and in the absence of a valid beneficiary designation, the Company will deliver any shares of Common Stock and/or Contributions to the executor or administrator of the estate of the Participant. If no executor or administrator has been appointed (to the knowledge of the Company), the Company, in its sole discretion, may deliver such shares of Common Stock and/or Contributions, without interest (unless the payment of interest is otherwise required by Applicable Law), to the Participant's spouse, dependents or relatives, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

**11. ADJUSTMENTS UPON CHANGES IN COMMON STOCK; CORPORATE TRANSACTIONS.**

(a) In the event of a Capitalization Adjustment, the Board will appropriately and proportionately adjust: (i) the class(es) and maximum number of securities subject to the Plan pursuant to Section 3(a), (ii) the class(es) and maximum number of securities by which the share reserve is to increase automatically

each year pursuant to Section 3(a), (iii) the class(es) and number of securities subject to, and the purchase price applicable to outstanding Offerings and Purchase Rights and (iv) the class(es) and number of securities that are the subject of the purchase limits under each ongoing Offering. The Board will make these adjustments, and its determination will be final, binding and conclusive.

(b) In the event of a Corporate Transaction, then: (i) any surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) may assume or continue outstanding Purchase Rights or may substitute similar rights (including a right to acquire the same consideration paid to the stockholders in the Corporate Transaction) for outstanding Purchase Rights, or (ii) if any surviving or acquiring corporation (or its parent company) does not assume or continue such Purchase Rights or does not substitute similar rights for such Purchase Rights, then (A) the Participants' accumulated Contributions will be used to purchase shares of Common Stock (rounded down to the nearest whole share) within ten business days (or such other period specified by the Board) prior to the Corporate Transaction under the outstanding Purchase Rights, and the Purchase Rights will terminate immediately after such purchase, or (B) the Board, in its discretion, may terminate any outstanding Offerings, cancel the outstanding Purchase Rights and refund the Participants' accumulated Contributions.

## **12. AMENDMENT, TERMINATION OR SUSPENSION OF THE PLAN.**

(a) The Board may amend the Plan at any time in any respect the Board deems necessary or advisable. However, except as provided in Section 11(a) relating to Capitalization Adjustments, stockholder approval will be required for any amendment of the Plan for which stockholder approval is required by Applicable Law.

(b) The Board may suspend or terminate the Plan at any time. No Purchase Rights may be granted under the Plan while the Plan is suspended or after it is terminated.

Any benefits, privileges, entitlements and obligations under any outstanding Purchase Rights granted before an amendment, suspension or termination of the Plan will not be materially impaired by any such amendment, suspension or termination except (i) with the consent of the person to whom such Purchase Rights were granted, (ii) as necessary to facilitate compliance with any laws, listing requirements, or governmental regulations (including, without limitation, the provisions of Section 423 of the Code and the regulations and other interpretive guidance issued thereunder relating to Employee Stock Purchase Plans) including without limitation any such regulations or other guidance that may be issued or amended after the date the Plan is adopted by the Board, or (iii) as necessary to obtain or maintain favorable tax, listing, or regulatory treatment. To be clear, the Board may amend outstanding Purchase Rights without a Participant's consent if such amendment is necessary to ensure that the Purchase Right and/or the Plan complies with the requirements of Section 423 of the Code with respect to the 423 Component or with respect to other Applicable Laws. Notwithstanding anything in the Plan or any Offering Document to the contrary, the Board will be entitled to: (i) establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars; (ii) permit Contributions in excess of the amount designated by a Participant in order to adjust for mistakes in the Company's processing of properly completed Contribution elections; (iii) establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each Participant properly correspond with amounts withheld from the Participant's Contributions; (iv) amend any outstanding Purchase Rights or clarify any ambiguities regarding the terms of any Offering to enable the Purchase Rights to qualify under and/or comply with Section 423 of the Code with respect to the 423 Component; and (v) establish other limitations or procedures as the Board determines in its sole discretion advisable that are consistent with the Plan. The actions of the Board pursuant to this paragraph will not be considered to alter or impair any Purchase Rights granted under an Offering as they are part of the initial terms of each Offering and the Purchase Rights granted under each Offering.

## **13. TAX QUALIFICATION; TAX WITHHOLDING.**

(a) Although the Company may endeavor to (i) qualify a Purchase Right for special tax treatment under the laws of the United States or jurisdictions outside of the United States or (ii) avoid adverse tax treatment, the Company makes no representation to that effect and expressly disavows any covenant to maintain special or to avoid unfavorable tax treatment, notwithstanding anything to the contrary in this Plan. The Company will be unconstrained in its corporate activities without regard to the potential negative tax impact on Participants.

(b) Each Participant will make arrangements, satisfactory to the Company and any applicable Related Corporation, to enable the Company or the Related Corporation to fulfill any withholding obligation for Tax-Related Items. Without limitation to the foregoing, in the Company's sole discretion and subject to Applicable Law, such withholding obligation may be satisfied in whole or in part by (i) withholding from the Participant's salary or any other cash payment due to the Participant from the Company or a Related Corporation; (ii) withholding from the proceeds of the sale of shares of Common Stock acquired under the Plan, either through a voluntary sale or a mandatory sale arranged by the Company; or (iii) any other method deemed acceptable by the Board. The Company shall not be required to issue any shares of Common Stock under the Plan until such obligations are satisfied.

#### 14. EFFECTIVE DATE OF PLAN.

The Plan will become effective upon the Effective Date. No Purchase Rights will be exercised unless and until the Plan has been approved by the stockholders of the Company, which approval must be within 12 months before or after the date the Plan is adopted (or if required under Section 12(a) above, materially amended) by the Board.

#### 15. MISCELLANEOUS PROVISIONS.

(a) Proceeds from the sale of shares of Common Stock pursuant to Purchase Rights will constitute general funds of the Company.

(b) A Participant will not be deemed to be the holder of, or to have any of the rights of a holder with respect to, shares of Common Stock subject to Purchase Rights unless and until the Participant's shares of Common Stock acquired upon exercise of Purchase Rights are recorded in the books of the Company (or its transfer agent).

(c) The Plan and Offering do not constitute an employment contract. Nothing in the Plan or in the Offering will in any way alter the at will nature of a Participant's employment or amend a Participant's employment contract, if applicable, or be deemed to create in any way whatsoever any obligation on the part of any Participant to continue in the employ of the Company or a Related Corporation or an Affiliate, or on the part of the Company, a Related Corporation or an Affiliate to continue the employment of a Participant.

(d) The provisions of the Plan will be governed by the laws of the State of Delaware without resort to that state's conflicts of laws rules.

(e) If any particular provision of the Plan is found to be invalid or otherwise unenforceable, such provision will not affect the other provisions of the Plan, but the Plan will be construed in all respects as if such invalid provision were omitted.

(f) If any provision of the Plan does not comply with Applicable Law, such provision shall be construed in such a manner as to comply with Applicable Law.

This Sponsor Support Agreement (this "Agreement") is dated as of March 17, 2022, by and among the Persons set forth on Schedule I attached hereto (each, a "Sponsor" and, together, the "Sponsors"), Vickers Vantage Corp I, a Cayman Islands exempted company (which shall migrate to and domesticate as a Delaware corporation prior to the Closing) ("Parent"), and Scilex Holding Company, a Delaware corporation (the "Company"). Capitalized terms used but not defined herein shall have the respective meanings ascribed to such terms in the Merger Agreement (as defined below).

WHEREAS, as of the date hereof, the Sponsors collectively are the holders of record and the "beneficial owners" (within the meaning of Rule 13d-3 under the Exchange Act) of the Parent Ordinary Shares and the Parent Warrants, in each case, set forth next to each such Person's name on Schedule I attached hereto;

WHEREAS, contemporaneously with the execution and delivery of this Agreement, Parent, Vantage Merger Sub Inc., a Delaware corporation and wholly owned subsidiary of Parent ("Merger Sub"), and the Company have entered into a Merger Agreement (as amended or modified from time to time, the "Merger Agreement"), dated as of the date hereof;

WHEREAS, upon the terms and subject to the conditions set forth therein and in accordance with the applicable provisions of the DGCL, following the Domestication, Merger Sub will merge with and into the Company (the "Merger"), and the Company will continue as the surviving company in the Merger, and

WHEREAS, as an inducement to Parent and the Company to enter into the Merger Agreement and to consummate the transactions contemplated therein, the parties hereto desire to agree to certain matters as set forth herein.

NOW, THEREFORE, in consideration of the foregoing and the mutual agreements contained herein, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

**ARTICLE I  
SPONSOR SUPPORT AGREEMENT; COVENANTS**

Section 1.1 Binding Effect of Merger Agreement. Each Sponsor hereby acknowledges that it has read the Merger Agreement and this Agreement and has had the opportunity to consult with its tax and legal advisors. Each Sponsor agrees not to, directly or indirectly, take any action, or authorize or knowingly permit any of its Affiliates or representatives to take any action on its behalf, that would be a breach of Sections 7.3 (*Alternative Transactions*) or 10.5 (*Publicity*) of the Merger Agreement if such action were taken by Parent.

Section 1.2 No Transfer. During the period commencing on the date hereof and ending on the earlier of (a) the Effective Time and (b) such date and time as the Merger Agreement shall be terminated in accordance with Article IX thereof (the earlier of clauses (a) and (b), the "Expiration Time"), each Sponsor shall not (i) sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of or agree to dispose of, directly or indirectly, file (or participate in the filing of) a registration statement with the SEC (other than the Registration Statement) or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, with respect to any Parent Ordinary Shares, Parent Warrants or any other shares of capital stock or warrants of Parent that such Sponsor is the holder of record and the "beneficial owner" (within the meaning of Rule 13d-3 under the Exchange Act) to which such Sponsor has voting rights (collectively, "Subject Securities"), (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any Subject Securities or (iii) publicly announce any intention to effect any transaction specified in clause (i) or (ii).

Section 1.3 New Shares. In the event that, including in respect of the Domestication, (a) any Parent Ordinary Shares, Parent Warrants, or other equity securities of Parent are issued to a Sponsor after the date of this Agreement pursuant to any stock dividend, stock split, recapitalization, reclassification, combination

or exchange of Parent Ordinary Shares or Parent Warrants of, on or affecting the Parent Ordinary Shares or Parent Warrants owned by such Sponsor or otherwise, (b) a Sponsor purchases or otherwise acquires beneficial ownership of any Parent Ordinary Shares, Parent Warrants or other equity securities of Parent after the date of this Agreement, or (c) a Sponsor acquires the right to vote or share in the voting of any Parent Ordinary Shares or other equity securities of Parent after the date of this Agreement (such Parent Ordinary Shares, Parent Warrants or other equity securities of Parent, collectively the "New Securities"), then such New Securities acquired or purchased by such Sponsor shall be subject to the terms of this Agreement to the same extent as if they constituted the Parent Ordinary Shares or Parent Warrants owned by such Sponsor as of the date hereof.

#### Section 1.4 Support Agreements.

(a) At any meeting of the shareholders of Parent, however called, or at any adjournment or postponement thereof, or in any other circumstance in which the vote, consent or other approval of the shareholders of Parent is sought, each Sponsor shall (i) appear at each such meeting or otherwise cause all of its Parent Ordinary Shares to be counted as present thereat for purposes of calculating a quorum and (ii) vote (or cause to be voted), or execute and deliver a written consent (or cause a written consent to be executed and delivered) covering, all of its Subject Securities:

(i) in favor of the Parent Shareholder Approval Matters and in favor of any proposal in respect of an Extension Amendment;

(ii) against (or otherwise withhold written consent of, as applicable) any Business Combination or any proposal relating to a Business Combination (in each case, other than as contemplated by the Merger Agreement);

(iii) against (or otherwise withhold written consent of, as applicable) any merger agreement or merger, consolidation, combination, sale of substantial assets, reorganization, recapitalization, dissolution, liquidation or winding up of or by Parent (other than the Merger Agreement and the transactions contemplated thereby);

(iv) against (or otherwise withhold written consent of, as applicable) any change in the business, management or board of directors of Parent (other than in connection with the Merger Agreement and the transactions contemplated thereby); and

(v) against (or otherwise withhold written consent of, as applicable) any proposal, action or agreement that would (A) impede, frustrate, prevent or nullify any provision of this Agreement or the Merger Agreement or any of the transactions contemplated hereby or thereby, (B) result in a breach in any respect of any covenant, representation, warranty or any other obligation or agreement of Parent or Merger Sub under the Merger Agreement, (C) result in any of the conditions set forth in Article VIII of the Merger Agreement not being fulfilled or (D) change in any manner the dividend policy or capitalization of, including the voting rights of any class of capital stock of, Parent.

Each Sponsor hereby agrees that it shall not commit or agree to take any action inconsistent with the foregoing, and shall not deposit any of its Parent Ordinary Shares in a voting trust, grant any proxy or power of attorney with respect to any of its Parent Ordinary Shares or subject any of its Parent Ordinary Shares to any arrangement or agreement with respect to the voting of such Parent Ordinary Shares unless specifically requested to do so by the Company and Parent in writing in connection with the Merger Agreement, the Additional Agreements or the transactions contemplated thereby.

(b) Each Sponsor shall comply with, and fully perform all of its obligations, covenants and agreements set forth in, that certain Letter Agreement, dated as of January 6, 2021, by and among the Sponsors and Parent (the "Sponsor Letter").

any Subject Securities owned by it in conjunction with such shareholder approval or the transactions contemplated thereby.

(d) During the period commencing on the date hereof and ending on the Expiration Time, each Sponsor shall not modify or amend any Contract between or among such Sponsor or any Affiliate of such Sponsor (other than Parent or any of its Subsidiaries), on the one hand, and Parent or any of Parent's Subsidiaries, on the other hand, except for the amendment of the Investment Management Trust Agreement as contemplated by the Merger Agreement.

Section 1.5 Forfeiture of Parent Warrants. Each of (a) Vickers Venture Fund VI Pre Ltd and Vickers Venture Fund VI (Plan) Pte Ltd hereby agrees, subject to and contingent upon the Closing, in the event that shareholders holding more than seventy-five percent (75%) of the issued and outstanding Parent Ordinary Shares exercise redemption rights in conjunction with the shareholder vote on the Parent Shareholder Approval Matters, then automatically and without any further action by any other Person, such Sponsor shall forfeit a number of Parent Warrants equal to forty percent (40%) of all Parent Warrants held by such Sponsor immediately prior to Closing, and all such Parent Warrants shall be cancelled and forfeited for no consideration, and shall cease to exist.

Section 1.6 No Actions. Each Sponsor hereby agrees not to commence or participate in any claim, derivative or otherwise, against the Company, Parent or any of their respective Affiliates (a) challenging the validity of, or seeking to enjoin the operation of, any provision of this Agreement or (b) alleging a breach of any fiduciary duty of the board of directors of Parent in connection with this Agreement, the Parent Shareholder Approval Matters, the Merger Agreement or the transactions contemplated thereby.

Section 1.7 Permitted Disclosure. Each Sponsor hereby authorizes each of Parent, the Company and their respective Subsidiaries to publish and disclose, in any announcement, filing or disclosure required to be made by any Order or other applicable Law or the rules of any national securities exchange or as requested by the SEC, such Sponsor's identity and ownership of equity securities of Parent and such Sponsor's obligations under this Agreement.

Section 1.8 Anti-Dilution Waiver. Each Sponsor hereby agrees that such Sponsor shall waive, and hereby does waive, any and all anti-dilution or similar rights (if any) that may otherwise be available under applicable Law or pursuant to any Contract between or among such Sponsor or any Affiliate of such Sponsor (other than Parent or any of its Subsidiaries), on the one hand, and Parent or any of Parent's Subsidiaries, on the other hand, with respect to the transactions contemplated by the Merger Agreement and that it shall not take any action in furtherance of exercising any such rights.

Section 1.9 Stop Orders. Parent hereby agrees to (a) place a revocable stop order on each Sponsor's Parent Ordinary Shares, including those which may be covered by a registration statement, and (b) notify Parent's transfer agent in writing of such stop order and the restrictions on such Parent Ordinary Shares and direct Parent's transfer agent not to process any attempts by the Sponsor to transfer any Parent Ordinary Shares; for the avoidance of doubt, the obligations of Parent under this Section 1.9 shall be deemed to be satisfied by the existence of any similar stop order and restrictions currently existing on such Sponsor's Parent Ordinary Shares.

Section 1.10 No Inconsistent Agreement. Each Sponsor hereby agrees and represents and covenants that such Sponsor has not entered into, and shall not enter into, any agreement that would restrict, limit or interfere with the performance of such Party's obligations hereunder.

Section 1.11 Further Assurances. Each Sponsor shall execute and deliver such documents and take such action necessary to consummate the Merger and the other transactions contemplated by the Merger Agreement on the terms and subject to the conditions set forth therein and herein.

Section 1.12 Registration Rights Agreement. On the Closing Date, each Sponsor set forth on Schedule A of the Registration Rights Agreement shall deliver to Parent and the Company a duly executed copy of the Registration Rights Agreement.

## **ARTICLE II REPRESENTATIONS AND WARRANTIES**

Section 2.1 Representations and Warranties of the Sponsors. Each Sponsor represents and warrants as of the date hereof to Parent and the Company (solely with respect to itself, himself or herself and not with respect to any other Sponsor) as follows:

(a) Organization; Due Authorization. If such Sponsor is not an individual, it is duly organized, validly existing and in good standing under the Laws of the jurisdiction in which it is incorporated, formed, organized or constituted, and the execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby are within such Sponsor's corporate, limited liability company or organizational powers and have been duly authorized by all necessary corporate, limited liability company or organizational actions on the part of such Sponsor. If such Sponsor is an individual, such Sponsor has full legal capacity, right and authority to execute and deliver this Agreement and to perform his or her obligations hereunder. This Agreement has been duly executed and delivered by such Sponsor and, assuming due authorization, execution and delivery by the other parties to this Agreement, this Agreement constitutes a legally valid and binding obligation of such Sponsor, enforceable against such Sponsor in accordance with the terms hereof, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity. If this Agreement is being executed in a representative or fiduciary capacity, the Person signing this Agreement has full power and authority to enter into this Agreement on behalf of the applicable Sponsor.

(b) Ownership. Such Sponsor is the record and "beneficial owner" (within the meaning of Rule 13d-3 under the Exchange Act) of, and has good title to, all of such Sponsor's Parent Ordinary Shares and Parent Warrants, and there exist no Liens or any other limitation or restriction (including any restriction on the right to vote, sell or otherwise dispose of such Parent Ordinary Shares and Parent Warrants (other than transfer restrictions under the Securities Act)) affecting any such Parent Ordinary Shares or Parent Warrants, other than Liens pursuant to (i) this Agreement, (ii) Parent's and Sponsor's Organizational Documents, (iii) the Merger Agreement, (iv) the agreements entered into by Sponsor with Parent in connection with Parent's initial public offering or (v) any applicable securities Laws. Such Sponsor's Parent Ordinary Shares and Parent Warrants are the only equity securities in Parent owned of record or beneficially by such Sponsor on the date of this Agreement, and none of such Sponsor's Parent Ordinary Shares or Parent Warrants are subject to any proxy, voting trust or other agreement or arrangement with respect to the voting of such Parent Ordinary Shares or Parent Warrants, except as provided hereunder and pursuant to the Sponsor Letter. Other than the Parent Warrants and the Parent Ordinary Shares, such Sponsor does not hold or own any rights to acquire (directly or indirectly) any equity securities of Parent or any equity securities convertible into, or which can be exchanged for, equity securities of Parent.

(c) No Conflicts. The execution and delivery of this Agreement by such Sponsor does not, and the performance by such Sponsor of his, her or its obligations hereunder will not, (i) if such Sponsor is not an individual, conflict with or result in a violation of the Organizational Documents of such Sponsor or (ii) require any consent or approval that has not been given or other action that has not been taken by any Person (including under any Contract binding upon such Sponsor or such Sponsor's Parent Ordinary Shares or Parent Warrants), in each case, to the extent such consent, approval or other action would prevent, enjoin or materially delay the performance by such Sponsor of its, his or her obligations under this Agreement.

(d) Litigation. There are no Actions pending against such Sponsor, or to the knowledge of such Sponsor threatened against such Sponsor, before (or, in the case of threatened Actions, that would be before) any arbitrator or any Governmental Authority, which in any manner challenges or seeks to prevent, enjoin or materially delay the performance by such Sponsor of its, his or her obligations under this Agreement. Sponsor has not instigated an action regarding the transactions contemplated in the Merger Agreement.

(e) Brokerage Fees. No broker, finder, investment banker or other Person is entitled to any brokerage fee, finders' fee or other commission in connection with the transactions contemplated by the Merger Agreement based upon arrangements made by such Sponsor, for which Parent or any of its Affiliates may become liable.

(f) Affiliate Arrangements. Except as set forth on Schedule 2.1(f), neither such Sponsor nor, to the knowledge of such Sponsor, any anyone related by blood, marriage or adoption to such Sponsor or

any Person in which such Sponsor has a direct or indirect legal, contractual or beneficial ownership of 5% or more is party to, or has any rights with respect to or arising from, any Contract with Parent or its Subsidiaries.

### 2.1 Shelf Registration.

2.1.1 Filing. Such Form S-1 Shelf shall provide for the resale of the Registrable Securities included therein pursuant to any method or combination of methods legally available to, and requested by, any Holder named therein. The Company shall maintain a Shelf in accordance with the terms hereof, and shall prepare and file with the Commission such amendments, including post-effective amendments, and supplements as may be necessary to keep a Shelf continuously effective, available for use to permit the Holders named therein to sell their Registrable Securities included therein and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities. Following the filing of a Form S-1 Shelf, the Company shall use its commercially reasonable efforts to convert the Form S-1 Shelf (and any Subsequent Shelf Registration) to a Registration Statement on Form S-3 (the **"Form S-3 Shelf"**) as soon as reasonably practicable after the Company is eligible to use Form S-3. As soon as reasonably practicable following the effective date of a Registration Statement filed pursuant to this Section 2.1.1, the Company shall notify the Holders of the effectiveness of such Registration Statement. The Company's obligation under this Section 2.1.1 shall, for the avoidance of doubt be subject to Section 3.4 hereto.

2.1.2 Subsequent Shelf Registration. If any Shelf ceases to be effective under the Securities Act for any reason at any time while Registrable Securities are still outstanding, the Company shall, subject to Section 3.4, use its commercially reasonable efforts to as promptly as is reasonably practicable cause such Shelf to again become effective under the Securities Act (including using its commercially reasonable efforts to obtain the prompt withdrawal of any order suspending the effectiveness of such Shelf), and shall use its commercially reasonable efforts to as promptly as is reasonably practicable amend such Shelf in a manner reasonably expected to result in the withdrawal of any order suspending the effectiveness of such Shelf or file an additional registration statement as a Shelf Registration (a **"Subsequent Shelf Registration"**) registering the resale of all Registrable Securities (determined as of two (2) business days prior to such filing), and pursuant to any method or combination of methods legally available to, and requested by, any Holder named therein. If a Subsequent Shelf Registration is filed, the Company shall use its commercially reasonable efforts to (i) cause such Subsequent Shelf Registration to become effective under the Securities Act as promptly as is reasonably practicable after the filing thereof (it being agreed that the Subsequent Shelf Registration shall be an automatic shelf registration statement (as defined in Rule 405 promulgated under the Securities Act) if the Company

is a well-known seasoned issuer (as defined in Rule 405 promulgated under the Securities Act) at the most recent applicable eligibility determination date) and (ii) keep such Subsequent Shelf Registration continuously effective, available for use to permit the Holders named therein to sell their Registrable Securities included therein and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities. Any such Subsequent Shelf Registration shall be on Form S-3 to the extent that the Company is eligible to use such form. Otherwise, such Subsequent Shelf Registration shall be on another appropriate form. The Company's obligation under this Section 2.1.2 shall, for the avoidance of doubt be subject to Section 3.4 hereto.

2.1.3 Requests for Underwritten Shelf Takedowns. At any time and from time to time when an effective Shelf is on file with the Commission, the Legacy Scilex Equityholder or a majority-in-interest of the Sponsor Equityholders (any of the Legacy Scilex Equityholder or the Sponsor Equityholders being, in such case, a "**Demanding Holder**") may request to sell all or any portion of their Registrable Securities in an Underwritten Offering that is registered pursuant to the Shelf (each, an "**Underwritten Shelf Takedown**"); provided that the Company shall only be obligated to effect an Underwritten Offering if such offering shall include Registrable Securities proposed to be sold by the Demanding Holder(s), either individually or together with other Demanding Holders, with a total offering price reasonably expected to exceed, in the aggregate, \$50 million (the "**Minimum Takedown Threshold**"). All requests for Underwritten Shelf Takedowns shall be made by giving written notice to the Company, which shall specify the approximate number of Registrable Securities proposed to be sold in the Underwritten Offering. Subject to Section 2.3.4, the Company shall have the right to select the Underwriters for such offering (which shall consist of one or more reputable nationally recognized investment banks), subject to the initial Demanding Holder's prior approval (which shall not be unreasonably withheld, conditioned or delayed). The Legacy Scilex Equityholder, on the one hand, and the Sponsor Equityholders, on the other hand, may each demand not more than two (2) Underwritten Offerings pursuant to this Section 2.1.3 in any 12-month period. Notwithstanding anything to the contrary in this Agreement, the Company may effect any Underwritten Offering pursuant to any then effective Registration Statement, including a Form S-3, that is then available for such offering.

2.1.4 Reduction of Underwritten Offering. If the managing Underwriter or Underwriters in an Underwritten Shelf Takedown, in good faith, advises the Company, the Demanding Holders and Holders requesting piggyback rights pursuant to this Agreement with respect to such Underwritten Shelf Takedown (the "**Requesting Holders**") (if any) in writing that the dollar amount or number of Registrable Securities that the Demanding Holders and the Requesting Holders (if any) desire to sell, taken together with all other shares of Common Stock or other equity securities that the Company desires to sell and all other shares of Common Stock or other equity securities, if any, as to which a Registration has been requested pursuant to separate written contractual piggyback registration rights held by any other stockholders who desire to sell, exceeds the maximum dollar amount or maximum number of equity securities that can be sold in the Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the "**Maximum Number of Securities**"), then the Company shall include in such Underwritten Offering, as follows: (i) first, the Registrable Securities of the Demanding Holders and the Requesting Holders (if any) (pro rata based on the respective number of Registrable Securities that each Demanding Holder and Requesting Holder (if any) has requested be included in such Underwritten Registration and the aggregate number of Registrable Securities that the Demanding Holders and Requesting Holders have requested be included in such Underwritten Registration (such proportion is referred to herein as "**Pro Rata**") that can be sold without exceeding the Maximum Number of Securities; (ii) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (i), the shares of Common Stock or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (iii) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (i) and (ii), the shares of Common Stock or other equity securities of other persons or entities that the Company is obligated to register in a Registration pursuant to separate written contractual arrangements with such persons and that can be sold without exceeding the Maximum Number of Securities.

2.1.5 **Withdrawal.** Prior to the pricing of an Underwritten Shelf Takedown, a majority-in-interest of the Demanding Holders initiating such Underwritten Offering shall have the right to withdraw from a Registration pursuant to such Underwritten Offering for any or no reason whatsoever upon written notification (a "**Withdrawal Notice**") to the Company and the Underwriter or Underwriters (if any) of their intention to withdraw from such Underwritten Offering; provided that any Legacy Scilex Equityholder or Sponsor Equityholder may elect to have the Company continue an Underwritten Offering if the Minimum Takedown Threshold would still be satisfied by the Registrable Securities proposed to be sold in the Underwritten Offering by the Legacy Scilex Equityholder and the Sponsor Equityholders. If withdrawn, a demand for an Underwritten Offering shall constitute a demand for an Underwritten Offering by the withdrawing Demanding Holder for purposes of Section 2.1.3, unless either (i) such Demanding Holder has not previously withdrawn any Underwritten Offering or (ii) such Demanding Holder reimburses the Company for all Registration Expenses with respect to such Underwritten Offering (or, if there is more than one Demanding Holder, a *pro rata* portion of such Registration Expenses based on the respective number of Registrable Securities that each Demanding Holder has requested be included in such Underwritten Offering); provided that, if a Legacy Scilex Equityholder or a Sponsor Equityholder elects to continue an Underwritten Offering pursuant to the proviso in the immediately preceding sentence, such Underwritten Offering shall instead count as an Underwritten Offering demanded by the Legacy Scilex Equityholder or the Sponsor Equityholders, as applicable, for purposes of Section 2.1.3. Following the receipt of any Withdrawal Notice, the Company shall promptly forward such Withdrawal Notice to any other Holders that had elected to participate in such Underwritten Shelf Takedown. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with an Underwritten Shelf Takedown prior to its withdrawal under this Section 2.1.5, other than if a Demanding Holder elects to pay such Registration Expenses pursuant to clause (ii) of the second sentence of this Section 2.1.5.

## 2.2 Piggyback Registration.

2.2.1 **Piggyback Rights.** If the Company proposes to file a Registration Statement under the Securities Act with respect to an offering of equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into equity securities, for its own account or for the account of stockholders of the Company (or by the Company and by the stockholders of the Company including, without limitation, pursuant to Section 2.1 hereof), other than a Registration Statement (or any registered offering with respect thereto) (i) filed in connection with any employee stock option or other benefit plan, (ii) for an exchange offer or offering of securities solely to the Company's existing stockholders, (iii) for an offering of debt that is convertible into equity securities of the Company, (iv) pursuant to a Registration Statement on Form S-4 (or similar form that relates to a transaction subject to Rule 145 under the Securities Act or any successor rule thereto), (v) for a dividend reinvestment plan, or (vi) for a Block Trade, then the Company shall give written notice of such proposed filing to all of the Holders of Registrable Securities as soon as practicable but not less than ten (10) days before the anticipated filing date of such Registration Statement or, in the case of an Underwritten Offering pursuant to a Shelf Registration, the applicable "red herring" prospectus or prospectus supplement used for marketing such offering, which notice shall (A) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution, and the name of the proposed managing Underwriter or Underwriters, if any, in such offering, and (B) offer to all of the Holders of Registrable Securities the opportunity to register the sale of such number of Registrable Securities as such Holders may request in writing within five (5) days after receipt of such written notice (such Registration a "**Piggyback Registration**"). Subject to Section 2.2.2, the Company shall, in good faith, cause such Registrable Securities to be included in such Piggyback Registration and, if applicable, shall use its commercially reasonable efforts to cause the managing Underwriter or Underwriters of a proposed Underwritten Offering to permit the Registrable Securities requested by the Holders pursuant to this Section 2.2.1 to be included in a Piggyback Registration on the same terms and conditions as any similar securities of the Company included in such registered offering and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this Section 2.2.1 shall enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering by the Company.

2.2.2 Reduction of Piggyback Registration. If the managing Underwriter or Underwriters in an Underwritten Registration that is to be a Piggyback Registration, in good faith, advises the Company and the Holders of Registrable Securities participating in the Piggyback Registration in writing that the dollar amount or number of shares of Common Stock or other equity securities that the Company desires to sell, taken together with (i) the shares of Common Stock or other equity securities, if any, as to which Registration or a registered offering has been demanded pursuant to separate written contractual arrangements with persons or entities other than the Holders of Registrable Securities hereunder, (ii) the Registrable Securities as to which registration has been requested pursuant to Section 2.2 hereof, and (iii) the shares of Common Stock or other equity securities, if any, as to which Registration or a registered offering has been requested pursuant to separate written contractual piggyback registration rights of stockholders of the Company other than the Holders of Registrable Securities, exceeds the Maximum Number of Securities, then:

(a) If the Registration or a registered offering is undertaken for the Company's account, the Company shall include in any such Registration or a registered offering (A) first, the shares of Common Stock or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to Section 2.2.1 hereof, Pro Rata, based on the respective number of Registrable Securities that each Holder has so requested to be included in such Registration or such registered offering, which can be sold without exceeding the Maximum Number of Securities; and (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the shares of Common Stock or other equity securities, if any, as to which Registration or a registered offering has been requested pursuant to written contractual piggyback registration rights of stockholders of the Company other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities;

(b) If the Registration or a registered offering is pursuant to a request by persons or entities other than the Holders of Registrable Securities, then the Company shall include in any such Registration or a registered offering (A) first, the shares of Common Stock or other equity securities, if any, of such requesting persons or entities, other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to Section 2.2.1, Pro Rata, based on the respective number of Registrable Securities that each Holder has so requested to be included in such Registration or such registered offering, which can be sold without exceeding the Maximum Number of Securities; (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the shares of Common Stock or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (D) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A), (B) and (C), the shares of Common Stock or other equity securities, if any, as to which Registration or a registered offering has been requested pursuant to separate written contractual piggyback registration rights of persons or entities other than the Holders of Registrable Securities hereunder, which can be sold without exceeding the Maximum Number of Securities; and

(c) If the Registration or registered offering is pursuant to a request by Holder(s) of Registrable Securities pursuant to Section 2.1 hereof, then the Company shall include in any such Registration or registered offering securities in the priority set forth in Section 2.1.4.

2.2.3 Piggyback Registration Withdrawal. Any Holder of Registrable Securities (other than a Demanding Holder, whose right to withdraw from an Underwritten Shelf Takedown, and related obligations, shall be governed by Section 2.1.5) shall have the right to withdraw from a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of his, her or its intention to withdraw from such Piggyback

Registration prior to the effectiveness of the Registration Statement filed with the Commission with respect to such Piggyback Registration or, in the case of a Piggyback Registration pursuant to a Shelf Registration, the filing of the applicable "red herring" prospectus or prospectus supplement with respect to such Piggyback Registration used for marketing such transaction. The Company (whether on its own good faith determination or as the result of a request for withdrawal by persons or entities pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration at any time prior to the effectiveness of such Registration Statement or abandon the Underwritten Shelf Takedown in connection with a Piggyback Registration at any time prior to the launch of such Underwritten Shelf Takedown. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to its withdrawal under this Section 2.2.3.

2.2.4 Unlimited Piggyback Registration Rights. For purposes of clarity, any Piggyback Registration effected pursuant to Section 2.2 hereof shall not be counted as a Registration pursuant to a Underwritten Shelf Takedown effected under Section 2.1 hereof.

### 2.3 Block Trades.

2.3.1 Notwithstanding the foregoing, at any time and from time to time when an effective Shelf is on file with the Commission, if a Demanding Holder wishes to engage in a Block Trade, (x) with a total offering price reasonably expected to exceed \$75 million in the aggregate or (y) with respect to all remaining Registrable Securities held by the Demanding Holder, then such Demanding Holder only needs to notify the Company of the Block Trade at least five (5) business days prior to the day such offering is to commence and the Company shall as expeditiously as possible use its commercially reasonable efforts to facilitate such Block Trade; provided that the Demanding Holders representing a majority of the Registrable Securities wishing to engage in the Block Trade shall use commercially reasonable efforts to work with the Company and any Underwriters prior to making such request in order to facilitate preparation of the registration statement, prospectus and other offering documentation related to the Block Trade.

2.3.2 Prior to the filing of the applicable "red herring" prospectus or prospectus supplement used in connection with a Block Trade, a majority-in-interest of the Demanding Holders initiating such Block Trade shall have the right to submit a Withdrawal Notice to the Company and the Underwriter or Underwriters (if any) of their intention to withdraw from such Block Trade. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Block Trade prior to its withdrawal under this Section 2.3.2.

2.3.3 Notwithstanding anything to the contrary in this Agreement, Section 2.2 hereof shall not apply to a Block Trade initiated by a Demanding Holder pursuant to this Agreement.

2.3.4 The Demanding Holder in a Block Trade shall have the right to select the Underwriters for such Block Trade (which shall consist of one or more reputable nationally recognized investment banks).

2.3.5 The Legacy Scilex Equityholder, on the one hand, and the Sponsor Equityholders, on the other hand, may each demand no more than one (1) Block Trade pursuant to this Section 2.3 in any twelve (12) month period. For the avoidance of doubt, any Block Trade effected pursuant to this Section 2.3 shall not be counted as a demand for an Underwritten Shelf Takedown pursuant to Section 2.1.3 hereof.

2.4 Restrictions on Registration Rights. If (A) during the period starting with the date sixty (60) days prior to the Company's good faith estimate of the date of the filing of, and ending on a date one hundred and twenty (120) days after the effective date of, a Company initiated Registration and provided that the Company continues to actively employ, in good faith, all commercially reasonable efforts to cause the applicable Registration Statement to become effective; (B) the Holders have requested an Underwritten Registration and the Company and the Holders are unable to obtain the commitment of underwriters to firmly underwrite the offer; or (C) in the good faith judgment of the Board such Registration would be seriously detrimental to the Company and the Board concludes as a result that it is essential to defer the filing of such Registration Statement at such time, then in each case the Company shall furnish to such Holders

a certificate signed by the Chairman of the Board stating that in the good faith judgment of the Board it would be seriously detrimental to the Company for such Registration Statement to be filed in the near future and that it is therefore essential to defer the filing of such Registration Statement. In such event, the Company shall have the right to defer such filing for a period of not more than ninety (90) consecutive days; or more than one hundred and twenty (120) total calendar days, in each case, during any 12-month period.

### ARTICLE III COMPANY PROCEDURES

3.1 General Procedures. If the Company is required to effect the Registration of Registrable Securities pursuant to this Agreement, the Company shall use its commercially reasonable efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the intended plan of distribution thereof, and pursuant thereto the Company shall:

3.1.1 prepare and file with the Commission within the time frame required by Section 2.1.1 (to the extent applicable) a Registration Statement with respect to such Registrable Securities and use its commercially reasonable efforts to cause such Registration Statement to become effective and remain effective, until all Registrable Securities covered by such Registration Statement have been sold or have ceased to be Registrable Securities;

3.1.2 prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement, and such supplements to the Prospectus, as may be reasonably requested by any Holder with Registrable Securities registered on such Registration Statement or any Underwriter of Registrable Securities or as may be required by the rules, regulations or instructions applicable to the registration form used by the Company or by the Securities Act or rules and regulations thereunder to keep the Registration Statement effective until all Registrable Securities covered by such Registration Statement are sold in accordance with the intended plan of distribution set forth in such Registration Statement or supplement to the Prospectus or have ceased to be Registrable Securities;

3.1.3 at least five days prior to filing a Registration Statement or Prospectus, or any amendment or supplement thereto (or such shorter period of time as may be (a) necessary in order to comply with the Securities Act, the Exchange Act and the rules and regulations promulgated thereunder or (b) advisable in order to reduce the number of days that sales are suspended pursuant to Section 3.4), furnish without charge to the Underwriters, if any, and each Holder of Registrable Securities included in such Registration, and each such Holder's legal counsel, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the Prospectus included in such Registration Statement (including each preliminary Prospectus), and such other documents as the Underwriters and each Holder of Registrable Securities included in such Registration or the legal counsel for any such Holders may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such Holders; provided, that the Company shall have no obligation to furnish any documents publicly filed or furnished with the Commission pursuant to the Electronic Data Gathering Analysis and Retrieval System ("**EDGAR**") and provided further, the Company shall provide each Holder and their legal counsel with a reasonable opportunity to review such documents and comment thereon, and the Company shall consider in good faith any comments provided by such Holder or their legal counsel;

3.1.4 prior to any public offering of Registrable Securities, use its commercially reasonable efforts to (i) register or qualify the Registrable Securities covered by the Registration Statement under such securities or "blue sky" laws of such jurisdictions in the United States as any Holder of Registrable Securities included in such Registration Statement (in light of their intended plan of distribution) may request (or provide evidence reasonably satisfactory to such Holders that the Registrable Securities are exempt from such registration or qualification) and (ii) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental authorities as may be necessary by virtue of the business and operations of the Company and do any and all other acts and things that may be necessary or advisable to enable the Holders of Registrable Securities included in such Registration Statement to consummate the disposition

of such Registrable Securities in such jurisdictions; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify or take any action to which it would be subject to general service of process or taxation in any such jurisdiction where it is not then otherwise so subject;

3.1.5 use its commercially reasonable efforts to cause all Registrable Securities included in any Registration to be listed on such exchanges or otherwise designated for trading in the same manner as similar securities issued by the Company are then listed or designated;

3.1.6 provide a transfer agent or warrant agent, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;

3.1.7 advise each seller of such Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or the initiation or threatening of any proceeding for such purpose and promptly use its commercially reasonable efforts to prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued;

3.1.8 [reserved]

3.1.9 notify the Holders at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, and then to correct such Misstatement as set forth in Section 3.4 hereof;

3.1.10 in the event of an Underwritten Offering, a Block Trade, or sale by a broker, placement agent or sales agent pursuant to such Registration, in each of the cases to the extent customary for a transaction of its type, permit a representative of the Holders (such representative to be selected by a majority of the participating Holders), the Underwriters or other financial institutions facilitating such Underwritten Offering, Block Trade or other sale pursuant to such Registration, if any, and any attorney, consultant or accountant retained by such Holders or Underwriters to participate, at each such person's or entity's own expense, in the preparation of the Registration Statement, and cause the Company's officers, directors and employees to supply all information reasonably requested by any such representative, Underwriter, financial institution, attorney, consultant or accountant in connection with the Registration; provided, however, that such representatives, Underwriters or financial institutions enter into a confidentiality agreement, in form and substance reasonably satisfactory to the Company, prior to the release or disclosure of any such information;

3.1.11 obtain a "comfort" letter from the Company's independent registered public accountants in the event of an Underwritten Offering, a Block Trade or sale by a broker, placement agent or sales agent pursuant to such Registration in customary form and covering such matters of the type customarily covered by "comfort" letters for a transaction of its type as the managing Underwriter may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Holders;

3.1.12 in the event of an Underwritten Offering, a Block Trade or sale by a broker, placement agent or sales agent pursuant to such Registration, on the date the Registrable Securities are delivered for sale pursuant to such Registration, to the extent customary for a transaction of its type, obtain an opinion, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the participating Holders, the broker, placement agents or sales agent, if any, and the Underwriters, if any, covering such legal matters with respect to the Registration in respect of which such opinion is being given as the participating Holders, broker, placement agents, sales agent, or Underwriter may reasonably request and as are customarily included in such opinions and negative assurance letters;

3.1.13 in the event of any Underwritten Offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing Underwriter of such offering;

3.1.14 make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve (12) months beginning with the first day of the

Company's first full calendar quarter after the effective date of the Registration Statement which satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any successor rule then in effect), and which requirement will be deemed to be satisfied if the Company timely files complete and accurate information on Forms 10-Q, 10-K and 8-K under the Exchange Act and otherwise complies with Rule 158 under the Securities Act;

3.1.15 if the Registration involves the Registration of Registrable Securities involving gross proceeds in excess of \$50,000,000, use its commercially reasonable efforts to make available senior executives of the Company to participate in customary "road show" presentations that may be reasonably requested by the Underwriter in such Underwritten Offering; and

3.1.16 otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested by the participating Holders, consistent with the terms of this Agreement, in connection with such Registration.

Notwithstanding the foregoing, the Company shall not be required to provide any documents or information to an Underwriter, broker, sales agent or placement agent if such Underwriter, broker, sales agent or placement agent has not then been named with respect to the applicable Underwritten Offering or other offering involving a registration as an Underwriter, broker, sales agent or placement agent, as applicable.

3.2 Registration Expenses. Except as otherwise provided herein, the Registration Expenses of all Registrations shall be borne by the Company. It is acknowledged by the Holders that each Holder shall bear, with respect to such Holder's Registrable Securities being sold, all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters' commissions and discounts, brokerage fees, Underwriter marketing costs and, other than as set forth in the definition of "Registration Expenses," all reasonable fees and expenses of any legal counsel representing the Holders.

3.3 Requirements for Participation in Underwritten Offerings. Notwithstanding anything in this Agreement to the contrary, if any Holder does not provide the Company with its requested Holder Information (as defined in Section 5.1.2), the Company may exclude such Holder's Registrable Securities from the applicable Registration Statement or Prospectus if the Company determines, based on the advice of counsel, that it is necessary or advisable to include such information in the applicable Registration Statement or Prospectus and such Holder continues thereafter to withhold such information. In addition, no person or entity may participate in any Underwritten Offering or other offering for equity securities of the Company pursuant to a Registration initiated by the Company hereunder unless such person or entity (i) agrees to sell such person's or entity's securities on the basis provided in any underwriting arrangements approved by the Company and (ii) completes and executes all customary questionnaires, powers of attorney, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting arrangements. For the avoidance of doubt, the exclusion of a Holder's Registrable Securities as a result of this Section 3.3 shall not affect the registration of the other Registrable Securities to be included in such Registration.

3.4 Suspension of Sales; Adverse Disclosure.

3.4.1 Upon receipt of written notice from the Company that a Registration Statement or Prospectus contains a Misstatement, each of the Holders shall forthwith discontinue disposition of Registrable Securities until it has received copies of a supplemented or amended Prospectus correcting the Misstatement (it being understood that the Company hereby covenants to prepare and file such supplement or amendment as soon as reasonably practicable after the time of such notice), or until it is advised in writing by the Company that the use of the Prospectus may be resumed.

3.4.2 If the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would (a) require the Company to make an Adverse Disclosure, (b) require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company's control, or (c) in the good faith judgment of the majority of the Board such Registration, be seriously detrimental to the Company and the majority of the Board concludes as a result that it is essential to defer such filing, initial effectiveness or continued use at such time, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest

period of time, but in no event more than ninety (90) consecutive days; or more than one hundred and twenty (120) total calendar days, in each case, during any 12-month period, determined in good faith by the Company to be necessary for such purpose. In the event the Company exercises its rights under the preceding sentence, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities until such Holder receives written notice from the Company that such sales or offers of Registrable Securities may be resumed, and in each case maintain the confidentiality of such notice and its contents. The Company shall as promptly as reasonably practicable notify the Holders of the expiration of any period during which it exercised its rights under this Section 3.4.

3.5 Reporting Obligations. As long as any Holder shall own Registrable Securities, the Company, at all times while it shall be a reporting company under the Exchange Act, covenants to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings; provided that any documents publicly filed or furnished with the Commission pursuant to EDGAR shall be deemed to have been furnished or delivered to the Holders pursuant to this Section 3.5. The Company further covenants that it shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell shares of Common Stock held by such Holder without registration under the Securities Act within the limitation of the exemptions provided by Section 4(a)(1) of the Securities Act or Rule 144 promulgated under the Securities Act (or any successor rule then in effect), including providing any legal opinions. Upon the request of any Holder, the Company shall deliver to such Holder a written certification of a duly authorized officer as to whether it has complied with such requirements.

#### ARTICLE IV LOCK-UP

##### 4.1 Lock-up.

4.1.1 Except as permitted by Section 4.2, the Legacy Scilex Equityholder and each Sponsor Equityholder (each, a "**Lock-up Party**") shall not Transfer any shares of Common Stock or any security convertible into or exercisable or exchanged for Common Stock beneficially owned or owned of record by such Holder (the "**Lock-up**") until the date that is the earlier of (i) one hundred eighty (180) days from the date hereof or (ii) the date on which the Company completes a liquidation, merger, stock exchange, reorganization or other similar transaction that results in all of the Company's stockholders having the right to exchange their shares of Common Stock for cash, securities or other property (the "**Lock-up Period**").

4.2.4 Transfers of shares of Common Stock or any security convertible into or exercisable or exchangeable for Common Stock by will or intestate succession or the laws of descent and distributions upon the death of a Holder (it being understood and agreed that the appointment of one or more executors, administrators or personal representatives of the estate of a Holder shall not be deemed a Transfer hereunder to the extent that such executors, administrators and/or personal representatives comply with the terms of this Article IV on behalf of such estate);

4.2.5 Transfers of shares of Common Stock or any security convertible into or exercisable or exchangeable for Common Stock pursuant to a qualified domestic order or in connection with a divorce settlement;

4.4 Legend. During the Lock-up Period, each certificate evidencing any Common Stock shall be stamped or otherwise imprinted with a legend in substantially the following form, in addition to any other applicable legends:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO RESTRICTIONS ON TRANSFER SET FORTH IN AN AMENDED AND RESTATED REGISTRATION RIGHTS AGREEMENT, DATED AS OF [•], 2022 (AS MAY BE AMENDED OR RESTATED FROM TIME TO TIME), A COPY OF WHICH IS ON FILE WITH THE SECRETARY OF THE COMPANY. NO TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY BE MADE EXCEPT IN ACCORDANCE WITH THE PROVISIONS OF SUCH AGREEMENT."

Promptly upon the expiration of the Lock-up Period, the Company shall use commercially reasonable efforts to cause the removal of such legend and, if determined appropriate by the Company, any restrictive legend related to compliance with the federal securities laws from the certificates evidencing the Common Stock.

## **ARTICLE V INDEMNIFICATION AND CONTRIBUTION**

### 5.1 Indemnification.

5.1.1 The Company agrees to indemnify, to the extent permitted by law, each Holder of Registrable Securities, its officers, directors and agents and each person or entity who controls such Holder (within the meaning of the Securities Act) against all losses, claims, damages, liabilities and out-of-pocket expenses (including without limitation actual, reasonable and documented attorneys' fees) caused by any untrue or alleged untrue statement of material fact contained or incorporated by reference in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as the same are caused by or contained in any information or affidavit so furnished in writing to the Company by such Holder expressly for use therein. The Company shall indemnify the Underwriters, their officers and directors and each person or entity who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to the indemnification of the Holder.

5.1.2 In connection with any Registration Statement in which a Holder of Registrable Securities is participating, such Holder shall furnish (or cause to be furnished) to the Company in writing such information and affidavits as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus (the "**Holder Information**") and, to the extent permitted by law, shall indemnify the Company, its directors, officers and agents and each person or entity who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and out-of-pocket expenses (including without limitation actual, reasonable and documented attorneys' fees) resulting from any untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement is contained in (or not contained in, in the case of an omission) the Holder Information;

provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to and limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable Securities shall indemnify the Underwriters, their officers, directors and each person or entity who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to indemnification of the Company.

5.1.3 Any person or entity entitled to indemnification herein shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's or entity's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one (1) counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement includes a statement or admission of fault and culpability on the part of such indemnified party or which settlement does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

5.1.4 The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person or entity of such indemnified party and shall survive the transfer of securities. The Company and each Holder of Registrable Securities participating in an offering also agrees to make such provisions as are reasonably requested by any indemnified party for contribution to such party in the event the Company's or such Holder's indemnification is unavailable for any reason.

5.1.5 If the indemnification provided under Section 5.1 hereof from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and out-of-pocket expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and out-of-pocket expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by (or not made by, in the case of an omission), or relates to information supplied by (or not supplied by, in the case of an omission), such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action and the benefits received by such indemnified party or indemnifying party; provided, however, that the liability of any Holder under this Section 5.1.5 shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in Sections 5.1.1, 5.1.2 and 5.1.3 above, any legal or other fees, charges or out-of-pocket expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 5.1.5 were determined by pro rata allocation or by any other method of allocation, which does not take account

of the equitable considerations referred to in this Section 5.1.5. No person or entity guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 5.1.5 from any person or entity who was not guilty of such fraudulent misrepresentation.

6.5 Waiver of Jury Trial. THE PARTIES TO THIS AGREEMENT HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVE ANY RIGHT EACH SUCH PARTY MAY HAVE TO TRIAL BY JURY IN ANY ACTION OF ANY KIND OR NATURE, IN ANY COURT IN WHICH AN ACTION MAY BE COMMENCED, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY ADDITIONAL AGREEMENT, OR BY REASON OF ANY OTHER CAUSE OR DISPUTE WHATSOEVER BETWEEN OR AMONG ANY OF THE PARTIES TO THIS AGREEMENT OF ANY KIND OR NATURE. NO PARTY SHALL BE AWARDED PUNITIVE OR OTHER EXEMPLARY DAMAGES RESPECTING ANY DISPUTE ARISING UNDER THIS AGREEMENT OR ANY ADDITIONAL AGREEMENT.

6.6 Amendments and Modifications. Upon the written consent of the Company and the Holders of at least a majority in interest of the Registrable Securities at the time in question, compliance with any of the provisions, covenants and conditions set forth in this Agreement may be waived, or any of such provisions, covenants or conditions may be amended or modified; provided, however, that notwithstanding the foregoing, any amendment hereto or waiver hereof that adversely affects one Holder, solely in its capacity as a holder of the shares of capital stock of the Company, in a manner that is materially different from the other Holders (in such capacity) shall require the consent of the Holder so affected. No course of dealing between any Holder or the Company and any other party hereto or any failure or delay on the part of a Holder or the Company in exercising any rights or remedies under this Agreement shall operate as a waiver of any rights or remedies of any Holder or the Company. No single or partial exercise of any rights or remedies under this Agreement by a party shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder or thereunder by such party.

6.7 Other Registration Rights. Further, the Company represents and warrants that this Agreement supersedes any other registration rights agreement or agreement with similar terms and conditions and in the event of a conflict between any such agreement or agreements and this Agreement, the terms of this Agreement shall prevail. This Agreement supersedes, and amends and restates in its entirety, the Prior Agreement.

6.10 Severability. A determination by a court or other legal authority that any provision that is not of the essence of this Agreement is legally invalid shall not affect the validity or enforceability of any other provision hereof. **Item 20. Indemnification of Directors and Officers.**

Cayman Islands law does not limit the extent to which a company's memorandum and articles of association may provide for indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as to provide indemnification against willful default, willful neglect, fraud or the consequences of committing a crime. The Current Charter provides for indemnification of our officers and directors to the maximum extent permitted by law, including for any liability incurred in their capacities as such, except through their own actual fraud, willful default or willful neglect.

We have entered into indemnification agreements with each of our officers and directors a form of which is filed as Exhibit 10.4 to our Registration Statement on Form S-1 that was declared effective by the SEC on January 6, 2021. These agreements require us to indemnify these individuals to the fullest extent permitted under Cayman Islands law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Pursuant to the Merger Agreement filed as Exhibit 2.1 to this Registration Statement, we have agreed to continue to indemnify our current directors and officers and have agreed to the continuation of director and officer liability insurance covering our current directors and officers.

It is anticipated that the New Scilex Board will, in connection with consummating the Business Combination, approve and direct New Scilex to enter into customary indemnification agreements with the persons intended to serve as directors and executive officers of New Scilex following the Business Combination.

The Registrant hereby undertakes to furnish supplemental copies of the unredacted exhibit upon request by the SEC.

# Certain of the exhibits and schedules to this Exhibit have been omitted in accordance with Regulation S-K Item 601. The Registrant agrees to furnish a copy of all omitted exhibits and schedules to the SEC upon its request.

**Item 22. Undertakings.**

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
  - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
  - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
  - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
  - (iii) The portion of any other free writing prospectus relating to the offering containing material

information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (6) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to re-offerings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.
- (7) That every prospectus (i) that is filed pursuant to the paragraph immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

**SIGNATURES**

Pursuant to the requirements of the Securities Act, the registrant has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, on the 20th day of July, 2022.

**8.4 Supply Chain Security.** Oishi shall have in place a comprehensive and effective security program related to the security of the Product. Oishi shall ensure that all Product is stored, handled and tested only at the Facilities and that physical security for the Product is maintained at all times at the Facilities until such time that the Product is transferred to an authorized freight handler at the Facilities. Oishi shall take all necessary steps to prevent unauthorized tampering with the Product.

**8.5 Product Warranty.** Developer shall warrant that all Product supplied under this Agreement shall, when it is delivered to the warehouse in the Territory Scilex designates, (a) conform with the Product Specifications and with all Applicable Laws, and (b) have shelf-life of not less than nineteen (19) months remaining before the Labeled expiration date. Oishi shall further warrant that the Product shall be manufactured in accordance with applicable cGMPs and with all Applicable Laws. The Product shall be also warranted by Oishi, as of the delivery date to the possession of Itochu's contractor or representative at the Facilities, and also warranted by Itochu, as of the delivery date to Scilex's delivery site, not to be adulterated or misbranded within the meaning of the FD&C Act, and not to be an article which may not, under the provisions of section 505 thereof, be introduced into interstate commerce. This warranty shall be a continuing guarantee and shall be binding upon any Product shipped or delivered by Developer to Scilex.

**8.6 Limitation of Warranty.** THE WARRANTIES SET FORTH IN THIS AGREEMENT AND THE DEVELOPMENT AGREEMENT ARE THE ONLY WARRANTIES MADE BY DEVELOPER WITH RESPECT TO THE PRODUCT AND IS IN LIEU OF ALL OTHER WARRANTIES, TO THE FULLEST EXTENT PERMISSIBLE BY APPLICABLE LAW. UNDER NO CIRCUMSTANCES WILL ANY PARTY HERETO BE LIABLE FOR INDIRECT, INCIDENTAL AND CONSEQUENTIAL DAMAGES AND/OR LOSS OF PROFITS ARISING OUT OF OR IN CONNECTION WITH THE SALE, USE OR PERFORMANCE OF THE PRODUCT WHETHER ARISING IN AN ACTION OF CONTRACT, TORT OR OTHER LEGAL THEORY, EVEN IF SUCH PARTY KNEW OR SHOULD HAVE KNOWN ABOUT THE POSSIBILITY OR EXISTENCE OF SUCH DAMAGE OR LOSS. ALL OTHER WARRANTIES WITH REGARD TO THE PRODUCT PURCHASED PURSUANT TO THIS AGREEMENT, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE TO THE FULLEST EXTENT PERMISSIBLE BY APPLICABLE LAW, EXCLUDED FROM THIS AGREEMENT

**8.7 Acceptance, Rejection, and Claims.** Scilex may visually inspect any or all shipments of Product regarding quantity and appearance ("Inspection") to determine whether the Product complies with this Agreement and/or Purchase Order. Such Inspection shall be completed by Scilex within fifteen (15) days of Scilex's receipt of each shipment and/or air freight at the delivery site. If Scilex discovers any Product that has incorrect quantity, incorrect product, or any defects relevant to quantity and/or appearance (collectively, "Defects"), Scilex shall inform Itochu in written notification of its intent of the rejection within the fifteen (15) days after Inspection. Scilex shall be deemed to have accepted any Product that is not rejected in writing within such fifteen (15) day period. After consulting with Oishi, Itochu shall furnish Scilex with a written response with the acceptance or disagreement to the intent of Scilex's rejection within fifteen (15) days of Itochu's receipt of the notification by Scilex. If no response is received by Scilex in such period, such intent of the rejection shall be deemed to have been accepted by Itochu. If the intent of the rejection is accepted by Itochu, Scilex shall be entitled to the delivery of the shortage amount or replacement, free of charge and free of Defects as soon as reasonably possible. In the event Itochu disagrees with the intent of the rejection by Scilex, the Parties shall resolve the matter upon mutual good faith consultation. **8.8 Spoilage Due to Change or Obsolescence.** Scilex shall not be liable to Developer for any printed Packaging components, work in progress or finished Product which is damaged, destroyed or which become obsolete or otherwise spoiled and cannot be sold or distributed due to the acts or omissions of Developer.

**8.9 Third Party Claims.** Oishi shall represent and warrant that it has all rights necessary for the manufacture, sale, and use of Product, without interfering with or infringing upon any patents, copyrights, trademarks, or other intellectual property rights of any Third Party.

**8.10 Compliance.** Oishi shall agree that its work under this Agreement will be conducted in compliance with all Applicable Laws, and with the standard of care customary in the industry. If requested by Scilex, Oishi shall provide Scilex with a certificate evidencing its accreditation by the appropriate accrediting body. Such accreditation shall remain in force during the term of this Agreement.

**8.11 Product Complaints/Reports.** Except as otherwise noted below, in the event that Oishi receives any complaint, claim or adverse reaction report regarding any Product, including, but not limited to, notices from the FDA (or any other Governmental Authority) regarding any regulatory non-compliance of Product, Developer shall within seven (7) business days, provide Scilex with all information contained in such complaint, report, or

notice and such additional information regarding the Product as may be reasonably requested. Oishi shall comply with FDA (or any other Governmental Authority) requirements for complaint handling. If Product contains a defect which could or did cause death or serious bodily injury, Oishi shall immediately provide Scilex with a complete description of all relevant details known to Oishi concerning any such incident, including but not limited to, a description of any defect and such other information which may be necessary to report the incident to the FDA or any other Governmental Authority.

**8.12 Recalls.** Scilex shall have the right to reasonably declare any recall of, or field corrective action to, any Product supplied to Scilex under this Agreement. Oishi shall agree to cooperate with Scilex in connection with any such recall, and shall indemnify Scilex for all reasonable expenses arising from any such recall to the extent the recall is attributable to a breach of any of Oishi's warranties under this Agreement or is otherwise attributable to a defect in the Product, including without limitation, Oishi's manufacturing, Packaging and/or Labeling processes. Oishi shall also credit Scilex's account for the Product recovered and returned to it as a result of the recall. Nothing in this Section 8.12 affects the limitation of Oishi's liability set out in this Agreement. Scilex undertakes to maintain appropriate up-to-date and accurate records reasonably necessary to enable the prompt recall of any of the Product or any of them from the retail and/or wholesale markets. These records shall include records of deliveries to customers (including delivery date, name and address of customers, and telephone and fax or telex numbers and e-mail address if available).

**8.13 Government Inquiries.** Without limiting the generality of Section 8.11, Developer shall make commercially reasonable efforts to:

- (a) Respond fully and accurately to all inquiries directed to it by the FDA or any other Governmental Authority with respect to the manufacture, testing, and use of the Product.
- (b) Assist Scilex in responding to inquiries directed to Scilex by the FDA or any other Governmental Authority with respect to the manufacture, testing, and use of the Product.
- (c) Promptly inform Scilex of the existence and substance of any inquiry, investigation or inspection initiated by the FDA or any other Governmental Authority, department or body relating to the Product or its manufacture. The existence of any such inquiry, investigation or inspection shall not alone constitute a breach of this Agreement or excuse any performance due under this Agreement. Oishi shall immediately provide Scilex with copies of any and all inspection reports, letters, documents or similar instruments submitted or received from the FDA or other Governmental Authority related to the Product or its manufacture, testing or use.

**8.14 Inspection of Manufacturing Facilities.**

- (a) Notwithstanding Section 2.3 of the Development Agreement, Oishi shall permit Scilex and its agents, during business hours and upon prior written notice to Developer, to inspect, at the expense of Scilex, the Facilities where the Product is manufactured, handled, stored or tested, as well as all processes relating to the manufacture, handling, storage, or testing of the Product, as well as all manufacturing, handling, storage, and test records regarding the Product.
- (b) Oishi shall extend the same inspection privileges set forth above to agents of the FDA or any other Governmental Authority, as required, and shall promptly notify Scilex of any such inspection. Developer shall provide Scilex with copies of any and all inspection reports from the FDA or other relevant Governmental Authority regarding the manufacture of the Product within five (5) business days of receipt of such reports.
- (c) Oishi shall warrant and agree that it will correct, at its own expense and within a reasonable amount of time from the date of notification, all deficiencies and/or non-conformances found during a Scilex, FDA, or Governmental Authority audit; and that it will correct or issue an approved plan, including timetable, to correct all deficiencies and/or non-conformances within no more than twenty (20) business days of such notification.

**8.15 Quality Control Testing.** Oishi shall perform quality control testing in accordance with the Product Specifications for release of each Lot of Product to Scilex. Quality control testing shall include all testing associated with the production of the Product, including, but not limited to, incoming component and raw material testing, in-process testing, and final release testing. Oishi shall provide all such testing data (including, without limitation, testing of API and Excipients, and in-process Product testing) to Scilex if Oishi is requested to provide the same. A COA shall accompany each Product shipment. Each COA shall be in accordance with the format approved by Scilex, certifying that the Product has met all Product Specifications. Any Third Party or contract laboratory used for the testing of the Product shall be approved in writing by Scilex prior to its use for that purpose, such approval not to be unreasonably withheld or delayed.

**8.16 Stability Testing.** Oishi shall be responsible for performing ongoing stability studies of the Product, maintaining stability protocols, storage of stability samples, testing the samples in accordance with the protocols and reports for the studies. Scilex shall have access to the stability reports generated by Oishi, including historic stability data.

**8.17 Product Specifications and Change Control.**

- (a) The Product Specifications may be changed from time to time, without requiring any amendment to this Agreement, upon the mutual written agreement of the Parties. Such changes shall be communicated in writing to Developer, and Developer shall implement the agreed changes as soon as practicable. Changes to Product form, fit or function may be suggested by either Party. In the event a change to the Product Specifications is agreed upon by the Parties, the Parties will negotiate an equitable price adjustment and any cost Oishi incurs as a result of such change (if applicable).
- (b) Oishi shall not make any changes to the manufacturing process (including Batch size), Facilities, or equipment used in the manufacture of the Product without Scilex's prior written approval, such approval not to be unreasonably withheld. The Product Batch record may be updated with editorial changes as long as these changes do not correspond to process changes.
- (c) Scilex shall use commercially reasonable efforts to provide Developer with sufficient written notice of any instructions or requirements of a government regulatory agency that may require a change of the Product Specifications. Upon the receipt of the above written notice, Developer shall make commercially reasonable efforts to notify Scilex if any such changes in the Product Specifications shall render Developer unable to supply the Product in accordance with the term and conditions of this Agreement.

**8.18 Technical Assistance.** Developer shall provide Scilex with certain technical support regarding the Product as reasonably requested by Scilex, including, but not limited to, analytical test methods, method development, physical and chemical properties, and use of the Product.

**8.19 Quality Agreement.** Developer and Scilex have executed the written Quality Agreement attached hereto as **Exhibit B** (the "**Quality Agreement**"). All provisions in relation to the commercial supply of the Product in the Quality Agreement are incorporated herein and made a part of this Agreement by reference. To the extent there are any conflicts between the terms of the Quality Agreement, the terms of this Agreement shall prevail and control.

**9.2 Insurance.** Both Parties, at their respective cost and expense, shall respectively maintain appropriate insurance including, but not limited to, commercial general liability insurance with broad form contractual liability with reputable and financially secure insurance carries; to secure any liabilities towards third parties due to the defects of the Product and other liabilities for human or physical losses that may be incurred from the import, export, promote and sale of the Product under this Agreement, with limits of not less than five million US Dollars (\$5,000,000) per occurrence, and five million US Dollars (\$5,000,000) annual aggregate. Both Parties shall respectively ensure that such insurance coverage will remain in place for a period of at least three (3) years following the termination of this Agreement for any reason. A certificate of the above insurance indicating such coverage shall be delivered by each Party to the other Party upon written request.

**11.3 Waiver and Modification.** The waiver by either Party of a breach of any provision contained herein shall only be effective if in writing and shall in no way be construed as a waiver of any succeeding breach of such provision or obligation or the waiver of the provision or obligation itself. To the extent that there is any dispute and/or confusion about whether Itochu or Oishi is responsible for a liability the burden of proof shall be on Oishi and Itochu to prove which is responsible and Itochu and Oishi shall remain jointly and severally liable until such allocation has been determined. In no case shall Genzyme be obligated to manufacture and supply in excess of [...\*\*\*...]/year of Product to Semnur. Should Semnur reasonably forecast that its Product requirements in the Territory will exceed [...\*\*\*...]/year, Genzyme will use commercially reasonable efforts to accept additional volume up to [...\*\*\*...]kg. Genzyme and Semnur agree that Genzyme shall have no obligation to manufacture and supply Product to Semnur or any Third Party for a product for a use other than for the Semnur Product and its Intended Use. Semnur shall not order Product under this Agreement for a product other than the Semnur Product and its Intended Use without the express written consent of Genzyme.

**2.2 Clinical Forecasts.** Beginning on the date of the first full quarter following the Effective Date, at least fifteen (15) days prior to the beginning of each calendar month thereafter, Semnur will submit subsequent rolling forecasts of its expected clinical requirements for the twelve (12) month period thereafter (the "Monthly Forecast"). The first three (3) months of each forecast shall be binding on Semnur, and subsequent Monthly Forecasts may not change the forecasts for such binding months without the consent of Genzyme. The remaining months of each of the Monthly Forecasts will not be binding on Semnur, but shall represent Semnur's projected requirements for the Products.

3

**2.3 Commercial Forecasts.** Beginning on the date of the first full quarter prior to the anticipated launch date of the Semnur Product and no later than one month prior to the commercial launch of the Semnur Product, at least fifteen (15) days prior to the beginning of each calendar quarter thereafter, Semnur will submit subsequent rolling quarterly forecasts (Q) of its expected commercial requirements for the twenty four (24) month period thereafter. The first two quarters (i.e. six (6) months Q plus Q+1) of each forecast shall be binding on Semnur, and subsequent quarterly forecasts may not change for such binding months without the consent of Genzyme. The remaining months of each of the quarterly forecasts will not be binding on Semnur, but shall represent Semnur's projected requirements for the Products.

2.3.1 It is further understood that with respect to each new quarterly forecasts starting after commercial launch of the Semnur Product:

- (i) the volume forecasted in Q+1 shall not vary by more than plus or minus [...\*\*\*...] from the volume specified in Q+2 (i.e. months 7, 8 and 9) of the immediately preceding rolling forecast; and
- (ii) the volume forecasted in months Q+2 shall not vary by more than plus or minus [...\*\*\*...] from the volume specified in Q+3 of the immediately preceding rolling forecast.

2.3.2 Planning Forecasts.

On October 1st of each Contract Year beginning with the first October 1st that is within six months prior to the anticipated commercial launch of the Semnur Product, Semnur will supply Genzyme with a written five (5) year rolling forecast (for clarity, each such planning forecast shall be for the five (5) Contract Years following the Contract Year in which such planning forecast is provided to Genzyme), of Semnur's projected requirements for the Product. Such planning forecasts shall represent Semnur's most current estimates for planning purposes only, and shall not be considered to be purchase commitments.

**2.4 Orders.** Semnur's orders for Product shall be made pursuant to written purchase orders placed not less than six (6) months before the delivery date specified by Semnur and that specify the quantity of Product, destination(s) and delivery date in accordance with reasonable delivery schedules and lead times as may be agreed upon from time to time by the Parties; provided, however, that the required lead time shall not exceed one hundred eighty (180) calendar days unless otherwise mutually agreed. Semnur's orders for Product shall be in accordance with the minimum order quantities set forth in Schedule 2 to this Agreement. Genzyme shall accept or reject Semnur's orders for Product within ten (10) calendar days of the purchase order date; provided that if Genzyme fails to accept or reject a purchase order within such ten (10) calendar day period, such purchase order shall be deemed accepted by Genzyme. Notwithstanding anything herein to the contrary, Genzyme shall accept all purchase orders submitted by Semnur in accordance with this Article 2. Accepted purchase orders may not be cancelled without the prior written agreement of both Parties except as set forth in Sections 2.8 and 10.5; provided that Semnur may modify or cancel purchase orders for the Products for clinical supply, so long as such modification or change is made further than 90 days in advance of the originally requested delivery date. For the avoidance of doubt, for any cancelled purchase order, Semnur is responsible for any non-cancellable costs incurred by Genzyme in association with said purchase order. Unless otherwise directed by Semnur, Genzyme shall fill all purchase orders for Product in accordance with the requested due dates. The terms and conditions of this Supply Agreement shall be controlling over any conflicting terms and conditions stated in Semnur's purchase order or Genzyme's invoice, confirmation or other similar document. 4

**2.7 Conformance to Specifications.** Genzyme shall Manufacture the Product in accordance with Applicable Law (including cGMPs) and the Specifications, as the same may be amended or supplemented from time to time. Each Party shall keep the other promptly and fully advised of any new instructions or Specifications required by the applicable Regulatory Authority or Applicable Law, of which it becomes aware. The Parties shall confer with respect to the mode of compliance with such new requirements. Prior to implementation of such new requirements or changes, the Parties shall negotiate in good faith in an attempt to reach agreement on (a)the new Product price which embodies such changes, (b)any amounts to be reimbursed by Semnur to Genzyme as described in the next sentence of this paragraph, and (c)any other amendments to this Agreement which may be necessitated by such changes (i.e., an adjustment to the lead time for purchase orders). Semnur shall reimburse Genzyme for the mutually agreed upon reasonable expenses incurred by Genzyme as a result of such changes, including, but not limited to, reimbursing Genzyme for its mutually agreed validation and development costs and costs for any packaging components or other materials rendered unusable as a result of such changes. Any and all direct costs associated with any change in the Manufacture of the Products required by cGMP Requirements or applicable Law shall be borne by Genzyme. If during the Term, Semnur amends the Specifications (whether voluntarily or as required by law) so as to render obsolete quantities of the Product and/or materials and components used to manufacture and package the Product on hand at Genzyme, Semnur shall be financially liable for the actual cost of the materials / components including(i) all such obsolete Product at the prices then in effect, (ii)all work-in-progress of the Product at Genzyme's actual cost thereof, and (iii)at Genzyme's Acquisition Cost, all such obsolete materials and components obtained by Genzyme pursuant to its normal procurement policies to manufacture quantities of the Product pursuant to Semnur's forecasts.

**2.8 Notification of Capacity and Capacity Restrictions.** Genzyme will promptly notify Semnur in writing in the event that Genzyme is unable or anticipates that it will be unable to supply compliant Product in accordance with the requirements of this Supply Agreement in the quantities and within the time periods specified in the forecasts and applicable orders provided by Semnur (each, a "**Shortage of Supply**"). Within ten (10)calendar days of receipt of said notification, the Parties agree to meet to discuss and evaluate Genzyme's capacity in relation to Section2.1. In the event of a Shortage of Supply, in addition to any other rights or remedies available to Semnur, and if such Shortage of Supply projects that Semnur will incur a stock out to market of the Semnur Product that exceeds one month, then Semnur shall have the right to take any measures available to it to mitigate any of its resulting losses, including using an alternate supplier of the Product during the period affected by such Shortage of Supply and for a period of six (6)months thereafter. As soon as practicable after the period affected by the Shortage of Supply and Semnur's receipt of notice from Genzyme of Genzyme's ability to supply, Semnur shall restart purchases of Product from Genzyme, subject to reasonable commercial commitments Semnur made to alternate suppliers, the period of such commitments not to exceed six (6)months after the first occurrence period affected by such Shortage of Supply; provided that, following any such Shortage of Supply and such6-month period, Semnur shall be entitled to purchase up to ten percent (10%)of its requirements of Product in the Territory from a third party supplier, within a two year time period. Upon a second occurrence of a Shortage of Supply within a two year time period Semnur shall be entitled to purchase up to twenty percent (20%)of its requirements of Product in the Territory from a third party supplier, the period of such commitments not to exceed twelve (12)months. Semnur shall also have the right to cancel orders for any quantities of Product affected by such Shortage of Supply effective upon notice to Genzyme, and Semnur shall have no further obligations to purchase any such cancelled quantities of Product. In the event of a Shortage of Supply, Genzyme shall allocate the available supply of such Product as purchased by Semnur in the previous 12 months based on Semnur's percentage of the total quantity available.

**2.9 Subcontracting by Genzyme.** Genzyme may not subcontract or otherwise delegate all or any portion of its obligations under this Supply Agreement to the extent the subcontractor or delegate will have access to any Confidential Information of Semnur or the subcontractor's or delegate's activities include Product Manufacturing without Semnur's prior written approval, not to be unreasonably withheld, conditioned or delayed; provided, however, that Semnur's consent is not required for subcontractors used generally by Genzyme in connection with the Products where Semnur Confidential Information is not shared. Genzyme shall ensure that each subcontractor and delegate has and maintains all appropriate qualifications. Any subcontracting by Genzyme shall not relieve Genzyme of its own obligations and performance under this Supply Agreement.

Notwithstanding the foregoing, Genzyme may subcontract, in whole or in part, its obligations under this Agreement without the prior written consent of Semnur to any entity to which Genzyme, or any of its Affiliated Companies, transfers ownership of the Facility. Subcontracting should be managed in accordance with the Quality Agreement.

---

5

**2.10 Exclusivity.** For a period of five (5)years after the Effective Date of this Supply Agreement, and so long as this Agreement has not been terminated, Genzyme and its Affiliates will not collaborate with, research, develop or produce for any other Third Party: (a)any product incorporating the Product and a corticosteroid, which product is intended by the Third Party or approved for the Intended Use, or (b)the Product for incorporation in any product described in subsection(a) (the "First Exclusivity Period"). If Semnur achieves FDA approval for the Semnur Product during the First Exclusivity Period, then the exclusivity granted under this section will be extended for an additional five (5)years (i.e., until ten (10)years after the Effective Date) so long as this Agreement has not been terminated (the "Second Exclusivity Period"). If in any single year during the Second Exclusivity Period Semnur achieves an annual sales volume of the Semnur Product in the Territory equivalent to at least[...\*\*\*...] of the Product, then the period of exclusivity will be extended by an additional five (5)years (i.e., until fifteen (15)years after the Effective Date) so long as the Agreement remains in effect and has not been terminated (the "Third Exclusivity Period"). Upon expiration of the exclusivity obligation under this Section, Genzyme will be released from its obligations of exclusivity. If Semnur fails to complete clinical trials necessary for Regulatory Approval for the Semnur Product by January1, 2020, Semnur's exclusivity rights under this Section2.10 shall terminate. For the avoidance of doubt, Semnur's exclusivity rights under this Section2.10 shall also terminate upon the termination of this Agreement.

**2.11 Facility.** Genzyme will Manufacture the Product at the Facility. Genzyme shall have the right to Manufacture the Product at any other facility agreed in writing by the Parties, not to be unreasonably withheld, conditioned or delayed, which facility is qualified for the Manufacture of Product.

**2.12 Alternate Supplier.** The Parties will discuss appropriate methods to ensure consistency of supply of the Product, including qualifying alternate sources of supply. Semnur shall have the right to qualify an alternate source of the Product at any time during the Term. For the avoidance of doubt, Semnur's qualification of an alternative source does not relieve Semnur of its obligation to exclusively purchase Product from Genzyme. Semnur shall have the right to purchase Product from any such alternate supplier in the event of a Shortage of Supply as set forth in Section 2.8 above.

### **ARTICLE 3 PRICING AND PAYMENT**

**3.1 Invoices.** Product pricing shall be in accordance with Schedule2 to this Agreement. The Parties agree that the price for commercial supply of Product shall be subject to good faith renegotiation, at Genzyme's election, should the cost to Manufacture for specified quantities of Product exceed the pricing for specified quantities of Product as set forth at Schedule2. Genzyme shall invoice Semnur at the time of each shipment of Product(s)

for the Supply Price for such shipment. Semnur will pay such invoices within thirty (30) calendar days from the date of the invoice by Genzyme.

**3.2 Supply Prices.** The Supply Price for the supply of Product shall be adjusted beginning January 1, 2016 and each January 1st thereafter during the Term as per Bureau of Labor Statistics Producer Price Index (PPI) ID PCU3254 Pharmaceutical Manufacturing over the prior 12 month period, provided that in no case shall the Supply Price be increased by more than [...] percent [...] in any year.

**3.3 Recordkeeping.** During the Term and for one (1) year thereafter, or for such longer period as may be required by Applicable Law, Genzyme shall prepare and retain, and shall cause its subcontractors to prepare and retain, accurate books and records related to transactions made pursuant to this Supply Agreement. Audits and inspections may be conducted by Semnur's own personnel or retained consultant(s), subject to the confidentiality obligations set forth in this Supply Agreement.

**3.4 Taxes.** Genzyme agrees that all Supply Prices shall be exclusive of, and that Semnur shall bear, all taxes, whether direct or indirect (including, by way of example, corporate income, transfer taxes, and VAT), levies, and duties (including customs duties) as may be imposed on Semnur (or for which Genzyme is required to act as withholding agent by any governmental body or authority on the subject matter of this Supply Agreement, other than taxes on Genzyme's income), and shall be responsible for the timely payment of such amounts to such governmental body or authority.

**ARTICLE 4  
PRODUCT TESTING**

**4.1 Product Testing and Inspections.** Each shipment of Product shall be accompanied by a certificate of analysis describing all current requirements of the Specifications and results of tests performed on such Product and a certificate of conformity certifying that the quantities of Product supplied have been Manufactured, controlled and released according to the Specifications and all Applicable Law, including cGMPs. Genzyme will also provide Semnur with Material Safety Data Sheets ("MSDS") or equivalent instrument recognized by the applicable Regulatory Authority as required for the Product, and updates of the same as necessary.

**4.1.1 Visual Inspection.** Semnur shall visually inspect or have visually inspected the Product (each container or grouping of containers) delivered hereunder for correct labeling, container damage, broken seals and evidence of tampering or contamination and/or shortages in quantity when compared to the packing slip for such delivery (collectively, "Obvious Defect"). Semnur shall use its best efforts to notify the carrier immediately upon arrival of the shipment, and Semnur shall have the freight documents, where possible, countersigned by the carrier's representative. Semnur shall provide Genzyme with written notice of any such Obvious Defect within five (5) working days after receipt of such Product. Semnur shall be deemed to have accepted any shipment of Product, with respect to Obvious Defects, if Semnur does not send written notice to Genzyme within five (5) working days after receipt of such shipment of Product.

**4.2 Rejection of Non-Conforming Goods.** Semnur shall have a period of forty-five (45) calendar days from the date of Semnur's receipt of the Product and the CoA or the equivalent instrument recognized by the applicable Regulatory Authority for such Product, at the designated Semnur facility, to further inspect and test any shipment of Product to determine whether such shipment conforms to the Specifications and Applicable Law. If Semnur determines that the Product(s) do not conform to the Specifications or Applicable Law, it shall notify Genzyme, and, if requested by Genzyme, Semnur shall ship a sample of such non-conforming Product to Genzyme at Genzyme's expense. Semnur's failure to notify Genzyme of the non-conformity within the forty-five (45) calendar day period specified above will be deemed for purposes of this Supply Agreement to constitute Semnur's acceptance of such shipment, provided, however, that such acceptance shall be subject to Semnur's right to reject Product(s) due to latent defects discovered by Semnur or Semnur's customers after such forty-five (45) calendar day period has expired by providing Genzyme with written notice of such latent defect within forty-five (45) calendar days of Semnur's becoming aware of such defect, provided however that any latent defect(s) must be reported prior to the Product's expiration date.

**4.3 Disputes Regarding Conformance to Specifications.** If Genzyme does not agree with Semnur's determination that Product fails to conform to the Specifications or Applicable Law, then Genzyme shall so notify Semnur in writing within thirty (30) calendar days of its receipt of Semnur's notice of non-conformity with respect to such Product and (if requested) Product sample; and Genzyme and Semnur shall use reasonable efforts to resolve such disagreement as promptly as possible. Without limiting the foregoing, Genzyme and Semnur shall discuss in good faith mutually acceptable testing procedures pursuant to which both Genzyme and Semnur will re-test a sample of the disputed Product to determine whether such Product meets the Specifications or Applicable Law. Notwithstanding the foregoing, in the event that Genzyme and Semnur are unable to resolve such disagreement within thirty (30) calendar days of the date of the applicable rejection notice, either Party may submit a sample of the allegedly non-conforming Product for testing and a determination as to whether or not such Product conforms to the Specifications or Applicable Law to an independent testing organization, or to a consultant of recognized repute within the United States pharmaceutical industry, in either case mutually agreed upon by the Parties (such organization or consultant, the "Laboratory"), the appointment of which shall not be unreasonably withheld or delayed by either Party. The determination of the Laboratory with respect to all or part of any shipment of Product shall be final and binding upon the Parties. The fees and expenses of the Laboratory making such determination shall be borne by Genzyme, in the event that the Laboratory determines that the Product was non-conforming and by Semnur, in the event that the Laboratory determines that the Product did conform to the Specifications and Applicable Law.

**4.4 Return and Replacement of Non-Conforming Goods.** Product accepted by Genzyme as not meeting the applicable requirements, Applicable Law or the Specifications, or which are determined by the Laboratory not to meet such requirements, Applicable Law or the Specifications, shall be returned by Semnur to Genzyme, or destroyed pursuant to Applicable Law, at Genzyme's expense. Genzyme shall credit Semnur for any non-conforming product and shall replace any non-conforming Product(s) in accordance with a mutually agreed timeframe. Semnur shall pay Genzyme the applicable amounts for the replacement Product(s). Genzyme shall have no liability to Semnur with respect to any such nonconformity which the Parties agree (or, absent such agreement, which a mutually acceptable independent laboratory or consultant determines) (i) was caused by information supplied by Semnur or due to a fault in materials supplied by Semnur, (ii) was otherwise caused by Semnur or its agents, or (iii) was caused after delivery thereof in accordance with this Agreement.

**ARTICLE 5  
INSPECTION**

**5.1** Unless for cause, and upon ninety (90) days' prior written notice, Semnur or its designated agents shall have the right to inspect the Facility and records related to the Manufacture of the Product, during regular business hours to verify compliance with the terms and provisions of this Agreement or for insurance inspection purposes. Such inspection of the Facility and related records shall last no more than two (2) days and involve no more than two (2) auditors. The initial inspection shall be scheduled following execution of this Agreement at the earliest possible date agreed by the parties. Semnur agrees to not inspect the Facility and related records more often than one (1) time in a two calendar year period or any other frequency

mutually agreed. Genzyme agrees that in the event of a documented, material manufacturing quality issue, it will reasonably accommodate Semnur's request for an audit of the Facility and related records upon such dates and times mutually agreed to. During such an inspection or request for information the inspectors may inquire about the progress of the work being carried out by Genzyme or its subcontractor, and are in particular but not exclusively authorized to:

5.1.1 Inspect the Facility, documents and equipment used, or to be used, in the Manufacture of the Products and the Components;

5.1.2 Verify the qualifications of the employees and subcontractors carrying out such work and their use of the relevant equipment;

5.1.3 Evaluate all scientific techniques used by Genzyme, its subcontractors and their respective employees in the performance of this Supply Agreement and the procedures used in the creation and storage of samples of the Products; and

5.1.4 Verify and evaluate information relating to the utilization of the Manufacturing capacity of the Facility or its subcontractor's Facilities.

**5.2 Governmental Inspections.** If Genzyme is notified that the Product or the Facility will be subject to an inspection by any governmental authority, Genzyme shall inform Semnur in advance of such inspection, to the extent practicable and otherwise promptly after such inspection and Genzyme shall cooperate with and allow such inspection to the extent required by applicable laws. Semnur shall not have the right to be present at any meetings or events related to such inspection. Genzyme will promptly inform Semnur of any material findings of such inspection concerning Product, including written responses to remedy conditions cited in the inspections related to the Product.

**5.3 Corrective Action Plan.** Following Genzyme's receipt of an audit report prepared by Semnur, the parties shall meet to discuss a proposed corrective action plan to address any audit findings. Genzyme shall implement a mutually agreed upon corrective action plan within agreed upon timelines.

**5.4 Genzyme Audits.** Without limiting the foregoing, Genzyme is responsible for auditing the facilities of the suppliers of Components periodically, and Genzyme agrees to show to Semnur during an on-site audit, findings of the audit report of these facilities.

## **ARTICLE 6** **REGULATORY AND QUALITY RESPONSIBILITIES**

**6.1** Genzyme shall obtain and maintain any and all regulatory and governmental permits, licenses and approvals that are necessary for Genzyme to Manufacture the Product for Semnur or its Affiliates in accordance with the terms of this Supply Agreement and Applicable Law. The Parties or their Affiliates shall enter into a Quality Agreement for the manufacture of the Product, which shall be agreed by the Parties within one-hundred twenty (120) days after the Effective Date.

**6.2 Changes or Modifications in Manufacturing Activities .** Genzyme shall promptly make and implement such changes as are required by Applicable Law ("**Required Changes**"), provided that, prior to implementation, all such Required Changes shall utilize Genzyme's change control process. Genzyme shall inform Semnur of any estimated effect on Supply Price and other issues regarding such implementation of Required Changes if relevant. In addition, Semnur shall have the right to request changes in or modifications to the Specifications ("**Voluntary Changes**"). Genzyme shall review such requests for Voluntary Changes and advise Semnur if such changes are feasible. Voluntary changes require the mutual agreement of the parties. All such Voluntary Changes shall be documented in writing and shall be signed by an authorized representative of Semnur and Genzyme. Such Voluntary Changes shall utilize Genzyme's change control process. If such Voluntary Changes result in a material change in Genzyme's manufacturing costs or lead times or capacity, prior to implementation the Parties shall agree upon an appropriate adjustment to the Supply Price solely to reflect the actual increase in Genzyme's manufacturing costs and compensation for Genzyme's one-time costs necessary for such Voluntary Changes or in the delivery schedules, as the case may be, for Product(s) to be provided by Genzyme hereunder.

8

---

**6.3 Other Manufacturing Changes by Genzyme .** Genzyme will provide written notice to Semnur of any material or significant changes to raw materials (or suppliers thereof), processes, equipment, facilities, tests or any other item used in the manufacturing or processing activities to be performed by Genzyme hereunder if such alterations (i) would require regulatory approval from a Regulatory Authority, or (ii) would involve a change in the route of synthesis of the Product, the reagents used in the synthesis of the Product, or changes in the reaction conditions that would produce a different impurity profile, or (iii) would cause a delay in obtaining Regulatory Approval for the Semnur Product; provided that for any changes that would require regulatory approval of a Regulatory Authority for the Semnur Product, that such alteration shall be made only with the consent of Semnur (not to be withheld unreasonably). If any such changes cause a delay in obtaining Regulatory Approval for the Semnur Product, then the January 1, 2020 date in Sections 2.10 and 10.2.3 shall be extended by the length of any such delay.

**6.4 Cooperation in Obtaining Government Approvals .** Genzyme shall cooperate with Semnur, at Semnur's request, to enable Semnur to comply with requirements of Regulatory Authorities to perform clinical trials and obtain Regulatory Approval for the Semnur Product, including by providing Semnur and its sublicensees with all information reasonably necessary to provide to the applicable Regulatory Authorities related to the Product, and providing to Semnur or its sublicensees a letter authorizing Semnur and its sublicensees to reference Genzyme's drug master file (DMF) for the Product (provided that Semnur and its sublicensees will have no direct access to the DMF) and other regulatory filings regarding the Product and the like, and to resolve the concerns of any Regulatory Authority with respect to the manufacture or processing of the Product prior to its shipment to Semnur.

**6.5 Deviations.** In the event that a material deviation occurs during the course of the Manufacture of any batch of Product delivered to Semnur under this Supply Agreement, Genzyme shall provide Semnur with a detailed written description of any such deviation.

## **ARTICLE 7** **REPRESENTATION AND WARRANTIES**

For the purposes of this representation, "knowledge" means only "actual knowledge" and excludes all other forms of knowledge including constructive knowledge and imputed knowledge.

(c) is disclosed to the Receiving Party on a non-confidential basis by a Third Party who is not, to the actual knowledge of the Receiving Party, prohibited from disclosing it without breaching any confidentiality obligation to the Disclosing Party; or

(d) is independently developed by or on behalf of the Receiving Party or any of its Affiliates, as evidenced by its written records, without use of or access to the Confidential Information.

8.3.2 Disclosure Required by Law. The restrictions set forth in this Article8 shall not apply to the extent that the Receiving Party is required to disclose any Confidential Information under law or by an order of a Governmental Authority; provided that the Receiving Party: (a)provides the Disclosing Party with prompt written notice of such disclosure requirement if legally permitted, (b)at the Disclosing Party's request, uses good faith efforts, to oppose or limit, or secure confidential treatment for such required disclosure similar to those it devotes to opposing similar information of its own, and (c)if the Disclosing Party is unsuccessful in its efforts pursuant to subsection(b), discloses only that portion of the Confidential Information that the Receiving Party is legally required to disclose as advised by the Receiving Party's legal counsel.

8.4 **Nondisclosure of Terms**. Each Party agrees not to issue any press releases, reports, or other statements in connection with this Supply Agreement intended for use in the public or private media or otherwise disclose the terms of this Supply Agreement to any Third Party without the prior written consent of the other Party hereto, which consent shall not be unreasonably withheld, except to such Party's attorneys, advisors and others on a need to know basis in each case consistent with customary practice under circumstances that protect the confidentiality thereof; provided that Semnur may inform its customers, suppliers and business contacts that Genzyme supplies Product to Semnur in the ordinary course of business without Genzyme's consent. Notwithstanding the foregoing, each Party may make announcements concerning the subject matter of this Supply Agreement if required by Applicable Law or any securities exchange or Governmental Authority or any tax authority to which any Party is subject or submits, in which case the Party making such announcement shall provide the other Party with a copy of such announcement at least five (5)business days prior to issuance, to the extent practicable under the circumstances, and shall only disclose information required by Applicable Law or such exchange or authority.

8.5 **Right to Injunctive Relief**. Each Party agrees that breaches of this Article8 may cause irreparable harm to the other Party and shall entitle such other Party, in addition to any other remedies available to it (subject to the terms of this Supply Agreement), to the right to seek injunctive relief enjoining such action.

8.6 **Ongoing Obligation for Confidentiality**. The Parties' obligations of confidentiality, non-use and non-disclosure under this Article8 shall survive any expiration or termination of this Supply Agreement for five (5) years.

## **ARTICLE 9 INDEMNIFICATION**

### **9.1 Indemnification.**

9.1.1 Indemnification by Genzyme. Genzyme hereby agrees, at its sole cost and expense, to defend, hold harmless and indemnify, to the extent permitted by Applicable Law, (collectively, "**Indemnify**") Semnur and its Affiliates and their respective directors, officers and employees of such Persons and the respective successors and assigns of any of the foregoing (the "**Semnur Indemnitees**") from and against any and all liabilities, damages, penalties, fines, costs and expenses (including, reasonable attorneys' fees and other expenses of litigation) (collectively, "**Liabilities**") resulting from suits, claims, actions and demands, in each case brought by a Third Party (each, a "**Third-Party Claim**") against any Semnur Indemnitee and arising from or occurring as a result of: (a)any material breach of any of Genzyme's obligations, representations, warranties set forth in this Agreement; or (b)the gross negligence or willful misconduct of a Genzyme Indemnitee under this Supply Agreement. Genzyme's obligation to Indemnify the Semnur Indemnitees pursuant to this Section9.1.1 shall not apply to the extent that any such Liabilities are the result of a material breach by Semnur of its obligations, representations, warranties or covenants under this Supply Agreement or Semnur's gross negligence or willful misconduct.

9.1.2 Indemnification by Semnur. Semnur hereby agrees, at its sole cost and expense, to defend, hold harmless and Indemnify Genzyme and its Affiliates and their respective directors, officers and employees of such Persons and the respective successors and assigns of any of the foregoing (the "**Genzyme Indemnitees**") from and against any and all liabilities, damages, penalties, fines, costs and expenses (including, reasonable attorneys' fees and other expenses of litigation) (collectively "Liabilities") resulting from Third-Party Claims against any Genzyme Indemnitee arising from or occurring as a result of: (a)the development, manufacture, storage, handling, use, marketing, distribution, offer for sale, sale, promotion or other commercialization of the Product(s) or any products containing the Products by or on behalf of Semnur or its Affiliates; (b)any material breach of any of Semnur's obligations, representations, warranties or covenants under this Supply Agreement; or (c)the gross negligence or willful misconduct of a Semnur Indemnitee under this Supply Agreement. Semnur's obligation to Indemnify the Genzyme Indemnitees pursuant to this Section9.1.2 shall not apply to the extent that any such Liabilities are the result of a material breach by Genzyme of its obligations, representations, warranties or covenants under this Supply Agreement or Genzyme's gross negligence or willful misconduct.

9.1.3 Procedure. To be eligible to be Indemnified hereunder, the indemnified Person shall provide the indemnifying Party with prompt written notice of the Third-Party Claim giving rise to the indemnification obligation pursuant to this Section9.1.3 and the right to control the defense (with the reasonable cooperation of the indemnified Person) or settlement any such claim; provided, however, that the indemnifying Party shall not enter into any settlement that admits fault, wrongdoing or damages without the indemnified Person's written consent, such consent not to be unreasonably withheld or delayed. The indemnified Person shall have the right to join, but not to control, at its own expense and with counsel of its choice, the defense of any claim or suit that has been assumed by the indemnifying Party.

## **ARTICLE 10 TERM AND TERMINATION**

10.1 **Term**. The term of this Supply Agreement shall begin on the Effective Date first set forth above, shall remain in effect for a period of ten (10) year(s) thereafter (the "**Initial Term**") unless it is terminated earlier in accordance with Section10.2; provided that, the Initial Term shall automatically be extended for the period of the Second Exclusivity Period and the Third Exclusivity Period if the requisite conditions under paragraph2.10 have been met. Thereafter (i.e. after the expiration of the Initial Term and the Second and Third Exclusivity Period, if applicable), this Supply Agreement shall automatically renew for additional two (2)year periods (the Initial Term plus the Second and Third Exclusivity Periods and any such renewal terms, the "**Term**"), unless either Party gives the other Party notice of its desire not to renew this Supply Agreement not less than eighteen months prior to the expiration of the then-current Term.

10.2 **Termination**. Notwithstanding anything to the contrary in this Supply Agreement, this Supply Agreement may be terminated:

10.2.1 in its entirety by mutual written consent of Genzyme and Semnur; or

---

12

10.2.2 in its entirety by either Party upon thirty (30)calendar days' prior written notice to the other Party if the other Party materially breaches any provision of this Supply Agreement and fails to cure that breach within such thirty (30)calendar day period; provided that if the Party alleged to be in breach disputes such breach in good faith by written notice to the other Party within the thirty-day cure period, then the Party alleged to be in breach shall not be deemed in breach and the non-breaching Party shall not have the right to terminate this Agreement pursuant to this Section10.2.2 unless and until it has been determined that this Agreement, as applicable, was materially breached in accordance with Article11 below, and the breaching Party fails to comply with its obligations hereunder within two (2) months after such determination; or

10.2.3 in the event that the development is ceased or Semnur does not file for Regulatory Approval for the Semnur Product by January 1, 2020.

10.2.4 In case Genzyme decides to discontinue the Manufacture of the Product at the Facility for economic or strategic reasons, it shall informSemnur as early as possible about its decision. In such situation, Genzyme may terminate this Agreement and shall give24months' notice to Semnur. In the event of sale of the Facility, Genzyme shall have the right to subcontract its obligations under this Agreement as per Section 2.9.

**10.3 Effects of Termination.** Upon termination of this Supply Agreement, this Supply Agreement shall, except as otherwise provided in Section 10.3 or Section 10.4, be of no further force or effect.

**10.4 Nonexclusive Remedy.** Exercise of any right of termination afforded to either Party under this Supply Agreement (i)shall not prejudice any other legal rights or remedies either Party have against the other in respect of any breach of the terms and conditions of this Supply Agreement, and (ii) shall be without any obligation or liability arising from such termination other than such obligations expressly arising from termination.

**10.5 Survival.** Termination of this Supply Agreement (for any reason) shall not affect any accrued rights or liabilities of either Party. Article4 (Product Testing), Article5 (Inspection), Article6 (Regulatory and Quality Responsibilities), Article8 (Confidentiality), Article9 (Indemnification), Article11 (Disputes), Article14 (Miscellaneous), and Sections3.3 (Recordkeeping), 7.2 (Additional Genzyme Warranties), 10.3 (Effects of Termination), 10.4 (Nonexclusive Remedy), 10.5 (Survival) shall survive any expiration or termination of this Supply Agreement.

## **ARTICLE 11 DISPUTES**

**11.1 Discussion by Executives.** Except as otherwise provided herein, any dispute, controversy or claim arising under, out of or in connection with this Supply Agreement, including any subsequent amendments, or the validity, enforceability, construction, performance or breach hereof (and including the applicability of this Article11 to any such dispute, controversy or claim) (each a " **Dispute**") shall be first submitted to a joint steering committee comprised of members from each of the Parties having authority to resolve such Dispute for attempted resolution by good faith negotiations within ten (10)business days. In such event, each Party shall cause its designated committee members to meet and be available to attempt to resolve such issue. If the Parties should resolve such Dispute, a memorandum setting forth their agreement will be prepared and signed by both Parties if requested by either Party. The Parties shall cooperate in an effort to limit the issues for consideration in such manner as narrowly as reasonably practicable in order to resolve the Dispute.

**11.2 Jurisdiction.** The Parties agree that any Dispute that is not resolved pursuant to Section11.1 shall be subject to the exclusive jurisdiction of the state and federal courts in New York and each Party hereby submits to such jurisdiction.

13

## **ARTICLE 12 RECALLS**

**12.1 Notices.** Each Party shall notify the other of any information, whether received directly or indirectly, which might affect the marketability, safety or effectiveness of the Semnur Product which was manufactured using Product supplied by Genzyme hereunder and/or which might result in the Recall or seizure of the Semnur Product which was manufactured using Product supplied by Genzyme hereunder. For purposes of this Agreement, a "Recall" shall mean any action: (i)by either Party to recover title to or possession of quantities of the Semnur Product which was manufactured using Product supplied by Genzyme hereunder sold or shipped to Third Parties (including, without limitation, the voluntary withdrawal of such Semnur Product which was manufactured using Product supplied by Genzyme hereunder from the market) or (ii)by any regulatory authorities to detain or destroy any of such Semnur Product which was manufactured using Product supplied by Genzyme hereunder. "Recall" shall also include the election by either Party to refrain from selling or shipping quantities of such Semnur Product which was manufactured using Product supplied by Genzyme hereunder to Third Parties that would have been subject to a Recall if sold or shipped.

**12.2 Discretion.** Semnur shall institute a Recall of the Semnur Product as a consequence of any defect that Semnur deems sufficiently serious. Semnur shall consult with Genzyme regarding any Recall of Semnur Product which was manufactured using the Product supplied by Genzyme hereunder; provided, however, that Semnur shall retain sole discretion whether to institute a Recall. Genzyme shall provide a rapid initial response and a full report with respect thereto within thirty (30) calendar days of such notification.

**12.3 Responsibilities.** Genzyme shall have no liability to Semnur with respect to any Recall which the Parties agree (or, absent such agreement, which a mutually acceptable independent laboratory or consultant determines) (i) was caused by information or materials supplied by Semnur, (ii)was otherwise caused by Semnur or its agents, (iii)was caused by factors occurring after delivery of the Product to the carrier at the Semnur drug product production site, or (iv)did not result from a breach of Genzyme's warranties provided under Article10 hereof. In addition, Semnur shall reimburse Genzyme for all reasonable out-of-pocket Third Party costs and expenses incurred and not recovered by Genzyme directly resulting from such Recall (subject to the limitations set forth in Section12.5 hereof). For all Recalls which result from a breach of Genzyme's warranties provided under Article7 hereof, unless Genzyme does not have liability pursuant to this Section 12(3), Genzyme shall: (x) promptly credit Semnur's account for Genzyme's invoice price to Semnur of the Product used in such Recalled Product; if Semnur shall have previously paid for such Product, Genzyme shall promptly, at Semnur' election, either (A)refund the invoice price thereof, or (B)offset the amount thereof against other amounts then due Genzyme hereunder, or (C)replace such Product at no additional cost to Semnur (y)reimburse Semnur for all reasonable out-of-pocket Third Party costs and expenses incurred and not recovered by Semnur directly resulting from such Recall (subject to the limitations set forth in Section 12.5 hereof).

**12.4 Independent Laboratory Costs.** The fees and expenses of any independent laboratory or consultant engaged by the Parties for purposes of this Section 12 shall be paid by the Party which is determined to bear responsibility for the Recall in question.

**12.5 Limitation.** Notwithstanding any other provision of this Agreement, the liability of Genzyme to reimburse Semnur for Third Party costs and expenses pursuant to Section12.3(y) hereof and Article9 related to any Recall shall not exceed \$[...\*\*\*...]. The Parties shall, to the extent possible, meet to review, in advance, actions and budgets for any Recall for which Genzyme shall have financial responsibility to Semnur pursuant to this Section 12.

**12.6 Disposition of Nonconforming or Recalled Product.** Semnur shall not dispose of any damaged, nonconforming or Recalled Product or Semnur Product as to which it intends to assert a claim against Genzyme without Genzyme's written authorization to do so. Alternatively, Genzyme may instruct Semnur to return such Product to Genzyme. Genzyme shall bear the cost of disposition (as well as all applicable shipping costs) with respect to

any damaged, nonconforming or Recalled Product as to which it bears responsibility under Section 12 hereof.

**ARTICLE 13**  
**LIMITATION OF LIABILITY**

**13.1 DISCLAIMER OF WARRANTIES.** THE WARRANTIES GIVEN BY PARTIES HEREUNDER ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ALL OTHER WARRANTIES ARE HEREBY DISCLAIMED AND EXCLUDED.

**13.2 DAMAGES.** EXCEPT IN THE EVENT OF BREACH OF CONFIDENTIALITY, INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS, FRAUD, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR ANY INCIDENTAL, INDIRECT, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING, WITHOUT LIMITATION, LOST PROFITS AND LOSS OF GOODWILL) ARISING FROM ANY BREACH OR ALLEGED BREACH OF THIS AGREEMENT (EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES).

14

---

**13.3 Remedies.** Genzyme's sole obligations, and Semnur's sole and exclusive remedies, for any breach by Genzyme of this Agreement related to Recalled Product shall be as set forth in Article 12 hereof.

**13.4 LIMITATION OF DAMAGES.** EXCEPT FOR GENZYME'S INDEMNIFICATION OBLIGATIONS FOR THIRD PARTY CLAIMS AND EXCEPT TO THE EXTENT RESULTING FROM GENZYME'S FRAUD, GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, IN NO EVENT SHALL GENZYME'S TOTAL AGGREGATE LIABILITY FOR ALL CLAIMS OR LOSSES ARISING OUT OF OR RELATED TO THIS AGREEMENT EXCEED THE AMOUNTS PAID TO GENZYME HEREUNDER DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO LIABILITY OR [...\*\*\*...], WHICHEVER IS LESS.

**ARTICLE 14**  
**MISCELLANEOUS**

**14.1 Relationship of the Parties.** The Parties agree that the relationship of Genzyme and Semnur established by this Supply Agreement is that of independent contractors. Furthermore, the Parties agree that this Supply Agreement does not, is not intended to, and shall not be construed to, establish a partnership or joint venture, and nor shall this Supply Agreement create or establish an employment, agency or any other relationship. Except as may be specifically provided herein, neither Party shall have any right, power or authority, nor shall they represent themselves as having any authority to assume, create or incur any expense, liability or obligation, express or implied, on behalf of the other Party, or otherwise act as an agent for the other Party for any purpose.

**14.2 Expenses.** Except as otherwise expressly provided herein, each Party shall bear its own costs, fees and expenses incurred by such Party in connection with this Supply Agreement

**14.3 Licenses and Permits.** Each Party shall, at its sole cost and expense, maintain in full force and effect all necessary licenses, permits, and other authorizations required by Applicable Law in order to carry out its duties and obligations hereunder.

**14.4 Force Majeure.** No Party shall be liable for a failure or delay in performing any of its obligations under this Supply Agreement if, but only to the extent that such failure or delay is due to causes beyond the reasonable control of the affected Party, including: (a) acts of God; (b) fire, explosion, or unusually severe weather; (c) war, invasion, riot, terrorism, or other civil unrest; (d) governmental laws, orders, restrictions, actions, embargo or blockages; (e) national or regional emergency; (f) injunctions, strikes, lockouts, labor trouble or other industrial disturbances; or (g) other similar cause outside of the reasonable control of such Party ("**Force Majeure**"); provided that the Party affected shall promptly notify the other of the force majeure condition and shall eliminate, cure or overcome any such causes and to resume performance of its obligations as soon as possible. If the performance of any such obligation under this Supply Agreement is delayed owing to such a Force Majeure for any continuous period of more than one hundred eighty (180) calendar days, Semnur shall have the right to terminate this Supply Agreement.

**14.5 Notices.** Any notice required or permitted to be given hereunder shall be in writing and shall be delivered in person, by a nationally recognized overnight courier, or by registered or certified airmail, postage prepaid to the addresses given below or such other addresses as may be designated in writing by the Parties from time to time during the Term, and shall be deemed to have been given upon receipt.

Attention:

**14.6 Assignment.** Genzyme may assign this Agreement without Semnur's consent. Except as set forth below, Semnur may not assign this Supply Agreement without Genzyme's prior written consent. Genzyme's consent to an assignment shall lapse in the event Semnur does not close the transaction with the permitted assignee within four (4) months of the date that Genzyme provided its consent. In the event of a permitted assignment, the assigning Party shall notify the other Party in writing of such assignment and the assignee shall agree in writing to be bound to the terms and conditions of this Supply Agreement. Any assignment not in accordance with this Section 14.6 shall be null and void.

**Exception for Certain Semnur Successors.** If any successor to Semnur or Third Party acquires all or substantially all of the assets of Semnur to which this Supply Agreement relates, whether by sale, transfer, merger, reorganization, operation of law or otherwise, then Semnur may assign this Supply Agreement to such successor or Third Party without Genzyme's prior written consent. Provided, however, that Genzyme's consent shall be required (such consent not to be unreasonably withheld or conditioned and such consent to be tendered to Semnur not later than thirty (30) days from Genzyme's receipt of Semnur's request for such consent) for an assignment to any successor or Third Party that is a party to active litigation adverse to Genzyme or a Genzyme Affiliate ("Genzyme Litigant"). Semnur may disclose and seek consent for potential successors or Third Parties at any stage of its due diligence process related to the disposition of the Semnur Product.

**Exception for Semnur Affiliates.** Semnur shall be permitted, without the prior written consent of Genzyme, to assign this Supply Agreement to its Affiliates.

**14.7 Governing Law.** This Supply Agreement shall be governed by and construed in accordance with the laws of New York without reference to conflicts of laws principles.

**14.8 Entire Agreement and Amendment.** This Supply Agreement, together with its Schedules and Exhibits, constitutes and contains the entire understanding and agreement of the Parties respecting the subject matter hereof and cancels and supersedes any and all prior and contemporaneous negotiations, correspondence, understandings and agreements between the Parties, whether oral or written, regarding such subject matter. Notwithstanding the foregoing, to the extent the terms and conditions of the body of this Supply Agreement conflict with the terms and conditions of any Schedule hereto, the terms and conditions of the body of this Supply Agreement shall govern. No terms or provisions of this Supply Agreement will be varied or modified by any prior or subsequent statement, conduct or act of either of the Parties, except that the Parties may amend this Supply Agreement by written instruments specifically referring to and executed in the same manner as this Supply Agreement.

16

**14.9 No Third Party Beneficiaries.** Except for the rights to indemnification provided for under Article 9 above, all rights, benefits and remedies under this Supply Agreement are solely intended for the benefit of Semnur and Genzyme, and except for such rights to indemnification expressly provided pursuant to Article 9, no Third Party shall have any rights whatsoever to (a) enforce any obligation contained in this Supply Agreement; (b) seek a benefit or remedy for any breach of this Supply Agreement; or (c) take any other action relating to this Supply Agreement under any legal theory, including actions in contract, tort (including negligence, gross negligence and strict liability), or as a defense, setoff or counterclaim to any action or claim brought or made by the Parties.

**14.10 Severability.** Should one or more of the provisions of this Supply Agreement become void or unenforceable as a matter of law, then such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of this Supply Agreement, and the Parties agree to negotiate in good faith a valid and enforceable provision therefor which, as nearly as possible, achieves the desired economic effect and mutual understanding of the Parties under this Supply Agreement.

**14.11 No Waiver.** A waiver by any Party of any of the terms and conditions of this Supply Agreement in any instance will not be deemed or construed to be a waiver of such term or condition for the future, or of any subsequent breach hereof. All rights, remedies, undertakings, obligations and agreements contained in this Supply Agreement will be cumulative and none of them will be in limitation of any other remedy, right, undertaking, obligation or agreement of either Party.

**14.12 Compliance with Laws/Anti-bribery.** Both Genzyme and Semnur shall perform their obligations under this Supply Agreement in accordance with Applicable Law and each Party shall bear its own costs in ensuring compliance therewith. No Party shall, or shall be required to, undertake any activity under or in connection with this Supply Agreement that violates, or which it reasonably believes may violate, any Applicable Law. Each Party will conduct itself and undertake the arrangements contemplated by this Agreement in a manner which is consistent with good business ethics and all applicable anti-bribery legislation (national and foreign), including but not limited to the OECD Convention dated 17th December 1997 on combating bribery of public officials in international business and the United States Foreign Corrupt Practices Act, as amended. Failure of a Party to comply with the provisions of this Article will be deemed a material breach of a material provision of this Agreement by the other Party.

**14.13 English Language.** This Supply Agreement shall be written and executed in the English language. Any translation into any other language shall not be an official version thereof, and in the event of any conflict in interpretation between the English version and such translation, the English version shall control.

**14.14 Review by Legal Counsel.** Each Party agrees that it has read and had the opportunity to review this Supply Agreement with its legal counsel. Accordingly, the rule of construction that any ambiguity contained in this Supply Agreement shall be construed against the drafting Party shall not apply.

**14.15 Further Acts.** Each Party shall do, execute and perform and shall procure to be done and perform all such further acts, deeds, documents and things as the other Parties may reasonably require from time to time to give full effect to the terms of this Supply Agreement.

**14.16 Counterparts.** This Supply Agreement may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute one and the same document. This Supply Agreement and any amendments hereto, to the extent signed and delivered by means of electronic reproduction (e.g., portable document format (.pdf)), shall be treated in all manner and respects as an original and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. At the request of a Party, the other Party shall re-execute original forms thereof and deliver them to the Party who made said request.

This Agreement shall automatically renew upon for subsequent successive one (1) year renewal terms thereafter, unless prior written notice of at least six (6) months is given by one Party to the other indicating that it wishes this Agreement to terminate and the end of the then current term — in which case this Agreement shall not renew, it shall be deemed to have been expired without fault, and the termination provisions relating thereto shall apply.

**15.2 Termination for Breach** . Either Party may terminate this Agreement or suspend performance under this Agreement upon written notice to the other Party at any time during the term of this Agreement, if the other Party is in material breach of this Agreement and such other Party has not cured such material breach within one hundred and eighty (180) days after notice requesting cure of the breach. If a cure is not capable, the non-breaching Party may terminate this Agreement, or suspend performance under this Agreement, immediately.

**15.3 Termination for Study Failure** . In the event that any of the studies listed in Article 2.5 fails, Stason may terminate this Agreement upon ten (10) days notice.

If Stason believes in good faith, after reasonable consultation with Developers after the aforementioned one hundred eighty (180) days allowed to resolve the problems associated with the "Refusal To File", that it is commercially unreasonable to re-file, Stason may terminate this agreement upon thirty (30) days notice to Developers.

If after a period of thirty (30) days of such good-faith discussions the Parties are unable to reach an agreement resolving such concerns, either Party shall have the right to immediately terminate the Agreement upon giving prior written notice to the other Party, and if Stason shall terminate the Agreement, Stason shall discontinue sales of the Product after all inventories are sold and such sales shall continue to be subject to the profit split provided in this Agreement.

In the event that Stason fails to file for regulatory approval for the Product within three (3) months of the date on which all passing reports of studies required by the FDA are received, all required stability results are received by Stason and all required components of the Regulatory Approval application are received by Stason, and Developers has provided constant and continual support, and all studies required by the FDA have been successful, Developers may terminate this Agreement upon thirty (30) days prior written notice.

**15.8 Termination right for Failure to Agree** . In connection with Section 2.9, in the event the Parties are unable to reach mutual agreement

as to who shall conduct the study(ies) and how the cost shall be allocated within sixty-days of learning of the request for such studies from the FDA then either Party may terminate upon thirty (30) days prior written notice.

### THE SECURITIES

#### SECTION 2.01. Amount of Securities.

(a) The aggregate principal amount of Securities that may be authenticated and delivered under this Indenture is limited to \$224,000,000 plus any increases in principal amount of the Securities pursuant to Section 2.01(b) or Section 2.01(c).

16

(b) On February 15, 2022, unless the Trustee has previously received from the Issuer an Officers' Certificate certifying that actual cumulative Net Sales (but only in respect of the United States) of ZTlido™ (lidocaine topical system 1.8%) from the Issue Date through December 31,

2021 are equal to or more than \$480,983,296.31, the then-existing outstanding aggregate principal amount of the Securities (after giving effect to any redemption of such Securities on such date) will be increased by \$28,000,000 (allocated pro rata among the Holders). Such increase will be at the sole expense of the Issuer and will be evidenced by an appropriate notation by the Trustee (in respect of a Global Security) or the applicable Holder (in respect of a Definitive Security) on the Schedule of Increases or Decreases attached to the applicable Security (or electronically pursuant to the operational arrangements of the Depository), which notation (absent manifest error) will be binding on the Issuer.

(c) On November 15, 2023, unless the Trustee has previously received from the Issuer an Officers' Certificate certifying that actual cumulative Net Sales (but only in respect of the United States) of ZTlido™ (lidocaine topical system 1.8%) from October 1, 2022 through September 30, 2023 are equal to or more than \$290,734,618.62, the then-existing outstanding aggregate principal amount of the Securities (after giving effect to any redemption of such Securities on such date) will be increased by an amount (allocated pro rata among the Holders) equal to an amount to be determined by reference to Schedule I and evidenced by an Officers' Certificate delivered to the Trustee (which shall include a certification as to such actual cumulative Net Sales (but only in respect of the United States) for such period and the corresponding amount on such Schedule I); *provided, however*, that if the Issuer does not deliver such Officers' Certificate evidencing such amount, the then-existing outstanding aggregate principal amount of the Securities (after giving effect to any redemption of the Securities) will be increased by an amount (allocated pro rata among the Holders) equal to \$112,781,030 (if the principal amount of the Securities was not increased pursuant to Section 2.01(b)) or \$84,781,030 (if the principal amount of the Securities was increased pursuant to Section 2.01(b)). Such increase will be at the sole expense of the Issuer and will be evidenced by an appropriate notation by the Trustee (in respect of a Global Security) or the applicable Holder (in respect of a Definitive Security) on the Schedule of Increases or Decreases attached to the applicable Security (or electronically pursuant to the operational arrangements of the Depository), which notation (absent manifest error) will be binding on the Issuer.

(d) The Securities shall be treated as a single class for all purposes under this Indenture, including directions provided to the Trustee pursuant to Section 6.05, waivers, amendments, redemptions and offers to purchase, and shall rank on a parity basis in right of payment and security.

**SECTION 2.02. Form and Dating.** Provisions relating to the Securities are set forth in Appendix A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Securities and the Trustee's certificate of authentication shall each be substantially in the form of Exhibit A, which is hereby incorporated in and expressly made a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuer or the Parent Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Issuer). Each Security shall be dated the date of its authentication. The Securities shall be issuable only in registered form within the meanings of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any Treasury Regulations promulgated thereunder, including Treasury Regulations Sections 5f.103-1(c) and 1.871-14 ("Registered Form"), without interest coupons, and in minimum denominations of \$250,000 and any integral multiple of \$1.00 in excess thereof.

**SECTION 2.03. Execution and Authentication.** The Trustee shall authenticate and make available for delivery upon a written order of the Issuer signed by one Officer Securities for original issue on the Issue Date in an aggregate principal amount of \$224,000,000. Such order shall specify the amount of the Securities to be authenticated, the form in which the Securities are to be authenticated and the date on which the original issue of Securities is to be authenticated.

One Officer shall sign the Securities for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee may appoint one or more authenticating agents reasonably acceptable to the Issuer to authenticate the Securities. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuer. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

**SECTION 2.04. Registrar and Paying Agent.**

(a) The Issuer shall maintain (i) an office or agency where Securities may be presented for registration of transfer or for exchange (the "Registrar") and (ii) an office or agency where Securities may be presented for payment (the "Paying Agent"). The Registrar shall keep a register of the Securities (including the names and addresses of each Holder thereof and the amounts of principal and interest owing thereto) and of their transfer and exchange (the "Register"). Upon the written request of the Registrar, the Issuer shall use commercially reasonable efforts to, by written response, promptly inform the Registrar as to the amounts of principal and interest outstanding on the Securities. The Issuer may have one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrars. The term "Paying Agent" includes the Paying Agent and any additional paying agents. The Issuer initially appoints the Trustee as Registrar, Paying Agent and the Securities Custodian with respect to the Global Securities and as Registrar and Paying Agent with respect to the Definitive Securities.

(b) The Issuer may enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.06. The Issuer may act as Paying Agent. Upon any Event of Default as described in Section 6.01(f) or Section 6.01(g), the Trustee shall automatically be the Paying Agent.

(c) The Issuer may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee; *provided, however*, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuer and the Trustee; *provided, however*, that the Trustee may resign as Paying Agent or Registrar only if the Trustee also resigns as Trustee in accordance with Section 7.07.

(d) The Issuer shall promptly deliver to the Trustee following the end of each calendar year a written notice specifying the amount of original issue discount, if any, accrued on the outstanding Securities for the previous calendar year, including daily rates and accrual periods, and such other information relating to original issue discount as may be required under the Code and applicable regulations, as amended from time to time.

SECTION 2.05. Paying Agent to Hold Money in Trust. On or prior to each due date of the principal of any Security, the Issuer shall deposit with each Paying Agent (or if the Issuer is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal when so becoming due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that a Paying Agent shall act as an agent for or representative of the Trustee, and act solely as directed by the Trustee, in the administration of each of the Reserve Account and the Collateral Account and hold in trust for the benefit of the Holders or the Trustee all money held by a Paying Agent or in the Reserve Account or in the Collateral Account for the payment of principal of the Securities, and shall notify the Trustee of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. If the Issuer acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it in trust for the benefit of the Persons entitled thereto. Upon any bankruptcy or reorganization proceedings relating to the Issuer, the Trustee will serve as Paying Agent if not otherwise so acting. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.05, a Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.06. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of the Holders. If the Trustee is not the Registrar, the Issuer shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders. The Issuer shall also maintain a copy of such list of the names and addresses of the Holders at its registered office.

SECTION 2.07. Transfer and Exchange. The Securities shall be issued in Registered Form and shall be transferable only upon the surrender of a Security for registration of transfer in the Register and in compliance with Appendix A. When a Security is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer in the Register as requested if its requirements therefor are met. When Securities are presented to the Registrar with a request to exchange them for an equal principal amount of Securities of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Securities at the Registrar's request. No service charge will be made for any registration of transfer or exchange of the Securities, but the Issuer may require payment from the Holder of a sum sufficient to pay all taxes (including transfer taxes), assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section 2.07. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents.

Prior to the due presentation for registration of transfer of any Security, the Issuer, the Parent Guarantor, the Trustee, the Paying Agent and the Registrar may deem and treat the Person in whose name a Security is registered in the Register as the absolute owner of such Security for the purpose of receiving payment of principal of such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuer, the Parent Guarantor, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any holder of a beneficial interest in a Global Security shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Security may be effected only through a book-entry system maintained by (a) the Holder of such Global Security (or its agent) or (b) any holder of a beneficial interest in such Global Security, and that ownership of a beneficial interest in such Global Security shall be required to be reflected in a book entry.

All Securities issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Securities surrendered upon such transfer or exchange.

SECTION 2.08. Replacement Securities. If a mutilated Security is surrendered to the Registrar or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) satisfies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuer or the Trustee prior to the Security being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "protected purchaser") and (c) satisfies any other reasonable requirements of the Issuer and the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee to protect the Trustee, the Paying Agent and the Registrar (if the Registrar also serves as the Paying Agent) and of the Issuer to protect the Issuer, the Parent Guarantor, the Paying Agent and the Registrar (if the Trustee is not serving in the role of Paying Agent or Registrar, as the case may be) from any loss that any of them may suffer if a Security is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Security (including attorneys' fees and disbursements in replacing such Security). In the event any such mutilated, lost, destroyed or wrongfully taken Security has become or is about to become due and payable, the Issuer in its discretion may pay such Security instead of issuing a new Security in replacement thereof.

Every replacement Security is an additional obligation of the Issuer and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Securities duly issued hereunder.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Securities.

SECTION 2.09. Outstanding Securities. Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.09 as not outstanding. Subject to Section 12.04, a Security does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Security.

If a Security is replaced pursuant to Section 2.08 (other than a mutilated Security surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Security is held by a protected purchaser. A mutilated Security ceases to be outstanding upon surrender of such Security and replacement thereof pursuant to Section 2.08.

If the principal amount of any Securities (or portions thereof) is considered paid under Section 4.01, such Securities (or portions thereof) cease to be outstanding.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money

sufficient to pay all principal payable on that date with respect to the Securities to be redeemed or maturing, as the case may be, and no Paying Agent is prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Securities cease to be outstanding.

SECTION 2.10. Temporary Securities. In the event that Definitive Securities are to be issued under the terms of this Indenture, until such Definitive Securities are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Securities and make them available for delivery in exchange for temporary Securities upon surrender of such temporary Securities at the office or agency of the Issuer, without charge to the Holder. Until such exchange, temporary Securities shall be entitled to the same rights, benefits and privileges as Definitive Securities under this Indenture.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Securities to the Trustee for cancellation. The Registrar and each Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange, payment or cancellation. The Trustee and no one else shall cancel all Securities surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Securities in accordance with its customary procedures. Certification of the destruction of all cancelled Securities shall be delivered to the Issuer. The Issuer may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Securities in place of canceled Securities other than pursuant to the terms of this Indenture.

SECTION 2.12. CUSIP Numbers, ISINs, etc. The Issuer in issuing the Securities may use CUSIP numbers, ISINs and "Common Code" numbers (if then generally in use) and, if so, the Trustee shall use CUSIP numbers, ISINs and "Common Code" numbers in notices (including notices of redemption) as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Securities or as contained in any notice that reliance may be placed only on the other identification numbers printed on the Securities and that any such notice shall not be affected by any defect in or omission of such numbers. The Issuer shall advise the Trustee of any change in the CUSIP numbers, ISINs and "Common Code" numbers.

SECTION 2.13. Calculation of Principal Amount of Securities. The aggregate principal amount of the Securities, at any date of determination, shall be the aggregate principal amount of the Securities outstanding at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Securities, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Securities, the Holders of which have so consented, waived, approved or taken other action by (b) the aggregate principal amount, as of such date of determination, of the Securities then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.09 and Section 12.04. Any such calculation made pursuant to this Section 2.13 shall be made by the Issuer and delivered to the Trustee pursuant to an Officers' Certificate. After the end of each calendar year but not later than the latest date permitted by applicable law, the Trustee shall (or shall instruct any Paying Agent to) furnish to each Person who at any time during such calendar year was a Holder a statement (for example, an IRS Form 1099 or any other statement required by applicable law) prepared by the Trustee containing the interest and original issue discount paid (based solely upon information provided by the Issuer) with respect to the Securities for such calendar year or, in the event such Person was a Holder during only a portion of such calendar year, for the applicable portion of such calendar year, and such other items as may be (a) required pursuant to the then-applicable regulations under the Code or (b) readily available to the Trustee and that a Holder shall reasonably request as necessary for the purpose of such Holder's preparation of its U.S. federal income or other tax returns. In the event that any such information has been provided by any Paying Agent directly to such Person through other tax-related reports or otherwise, the Trustee in its capacity as Paying Agent shall not be obligated to comply with such request for information.

SECTION 2.15. Contingent Payment Debt Instrument Status. Each Holder, by reason of its purchase of the Securities, is deemed to have acknowledged that (a) for U.S. federal income tax purposes, the Securities will be treated as indebtedness subject to the U.S. Treasury Regulations governing contingent payment debt instruments and (b) the Holders will report original issue discount on the Securities for U.S. federal income tax purposes in accordance with the Issuer's determination, which shall account for any original issue discount on the aggregate principal amount of \$224,000,000 separately from any original issue discount on any increases in principal pursuant to Section 2.01(b) and Section 2.01(c) hereof. (e) On the date of repurchase or purchase, all Securities repurchased by the Issuer or purchased by the Parent Guarantor under this Section 4.08 shall be delivered to the Trustee for cancellation, and the Issuer or the Parent Guarantor, as the case may be, shall pay the repurchase price or purchase price, respectively, to the Holders entitled thereto. Securities purchased by a third party pursuant to Section 4.08(a)(iv) will have the status of Securities issued and outstanding.

(f) At the time the Issuer or the Parent Guarantor, as the case may be, delivers (or causes to be delivered) Securities to the Trustee that are to be accepted for repurchase or purchase, the Issuer or the Parent Guarantor, as the case may be, shall also deliver an Officers' Certificate stating that such Securities are to be accepted by the Issuer or the Parent Guarantor, respectively, pursuant to and in accordance with the terms of this Section 4.08 and including orders to cancel the repurchased or purchased Securities. A Security shall be deemed to have been accepted for repurchase or purchase at the time the Trustee, directly or through an agent, provides payment therefor upon receipt from or on behalf of the Issuer or the Parent Guarantor, as the case may be, to the surrendering Holder.

(g) Prior to providing written notice to the Holders of any Put Offer, the Issuer or the Parent Guarantor, as the case may be, shall deliver to the Trustee an Officers' Certificate stating that all conditions precedent contained herein to the right of the Issuer or the Parent Guarantor, as the case may be, to make such offer have been complied with.

(h) Each of the Issuer and the Parent Guarantor shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase or purchase of Securities pursuant to this Section 4.08. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, each of the Issuer and the Parent Guarantor shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its respective obligations under this Section 4.08 by virtue thereof.

SECTION 4.09. Further Instruments and Acts. The Issuer shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.11. Limitation on Liens. The Issuer shall not, directly or indirectly, (a) create, incur or suffer to exist any Lien (except Permitted Liens) on any Collateral or (b) create, incur or suffer to exist any Lien (except Permitted Liens) on any Intellectual Property related to the Product (other than out-licenses (or sub-licenses) of Intellectual Property that constitutes Excluded Assets in connection with the Commercialization of the Product in any jurisdiction outside of the United States that does not result in the then current or future legal transfer of title of such licensed (or sub-licensed) property).

SECTION 4.12. Maintenance of Office or Agency.

(a) The Issuer shall maintain an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee or Registrar) where Securities may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Securities and this Indenture may be made. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations and surrenders may be made at the corporate trust place of payment and notices and demands may be made at the Corporate Trust Office of the Trustee as set forth in Section 12.01.

---

37

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the Corporate Trust Office of the Trustee or its agent as such office or agency of the Issuer in accordance with Section 2.04.

**SECTION 4.13. After-Acquired Property.** Upon the acquisition by the Issuer of any assets or property that would constitute Collateral ("After-Acquired Property") (excluding assets with an aggregate Fair Market Value of less than \$500,000 individually), the Issuer shall promptly execute and deliver such mortgages, deeds of trust, security instruments, pledge agreements, financing statements and certificates and opinions of counsel as shall be reasonably necessary to vest in the Collateral Agent a perfected security interest or other Lien, subject only to Permitted Liens, in such After-Acquired Property and to have such After-Acquired Property (but subject to certain limitations, if applicable, including as described under Article 11) added to the Collateral, and shall promptly deliver such Officers' Certificates and Opinions of Counsel as are customary in secured financing transactions in the relevant jurisdictions or as are reasonably requested by the Trustee or the Collateral Agent (subject to customary assumptions, exceptions and qualifications), and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such After-Acquired Property to the same extent and with the same force and effect. Notwithstanding the foregoing, if any property or assets of the Issuer originally deemed to be an Excluded Asset at any point ceases to be an Excluded Asset pursuant to the definition of "Excluded Asset", all or the applicable portion of such property and assets shall be deemed to be After-Acquired Property and shall be added to the Collateral in accordance with the previous sentence.

**SECTION 4.14. Intellectual Property.** The Issuer shall, at its sole expense, either directly or by using commercially reasonable efforts to cause any licensee to do so, take any and all commercially reasonable actions to (a) maintain the Intellectual Property related to the Product owned, licensed or otherwise held by the Issuer and (b) to the extent the Issuer or any licensee (or sub-licensee) in good faith determines appropriate, defend or assert such Intellectual Property against actual infringement or interference by any other Persons and against any claims of invalidity or unenforceability by any other Persons (including by bringing any legal action for infringement or defending any counterclaim of invalidity or action for declaratory judgment of non-infringement), in each case where the failure to so act, prepare, execute, deliver or file would reasonably be expected to have a material adverse effect on such Intellectual Property or the results of operations or financial condition of the Issuer. The Issuer shall not, and shall use its commercially reasonable efforts to cause any licensee (or sub-licensee) to not, disclaim or abandon, or fail to take any action the Issuer in good faith determines appropriate to prevent the disclaimer or abandonment of, such Intellectual Property, in each case where such disclaimer, abandonment or failure to take any such action would reasonably be expected to have a material adverse effect on such Intellectual Property or the results of operations or financial condition of the Issuer.

38

**SECTION 4.15. Maintenance of Assets.** The Issuer shall cause any material property and assets necessary for, or otherwise relevant to, now or in the future, the manufacture and sale of the Product, in the reasonable business judgment of the Issuer, on a worldwide basis (exclusive of Japan), and that would otherwise constitute Collateral, to be owned (or otherwise held) by the Issuer.

Notwithstanding the foregoing, the remaining net proceeds from the issuance and sale of the Securities after application of such proceeds for the purposes set forth in clauses (b), (c) and (d) of the preceding sentence, which for the avoidance of doubt shall not be less than \$89,274,816.45 of such net proceeds, shall be deposited into the Collateral Account on the Issue Date (in addition to the \$25,000,000 to be deposited pursuant to clause (d) of the preceding sentence) and only to be used for the purposes set forth in clauses (a), (b) and (e) of the preceding sentence following the release of funds from the Collateral Account in accordance with Section 4.25(d).

**SECTION 4.20. Compliance with Organizational Documents.** The Issuer shall comply in all material respects with its organizational documents.

**SECTION 4.21. Compliance with Applicable Law.** The Issuer shall comply in all material respects with all applicable law with respect to this Indenture, the Securities and the Security Documents and all ancillary agreements related thereto.

**SECTION 4.22. Tax Matters.** The Issuer shall (a) timely file all material Tax returns and reports as required by applicable law and such returns and reports shall be true and correct in all material respects, (b) pay all material federal, state, county, local or foreign Taxes

when due and payable, (c) not file any Tax return or report under any name other than its exact legal name, (d) use commercially reasonable efforts to file any form (or comply with any administrative formalities) required for an exemption from or a reduction of any withholding Tax for which it is eligible with respect to any payments received or receivable by the Issuer, (e) treat, and direct the Trustee to treat, the Securities as indebtedness for U.S. federal income tax purposes, and (f) not take any position inconsistent with the treatment of the Securities as indebtedness for U.S. federal income tax purposes in any communication or agreement with any taxing authority unless required by a final "determination" within the meaning of Section 1313(a) of the Code.

SECTION 4.23. Letter of Credit; Maintenance of Cash Equivalents. The Issuer shall make a timely drawing under the Letter of Credit at such time, if any, that the Issuer is permitted to make such a drawing under the Letter of Credit. After such time (if any) that the Letter of Credit is drawn by the Issuer, the Issuer shall maintain at all times thereafter at least \$25,000,000 in (a) Cash Equivalents in the Collateral Account and (b) aggregate unrestricted Cash Equivalents held by or in the name of the Issuer.

SECTION 4.24. Administration of the Reserve Account.

(a) The Issuer shall establish and maintain a segregated account held with U.S. Bank National Association (or another segregated account in replacement thereof held with another U.S. federally insured depository financial institution that is acting as the Trustee or other Paying Agent) in the name of the Trustee or other Paying Agent (acting in either case as an agent for or representative of the Collateral Agent), or in the name of the Issuer, in each case, subject to the Liens established under the Collateral Agreement and the other Security Documents (such account, the "Reserve Account"). The Reserve Account shall be established and maintained so as to create, perfect and establish the priority of the Liens established under the Collateral Agreement and the other Security Documents in such Reserve Account and all funds and other assets or property from time to time deposited therein or credited thereto and otherwise to effectuate the Liens under the Security Documents. The Reserve Account shall bear a designation clearly indicating that the funds and other assets or property deposited therein or credited thereto are held for the benefit of the Holders and the Trustee.

(b) The Trustee or other Paying Agent, as applicable, shall have sole dominion and control over the Reserve Account (including, among other things, the sole power to direct withdrawals or transfers from the Reserve Account). The Trustee or other Paying Agent, as applicable, shall make withdrawals and transfers from the Reserve Account in accordance with the terms of this Indenture. Each of the Issuer and the Trustee, any other Paying Agent and the Collateral Agent acknowledges and agrees that the Reserve Account is a "securities account" within the meaning of Section 8-501 of the Uniform Commercial Code and that the Trustee or other Paying Agent, as applicable, has "control", for purposes of Section 9-314 of the Uniform Commercial Code, of the Reserve Account that is maintained with the Trustee or other Paying Agent. (c) The Issuer will deposit, or cause to be deposited, on the Issue Date \$20,000,000 into the Reserve Account. The funds in the Reserve Account shall be released to the Issuer (free and clear of any Liens established under the Collateral Agreement and any other applicable Security Document) upon receipt by the Trustee or other applicable Paying Agent of an Officers' Certificate certifying that the Issuer has received the Marketing Approval Letter on or prior to July 1, 2023. The funds in the Reserve Account may not otherwise be withdrawn except (A) upon the occurrence and during the continuance of an Event of Default at the direction of the Holders of a majority in principal amount of the Securities as further described in Article 6, (B) in accordance with Section 4.08(c), (C) to the Issuer (free and clear of any Liens established under the Collateral Agreement and the other Security Documents) if the Issuer has made a Marketing Approval Offer in accordance with Section 4.08(c) and has satisfied all of its repurchase obligations pursuant to such Marketing Approval Offer, to the extent of any funds then remaining in the Reserve Account (upon receipt by the Trustee or other applicable Paying Agent of an Officers' Certificate certifying that the Issuer (1) has made a Marketing Approval Offer in accordance with Section 4.08(c) and (2) has satisfied all of its repurchase obligations pursuant to such Marketing Approval Offer and instructing such remaining funds in the Reserve Account to be released to the Issuer) or (D) to the Issuer following the discharge of this Indenture. Funds in the Reserve Account may be invested by the Trustee or such Paying Agent in Cash Equivalents available to the Trustee or other Paying Agent, as applicable, at the written direction of the Issuer absent the occurrence and continuance of an Event of Default. Promptly following the occurrence of an Event of Default and during the continuation thereof, the Trustee or other Paying Agent, as applicable (acting as an agent for or representative of the Collateral Agent), shall direct such funds to be invested pursuant to the direction of the Holders of a majority in principal amount of the Securities that are available to the Trustee or other Paying Agent, as applicable. In the absence of written instructions, no investments shall be made using the funds in the Reserve Account.

SECTION 4.25. Administration of the Collateral Account.

(a) The Issuer shall establish and maintain a segregated account held with U.S. Bank National Association (or another segregated account in replacement thereof held with another U.S. federally insured depository financial institution that is acting as the Trustee or other Paying Agent) in the name of the Trustee or other Paying Agent (acting in either case as an agent for or representative of the Collateral Agent), or in the name of the Issuer, in each case, subject to the Liens established under the Collateral Agreement and the other Security Documents (such account, the "Collateral Account"). The Collateral Account shall be established and maintained so as to create, perfect and establish the priority of the Liens established under the Collateral Agreement and the other Security Documents in such Collateral Account and all funds and other assets or property from time to time deposited therein or credited thereto and otherwise to effectuate the Liens under the Security Documents. The Collateral Account shall bear a designation clearly indicating that the funds and other assets or property deposited therein or credited thereto are held for the benefit of the Holders and the Trustee.

(b) The Trustee or other Paying Agent, as applicable, shall have sole dominion and control over the Collateral Account (including, among other things, the sole power to direct withdrawals or transfers from the Collateral Account). The Trustee or other Paying Agent, as applicable, shall make withdrawals and transfers from the Collateral Account in accordance with the terms of this Indenture. Each of the Issuer and the Trustee, any other Paying Agent and the Collateral Agent acknowledges and agrees that the Collateral Account is a "securities account" within the meaning of Section 8-501 of the Uniform Commercial Code and that the Trustee or other Paying Agent, as applicable, has "control", for purposes of Section 9-314 of the Uniform Commercial Code, of the Collateral Account that is maintained with the Trustee or other Paying Agent. The Trustee hereby confirms that it has established account number 245879005 in the name of the Issuer for the benefit of the Holders and the Trustee as the Collateral Account. The Issuer and the Trustee, any other Paying Agent and the Collateral Agent further agree that the jurisdiction of the Trustee, such other Paying Agent or the Collateral Agent, as applicable, for purposes of the Uniform Commercial Code shall be the State of New York. The crediting by the Trustee or other Paying Agent, as applicable, to the Collateral Account of any asset or property that is not otherwise a financial asset by virtue of Section 8-102(a)(9)(i) of the Uniform

Commercial Code or Section 8-102(a)(9)(ii) of the Uniform Commercial Code, including cash, shall constitute the “express agreement” of the Trustee or such other Paying Agent, as applicable, under Section 8-102(a)(9)(iii) of the Uniform Commercial Code that such property is a financial asset under such Section 8-102(a)(9)(iii) of the Uniform Commercial Code.

(c) The Issuer will deposit, or cause to be deposited, on the Issue Date \$25,000,000 into the Collateral Account. Except as otherwise provided in Section 4.25(d) with respect to funds on deposit in the Collateral Account in excess of \$25,000,000, the funds in the Collateral Account shall be released to the Issuer in whole or in part (free and clear of any Liens established under the Collateral Agreement and any other applicable Security Document) only upon the written consent of the Holders of a majority in principal amount of the Securities. The funds in the Collateral Account may not otherwise be withdrawn except (i) upon the occurrence and during the continuance of an Event of Default at the direction of the Holders of a majority in principal amount of the Securities as further described in Article 6 or (ii) to the Issuer following the discharge of this Indenture. Funds in the Collateral Account may be invested by the Trustee or such Paying Agent in Cash Equivalents available to the Trustee or other Paying Agent, as applicable, at the written direction of the Issuer absent the occurrence and continuance of an Event of Default. Promptly following the occurrence of an Event of Default and during the continuation thereof, the Trustee or other Paying Agent, as applicable (acting as an agent for or representative of the Collateral Agent), shall direct such funds to be invested pursuant to the direction of the Holders of a majority in principal amount of the Securities that are available to the Trustee or other Paying Agent, as applicable. In the absence of written instructions, no investments shall be made using the funds in the Collateral Account.

41

---

(d) Upon the deposit on the Issue Date, pursuant to the second sentence of Section 4.16, of the remaining net proceeds from the issuance and sale of the Securities into the Collateral Account, such proceeds shall be subject to the Liens established under the Collateral Agreement and each other applicable Security Document and be subject to the “Control” (as defined in the Collateral Agreement) of the Collateral Agent as provided in Section 4.25(b). The funds on deposit in the Collateral Account in excess of \$25,000,000 may be released to the Issuer on a one-time basis only upon (i) the effectiveness of an Account Control Agreement (as defined in the Collateral Agreement) with Silicon Valley Bank (or another U.S. federally insured depository financial institution), in form and substance reasonably satisfactory to the Collateral Agent and special counsel to the Purchasers (as defined in the Purchase Agreement) (in consultation with the Holders (and the holders of beneficial interests in the Securities)) and providing that the Collateral Agent has Control over all accounts of the Issuer at Silicon Valley Bank (or such other institution) into which such proceeds are deposited, directly or indirectly, and (ii) receipt by the Trustee of an Officers’ Certificate certifying as to the foregoing and attaching thereto a fully-executed copy of such Account Control Agreement.

SECTION 4.26. Intercompany Subordination Agreement. No later than 30 days after the Issue Date, (a) the Issuer, the Parent Guarantor and the Collateral Agent shall execute and deliver an intercompany subordination agreement in form and substance reasonably satisfactory to the Collateral Agent and special counsel to the Purchasers (as defined in the Purchase Agreement) providing for the subordination of the Subordinated Intercompany Indebtedness to the Obligations and (b) the Issuer and the Parent Guarantor shall execute and deliver a loan agreement, promissory note or other agreement or instrument to evidence the Subordinated Intercompany Indebtedness that provides for a stated maturity date of such Subordinated Intercompany Indebtedness that is later than the Final Maturity Date and is otherwise in form and substance reasonably satisfactory to special counsel to the Purchasers (as defined in the Purchase Agreement).

---

(i) any representation or warranty made or deemed made by the Issuer or the Parent Guarantor herein, in a Purchase Agreement or in any Security Document or any certificate delivered or required to be delivered pursuant hereto or thereto proves to have been false or incorrect in any material respect on the date as of which made (or, if such representation or warranty is given as of a specific time, as of such time);

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term "Bankruptcy Law" means Title 11, United States Code, or any similar U.S. federal or state law for the relief of debtors (or their non-U.S. equivalents). The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A Default under clause (d)(ii) or (m) above shall not constitute an Event of Default until the Trustee or the Holders of at least 25% in principal amount of the outstanding Securities notify the Issuer (and also the Trustee if given by the Holders) of the Default or after the date on which such Default should reasonably have been known or been aware of by the defaulting party and the Issuer does not cure such Default within the time specified in such clause (d)(ii) or (m) after receipt of such notice or after such date, as applicable. Such notice must specify the Default, demand that it be remedied and state that such notice is a "notice of default". The Issuer shall deliver to the Trustee, within 30 days after the occurrence thereof, written notice in the form of an Officers' Certificate of any event that is, or with the giving of notice or the lapse of time or both would become, an Event of Default, its status and what action the Issuer is taking or proposes to take in respect thereof.

**SECTION 6.02. Acceleration.** If an Event of Default (other than an Event of Default specified in Section 6.01(f) or 6.01(g) with respect to the Issuer) occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of outstanding Securities by written notice to the Issuer may, and if such notice is given by the Holders such notice shall be given to the Issuer and the Trustee, declare that the principal of, and the premium on, all the Securities is due and payable. Upon such a declaration, such principal and premium shall be due and payable immediately. If an Event of Default specified in Section 6.01(f) or 6.01(g) with respect to the Issuer occurs, the principal of, and the premium on, all the Securities shall *ipso facto* become and be immediately due and payable, without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the Securities by notice to the Trustee may rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal or premium that has become due solely because of the acceleration) have been cured or waived.

45

---

In the event of any Event of Default specified in Section 6.01(e), such Event of Default and all consequences thereof (excluding, however, any resulting payment default) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders of the Securities, if the Issuer delivers an Officers' Certificate to the Trustee stating that (x) the indebtedness or guarantee that is the basis for such Event of Default has been discharged, (y) the Holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Securities as described above be annulled, waived or rescinded upon the happening of any such events.

**SECTION 6.03. Other Remedies.** If an Event of Default occurs and is continuing, the Trustee may, but only at the written direction of Holders of a majority in principal amount of the then outstanding Securities, pursue any available remedy at law or in equity to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. To the extent required by law, all available remedies are cumulative.

**SECTION 6.04. Waiver of Past Defaults.** Provided the Securities are not then due and payable by reason of a declaration of acceleration, the Holders of a majority in principal amount of the then outstanding Securities by written notice to the Trustee may waive an existing Default and its consequences (except a continuing Default in the payment of interest on, premium, if any, on or the principal of any Security held by a non-consenting Holder). When a Default is waived, it is deemed cured and the Issuer, the Trustee and the Holders will be restored to their former positions and rights under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right. Any past Default or compliance with any provisions may be waived with the consent of the Holders of a majority in principal amount of the Securities then outstanding.

**SECTION 6.05. Control by Majority.** The Holders of a majority in principal amount of the then outstanding Securities may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under this Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

**SECTION 6.06. Limitation on Suits.**

(a) Except to enforce the right to receive payment of principal or interest or premium (if any) when due, no Holder may pursue any remedy with respect to this Indenture or the Securities unless:

(i) the Holder gives the Trustee written notice stating that an Event of Default is continuing;

46

---

(ii) the Holders of at least 25% in principal amount of the then outstanding Securities make a written request to the Trustee to pursue the remedy;

(iii) such Holder or Holders offer to the Trustee security or indemnity satisfactory to it against any loss, liability or expense;

(iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and

(v) the Holders of a majority in principal amount of the then outstanding Securities do not give the Trustee a direction inconsistent with the request during such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

**SECTION 6.07. Rights of the Holders to Receive Payment.** Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of the Securities held by such Holder, on or after the respective due dates expressed or provided for in this Indenture or in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

**SECTION 6.08. Collection Suit by Trustee.** If an Event of Default specified in Section 6.01(a) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Securities for the whole amount then due and owing (together with interest on overdue principal at the rate provided for in the Securities) and the amounts provided for in Section 7.06.

**SECTION 6.09. Trustee May File Proofs of Claim.** The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation, expenses disbursements and advances of the Trustee (including counsel, accountants, experts or such other professionals as the Trustee deems necessary, advisable or appropriate)) and the Holders allowed in any judicial proceedings relative to the Issuer or the Parent Guarantor, their creditors or their property, shall be entitled to participate as a member, voting or otherwise, of any official committee of creditors appointed in such matters and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions and be a member of a creditors' or other similar committee, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.06.

**SECTION 6.10. Priorities.** If the Trustee collects any money or property pursuant to this Article 6 or any Security Document, the Trustee (after giving effect to Section 5.3 of the Collateral Agreement) shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.06;

SECOND: to the Holders for amounts due and unpaid on the Securities for principal and interest and premium, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and interest and premium, if any, respectively; and

---

47

THIRD: to the Issuer or, to the extent the Trustee collects any amount for the Parent Guarantor, to the Parent Guarantor.

The Trustee may fix a record date and payment date for any payment to the Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall provide to each Holder and the Issuer a written notice that states the record date, the payment date and amount to be paid.

**SECTION 6.11. Undertaking for Costs.** In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Securities.

**SECTION 6.12. Waiver of Stay or Extension Laws.** Neither the Issuer nor the Parent Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer and the Parent Guarantor (to the extent that it may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

**SECTION 6.13. Holder Request.** At the written request of the Issuer or any Holder (or any holder of beneficial interests in the Securities that certifies to the Trustee that it is a holder of such beneficial interests or is actually known by the Trustee to be such a holder of beneficial interests as evidenced by a Confidentiality Agreement that has previously been delivered to the Trustee), the Trustee shall, as soon as practicable after receipt of such request and at the Issuer's sole cost and expense, (a) contact each Holder or each other Holder (and each other holder of beneficial interests in the Securities) to request each such other Holder or other Holder (and each such other holder of beneficial interests in the Securities) to provide its written permission to being identified to the Issuer or the requesting Holder (or holder of beneficial interests in the Securities) by the Trustee, to the extent the Trustee has actual knowledge of the identity of such Holder or other Holder (or other holder of beneficial interests in the Securities), including pursuant to Section 4.02(m) and (b) disclose to the Issuer or the requesting Holder (or other holder of beneficial interests in the Securities) the identity of any such Holder or other Holder (and any such other holder of beneficial interests in the Securities) who provides such written permission to the Trustee. The Trustee shall have no liability if it contacts any Person that it believes to be a beneficial holder of the Securities that is not a beneficial holder of the Securities.

## ARTICLE 7

### TRUSTEE

**SECTION 7.01. Duties of Trustee.**

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this

Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs, except with respect to the obligation to exercise rights and remedies following an Event of Default, which right and remedies shall be performed by the Trustee acting solely upon the direction of Holders of a majority in principal amount of the Securities in accordance with Section 6.03 and Section 6.05.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee (it being agreed that the permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty); and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. The Trustee shall be under no duty to make any investigation as to any statement contained in any such instance, but may accept the same as conclusive evidence of the truth and accuracy of such statement or the correctness of such opinions. However, in the case of certificates or opinions required by any provision hereof to be provided to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of Section 7.01(b);

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) The Trustee shall not be liable to any Person for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including lost profits), even if the Trustee has been advised of the likelihood of such loss or damage.

(h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01 and, to the extent made expressly applicable by the terms of this Indenture, to the provisions of the TIA.

#### SECTION 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers; *provided, however*, that the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee may consult with counsel of its own selection and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel or Opinion of Counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the Holders of a majority in principal amount of the Securities at the time outstanding, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney, at the expense of the Issuer and shall incur no liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee in its sole discretion against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be compensated, reimbursed and indemnified as provided in Section 7.06, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder (including as Collateral Agent), and each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall not be liable for any action taken or omitted by it in good faith at the direction of the Holders of a majority in principal amount of the Securities as to the time, method and place of conducting any proceedings for any remedy available to the Trustee or the exercising of any power conferred by this Indenture.

(j) Any action taken, or omitted to be taken, by the Trustee in good faith pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent, is the Holder of any Security shall be conclusive and binding upon future Holders of Securities and upon Securities executed and delivered in exchange therefor or in place thereof.

50

(k) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

**SECTION 7.03. Individual Rights of Trustee.** The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee. The Trustee and its Affiliates have engaged, currently are engaged and may in the future engage in financial or other transactions with the Issuer and its Affiliates in the ordinary course of their respective businesses, subject to the TIA (to the extent this Indenture has been qualified thereunder). Any Paying Agent or Registrar may do the same with like rights. However, the Trustee must comply with Sections 7.09 and 7.10.

**SECTION 7.04. Trustee's Disclaimer.** The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Guarantee, the Securities or any Security Documents, it shall not be accountable for the Issuer's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Issuer or the Parent Guarantor in this Indenture or in any document issued in connection with the sale of the Securities or in the Securities other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of any Default or Event of Default under Section 6.01(b), 6.01(c), 6.01(d), 6.01(e), 6.01(f), 6.01(g), 6.01(h), 6.01(i), 6.01(j), 6.01(k), 6.01(l), 6.01(m) or 6.01(n) unless either (a) a Trust Officer shall have actual knowledge thereof or (b) the Trustee shall have received written notice thereof in accordance with Section 12.01 from the Issuer, the Parent Guarantor or any Holder.

**SECTION 7.05. Notice of Defaults.** If a Default occurs and is continuing and if it is actually known to the Trustee, the Trustee shall provide to each Holder written notice of the Default within 15 days after it is actually known to a Trust Officer or written notice referring to this Indenture, describing such Default or Event of Default and stating that such notice is a "notice of default", is received by the Trustee in accordance with Section 12.01. Except in the case of a Default in the payment of principal or of premium (if any) on any Security, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of the Holders.

**SECTION 7.06. Compensation and Indemnity.** The Issuer shall pay to the Trustee from time to time reasonable compensation for its services, as agreed between the Issuer and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer and the Parent Guarantor, jointly and severally, shall indemnify the Trustee against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses) incurred by or in connection with the acceptance or administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture or the Guarantee against the Issuer or the Parent Guarantor (including this Section 7.06) and defending itself against or investigating any claim (whether asserted by the Issuer, the Parent Guarantor, any Holder or any other Person). The obligation to pay such amounts shall survive the discharge of this Indenture, the payment in full or defeasance of the Securities or the removal or resignation of the Trustee. The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided, however*, that any failure so to notify the Issuer shall not relieve the Issuer or the Parent Guarantor of its indemnity obligations hereunder. The Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's expense in the defense. Such indemnified parties may have separate counsel and the Issuer and the Parent Guarantor, as applicable, shall pay the fees and expenses of such counsel; *provided, however*, that the Issuer shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no conflict of interest between the Issuer and the Parent Guarantor, as applicable, and such parties in connection with such defense. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct or gross negligence (as determined by a final, non-appealable order of a court of competent jurisdiction).

51

To secure the Issuer's and the Parent Guarantor's payment obligations in this Section 7.06, the Trustee shall have a Lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of, and interest and premium, if any, on, particular Securities.

The Issuer's and the Parent Guarantor's payment obligations pursuant to this Section 7.06 shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any bankruptcy law or the resignation or removal of the Trustee. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(f) or Section 6.01(g) with respect to the Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if repayment of such funds or adequate indemnity against such risk or liability is not assured to its satisfaction.

SECTION 7.07. Replacement of Trustee.

(a) The Trustee may resign in writing at any time upon 30 days prior notice to the Issuer by so notifying the Issuer. The Holders of a majority in principal amount of the Securities may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Issuer shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.09;
- (ii) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee resigns or is removed by the Issuer or by the Holders of a majority in principal amount of the Securities and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall provide a written notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the Lien provided for in Section 7.06.

---

52

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Securities may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.09, unless the Trustee's duty to resign is stayed as provided in Section 310(b) of the TIA, any Holder who has been a bona fide holder of a Security for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section 7.07, the obligations of the Issuer and the Parent Guarantor under Section 7.06 shall continue for the benefit of the retiring Trustee.

SECTION 7.08. Successor Trustee by Merger. If the Trustee merges, amalgamates or consolidates with or into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, amalgamation or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force that it is anywhere in the Securities or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.09. Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of Section 310(a) of the TIA. The Trustee shall have a combined capital and surplus of at least \$100,000,000 as set forth in its most recent published annual report of condition. The Trustee shall comply with Section 310(b) of the TIA, subject to its right to apply for a stay of its duty to resign under the penultimate paragraph of Section 310(b) of the TIA; *provided, however*, that there shall be excluded from the operation of Section 310(b) (1) of the TIA any series of securities issued under this Indenture and any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Issuer is outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the TIA are met.

SECTION 7.10. Preferential Collection of Claims Against the Issuer. The Trustee shall comply with Section 311(a) of the TIA, excluding any creditor relationship listed in Section 311(b) of the TIA. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the TIA to the extent indicated.

SECTION 7.11. Confidential Information. The Trustee, in its individual capacity and as Trustee, agrees and acknowledges that all confidential information ("Confidential Information") provided to the Trustee by the Issuer (or any direct or indirect equityholder of the Issuer) or any Holder (or holder of a beneficial interest in the Securities) may be considered to be proprietary and confidential information. The Trustee agrees to take reasonable precautions to keep Confidential Information confidential, which precautions shall be no less stringent than those that the Trustee employs to protect its own confidential information. The Trustee shall not disclose to any third party other than as set forth herein, and shall not use for any purpose other than the exercise of the Trustee's rights and the performance of its obligations under this Indenture, any Confidential Information without the prior written consent of the Issuer or such Holder (or such holder of a beneficial interest in the Securities), as applicable. The Trustee shall limit access to Confidential Information received hereunder to (a) its directors, officers, managers and employees and (b) its legal advisors, to each of whom disclosure of Confidential Information is necessary for the purposes described above; *provided, however*, that in each case such party has expressly agreed to maintain such information in confidence under terms and conditions substantially identical to the terms of this Section 7.11.

The Trustee agrees that neither the Issuer nor any Holder (or any holder of a beneficial interest in the Securities), as applicable, has any responsibility whatsoever for any reliance on Confidential Information by the Trustee or by any Person to whom such information is disclosed in connection with this Indenture, whether related to the purposes described above or otherwise. Without limiting the generality of the foregoing, the Trustee

agrees that neither the Issuer nor any Holder (or any holder of a beneficial interest in the Securities), as applicable, makes any representation or warranty with respect to Confidential Information or its suitability for such purposes. The Trustee further agrees that it shall not acquire any rights against the Issuer or any employee, officer, director, manager, representative or agent of the Issuer or any Holder (or any holder of a beneficial interest in the Securities), as applicable (together with the Issuer, "Confidential Parties") as a result of the disclosure of Confidential Information to the Trustee and that no Confidential Party has any duty, responsibility, liability or obligation to any Person as a result of any such disclosure.

In the event the Trustee is required to disclose any Confidential Information received hereunder in order to comply with any laws, regulations or court orders, it may disclose such information only to the extent necessary for such compliance; *provided, however*, that it shall give the Issuer or any Holder (or any holder of a beneficial interest in the Securities), as applicable, reasonable advance written notice of any court proceeding in which such disclosure may be required pursuant to a court order so as to afford the Issuer or any Holder (or any holder of a beneficial interest in the Securities), as applicable, full and fair opportunity to oppose the issuance of such order and to appeal therefrom and shall cooperate reasonably with the Issuer or any Holder (or any holder of a beneficial interest in the Securities), as applicable, in opposing such court order and in securing confidential treatment of any such information to be disclosed or obtaining a protective order narrowing the scope of such disclosure.

Each of the Paying Agent and the Registrar agrees to be bound by this Section 7.11 to the same extent as the Trustee.

## ARTICLE 8

### DISCHARGE OF INDENTURE; DEFEASANCE

#### SECTION 8.01. Discharge of Liability on Securities; Defeasance.

(a) This Indenture shall be discharged and shall cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Securities, as expressly provided for in this Indenture) as to all outstanding Securities when:

(i) either (1) all the Securities theretofore authenticated and delivered (other than Securities pursuant to Section 2.08 that have been replaced or paid and Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid by the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (2) all of the Securities (x) have become due and payable, (y) will become due and payable at their Stated Maturity within one year or (z) if redeemable at the option of the Issuer, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Securities not theretofore delivered to the Trustee for cancellation, for principal of, and premium, if any, on, the Securities to the date of deposit, together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(ii) the Issuer or the Parent Guarantor has paid all other sums payable under this Indenture; and

(iii) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

(b) Notwithstanding clauses (a)(i) and (a)(ii) above, the Issuer's obligations in Sections 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 6.07, 7.06 and 7.07 and in this Article 8 shall survive until the Securities have been paid in full. Thereafter, the Issuer's obligations in Sections 7.06, 8.05 and 8.06 shall survive such satisfaction and discharge.

(c) Subject to Section 8.01(b) and Section 8.02, the Issuer at any time may terminate (i) all its obligations under the Securities and this Indenture (with respect to such Securities) ("legal defeasance option") or (ii) its obligations under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.10, 4.11, 4.13, 4.14, 4.15, 4.16, 4.17, 4.18, 4.19, 4.20, 4.21, 4.23, 4.24, 4.25 and 4.26 and the operation of Section 4.08, Article 5 and Sections 6.01(b), 6.01(c), 6.01(d), 6.01(e), 6.01(f) (with respect to the Parent Guarantor only), 6.01(g) (with respect to the Parent Guarantor only), 6.01(h), 6.01(i), 6.01(j), 6.01(k), 6.01(l), 6.01(m) and 6.01(n) ("covenant defeasance option"). The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Issuer terminates all of its obligations under the Securities and this Indenture (with respect to such Securities) by exercising its legal defeasance option or its covenant defeasance option, the obligations of the Parent Guarantor under the Guarantee and the Security Documents shall be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, payment of the Securities so defeased may not be accelerated because of an Event of Default. If the Issuer exercises its covenant defeasance option, payment of the Securities so defeased may not be accelerated because of an Event of Default specified in Section 6.01(b), 6.01(c), 6.01(d), 6.01(e), 6.01(f) (to the extent such Section 6.01(f) applies to the Parent Guarantor), 6.01(g) (to the extent such Section 6.01(g) applies to the Parent Guarantor), 6.01(h), 6.01(i), 6.01(j), 6.01(k), 6.01(l), 6.01(m) or 6.01(n) or because of the failure of the Issuer to comply with Article 5.

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

#### SECTION 8.02. Conditions to Defeasance.

(a) The Issuer may exercise its legal defeasance option or its covenant defeasance option only if:

(i) the Issuer irrevocably deposits in trust with the Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient, or U.S. Government Obligations, the principal of which will be sufficient, or a combination thereof sufficient, to pay the principal of and premium (if any) on the Securities when due at maturity or redemption, as the case may be;

(ii) the Issuer delivers to the Trustee a certificate from a firm of independent accountants expressing its opinion that the payments of principal when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal and premium, if any, when due on all the Securities to maturity or redemption, as the case may be;

(iii) 123 days pass after the deposit is made and during the 123-day period no Default specified in Section 6.01(f) or Section 6.01(g) with respect to the Issuer occurs that is continuing at the end of the period;

(iv) the deposit does not constitute a default under any other agreement binding on the Issuer;

(v) in the case of the legal defeasance option, the Issuer shall have delivered to the Trustee an opinion of tax counsel of recognized standing in the United States stating that (1) the Issuer has received from, or there has been published by, the IRS a ruling, or (2) since the date of this Indenture there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion of tax counsel of recognized standing in the United States shall confirm that, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(vi) in the case of the covenant defeasance option, the Issuer shall have delivered to the Trustee an opinion of tax counsel of recognized standing in the United States to the effect that the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(vii) the right of any Holder to receive payment of principal of, and premium and interest, if any, on, such Holder's Securities on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities shall not be impaired; and

(viii) the Issuer delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Securities to be so defeased and discharged as contemplated by this Article 8 have been complied with.

(b) Before or after a deposit, the Issuer may make arrangements satisfactory to the Trustee for the redemption of such Securities at a future date in accordance with Article 3.

---

56

SECTION 8.03. Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations (including proceeds thereof) deposited with it pursuant to this Article 8.

It shall apply the deposited money and the money from U.S. Government Obligations through each Paying Agent and in accordance with this Indenture to the payment of principal of the Securities so discharged or defeased.

SECTION 8.04. Repayment to Issuer. Each of the Trustee and each Paying Agent shall promptly turn over to the Issuer upon request any money or U.S. Government Obligations held by it as provided in this Article 8 that, in the written opinion of a firm of independent public accountants recognized in the United States delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and each Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors, and the Trustee and each Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05. Indemnity for Government Obligations. The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06. Reinstatement. If the Trustee or any Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any Governmental Authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Securities so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or any Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article 8; *provided, however*, that, if the Issuer has made any payment of principal of any such Securities because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee or any Paying Agent.

## ARTICLE 9

### AMENDMENTS AND WAIVERS

SECTION 9.01. Without Consent of the Holders. Notwithstanding Section 9.02, the Issuer, the Collateral Agent, the Parent Guarantor and the Trustee may amend or supplement this Indenture, the Securities or the Security Documents, and may waive any provision thereof, without notice to or consent of any Holder:

- (i) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (ii) to provide for the assumption by a Successor Company of the obligations of the Issuer under this Indenture and the Securities in accordance with the terms of this Indenture;
- (iii) to provide for the assumption by a Successor Guarantor of the obligations of the Parent Guarantor under this Indenture and the Guarantee;

---

57

(iv) to provide for uncertificated Securities in addition to or in place of certificated Securities; *provided, however*, that the uncertificated Securities are issued in Registered Form for purposes of Sections 871(h)(2)(B) and 881(c)(2)(B) of the Code and United States Treasury Regulation Section 5f.103-1(c);

(v) to add additional Guarantees or co-obligors with respect to the Securities in accordance with the terms of this Indenture;

(vi) to add to the covenants of the Issuer for the benefit of the Holders or to surrender any right or power conferred herein upon the Issuer in accordance with the terms of this Indenture;

(vii) to comply with any requirement of the SEC in connection with qualifying or maintaining the qualification of this Indenture under the TIA (to the extent any such qualification is required);

(viii) to make any change that does not adversely affect the rights of any Holder;

(ix) to add additional assets as Collateral to secure the Securities; or

(x) to release Collateral from the Lien pursuant to this Indenture and the Security Documents when permitted or required by this Indenture or the Security Documents.

Notwithstanding the foregoing, no change, amendment, supplement or waiver of this Indenture shall be permitted pursuant to this Section 9.01 to the extent such change, amendment, supplement or waiver would materially adversely affect the Holders of the Securities.

Upon the request of the Issuer, and upon receipt by the Trustee of the documents described in Section 9.05, the Trustee shall join with the Issuer in the execution of any amended or supplemental Indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such modified or amended indenture that affects its own rights, duties or immunities under this Indenture or otherwise. After an amendment under this Section 9.01 becomes effective, the Issuer shall provide to the Holders a written notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

#### SECTION 9.02. With Consent of the Holders.

(a) The Issuer, the Collateral Agent, the Parent Guarantor and the Trustee may amend or supplement this Indenture, the Securities and the Security Documents, and may waive any provision thereof (including the provisions of Section 4.08), with the written consent of the Holders of at least two-thirds of the aggregate principal amount of the Securities then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange offer for the Securities). However, without the consent of each Holder of an outstanding Security affected, an amendment, supplement or waiver may not:

(i) reduce the amount of Securities whose Holders must consent to an amendment;

(ii) reduce the principal of or change the Stated Maturity of any Security (or reduce the amount of any payment of any installment of principal or change the due date in respect of the payment of any installment of principal);

58

(iii) reduce the premium payable upon the repurchase of any Security or change the time at which any Security may be redeemed or repurchased in accordance with Article 3, Section 4.08 or Paragraph 5 of any Security;

(iv) make any Security payable in currency other than that stated in such Security;

(v) expressly subordinate the Securities or the Guarantee in right of payment to any other Indebtedness of the Issuer or the Parent Guarantor or adversely affect the priority of any Liens securing the Securities;

(vi) impair the right of any Holder to receive payment of principal of or premium and interest, if any, on such Holder's Securities on or after the due dates (or the due date in respect of the payment of any installment of principal) therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities;

(vii) make any change to Section 6.04 or the second sentence of this Section 9.02;

(viii) modify the Guarantee in any manner adverse to the Holders;

(ix) make any change in the provisions in this Indenture dealing with the application of proceeds of Collateral that would adversely affect the Holders of the Securities;

(x) make any change to Section 2.01(b), Section 2.01(c), Section 4.01(c), Section 4.23, Section 4.24, Section 4.25, Schedule I or Schedule II; or

(xi) make any change to the definitions of "Applicable Percentage", "Product" or "Net Sales".

Without the consent of the Holders of at least 75% in aggregate principal amount of the Securities then outstanding, no amendment, supplement or waiver may release all or substantially all of the Collateral from the Lien of this Indenture and the Security Documents with respect to the Securities.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver if such consent approves the substance thereof.

(b) After an amendment under this Section 9.02 becomes effective, the Issuer shall provide to the Holders a written notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

#### SECTION 9.03. Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment, supplement or a waiver by a Holder of a Security shall bind the Holder and every subsequent

Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent, supplement or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent, supplement or waiver as to such Holder's Security or portion of the Security if the Trustee receives the notice of revocation before the date on which the Trustee receives an Officers' Certificate from the Issuer certifying that the requisite principal amount of Securities have consented. After an amendment, supplement or waiver becomes effective, it shall bind every Holder. An amendment, supplement or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of consents by the Holders of the requisite principal amount of Securities, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment, supplement or waiver, (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee and (iv) delivery to the Trustee of the Officers' Certificate and Opinion of Counsel required under Article 12.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a), those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

**SECTION 9.04. Notation on or Exchange of Securities.** If an amendment, supplement or waiver changes the terms of a Security, the Issuer may require the Holder of the Security to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment, supplement or waiver.

**SECTION 9.05. Trustee to Sign Amendments.** The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment, the Trustee shall be entitled to receive indemnity satisfactory to it and shall be provided with, and (subject to Section 7.01) shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and the Parent Guarantor, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03).

**SECTION 9.06. Payment for Consent.** Neither the Issuer nor any Affiliate of the Issuer shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Securities unless such consideration is offered to be paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

**SECTION 9.07. Additional Voting Terms; Calculation of Principal Amount.** All Securities issued under this Indenture shall vote and consent together on all matters (as to which any of such Securities may vote) as one class. Determinations as to whether Holders of the requisite aggregate principal amount of Securities have concurred in any direction, waiver or consent shall be made in accordance with this Article 9 and Section 2.13.

## ARTICLE 10 GUARANTEE

### SECTION 10.01. Guarantee.

(a) The Parent Guarantor hereby irrevocably and unconditionally guarantees as a primary obligor and not merely as a surety on a senior basis to each Holder, the Trustee, the Collateral Agent and their respective successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all Obligations of the Issuer under this Indenture (including obligations to the Trustee) and the Securities, whether for payment of principal of, or premium or interest on, the Securities and all other monetary obligations of the Issuer under this Indenture and the Securities, and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Issuer, whether for fees, expenses, indemnification or otherwise under this Indenture and the Securities, on the terms set forth in this Indenture by becoming a party to this Indenture (all the foregoing being hereinafter collectively called the "Guaranteed Obligations").

(b) The Parent Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from the Parent Guarantor, and that the Parent Guarantor shall remain bound under this Article 10 notwithstanding any extension or renewal of any Guaranteed Obligation.

(c) The Parent Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. The Parent Guarantor waives notice of any default under the Securities or the Guaranteed Obligations. The obligations of the Parent Guarantor hereunder shall not be affected by (i) the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Securities, any Security Document, or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Securities, any Security Document or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities, any Security Document or any other agreement; (iv) the release of any security held by any Holder, the Trustee or the Collateral Agent for the Guaranteed Obligations or the Parent Guarantor; or (v) any change in the ownership of the Parent Guarantor, except as provided in Section 10.03.

(d) The Parent Guarantor hereby waives the benefits of diligence, presentment, demand for payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, and any right to which it may be entitled to (i) have the assets of the Issuer first be used and depleted as payment of the Issuer's or the Parent Guarantor's obligations hereunder prior to any amounts being claimed from or paid by the Parent Guarantor hereunder and (ii) require that the Issuer be sued prior to an action being initiated against the Parent Guarantor.

(e) The Parent Guarantor further agrees that the Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder, the Trustee or the Collateral Agent to any security held for payment of the Guaranteed Obligations.

(f) Except as expressly set forth in Sections 8.01, 10.02, 10.03 and 10.06, the obligations of the Parent Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of the Parent Guarantor herein shall not be discharged or impaired or otherwise affected by (i) the failure of any Holder, the Trustee or the Collateral Agent to assert any claim or demand or to enforce any remedy under this Indenture, the Securities, any Security Document or any other agreement, (ii) any waiver or modification of any thereof, (iii) any default, failure or delay, willful or otherwise, in the performance of the obligations or (iv) any other act or thing or omission or delay to do any other act or thing that may or might in any manner or to any extent vary the risk of the Parent Guarantor or would otherwise operate as a discharge of the Parent Guarantor as a matter of law or equity.

---

61

(g) Except as expressly set forth in Sections 8.01 and 10.03, the Parent Guarantor agrees that the Guarantee shall remain in full force and effect until payment in full of the Guaranteed Obligations. Except as expressly set forth in Sections 8.01 and 10.03, the Parent Guarantor further agrees that the Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

(h) In furtherance of the foregoing and not in limitation of any other right that any Holder, the Trustee or the Collateral Agent has at law or in equity against the Parent Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of any Guaranteed Obligation when and as the same shall become due, whether at maturity or by acceleration, or to perform or comply with any other Guaranteed Obligation, the Parent Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee in accordance with this Indenture, forthwith pay, or cause to be paid, in cash, to the Holders, the Trustee or the Collateral Agent an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations and (ii) all other monetary obligations of the Issuer then due to the Holders, the Trustee and the Collateral Agent in respect of the Guaranteed Obligations.

(i) The Parent Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. The Parent Guarantor further agrees that, as between it, on the one hand, and the Holders, the Trustee and the Collateral Agent, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of the Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Parent Guarantor for the purposes of this Section 10.01.

(j) The Parent Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee, the Collateral Agent or any Holder in enforcing any rights under this Section 10.01.

(k) The Parent Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

---

62

SECTION 10.02. Limitation on Liability. The Parent Guarantor and by its acceptance hereof each Holder hereby confirms that it is the intention of all such parties that the Guarantee does not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar U.S. federal or state law or the provisions of its local law relating to fraudulent transfer or conveyance to the extent applicable to the Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Parent Guarantor hereby irrevocably agree that, any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by the Parent Guarantor shall not exceed the maximum amount that, after giving effect to all other contingent and fixed liabilities of the Parent Guarantor, can be guaranteed hereby without rendering the Guarantee, as it relates to the Parent Guarantor, void or voidable under applicable laws relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

SECTION 10.03. Release. The Guarantee shall terminate and be of no further force or effect and the Parent Guarantor shall be deemed to be automatically and unconditionally released from all obligations under this Article 10 upon the Issuer's exercise of the Issuer's legal defeasance option or covenant defeasance option in accordance with Section 8.01 or if the obligations of the Issuer and the Parent Guarantor under this Indenture are discharged in accordance with the terms of this Indenture.

SECTION 10.04. Successors and Assigns. This Article 10 shall be binding upon the Parent Guarantor and its successors and assigns and shall inure to the benefit of the Trustee, the Collateral Agent and the Holders and their successors and assigns and, in the event of any transfer or assignment of rights by any Holder, the Collateral Agent or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 10.05. No Waiver. Neither a failure nor a delay on the part of the Trustee, the Collateral Agent or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee, the Collateral Agent and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits that any of them may have under this Article 10 at law, in equity, by statute or otherwise.

SECTION 10.06. Modification. No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by the Parent Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Parent Guarantor in any case shall entitle the Parent Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 10.07. No Impairment. The failure to endorse the Guarantee on any Security shall not affect or impair the validity thereof. If an Officer whose signature is on this Indenture or the notation of the Guarantee no longer holds that office at the time the Trustee authenticates the Securities, the Guarantee shall be valid nevertheless.

SECTION 10.08. Benefits Acknowledged. The Parent Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to the Guarantee are knowingly made in contemplation of such benefits.

**ARTICLE 11**  
**SECURITY DOCUMENTS**

SECTION 11.01. Collateral and Security Documents. The due and punctual payment of the principal of the Securities when and as the same shall be due and payable, whether on an Payment Date, at Stated Maturity, or by acceleration, repurchase, redemption or otherwise, and performance of all other Obligations of the Issuer to the Holders, the Trustee or the Collateral Agent under this Indenture, the Securities and the Security Documents, according to the terms hereunder or thereunder, shall be secured as provided in the Security Documents. The Trustee and the Issuer hereby acknowledge and agree that the Collateral Agent holds the Collateral in trust for the benefit of the Trustee and the Holders, in each case pursuant to the terms of the Security Documents. Each Holder, by accepting a Security, appoints U.S. Bank National Association as Collateral Agent and consents and agrees to the terms of the Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) as the same may be in effect or may be amended from time to time in accordance with their respective terms and this Indenture, and authorizes and directs the Trustee to enter into the Security Documents and to bind the Holders to the terms thereof and to perform its obligations and exercise its rights thereunder in accordance therewith. The Issuer shall deliver to the Trustee (if it is not then also appointed and serving as Collateral Agent) copies of all documents delivered to the Collateral Agent pursuant to the Security Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 11.01, to assure and confirm to the Trustee and the Collateral Agent the Liens on the Collateral contemplated hereby, by the Security Documents or by any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Securities secured hereby, according to the intent and purposes herein expressed. The Issuer shall take any and all actions reasonably required to cause the Security Documents to create and maintain at all times, as security for the Obligations of the Issuer hereunder, a valid and enforceable perfected Lien on all of the Collateral (subject to the terms of the Security Documents), in favor of the Collateral Agent for the benefit of the Trustee and the Holders under the Security Documents. Notwithstanding anything to the contrary in this Indenture or any Security Document, in no event shall the Collateral Agent be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or other Liens intended to be created by this Indenture or the Security Documents (including the filing or continuation of any Uniform Commercial Code financing or continuation statements or similar documents or instruments), nor shall the Collateral Agent be responsible for, and the Collateral Agent makes no representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or other Liens intended to be created thereby.

SECTION 11.02. Release of Collateral.

(a) Subject to Sections 11.02(b) and 11.03, the Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents or as provided hereby. The Issuer will be entitled to a release of assets included in the Collateral from the Liens securing the Securities, and the Trustee shall release, or instruct the Collateral Agent to release, as applicable, the same from such Liens at the Issuer's sole cost and expense, pursuant to an amendment, supplement or waiver in accordance with Article 9 or as provided in Section 4.24, Section 4.25 or Section 11.08.

Upon receipt of an Officers' Certificate certifying that all conditions precedent under this Indenture and the Security Documents, if any, to such release have been met and any necessary or proper (as determined by the Issuer) instruments of termination, satisfaction or release have been prepared by the Issuer, the Collateral Agent shall execute, deliver or acknowledge (at the Issuer's expense) such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents.

(b) At any time when a Default or Event of Default has occurred and is continuing and the Trustee (if not then also appointed and serving as Collateral Agent) has delivered a notice of acceleration to the Collateral Agent, no release of Collateral pursuant to the provisions of this Indenture or the Security Documents will be effective as against the Holders.

---

SECTION 11.03. Permitted Releases Not To Impair Lien. The release of any Collateral from the terms hereof and of the Security Documents or the release of, in whole or in part, the Liens created by the Security Documents, will not be deemed to impair the security under this Indenture in contravention of the provisions hereof if and to the extent the Collateral or Liens are released pursuant to the applicable Security Documents and the terms of this Article 11. Each of the Holders acknowledges that a release of Collateral or a Lien in accordance with the terms of the Security Documents and of this Article 11 will not be deemed for any purpose to be in contravention of the terms of this Indenture.

SECTION 11.04. Suits To Protect the Collateral. Subject to the provisions of Article 7, should any Event of Default have occurred and be continuing, the Trustee in its sole discretion and without the consent of the Holders, on behalf of the Holders, may or may direct the Collateral Agent to take all actions it deems necessary or appropriate in order to:

- (a) enforce any of the terms of the Security Documents; and
- (b) collect and receive any and all amounts payable in respect of the Guaranteed Obligations of the Issuer hereunder.

Subject to the provisions of the Security Documents, the Trustee shall have the power (but not the obligation), should any Event of Default have occurred and be continuing, to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee, in its sole discretion, may deem expedient to preserve or protect its interests and the interests of the Holders in the Collateral (including the power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Lien on the Collateral or be prejudicial to the interests of the Holders or the Trustee).

SECTION 11.05. Authorization of Receipt of Funds by the Trustee Under the Security Documents. The Trustee is authorized (a) to receive any funds for the benefit of the Holders distributed under the Security Documents and (b) to make further distributions of such funds to the Holders according to the provisions of this Indenture.

SECTION 11.06. Purchaser Protected. In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Collateral Agent or the Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article 11 to be sold be under any obligation to ascertain or inquire into the authority of the Issuer to make any such sale or other transfer.

SECTION 11.07. Powers Exercisable by Receiver or Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 11 upon the Issuer with respect to the release or Disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or of any officer or officers thereof required by the provisions of this Article 11; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

---

65

SECTION 11.08. Release Upon Termination of the Issuer's Obligations. In the event that the Issuer delivers to the Trustee an Officers' Certificate certifying that (i) payment in full of the principal of, together with premium, if any, on, the Securities and all other Obligations with respect to the Securities under this Indenture, the Guarantee and the Security Documents that are due and payable at or prior to the time such principal, together with premium, if any, are paid, (ii) all the Obligations under this Indenture, the Securities and the Security Documents have been satisfied and discharged by complying with the provisions of Article 8 or (iii) the Issuer shall have exercised its legal defeasance option or its covenant defeasance option, in each case in compliance with the provisions of Article 8, the Trustee shall deliver to the Issuer and the Collateral Agent a notice stating that the Trustee, on behalf of the Holders, disclaims and gives up any and all rights it has in or to the Collateral (other than with respect to funds held by the Trustee pursuant to Article 8), and any rights it has under the Security Documents, and upon receipt by the Collateral Agent of such notice, the Collateral Agent shall be deemed not to hold a Lien in the Collateral on behalf of the Trustee and shall do or cause to be done all acts reasonably requested by the Issuer to release such Lien as soon as is reasonably practicable.

SECTION 11.09. Collateral Agent.

(a) U.S. Bank National Association shall initially act as Collateral Agent and shall be authorized to appoint co-Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents, neither the Collateral Agent nor any of its officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to Dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. Notwithstanding any provision to the contrary contained elsewhere in this Indenture or the Security Documents, the duties of the Collateral Agent shall be ministerial and administrative in nature, and the Collateral Agent shall not have any duties or responsibilities, except those expressly set forth in this Indenture and in the Security Documents to which the Collateral Agent is a party, nor shall the Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder, the Issuer or the Parent Guarantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture or the Security Documents or shall otherwise exist against the Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" or "Agent" in this Indenture and the Security Documents with reference to the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties. The Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own willful misconduct or gross negligence (as determined by a final, non-appealable order of a court of competent jurisdiction).

(b) The Collateral Agent is authorized and directed to (i) enter into the Security Documents, (ii) bind the Holders on the terms as set forth in the Security Documents and (iii) perform and observe its obligations under the Security Documents.

(c) The Collateral Agent shall act pursuant to the instructions of the Holders and the Trustee with respect to the Security Documents and the Collateral. For the avoidance of doubt, the Collateral Agent shall have no discretion under this Indenture or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the requisite Holders or the Trustee, as applicable. After the occurrence of an Event of Default, the Trustee may direct the Collateral Agent in connection with any action required or permitted by this Indenture or the Security Documents.

---

66

(d) The Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless the Collateral Agent shall have received written notice from the Trustee, a Holder or the Issuer referring to this Indenture, describing such Default or Event of Default and stating that such notice is a "notice of default". The Collateral Agent shall take such action with respect to such Default or Event of Default as may be requested by the Trustee or the Holders of a majority in aggregate principal amount of the Securities subject to this Article 11.

(e) No provision of this Indenture or any Security Document shall require the Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders (or the Trustee in the case of the Collateral Agent) if it shall have reasonable grounds for believing that repayment of such funds is not assured to it. Notwithstanding anything to the contrary contained in this Indenture or the Security Documents, in the event the Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Collateral Agent shall not be required to commence any such action, exercise any remedy, inspect or conduct any studies of any property or take any such other action if the Collateral Agent has determined that the Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property of any hazardous substances unless the Collateral Agent has received security or indemnity from the Holders in an amount and in a form all satisfactory to the Collateral Agent in its sole discretion, protecting the Collateral Agent from all such liability. The Collateral Agent shall at any time be entitled to cease taking any action described in this Section 11.09(e) if it no longer reasonably deems any indemnity, security or undertaking from the Issuer or the Holders to be sufficient.

(f) The Collateral Agent shall not be responsible in any manner to any of the Trustee or any Holder for the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture or the Security Documents or for any failure of the Issuer, the Parent Guarantor or any other

party to this Indenture or the Security Documents to perform its obligations hereunder or thereunder. The Collateral Agent shall not be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture or the Security Documents or to inspect the properties, books or records of the Issuer or the Parent Guarantor.

(g) The parties hereto and the Holders hereby agree and acknowledge that the Collateral Agent shall not assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture or the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that, in the exercise of its rights under this Indenture and the Security Documents, the Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Collateral Agent in the Collateral and that any such actions taken by the Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral.

(h) Upon the receipt by the Collateral Agent of a written request of the Issuer signed by two Officers pursuant to this Section 11.09(h) (a "Security Document Order"), the Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Security Document to be executed after the Issue Date. Such Security Document Order shall (i) state that it is being delivered to the Collateral Agent pursuant to, and is a Security Document Order referred to in, this Section 11.09(h) and (ii) instruct the Collateral Agent to execute and enter into such Security Document. Any such execution of a Security Document shall be at the direction and expense of the Issuer, upon delivery to the Collateral Agent of an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent to the execution and delivery of such Security Document have been satisfied. The Holders, by their acceptance of the Securities, hereby authorize and direct the Collateral Agent to execute such Security Documents.

---

67

---

(i) The Collateral Agent's resignation or removal shall be governed by provisions equivalent to Section 7.07(a), Section 7.07(b), Section 7.07(c), Section 7.07(d) and Section 7.07(f).

(j) The Collateral Agent shall be entitled to all of the protections, immunities, indemnities, rights and privileges of the Trustee set forth in this Indenture, and all such protections, immunities, indemnities, rights and privileges shall apply to the Collateral Agent in its roles under any Security Document, whether or not expressly stated therein.

SECTION 12.04. When Securities Disregarded. In determining whether the Holders of the required principal amount of Securities have concurred in any direction, waiver or consent, Securities owned by the Issuer, the Parent Guarantor or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer or the Parent Guarantor shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Securities that the Trustee knows are so owned shall be so disregarded. Subject to the foregoing, only Securities outstanding at the time shall be considered in any such determination. Notwithstanding the foregoing, if any such Person or Persons owns 100% of the Securities, such Securities shall not be so disregarded as aforesaid.

SECTION 12.05. Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by or a meeting of the Holders. The Registrar and a Paying Agent may make reasonable rules for their functions.

SECTION 12.06. Legal Holidays. If a Payment Date (or any other date requiring an action under this Indenture) is not a Business Day, payment (or any other action required to be taken) shall be made (or taken) on the next succeeding day that is a Business Day, and no interest shall accrue on any amount that would have been otherwise payable on such Payment Date if it were a Business Day for the intervening period. If a Record Date is not a Business Day, the Record Date shall not be affected.

SECTION 12.07. **GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF IMMUNITY. THIS INDENTURE, THE SECURITIES AND THE SECURITY DOCUMENTS SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW) EXCEPT TO THE EXTENT THAT LOCAL LAW GOVERNS THE CREATION, PERFECTION, PRIORITY OR ENFORCEMENT OF SECURITY INTERESTS.** The Issuer, the Parent Guarantor, the Trustee, the Collateral Agent and, by its acceptance of a Security, each Holder (and holder of beneficial interests in a Security) hereby submit to the non-exclusive jurisdiction of the federal and state courts of competent jurisdiction in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Indenture or the transactions contemplated hereby. To the extent that the Issuer or the Parent Guarantor may in any jurisdiction claim for itself or its assets immunity (to the extent such immunity may now or hereafter exist, whether on the grounds of sovereign immunity or otherwise) from suit, execution, attachment (whether in aid of execution, before judgment or otherwise) or other legal process (whether through service of notice or otherwise), and to the extent that in any such jurisdiction there may be attributed to itself or its assets such immunity (whether or not claimed), the Issuer or the Parent Guarantor, as applicable, irrevocably agrees with respect to any matter arising under this Indenture for the benefit of the Holders not to claim, and irrevocably waives, such immunity to the full extent permitted by the laws of such jurisdiction.

SECTION 12.08. No Recourse Against Others. No director, officer, employee, manager, incorporator or holder of any Equity Interests in the Issuer or in the Parent Guarantor, as such, shall have any liability for any obligations of the Issuer or the Parent Guarantor under the Securities, this Indenture or the Guarantee or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Securities by accepting a Security waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Securities.

SECTION 12.09. Successors. All agreements of the Issuer and the Parent Guarantor in this Indenture and the Securities shall bind its successors. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 12.10. Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. One signed copy is enough to prove this Indenture. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by

facsimile or PDF shall be deemed to be their original signatures for all purposes.

SECTION 12.11. Table of Contents: Headings. The table of contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 12.12. Indenture Controls. If and to the extent that any provision of the Securities limits, qualifies or conflicts with a provision of this Indenture, such provision of this Indenture shall control.

SECTION 12.13. Severability. In case any provision in this Indenture shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and such provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability.

SECTION 12.14. Tax Matters.

(a) The Issuer has entered into this Indenture, and the Securities will be issued, with the intention that, for all tax purposes, the Securities will qualify as indebtedness. The Issuer, by entering into this Indenture, and each Holder and Beneficial Owner, agree to treat the Securities as indebtedness for all tax purposes. Upon the written request of the Trustee or any Holder or Beneficial Owner, the Issuer shall use commercially reasonable efforts to, by written response, promptly inform the Trustee or such Holder or Beneficial Owner as to the amount of any payments on the Securities that the Issuer is treating as Contingent Interest, the amount of any payments on the Securities that the Issuer is treating as interest (or original issue discount) that is not Contingent Interest, and the amount of any payments on the Securities that is not a payment of interest or original issue discount for U.S. federal income tax purposes, in each case on an aggregate basis.

(b) The Issuer shall be entitled to withhold and deduct from any payment under this Indenture any taxes required to be withheld or deducted under applicable law. In the event that the Issuer or the IRS treats any payment on the Securities as contingent interest within the meaning of Section 871(h)(4)(A) of the Code ("Contingent Interest"), then if any Indemnified Taxes are withheld or deducted with respect to a payment of such Contingent Interest to a Holder or Beneficial Owner (including, for the avoidance of doubt, any Indemnified Taxes withheld or deducted on a pass-through share basis from a Beneficial Owner by a pass-through entity for U.S. federal income tax purposes with respect to a payment of Contingent Interest to such pass-through entity (or lower-tier pass-through entity) that is allocated to such Beneficial Owner), the Issuer shall pay such additional amounts so that the net amount received by such Holder or Beneficial Owner of Securities after deduction of any such Indemnified Taxes (including such deductions and withholdings for Indemnified Taxes applicable to additional sums payable under this Section 12.14(b)) on account of any such payment being treated as Contingent Interest shall equal the amount that such Holder or Beneficial Owner would have received in the absence of any such withholding for Indemnified Taxes. The Issuer's gross-up obligation under this Section 12.14(b) with respect to any direct beneficial owner of an interest in a pass-through entity for U.S. federal income tax purposes that beneficially owns directly (or indirectly through one or more pass-through entities for U.S. federal income tax purposes) a Security shall be limited to and determined on the basis of a letter to be provided to the Issuer by the relevant pass-through entity that owns the Security certifying the percentage of the Contingent Interest that is allocable to its non-U.S. beneficial owners that are relying on the portfolio interest exemption or a treaty exemption with respect to any payments of interest (or original issue discount) by the Issuer that is not Contingent Interest and that cannot rely on a treaty exemption with respect to the Contingent Interest. Other than as provided for in this Section 12.14(b), the Issuer shall not be obligated to pay any additional amounts to the Holders or Beneficial Owners of Securities as a result of any withholding or deduction for, or on account of, any present or future taxes imposed on payments in respect of the Securities.

71

(c) If Definitive Securities are issued, each Holder or other Beneficial Owner (other than any direct or indirect owners of a withholding foreign partnership, a withholding foreign trust or a domestic pass-through entity) shall provide to the Issuer on or prior to its first payment hereunder and at any other time or times required by applicable law or reasonably requested by the Issuer such properly completed and executed documentation reasonably requested by the Issuer as will (i) in the case of any such Holder or Beneficial Owner that is entitled to an exemption or reduced rate of withholding, permit any payments made under this Indenture to be made without withholding taxes or at a reduced rate of withholding, (ii) enable the Issuer to determine whether such Holder or Beneficial Owner is subject to backup withholding or information reporting requirements, and (iii) enable the Issuer to comply with its obligations under FATCA and determine whether such Holder or Beneficial Owner has complied with its obligations under FATCA (any such applicable documentation, the "Tax Documentation"), which for the avoidance of doubt shall include whichever of the following is applicable: a properly completed IRS Form W-9, IRS Form W-8BEN, IRS Form W-8BEN-E, IRS Form W-8ECI or other applicable IRS form or, in the case of a Person claiming the exemption from U.S. federal withholding tax under Section 871(h) of the Code or Section 881(c) of the Code with respect to payments of interest by the Issuer that are not Contingent Interest, the appropriate properly completed IRS form together with a certificate substantially in the form of Exhibit D (a "Portfolio Interest Certificate"). Any such IRS Form W-8BEN or IRS Form W-8BEN-E shall specify whether the Holder or Beneficial Owner to whom the form relates is entitled to the benefits of any applicable income tax treaty.

(d) In all events, (i) if any withholding tax (other than an Indemnified Tax imposed on any Holder or Beneficial Owner as a result of any payment on the Securities being treated as Contingent Interest for which additional amounts shall be payable as provided for in Section 12.14(b)) is imposed on the Issuer's payment under the Securities to any Holder or Beneficial Owner, such tax shall reduce the amount otherwise distributable to such Holder or Beneficial Owner, as the case may be, (ii) the Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder or Beneficial Owner of Securities sufficient funds for the payment of any withholding tax that is legally owed by the Issuer (but such authorization shall not prevent the Trustee from contesting any such withholding tax in appropriate proceedings and withholding payment of such tax, if permitted by applicable law, pending the outcome of such proceedings) and (iii) the amount of any withholding tax imposed with respect to any Holder or Beneficial Owner shall be treated as cash distributed to such Holder or Beneficial Owner, as the case may be, at the time it is withheld by the Trustee and remitted to the appropriate taxing authority.

(e) Any Holder or Beneficial Owner that receives a refund (or credit in lieu thereof that actually currently reduces the taxes of such Holder or Beneficial Owner) of any Indemnified Tax as to which the Issuer has paid additional amounts pursuant to this Section 12.14 shall repay to the Issuer an amount equal to such refund (or such credit) but in either case only to the extent of additional amounts payments made by the Issuer to such Holder or Beneficial Owner under this Section 12.14 giving rise to such refund or such credit net of all reasonable out-of-pocket expenses (including Taxes) incurred by such Holder or Beneficial Owner in connection with obtaining such refund or such credit and without interest. Notwithstanding anything to the contrary in this paragraph (e), in no event will any Holder or other Beneficial Owner be required to pay any amount to the Issuer which would place such Holder or Beneficial Owner in a less favorable net after-Tax position than such Holder or Beneficial Owner would have been in if the Tax subject to indemnification and giving rise to such refund or credit had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amount with respect to such Tax had never been paid. This paragraph (e) shall not be construed to require any Holder or Beneficial Owner to claim a refund or credit or to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Issuer or any other Person. Any refund or credit which is subsequently disallowed in whole or in part shall promptly be repaid by the Issuer on the demand of the applicable Holder or Beneficial Owner.

72

(f) The Issuer shall use commercially reasonable efforts to provide such reasonable assistance as a Holder or Beneficial Owner may request in claiming a refund of any U.S. withholding taxes that are withheld from any payment on the Securities. Such Holder or Beneficial Owner hereby agrees to pay all costs and expenses incurred by the Issuer in connection with such assistance.

SECTION 12.15. USA PATRIOT Act. The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify and record information that identifies each Person that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the USA PATRIOT Act.

SECTION 12.16. WAIVER OF TRIAL BY JURY. EACH OF THE ISSUER, THE PARENT GUARANTOR, THE TRUSTEE AND THE COLLATERAL AGENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES OR THE TRANSACTION CONTEMPLATED HEREBY.

SECTION 12.17. Limited Incorporation of the TIA. This Indenture is not subject to the mandatory provisions of the TIA. The provisions of the TIA are not incorporated by reference in or made part of this Indenture unless specifically provided herein.

## 2. The Securities.

### 2.1 Form and Dating: Global Securities.

(a) Issuance and Transfers. The Securities issued by the Issuer will be (i) privately placed by the Issuer pursuant to the Purchase Agreement and (ii) sold initially only to (1) QIBs, (2) Persons other than U.S. Persons in reliance on Regulation S and (3) Accredited Investors. Such Securities may thereafter be transferred to, among others, QIBs, purchasers in reliance on Regulation S and Accredited Investors.

(b) Global Securities. (i) Except as provided in clause (c) below, Rule 144A Securities initially shall be represented by one or more Securities in definitive, fully registered, global form without interest coupons (collectively, the "Rule 144A Global Securities").

Regulation S Securities initially shall be represented by one or more Securities in fully registered, global form without interest coupons (collectively, the "Regulation S Global Securities"), which shall be registered in the name of the Depository for the accounts of designated agents holding on behalf of Euroclear or Clearstream.

The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Global Securities that are held through Euroclear or Clearstream.

The Global Securities shall bear the Global Securities Legend. The Global Securities initially shall (i) be registered in the name of the Depository, in each case for credit to an account of an Agent Member, (ii) be delivered to the Securities Custodian, (iii) bear the Restricted Securities Legend and (iv) if applicable, bear the Regulation S Legend.

Members of, or direct or indirect participants in, the Depository (collectively, the "Agent Members") shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Securities. The Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Securities for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository, or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

The Registrar shall retain copies of all letters, notices, Confidentiality Agreements and other written communications received pursuant to this Section 2.1 or Section 2.2 herein. The Issuer, at its sole cost and expense, shall have the right to inspect and make copies of all such letters, notices, Confidentiality Agreements or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

(ii) Transfers of Global Securities shall be limited to transfer in whole, but not in part, to the Depository. Interests of beneficial owners in the Global Securities may be transferred or exchanged for Definitive Securities only in accordance with the applicable rules and procedures of the Depository and the provisions of Section 2.2 herein. In addition, a Global Security shall be exchangeable for Definitive Securities if (x) the Depository (1) notifies the Issuer that it is unwilling or unable to continue as depository for such Global Security and the Issuer thereupon fails to appoint a successor depository or (2) has ceased to be a clearing agency registered under the Exchange Act or (y) there shall have occurred and be continuing an Event of Default with respect to such Global Security. In all cases, Definitive Securities delivered in exchange for any Global Security or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository in accordance with its customary procedures.

---

77

(iii) In connection with the transfer of a Global Security as an entirety to beneficial owners pursuant to Section 2.1(b)(ii) herein, such Global Security shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, to each beneficial owner identified by the Depository in writing in exchange for its beneficial interest in such Global Security, an equal aggregate principal amount of Definitive Securities of authorized denominations.

(iv) Any Transfer Restricted Definitive Security delivered in exchange for an interest in a Global Security pursuant to Section 2.2 herein shall, except as otherwise provided in Section 2.2 herein, bear the Restricted Securities Legend and, if applicable, the Regulation S Legend.

(v) Notwithstanding the foregoing, through the Restricted Period, a beneficial interest in a Regulation S Global Security may be held only through Euroclear or Clearstream unless delivery is made in accordance with the applicable provisions of Section 2.2 herein.

(vi) The Holder of any Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Securities.

(c) Definitive Securities. To the extent that the purchaser of a Security is an Accredited Investor or otherwise cannot or opts not to hold a beneficial interest in a Global Security, then such Security shall be represented by one or more Definitive Securities.

## 2.2 Transfer and Exchange

(a) Transfer and Exchange of Global Securities. A Global Security may not be transferred as a whole except as set forth in Section 2.1(b) herein. Global Securities will not be exchanged by the Issuer for Definitive Securities except under the circumstances described in Section 2.1(b)(ii) herein. Global Securities also may be exchanged or replaced, in whole or in part, as provided in Sections 2.08 and 2.10 of this Indenture. Beneficial interests in a Global Security may be transferred and exchanged as provided in Section 2.2(b) herein or Section 2.2(g) herein.

(b) Transfer and Exchange of Beneficial Interests in Global Securities. The transfer and exchange of beneficial interests in the Global Securities shall be effected through the Depository, in accordance with the provisions of this Indenture and the applicable rules and procedures of the Depository. Beneficial interests in Transfer Restricted Global Securities shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers and exchanges of beneficial interests in the Global Securities also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Security. Beneficial interests in any Transfer Restricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Transfer Restricted Global Security in accordance with the transfer restrictions set forth in the Restricted Securities Legend and the Regulation S Legend, as applicable; *provided, however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in a Regulation S Global Security may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than to a QIB in reliance on Rule 144A). A beneficial interest in an Unrestricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.2(b)(i).

---

78

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Securities. In connection with all transfers and exchanges of beneficial interests in any Global Security that is not subject to Section 2.2(b)(i) herein, the transferor of such beneficial interest must deliver to the Registrar (1) a written order from an Agent Member given to the Depository in accordance with the applicable rules and procedures of the Depository directing the Depository to credit or cause to be credited a beneficial interest in another Global Security in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the applicable rules and procedures of the Depository containing information regarding the Agent Member account to be credited with such increase. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Securities contained in this Indenture and the Securities or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Security pursuant to Section 2.2(g) herein.

(iii) Transfer of Beneficial Interests to Another Transfer Restricted Global Security. A beneficial interest in a Transfer Restricted Global Security may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Transfer Restricted Global Security if the transfer complies with the requirements of Section 2.2(b)(ii) herein and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a Rule 144A Global Security, then the transferor must deliver a certificate in the form attached to the applicable Security; and

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Security, then the transferor must deliver a certificate in the form attached to the applicable Security.

(iv) Transfer and Exchange of Beneficial Interests in a Transfer Restricted Global Security for Beneficial Interests in an Unrestricted Global Security. A beneficial interest in a Transfer Restricted Global Security may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Security or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security if the exchange or transfer complies with the requirements of Section 2.2(b)(ii) herein and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Transfer Restricted Global Security proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Security, a certificate from such holder in the form attached to the applicable Security; or

(B) if the holder of such beneficial interest in a Transfer Restricted Global Security proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security, a certificate from such holder in the form attached to the applicable Security,

and, in each such case, if the Issuer or the Registrar so requests or if the applicable rules and procedures of the Depository so require, an Opinion of Counsel in form reasonably acceptable to the Issuer and the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Securities Legend and the Regulation S Legend, as applicable, are no longer required in order to maintain compliance with the Securities Act. If any such transfer or exchange is effected pursuant to this subparagraph (iv) at a time when an Unrestricted Global Security has not yet been issued, the Issuer shall issue and, upon receipt of a written order of the Issuer in the form of an Officers' Certificate, the Trustee shall authenticate one or more Unrestricted Global Securities in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred or exchanged pursuant to this subparagraph (iv).

---

79

(v) Transfer and Exchange of Beneficial Interests in an Unrestricted Global Security for Beneficial Interests in a Transfer Restricted Global Security. Beneficial interests in an Unrestricted Global Security cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Transfer Restricted Global Security.

(c) Transfer and Exchange of Beneficial Interests in Global Securities for Definitive Securities. A beneficial interest in a Global Security may not be exchanged for a Definitive Security except under the circumstances described in Section 2.1(b)(ii) herein. A beneficial interest in a Global Security may not be transferred to a Person who takes delivery thereof in the form of a Definitive Security except under the circumstances described in Section 2.1(b)(ii) herein or Section 2.1(c) herein.

(d) Transfer and Exchange of Definitive Securities for Beneficial Interests in Global Securities. Transfers and exchanges of Definitive Securities for beneficial interests in Global Securities also shall require compliance with either subparagraph (i), (ii), (iii) or (iv) below, as applicable:

(i) Transfer Restricted Definitive Securities to Beneficial Interests in Transfer Restricted Global Securities. If any Holder of a Transfer Restricted Definitive Security proposes to exchange such Transfer Restricted Definitive Security for a beneficial interest in a Transfer Restricted Global Security or to transfer such Transfer Restricted Definitive Security to a Person who takes delivery thereof in the form of a beneficial interest in a Transfer Restricted Global Security, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Transfer Restricted Definitive Security proposes to exchange such Transfer Restricted Definitive Security for a beneficial interest in a Transfer Restricted Global Security, a certificate from such Holder in the form attached to the applicable Security;

(B) if such Transfer Restricted Definitive Security is being transferred to a QIB in accordance with Rule 144A, a certificate from such Holder in the form attached to the applicable Security;

(C) if such Transfer Restricted Definitive Security is being transferred to a Person that is not a U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate from such Holder in the form attached to the applicable Security;

(D) if such Transfer Restricted Definitive Security is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate from such Holder in the form attached to the applicable Security; and

(E) if such Transfer Restricted Definitive Security is being transferred to the Issuer, a certificate from such Holder in the form attached to the applicable Security;

the Trustee shall cancel the Transfer Restricted Definitive Security, and increase or cause to be increased the aggregate principal amount of the appropriate Transfer Restricted Global Security.

---

80

(ii) Transfer Restricted Definitive Securities to Beneficial Interests in Unrestricted Global Securities. A Holder of a Transfer Restricted Definitive Security may exchange such Transfer Restricted Definitive Security for a beneficial interest in an Unrestricted Global Security or transfer such Transfer Restricted Definitive Security to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security only if the Registrar receives the following:

(A) if the Holder of such Transfer Restricted Definitive Security proposes to exchange such Transfer Restricted Definitive Security for a beneficial interest in an Unrestricted Global Security, a certificate from such Holder in the form attached to the applicable Security; or

(B) if the Holder of such Transfer Restricted Definitive Security proposes to transfer such Transfer Restricted Definitive Security to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security, a certificate from such Holder in the form attached to the applicable Security,

and, in each such case, if the Issuer or the Registrar so requests or if the applicable rules and procedures of the Depository so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Securities Legend and the Regulation S Legend, as applicable, are no longer required in order to maintain compliance with the Securities Act. (e) On November 15, 2023, unless the Trustee has previously received from the Issuer an Officers' Certificate certifying that actual cumulative Net Sales (but only in respect of the United States) of ZTlido™ (lidocaine topical system 1.8%) from October 1, 2022 through September 30, 2023 are equal to or more than \$290,734,618.62, the then-existing outstanding aggregate principal amount of the Securities (after giving effect to any redemption of such Securities on such date) will be increased by an amount (allocated pro rata among the Holders) equal to an amount to be determined by reference to Schedule I to the Indenture and evidenced by an Officers' Certificate delivered to the Trustee (which shall include a certification as to such actual cumulative Net Sales (but only in respect of the United States) for such period and the corresponding amount on such Schedule I); *provided, however*, that if the Issuer does not deliver such Officers' Certificate evidencing such amount, the then-existing outstanding aggregate principal amount of the Securities (after giving effect to any redemption of the Securities) will be increased by an amount (allocated pro rata among the Holders) equal to \$112,781,030 (if the principal amount of the Securities was not increased pursuant to Section 2.01(b) of the Indenture) or \$84,781,030 (if the principal amount of the Securities was increased pursuant to Section 2.01(b) of the Indenture). Such increase will be at the sole expense of the Issuer and will be evidenced by an appropriate notation by the {Trustee}{Holder of this Security} on the Schedule of Increases or Decreases attached to this Security {(or electronically pursuant to the operational arrangements of the Depository)}, which notation (absent manifest error) will be binding on the Issuer.

(f) The Issuer shall pay, during the continuance of an Event of Default, interest on the outstanding principal amount of the Securities at the rate of 2.00% per annum. Such interest shall be computed on the basis of a 360-day year of twelve 30-day months.

(g) The Securities will mature on the Final Maturity Date.

2. Method of Payment

The Issuer shall pay payments of installments of principal to the Persons who are registered Holders at the close of business on the Record Date immediately preceding the related Payment Date even if Securities are canceled after such Record Date and on or before such Payment Date (whether or not a Business Day). Holders must surrender Securities to the Paying Agent to collect principal payments (other than payments of installments of principal). The Issuer shall pay principal and interest and premium, if any, in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. {Payments in respect of the Securities (including principal and interest and premium, if any) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository.} {The Issuer shall make all payments in respect of the Securities (including principal and interest and premium, if any) at the office of the Paying Agent; *provided, however*, that payments on the Securities may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).}

3. Paying Agent and Registrar

Initially, U.S. Bank National Association (the "Trustee") will act as Paying Agent and Registrar. The Issuer may act as Paying Agent or Registrar.

4. Indenture

The Issuer issued the Securities under the Indenture dated as of September 7, 2018 (the "Indenture") among the Issuer, Sorrento

Therapeutics, Inc., a Delaware corporation (the "Parent Guarantor"), the Trustee and the Collateral Agent. The terms of the Securities include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture and the TIA for a statement of such terms and provisions. If and to the extent that any provision of the Securities limits, qualifies or conflicts with a provision of the Indenture, such provision of the Indenture shall control.

The Securities are senior secured obligations of the Issuer. This Security is one of the Securities referred to in the Indenture. The Securities are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Issuer to, among other things, make certain Investments and other Restricted Payments, incur Indebtedness, enter into or permit certain transactions with Affiliates, create or incur Liens on the Collateral and Dispose of the Collateral. The Indenture also imposes limitations on the ability of the Issuer and the Parent Guarantor to merge, amalgamate or consolidate with or into any other Person or convey, transfer or lease all or substantially all of their property.

To guarantee the due and punctual payment of the principal of the Securities and all other amounts payable by the Issuer under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, the Parent Guarantor has irrevocably and unconditionally guaranteed the Guaranteed Obligations on a senior unsecured basis pursuant to the terms of the Indenture.

5. Optional Redemption

The Issuer may redeem the Securities at its option in whole on any Business Day specified by the Issuer, on not less than 30 days' nor more than 60 days' prior written notice delivered to each Holder, at a redemption price equal to 100% of the principal amount of the Securities.

Notice of any redemption may, at the Issuer's discretion, be revocable and be subject to one or more conditions precedent, including the receipt by the Trustee, on or prior to the redemption date, of money sufficient to pay the principal of, and premium, if any, on, the Securities.

6. Notice of Redemption

Written notice of redemption pursuant to paragraph 5 will be provided at least 30 days but not more than 60 days before the redemption date to each Holder of Securities.

7. Sinking Fund

The Securities are not subject to any sinking fund.

8. Repurchase or Purchase of Securities at the Option of the Holders upon Certain Events

Upon the occurrence of a Change of Control, receipt by the Issuer of the Subordinated Loan or the failure by the Issuer to receive the Marketing Approval Letter on or prior to July 1, 2023, each Holder shall have the right, subject to certain conditions specified in the Indenture, to cause the Issuer to repurchase or the Parent Guarantor to purchase, as applicable, all or any part of such Holder's Securities at the repurchase or purchase prices, as the case may be, described in the Indenture, as provided in, and subject to the terms of, the Indenture.

9. Security

The Securities will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture and the Security Documents. The Collateral Agent holds the Collateral in trust for the benefit of the Trustee and the Holders, in each case pursuant to the Security Documents. Each Holder, by accepting this Security, consents and agrees to the terms of the Security Documents (including the provisions providing for the foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs each of the Trustee and the Collateral Agent to enter into the Security Documents, and to perform its obligations and exercise its rights thereunder in accordance therewith.

10. Denominations; Transfer; Exchange

The Securities are in Registered Form, without coupons, in denominations of \$250,000 and any integral multiple of \$1.00 in excess thereof. The registration of transfer of or exchange of Securities shall be done in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes required by law or permitted by the Indenture.

11. Persons Deemed Owners

Subject to Section 2.13 of the Indenture, the Person named in the Register as Holder of this Security shall be treated as the owner of it for all purposes.

12. Unclaimed Money

If money for the payment of principal remains unclaimed for two years, the Trustee and a Paying Agent shall pay the money back to the Issuer at its written request unless an abandoned property law designates another Person. After any such payment, the Holders entitled to the money must look to the Issuer for payment as general creditors and the Trustee and Paying Agent shall have no further liability with respect to such monies.

13. Discharge and Defeasance

Subject to certain conditions set forth in the Indenture, the Issuer at any time may terminate some of or all its obligations under the Securities and the Indenture if the Issuer deposits with the Trustee money or U.S. Government Obligations for the payment of principal on the Securities to redemption or maturity, as the case may be.

14. Amendment; Waiver

Subject to certain exceptions set forth in the Indenture, (x) the Indenture, the Securities or any Security Document may be amended with the written consent of the Holders of at least two-thirds in aggregate principal amount of the Securities then outstanding (voting as a single class) and (y) any past default or compliance with any provisions may be waived with the written consent of the Holders of a majority in principal amount of the Securities then outstanding. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Issuer, the Collateral Agent, the Parent Guarantor and the Trustee may amend the Indenture, the Securities or any Security Document (i) to cure any ambiguity, omission, mistake,

defect or inconsistency; (ii) to provide for the assumption by a Successor Company of the obligations of the Issuer under the Indenture and the Securities in accordance with the terms of the Indenture; (iii) to provide for the assumption by a Successor Guarantor of the obligations of the Parent Guarantor under the Indenture and the Guarantee; (iv) to provide for uncertificated Securities in addition to or in place of certificated Securities; *provided, however*, that the uncertificated Securities are issued in registered form for purposes of Sections 871(h)(2)(B) and 881(c) (2)(B) of the Code and United States Treasury Regulation Section 5f.103-1(c); (v) to add additional Guarantees or co-obligors with respect to the Securities in accordance with the terms of the Indenture; (vi) to add to the covenants of the Issuer for the benefit of the Holders or to surrender any right or power conferred in the Indenture upon the Issuer in accordance with the terms of the Indenture; (vii) to comply with any requirement of the SEC in connection with qualifying or maintaining the qualification of the Indenture under the TIA (to the extent any such qualification is required); (viii) to make any change that does not adversely affect the rights of any Holder; (ix) to add additional assets as Collateral to secure the Securities; or (x) to release Collateral from the Lien pursuant to the Indenture and the Security Documents when permitted or required by the Indenture or the Security Documents.

#### 15. Defaults and Remedies

If an Event of Default (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization with respect to the Issuer) occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of outstanding Securities by notice to the Issuer may, and if such notice is given by the Holders such notice shall be given to the Issuer and the Trustee, declare that the principal of, and the interest and premium, if any, on, all the Securities is due and payable. Upon such a declaration, such principal shall be due and payable immediately. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization with respect to the Issuer occurs, the principal of, and the premium, if any, on, all the Securities shall *ipso facto* become and be immediately due and payable, without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the Securities may rescind any such acceleration with respect to the Securities and its consequences.

Except to enforce the right to receive payment of principal or interest or premium (if any) when due, no Holder may pursue any remedy with respect to the Indenture or the Securities unless (i) such Holder gives the Trustee written notice stating that an Event of Default is continuing, (ii) the Holders of at least 25% in principal amount of the then outstanding Securities make a written request to the Trustee to pursue the remedy, (iii) such Holder or Holders offer to the Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the Trustee does not comply with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the then outstanding Securities do not give the Trustee a direction inconsistent with such request during such 60-day period. Subject to certain restrictions set forth in the Indenture, the Holders of a majority in principal amount of the Securities may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or, subject to the Indenture, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

#### 16. Trustee Dealings with the Issuer

Subject to certain limitations imposed by the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee.

#### 17. No Recourse Against Others

No director, officer, employee, manager, incorporator or holder of any Equity Interests in the Issuer or in the Parent Guarantor, as such, shall have any liability for any obligations of the Issuer or the Parent Guarantor under the Securities or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Securities by accepting a Security waives and releases all such liability.

#### 18. Authentication

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on this Security.

#### 20. Governing Law

**THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW).**

#### 21. CUSIP Numbers; ISINs

The Issuer has caused CUSIP numbers and ISINs to be printed on the Securities and has directed the Trustee to use CUSIP numbers and ISINs in notices (including notices of redemption) as a convenience to the Holders. No representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice and reliance may be placed only on the other identification numbers placed thereon.

(i) the Source either (A) does not include Plan Assets (as such term is used in Section 3(42) of the U.S. Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and regulations issued by the U.S. Department of Labor) of any employee benefit plan, other than a plan exempt from the coverage of ERISA, or (B) includes only assets that are not considered Plan Assets by reason of being held in a separate account of an insurance company that is maintained solely in connection with our fixed contractual obligations under which the amounts payable, or credited, to any employee benefit plan (or its related trust) that has any interest in such separate account (or to any participant or beneficiary of such plan (including an annuitant)) are not affected in any manner by the investment performance of the separate account;

(ii) the Source is a governmental plan;

(iii) the Source is one or more employee benefit plans, or a separate account or trust fund comprised of one or more employee benefit plans, each of which has been identified to the Company in writing pursuant to this clause (iii); or

The Collateral Agent shall inform Grantor of any such filing either prior to, or reasonably promptly after, such filing. Grantor acknowledges that it is not authorized to file any financing statement covering the Collateral or amendment or termination statement with respect to any financing statement covering the Collateral without the prior written consent of the Collateral Agent and agrees that it will not do so without such consent, subject to Grantor's rights under Section 9-509(d)(2) of the UCC.

(c) Grantor shall, at any time and from time to time, (i) notify, in form reasonably satisfactory to the Collateral Agent, any warehouseman, bailee or any of Grantor's agents or processors having possession of any Collateral consisting of Inventory or Equipment with a Fair Market Value in excess of \$1,000,000 (calculated based on Grantor's estimate of the Fair Market Value of such Inventory or Equipment to be possessed by such warehouseman, bailee, agent or processor over the course of any calendar year on a weighted average basis) of the security interest of the Collateral Agent in such Collateral (with a copy of such notice sent to the Collateral Agent), (ii) use its commercially reasonable efforts to obtain an acknowledgment, in form reasonably satisfactory to the Collateral Agent or counsel to the Purchasers, from such warehouseman, bailee, agent or processor, to the extent not already having otherwise entered into a subordination agreement for the benefit of the Collateral Agent, stating that the warehouseman, bailee, agent or processor holds such Collateral for the Collateral Agent and (iii) take such steps as are necessary or as the Collateral Agent may reasonably request (A) for the Collateral Agent to obtain "control" of any Investment Property Collateral, deposit accounts, securities accounts, commodity accounts, letter-of-credit rights, or Electronic Chattel Paper constituting Collateral in excess of \$1,000,000 individually or \$2,500,000 in the aggregate (other than Investment Property Collateral constituting Equity Interests of a Subsidiary for which no minimum dollar amount shall apply), with any agreements establishing control to be in form reasonably satisfactory to the Collateral Agent or counsel to the Purchasers, and (B) to otherwise ensure the continued perfection and priority of the Collateral Agent's security interest in any of the Collateral (to the extent required hereunder) and of the preservation of its rights therein. Grantor agrees not to effect or permit any change referred to in the preceding sentence unless all filings are promptly made under the UCC or other applicable law that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected, security interest (subject to Permitted Liens) in the Collateral for its benefit and the benefit of the other Secured Parties.

To the extent permitted by any Requirement of Law, the Collateral Agent may file, without Grantor's signature, one or more financing statements disclosing the Collateral Agent's Liens. Grantor hereby authorizes the Collateral Agent to attach each Amendment to this Agreement and agrees that all additional collateral set forth in such Amendments shall be considered to be part of the Collateral.

14

Section 4.3 Electronic Chattel Paper. If Grantor at any time holds or acquires an interest in any Collateral constituting Electronic Chattel Paper or any "transferable record", as that term is defined in Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, Grantor shall promptly notify the Collateral Agent thereof and shall take such action as is necessary to vest in the Collateral Agent Control under Section 9-105 of the UCC of such Electronic Chattel Paper or control (to the extent the meaning of "control" has not been clearly established under such provisions, "control" in this Section 4.3 shall have such meaning as the Collateral Agent shall reasonably specify in writing after consultation with Grantor) under Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. The Collateral Agent agrees with Grantor that the Collateral Agent will arrange, pursuant to procedures reasonably satisfactory to the Collateral Agent and so long as such procedures will not result in the Collateral Agent's loss of Control or control, as applicable, which may be established to the satisfaction of the Collateral Agent pursuant to the delivery to it by Grantor of an Officers' Certificate or an Opinion of Counsel, for Grantor to make alterations to the Electronic Chattel Paper or transferable record permitted under Section 9-105 of the UCC or, as the case may be, Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in Control to allow without loss of Control or control, as applicable, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by Grantor with respect to such Electronic Chattel Paper or transferable record.

Section 4.4 Maintenance of Property. Except as otherwise permitted hereunder or pursuant to the other Indenture Documents, Grantor shall maintain all of its property necessary or useful in the conduct of its business, in reasonable operating condition and repair, ordinary wear and tear and obsolescence excepted.

Section 4.5 Investment Property.

(a) The Collateral Agent, on behalf of the Secured Parties, shall hold certificated Investment Property Collateral in the name of Grantor, endorsed or assigned in blank or in favor of the Collateral Agent, but following the occurrence and during the continuance of an Event of Default shall have the right (in its sole and absolute discretion) to hold such Investment Property Collateral in its own name as pledgee, or in the name of its nominee (as pledgee or as sub-agent). Grantor will promptly give to the Collateral Agent copies of any material notices or other material communications received by it with respect to any Investment Property Collateral registered in the name of Grantor. Following the occurrence and during the continuance of an Event of Default, the Collateral Agent shall at all times have the right to exchange the certificates representing Investment Property Collateral for certificates of smaller or larger denominations for any purpose consistent with this Agreement.

(b) Unless an Event of Default exists, (i) Grantor shall be entitled to exercise any and all voting and other consensual rights (including, the right to give consents, waivers, and notifications in respect of any securities) pertaining to its Investment Property Collateral or any part thereof; provided, however, that without the prior written consent of the Collateral Agent and the Trustee obtained in accordance with the Indenture, no vote shall be cast or consent, waiver, or ratification given or action taken that would amend, modify, or waive any term, provision, or condition of the certificate of incorporation, bylaws, certificate of formation, or other charter document or other agreement relating to, evidencing or providing for the issuance of or securing any such Investment Property Collateral, in any manner that would materially impair such Investment Property Collateral, the transferability thereof, or the Collateral Agent's Liens therein, and (ii) Grantor shall be entitled to receive and retain any and all dividends, interest paid and other cash distributions in respect of any of such Investment Property Collateral (unless otherwise required by the Indenture).

---

15

(c) During the existence of an Event of Default, after delivery of notice to Grantor, (i) the Collateral Agent may exercise all voting and corporate rights at any meeting of any corporation, partnership, or other business entity issuing any of the Investment Property Collateral and the proceeds thereof (in cash or otherwise) held by the Collateral Agent hereunder, and any and all rights of conversion, exchange, subscription, or any other rights, privileges, or options pertaining to any of the Investment Property Collateral as if it were the absolute owner thereof, including, the right to exchange at its discretion any and all of the Investment Property Collateral upon the merger, consolidation, reorganization, recapitalization, or other readjustment of any Investment Property Issuer or upon the exercise by any such issuer or the Collateral Agent of any right, privilege, or option pertaining to any of the Investment Property Collateral, and in connection therewith, to deposit and deliver any and all of the Investment Property Collateral with any committee, depository, transfer agent, registrar, or other designated agency upon such terms and conditions as it may determine, all without liability except to account for property actually received by it, but the Collateral Agent shall have no duty to exercise any of the aforesaid rights, privileges, or options, and the Collateral Agent shall not be responsible for any failure to do so or delay in so doing, (ii) all rights of Grantor to exercise the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 4.5(b) and to receive the dividends, interest, and other distributions that it would otherwise be authorized to receive and retain thereunder shall be suspended until such Event of Default shall no longer exist or as the Collateral Agent shall otherwise specify, and all such rights shall, until such Event of Default shall no longer exist or as the Collateral Agent shall otherwise specify, thereupon become vested in the Collateral Agent which shall thereupon have the sole right, but no duty, to exercise such voting and other consensual rights and to receive and hold as Investment Property Collateral such dividends, interest, and other distributions, (iii) all dividends, interest, and other distributions which are received by Grantor contrary to the provisions of this Section 4.5(c) shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of Grantor and shall be forthwith paid over to the Collateral Agent as Collateral in the same form as so received (with any necessary endorsement), and (iv) Grantor shall execute and deliver (or cause to be executed and delivered) to the Collateral Agent all such proxies and other instruments as are necessary or that the Collateral Agent may reasonably request for the purpose of enabling the Collateral Agent to exercise the voting and other rights that it is entitled to exercise pursuant to this Section 4.5(c) and to receive the dividends, interest, and other distributions that it is entitled to receive and retain pursuant to this Section 4.5(c). The foregoing shall not in any way limit the Collateral Agent's power and authority granted pursuant to Section 7.4. After all Events of Default have been cured or waived and Grantor shall have delivered to the Collateral Agent certificates to that effect, the Collateral Agent shall promptly repay to Grantor (without interest) all dividends or other distributions that Grantor would otherwise be permitted to retain pursuant to the terms of Section 4.5(b) and that remain in such account.

(d) Grantor will cause or permit the Collateral Agent from time to time to cause the appropriate Investment Property Issuers (and, if held with a securities intermediary, such securities intermediary) of uncertificated securities or other types of Investment Property Collateral not represented by certificates to mark their books and records with the numbers and face amounts of all such uncertificated securities or other types of Investment Property Collateral not represented by certificates and all rollovers and replacements therefor to reflect the Lien of the Collateral Agent granted pursuant to this Agreement. Grantor will take any actions reasonably necessary to cause (i) the Investment Property Issuers of uncertificated

securities which are Investment Property Collateral, and (ii) any securities intermediary which is the holder of any Investment Property Collateral, to cause the Collateral Agent to have and retain Control over such Investment Property Collateral.

Section 4.6 Proprietary Rights.

(a) Grantor, either directly or through any agent, employee, licensee or designee, shall inform the Collateral Agent on an annual basis of each application for the registration of any material Proprietary Right constituting Collateral owned or licensed by Grantor or any of its Affiliates with the United States Patent and Trademark Office and the United States Copyright Office or any similar office or agency in any U.S. jurisdiction filed during the preceding year.

Section 4.7 Inventory. Grantor shall keep its Inventory constituting Collateral (other than returned or obsolete Inventory) in good and marketable condition, except for damaged or defective goods arising in the ordinary course of Grantor's business.

Section 4.8 Commercial Tort Claims. If Grantor shall at any time, acquire a Commercial Tort Claim constituting Collateral, the recovery from which could reasonably be expected to exceed \$1,000,000, Grantor shall promptly notify the Collateral Agent thereof in a writing, therein providing a reasonable description and summary thereof, and upon delivery thereof to the Collateral Agent, together with an Amendment as contemplated by Section 4.2(a)(iii), Grantor shall be deemed thereby to grant to the Collateral Agent a security interest in such Commercial Tort Claim.

Section 4.9 No Interference. Grantor agrees that it will not interfere with any right, power and remedy of the Collateral Agent provided for in this Agreement or now or hereafter existing at law or in equity or by statute or otherwise, or with the exercise or beginning of the exercise by the Collateral Agent of any one or more of such rights, powers or remedies.

Section 4.10 Insurance.

(a) Grantor shall maintain with financially sound and reputable insurers insurance that is reasonably consistent with prudent industry practice.

(b) For each of the insurance policies issued as required by this Section 4.10 with respect to Collateral, Grantor shall cause the Collateral Agent, for the benefit of the Secured Parties, to be named as an additional insured with respect to insurance policies for general liability for bodily injury and a lender loss payee for insurance policies for property damage. Certificates of insurance of such policies shall be delivered to the Collateral Agent and shall be in form reasonably satisfactory to the Majority Holders.

(c) Grantor shall promptly provide written notice to the Collateral Agent of any loss, damage, or destruction to the Collateral in excess of (A) \$2,500,000 if covered by insurance or (B) \$1,000,000 if not covered by insurance. During the existence of an Event of Default, the Collateral Agent is hereby authorized to directly collect all insurance proceeds in respect of Collateral and to apply such proceeds in accordance with Section 5.3.

(d) Unless Grantor provides the Collateral Agent with evidence of the insurance coverage on the Collateral required by this Section 4.10, the Collateral Agent may (but shall not be obligated to), upon sixty (60) days' prior notice, purchase insurance at Grantor's expense to protect the Collateral Agent's Lien on such Collateral. This insurance may, but need not, protect the interests of Grantor. The coverage that the Collateral Agent purchases may (but shall not be required to) pay any claim that Grantor makes or any claim that is made against Grantor in connection with said Collateral. Grantor may later cancel any insurance purchased by the Collateral Agent but only after providing the Collateral Agent and the Holders with evidence that Grantor has obtained insurance as required by this Agreement. If the Collateral Agent purchases such insurance, Grantor will be responsible for the costs of that insurance, including interest and any other reasonable charges the Collateral Agent may impose in connection with the placement of insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance shall be added to the Obligations. The costs of the insurance may be more than the cost of insurance that Grantor may be able to obtain on their own.

Section 4.11 Condemnation. Grantor shall, promptly upon learning of the institution of any proceeding for the condemnation or other taking of any of its property with a Fair Market Value in excess of \$1,000,000, notify the Collateral Agent of the pendency of such proceeding.

Section 4.12 Further Assurances.

(a) Grantor shall, at its own cost and expense, execute and deliver, or cause to be executed and delivered, to the Collateral Agent and/or the Trustee such documents and agreements, and shall take or cause to be taken such actions, as are necessary or that the Collateral Agent and/or the Trustee may, from time to time, reasonably request to carry out the terms and conditions of this Agreement and the other Indenture Documents. In addition, from time to time, Grantor will, at its cost and expense, promptly secure the Obligations by pledging or creating, or causing to be pledged or created, perfected Liens with respect to such of its assets and properties (other than Excluded Assets) as the Collateral Agent or the Trustee may designate. Upon the acquisition by Grantor of any After-Acquired Property (but subject to the limitations, if applicable, set forth herein or in the Indenture), Grantor shall execute and deliver such security instruments, mortgages (or the like), financing statements (or amendments to existing Security Documents and financing statements) and Officers' Certificates and Opinions of Counsel as shall be reasonably necessary to vest in the Collateral Agent a perfected Lien in such After-Acquired Property and to have such After-Acquired Property added to the Collateral and shall promptly deliver such Officers' Certificates and Opinions of Counsel as are customary in secured financing transactions in the relevant jurisdictions or as are reasonably requested by the Trustee or the Collateral Agent (subject to customary assumptions, exceptions and qualifications), and thereupon all provisions of this Agreement relating to the Collateral, shall be deemed to relate to such After-Acquired Property to the same extent and with the same force and effect. If any property or asset of the Issuer or any other Grantor originally deemed to be an Excluded Asset at any point ceases to be an Excluded Asset pursuant to such defined term, all or the applicable portion of such property or asset shall be deemed to be After-Acquired Property and shall be added to Collateral in accordance with the Indenture and this Agreement. Subject to Section 4.13 of the Indenture, such Liens will be created under security agreements, mortgages (or the like) and other instruments and documents in form reasonably satisfactory to the Collateral Agent, and Grantor shall deliver or cause to be delivered to the Collateral Agent and the Trustee all such instruments and documents (including Opinions of Counsel, Officers' Certificates, title insurance policies and lien searches) as are necessary or that the Collateral Agent shall reasonably request to evidence compliance with this Section 4.12(a). Grantor shall furnish to the Collateral Agent each year at the time of delivery of the annual report required to be delivered by the Issuer pursuant to Section 4.02(a) of the Indenture, an Officer's Certificate setting forth the information required pursuant to the Perfection Certificate or confirming that there has been no change in such information since the Effective Date or the date of the most recent certificate delivered pursuant to Section 4.1(e) or this Section 4.12(a).

Section 4.13 Post-Closing Obligations. Grantor shall deliver the documents and take the actions specified on Schedule 4.13 as promptly as practicable following the date of this Agreement, but in any event no later than the times prescribed therein.

## ARTICLE V REMEDIES

### Section 5.1 Remedies.

(a) If an Event of Default has occurred and is continuing:

(i) the Collateral Agent may exercise those rights and remedies provided in this Agreement, the Indenture or any other Indenture Document; provided that this Section 5.1(a) shall not be understood to limit any rights available to the Collateral Agent, the Trustee, the Holders of the Securities or any other Secured Party prior to an Event of Default;

(ii) the Collateral Agent shall have, for the benefit of the Secured Parties, in addition to all other rights of the Collateral Agent and the Trustee, the rights and remedies of a secured party under the UCC (whether or not the UCC applies to the affected Collateral) or under any other applicable law when a debtor is in default under a security agreement;

(iii) the Collateral Agent may, at any time, take possession of the Collateral and keep it on any of Grantor's premises, at no cost to the Collateral Agent, the Trustee or any other Secured Party, or remove any part of it to such other place or places as the Collateral Agent may desire, or Grantor shall, upon the Collateral Agent's demand, at Grantor's cost, assemble the Collateral and make it available to the Collateral Agent at a place reasonably convenient to the Collateral Agent;

(iv) the Collateral Agent may sell and deliver any Collateral at public or private sales, for cash, upon credit, or otherwise, at such prices and upon such terms as the Collateral Agent deems advisable, in its sole discretion, and may, if the Collateral Agent deems it reasonable, postpone or adjourn any sale of the Collateral by an announcement at the time and place of sale or of such postponed or adjourned sale without giving a new notice of sale; provided that, in connection with any such sale of Collateral, the Collateral Agent shall use its reasonable commercial efforts to maintain the confidentiality of any proprietary information of Grantor (consistent with the confidentiality obligations of the Holders of the Securities as required by the Indenture Documents).

(v) the Collateral Agent may give notice of sole control or any other instruction under any Account Control Agreement and take any action provided therein with respect to the applicable Collateral;

(vi) the Collateral Agent may, concurrently with or following written notice to Grantor, transfer and register in its name or in the name of its nominee the whole or any part of the Investment Property Collateral, exchange certificates or instruments representing or evidencing Investment Property Collateral for certificates or instruments of smaller or larger denominations, exercise the voting and all other rights as a holder with respect thereto, collect and receive all cash dividends, interest, principal and other distributions made thereon and otherwise act with respect to the Investment Property Collateral as though the Collateral Agent was the outright owner thereof.

(b) Without in any way requiring notice to be given in the following manner, Grantor agrees that any notice by the Collateral Agent of a sale, disposition, or other intended action hereunder or in connection herewith, whether required by the UCC or otherwise, shall constitute reasonable notice to Grantor if such notice is mailed by registered or certified mail, return receipt requested, postage prepaid, or is delivered personally against receipt, at least five (5) Business Days prior to such action to Grantor's address specified in or pursuant to Section 8.1.

(c) If any Collateral is sold on terms other than payment in full at the time of sale, no credit shall be given against the Obligations until the Collateral Agent receives payment, and if the buyer defaults in payment, the Collateral Agent may resell the Collateral without further notice to Grantor.

(d) In the event the Collateral Agent seeks to take possession of all or any portion of the Collateral by judicial process, Grantor irrevocably waives: (i) the posting of any bond, surety, or security with respect thereto that might otherwise be required; (ii) any demand for possession prior to the commencement of any suit or action to recover the Collateral; and (iii) any requirement that the Collateral Agent retain possession and not dispose of any Collateral until after trial or final judgment.

(e) If an Event of Default occurs and is continuing, Grantor hereby waives all rights to a hearing prior to the exercise by the Collateral Agent of the Collateral Agent's rights to repossess the Collateral without judicial process or to replevy, attach, or levy upon the Collateral.

(f) Grantor acknowledges and agrees that the Collateral Agent has no obligation to preserve rights to the Collateral or marshal any Collateral for the benefit of any Person.

(g) Grantor acknowledges and agrees that the compliance by the Collateral Agent, on behalf of the Secured Parties, with any applicable state or federal law requirements may be required in connection with a disposition of the Collateral and such compliance will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(h) The Collateral Agent shall have the right upon any public sale or sales and, to the extent permitted by law, upon any private sale or sales, to purchase for the benefit of the Collateral Agent and the other Secured Parties, the whole or any part of the Collateral so sold, free of any right of equity redemption, which equity redemption Grantor hereby expressly releases.

(i) Until the Collateral Agent is able to effect a sale, lease, transfer or other disposition of Collateral, the Collateral Agent shall have the right, but no duty or obligation, to hold or use Collateral, or any part thereof, to the extent that it deems appropriate for the purpose of preserving Collateral or the value of the Collateral, or for any other purpose deemed appropriate by the Collateral Agent. The Collateral Agent may, if it so elects, but

shall have no obligation to, seek the appointment of a receiver or keeper to take possession of Collateral and to enforce any of the Collateral Agent's remedies (for the benefit of the Collateral Agent and Secured Parties), with respect to such appointment without prior notice or hearing as to such appointment.

(j) Grantor recognizes that the Collateral Agent may be unable to effect a public sale of any or all of the Collateral consisting of securities to be sold by reason of certain prohibitions contained in the laws of any jurisdiction outside the United States or in applicable federal or state securities laws but may be compelled to resort to one or more private sales thereof to a restricted group of purchasers who will be obliged to agree, among other things, to acquire such Collateral or other property to be sold for their own account for investment and not with a view to the distribution or resale thereof. Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable to the seller than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall, to the extent permitted by law, be deemed to have been made in a commercially reasonable manner. Unless required by a Requirement of Law, the Collateral Agent shall not be under any obligation to delay a sale of any of the Collateral or other property to be sold for the period of time necessary to permit the issuer of any relevant securities to register such securities under the laws of any jurisdiction outside the United States or under any applicable federal or state securities laws, even if such issuer would agree to do so. Grantor further agrees to do or cause to be done, at its own cost and expense, to the extent that Grantor may do so under Requirements of Law, all such other acts and things as may be necessary to make such sales or resales of any portion or all of the Collateral or other property to be sold valid and binding and in compliance with any and all Requirements of Law at Grantor's expense.

21

(k) Any remedy or enforcement action to be taken hereunder by the Collateral Agent with respect to the Collateral shall be at the written direction of the Trustee (acting pursuant to the direction of the Majority Holders pursuant to the Indenture).

Section 5.2 Grant of Intellectual Property License. Effective only upon the occurrence and during the continuance of an Event of Default, for the purpose of enabling the Collateral Agent to exercise the rights and remedies under this Article V at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, Grantor hereby grants to the Collateral Agent a non-exclusive license or other right to use, without charge, Grantor's labels, patents, copyrights, name, trade secrets, trade names, trademarks, and advertising matter, or any similar property, to the extent constituting Collateral in completing production of, advertising or selling any Collateral, and, subject to the rights of any licensor or franchisor under such agreements and to the extent not in violation of such agreements, Grantor's rights under all licenses and all franchise agreements shall inure to the Collateral Agent's benefit for such purpose.

Section 5.3 Application of Proceeds. The Collateral Agent shall apply the proceeds of any collection, sale, foreclosure or other realization upon any Collateral, as well as any Collateral consisting of cash, as follows:

FIRST, to the payment of all actual, reasonable and documented costs and expenses incurred by the Collateral Agent (in its capacity as such hereunder or under the Indenture or any other Indenture Document) and the Trustee in connection with such collection, sale, foreclosure or realization or reasonable costs, expenses, claims or liabilities of the Collateral Agent or the Trustee otherwise relating to or arising in connection with this Agreement, the Indenture or any other Indenture Document or any of the Obligations, including all court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent or the Trustee hereunder or under the Indenture or any other Indenture Document on behalf of Grantor, any other reasonable costs or expenses incurred by the Collateral Agent or the Trustee in connection with the exercise of any remedy hereunder or under the Indenture or any other Indenture Document, and any indemnification of the Collateral Agent and the Trustee required by the terms hereunder, under the Indenture or any other Indenture Document;

SECOND, to the Trustee for distribution in accordance with the priorities set forth in Section 6.10 of the Indenture.

Except as otherwise provided herein, the Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

## ARTICLE VI CONCERNING THE COLLATERAL AGENT

### Section 6.1 Reliance by Collateral Agent: Indemnity Against Liabilities, etc.

(a) Whenever in the performance of its duties under this Agreement or any other Indenture Document, the Collateral Agent shall deem it necessary or desirable that a matter be proved or established with respect to Grantor or any other Person in connection with the taking, suffering or omitting of any action hereunder by the Collateral Agent, such matter may be conclusively deemed to be proved or established by a certificate executed by an Officer of such Person, including an Officers' Certificate or an Opinion of Counsel, and the Collateral Agent shall have no liability with respect to any action taken, suffered or omitted in reliance thereon. The Collateral Agent may at any time solicit written confirmatory instructions, including a direction of the Trustee or Grantor or an order of a court of competent jurisdiction as to any action that it may be requested or required to take or that it may propose to take in the performance of any of its obligations under this Agreement or any other Indenture Document and shall be fully justified in failing or refusing to act hereunder or under any other Indenture Document until it shall have received such requisite instruction.

(b) The Collateral Agent shall be fully protected in relying upon any note, writing, affidavit, electronic communication, fax, resolution, statement, certificate, instrument, opinion, report, notice (including any notice of an Event of Default or of the cure or waiver thereof), request, consent, order or other paper or document or oral conversation (including, telephone conversations) that it in good faith believes to be genuine and correct and to have been signed, presented or made by the proper party. The Collateral Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any notice, certificate or opinion furnished to the Collateral Agent in connection with this Agreement or any other Indenture Document and upon advice and statements of legal counsel (including counsel to Grantor, independent accountants and other agents consulted by the Collateral Agent).

Section 6.2 Exercise of Remedies. The remedies of the Collateral Agent hereunder and under the other Security Documents shall include the disposition of the Collateral by foreclosure or other sale and the exercising of all remedies of a secured lender under the UCC, bankruptcy laws or similar laws of any applicable jurisdiction.

Section 6.3 Authorized Investments. Any and all funds held by the Collateral Agent in its capacity as Collateral Agent, whether pursuant to any provision hereof or of any other Security Document or otherwise, shall, to the extent reasonably practicable following receipt by the Collateral Agent from Grantor of specific written instructions in form and substance reasonably satisfactory to the Collateral Agent delivered to the Collateral Agent at least three (3) Business Days prior to the proposed investment, be invested by the Collateral Agent within a reasonable time in the Cash Equivalents identified in such written instructions. Any interest earned on such funds shall be disbursed (i) during an Event of Default, in accordance with Section 5.3 and (ii) at all other times, as Grantor shall direct. To the extent that the interest rate payable with respect to any such account varies over time, the Collateral Agent may use an average interest rate in making the interest allocations among the respective Secured Parties. In the absence of gross negligence or willful misconduct as determined by a final non-appealable order of a court of competent jurisdiction, the Collateral Agent shall not be responsible for any investment losses in respect of any funds invested in accordance with this Section 6.3. The Collateral Agent shall have no duty or obligation regarding the reinvestment of any such funds in the absence of updated written instructions from Grantor in form and substance reasonably satisfactory to the Collateral Agent.

Section 6.4 Bankruptcy Proceedings. The following provisions shall apply during any Bankruptcy Proceeding of Grantor:

(a) The Collateral Agent shall represent all Secured Parties in connection with all matters directly relating to the Collateral, including, any use, sale or lease of Collateral, use of cash collateral, request for relief from the automatic stay and request for adequate protection.

(b) Each Secured Party shall be free to act independently on any issue not affecting the Collateral. Each Secured Party shall give prior notice to the Collateral Agent of any such action that could materially affect the rights or interests of the Collateral Agent or the other Secured Parties to the extent that such notice is reasonably practicable. If such prior notice is not given, such Secured Party shall give prompt notice following any action taken hereunder.

(c) Any proceeds of the Collateral received by any Secured Party as a result of, or during, any Bankruptcy Proceeding will be delivered promptly to the Collateral Agent for distribution in accordance with Section 5.3.

**ARTICLE VII  
COLLATERAL AGENT AND TRUSTEE RIGHTS, DUTIES AND  
LIABILITIES; ATTORNEY IN FACT; PROXY**

Section 7.1 The Collateral Agent's and the Trustee's Rights, Duties, and Liabilities.

(a) Grantor assumes all responsibility and liability arising from or relating to the use, maintenance, storage, sale, collection, foreclosure, realization on, conveyance or other disposition of or involving the Collateral. The Obligations shall not be affected by any failure of Grantor, the Collateral Agent or the Trustee to take any steps to perfect the Collateral Agent's Liens or to collect or realize upon the Collateral, nor shall loss of or damage to the Collateral release Grantor from any of the Obligations. Following the occurrence and during the continuation of an Event of Default, the Collateral Agent may (but shall not be required to), and at the direction of the Trustee (acting in accordance with the instructions of the Majority Holders pursuant to the Indenture) shall, subject to the terms of the Indenture, without notice to or consent from Grantor sue upon or otherwise collect, extend the time for payment of, modify or amend the terms of, compromise or settle for cash, credit or otherwise upon any terms, grant other indulgences, extensions, renewals, compositions or releases, and take or omit to take any other action with respect to the Collateral, any security therefor, any agreement relating thereto, any insurance applicable thereto, or any Person liable directly or indirectly in connection with any of the foregoing, without discharging or otherwise affecting the liability of Grantor for the Obligations or under the Indenture, any other Indenture Document or any other agreement now or hereafter existing between any Secured Party and Grantor.

---

24

(b) It is expressly agreed by Grantor that, anything herein to the contrary notwithstanding, Grantor shall remain liable under each of its contracts and each of its licenses to observe and perform all the conditions and obligations to be observed and performed by it thereunder. Neither the Collateral Agent nor the Trustee shall have any obligation or liability under any contract or license by reason of or arising out of this Agreement or the granting herein of a Lien thereon or the receipt by the Collateral Agent or the Trustee of any payment relating to any contract or license pursuant hereto that is applied as required herein. Neither the Collateral Agent nor the Trustee shall be required or obligated in any manner to perform or fulfill any of the obligations of Grantor under or pursuant to any contract or license, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any contract or license, or to present or file any claims, or to take any action to collect or enforce any performance or the payment of any amounts that may have been assigned to it or to which it may be entitled at any time or times.

Section 7.2 Right to Cure. The Collateral Agent may (but shall not be required to) in its reasonable discretion pay any reasonable amount or do any reasonable act required of Grantor hereunder or under any other Indenture Document in order to preserve, protect, maintain or enforce the Obligations, the Collateral or the Collateral Agent's Liens therein, and which Grantor fails to timely pay or do, including payment of any judgment against Grantor, insurance premium, any warehouse charge, any finishing or processing charge, any landlord's or bailee's claim, and any other Lien upon or with respect to the Collateral. All payments that the Collateral Agent makes under this Section 7.2 and all actual, reasonable and documented out-of-pocket costs and expenses that the Collateral Agent pays or incurs in connection with any action taken by it hereunder shall be promptly reimbursed by Grantor. Any payment made or other action taken by the Collateral Agent under this Section 7.2 shall be without prejudice to any right to assert an Event of Default hereunder and to proceed thereafter as herein provided.

Section 7.3 Confidentiality.

(a) The Collateral Agent, accompanied by the Trustee if the Trustee so elects, may upon reasonable advance notice and at reasonable times during regular business hours, and at any time when an Event of Default exists, have access to, examine, audit, make extracts from or copies of, and inspect any or all of Grantor's records, files and books of account and the Collateral, and discuss Grantor's affairs with Grantor's officers and senior management. In furtherance of the foregoing, Grantor will deliver to the Collateral Agent any instrument reasonably necessary for the Collateral Agent to obtain records from any service bureau maintaining records for Grantor. The Collateral Agent may, and at the direction of the Trustee shall, at any time when an Event of Default exists, and at Grantor's expense, make copies of all of Grantor's books and records, or require Grantor to deliver such copies to the Collateral Agent. Upon reasonable request to senior management of Grantor, the Collateral Agent may, without expense to the Collateral Agent, use such of Grantor's personnel, supplies and premises as may be reasonably necessary for maintaining or enforcing the Collateral Agent's Liens. The Collateral Agent shall have the right (but not the obligation), upon the occurrence and during the continuance of an Event of Default, in the Collateral Agent's name or in the name of a nominee of the Collateral Agent, to verify the validity, amount or any other matter relating to the Collateral by mail, telephone or otherwise.

(b) The Collateral Agent, in its individual capacity and as Collateral Agent, and the Trustee, in its individual capacity and as Trustee, agree and acknowledge that all information provided to the Collateral Agent or the Trustee by Grantor may be considered to be proprietary and confidential information ("Confidential Information"). Each of the Trustee and the Collateral Agent agrees to take all reasonable precautions necessary to keep such information confidential, which precautions shall be no less stringent than those that the Collateral Agent and the Trustee, as applicable, employs to protect its own confidential information. Each of the Collateral Agent and the Trustee shall not disclose to any third party other than as set forth herein, and shall not use for any purpose other than the exercise of the Collateral Agent's and the Trustee's rights and the performance of its respective obligations under this Agreement, any such information without the prior written consent of Grantor, as applicable. Each of the Collateral Agent and the Trustee shall limit access to such information received hereunder to (a) its directors, officers, managers and employees and (b) its legal advisors, to each of whom disclosure of such information is necessary for the purposes described above; provided, however, that in each case such party has expressly agreed to maintain such information in confidence under terms and conditions substantially identical to the terms of this Section 7.3(b).

(c) Each of the Collateral Agent and the Trustee agree that, unless otherwise provided hereunder or under the Indenture, Grantor does not have any responsibility whatsoever for any reliance on Confidential Information by the Collateral Agent or the Trustee or by any Person to whom such information is disclosed in connection with this Agreement, whether related to the purposes described above or otherwise. Without limiting the generality of the foregoing, each of the Collateral Agent and the Trustee agrees that Grantor makes no representation or warranty whatsoever to it with respect to Confidential Information or its suitability for such purposes. Each of the Collateral Agent and the Trustee further agrees that it shall not acquire any rights against Grantor or any employee, officer, director, manager, representative or agent of Grantor (collectively, "Confidential Parties") as a result of the disclosure of Confidential Information to the Trustee and that no Confidential Party has any duty, responsibility, liability or obligation to any Person as a result of any such disclosure.

(d) In the event the Collateral Agent or the Trustee is required to disclose any Confidential Information received hereunder in order to comply with any laws, regulations or court orders, it may disclose Confidential Information only to the extent necessary for such compliance; provided, however, that it shall give Grantor reasonable advance written notice of any such court proceeding in which such disclosure may be required pursuant to a court order so as to afford Grantor full and fair opportunity to oppose the issuance of such order and to appeal therefrom and shall cooperate reasonably with Grantor, as applicable, in opposing such order and in securing confidential treatment of any Confidential Information to be disclosed and/or obtaining a protective order narrowing the scope of such disclosure.

Section 7.4 Power of Attorney. Grantor, as to itself, hereby appoints the Collateral Agent and the Collateral Agent's designee as Grantor's attorney, with power upon the occurrence and during the continuance of an Event of Default: (a) to endorse Grantor's name on any checks, notes, acceptances, money orders, or other forms of payment or security relating to any Collateral that come into the Collateral Agent's or any other Secured Parties' possession; (b) to sign Grantor's name on any invoice, bill of lading, warehouse receipt, or other document of title relating to any Collateral, on drafts against customers, on assignments of Accounts, on notices of assignment, financing statements, and other public records and to file any such financing statements by electronic means with or without a signature as authorized or required by applicable law or filing procedure; (c) to send requests for verification of Accounts to customers or Account Debtors, in each case relating to any Collateral; (d) to clear Inventory relating to any Collateral through customs in Grantor's name, the Collateral Agent's name, or the name of the Collateral Agent's designee, and to sign and deliver to customs officials powers of attorney in Grantor's name for such purpose; and (e) to do all things the Collateral Agent reasonably determines are necessary to carry out the security interest provisions of the Indenture and the provisions of this Agreement. Grantor ratifies and approves all acts of such attorney. Notwithstanding anything in this Agreement or any other Indenture Document to the contrary, none of the Trustee, the Collateral Agent, or their attorneys, employees or Affiliates will be liable for any acts or omissions or for any error of judgment or mistake of fact or law other than any such liability arising from any such Person's gross negligence or willful misconduct, as finally determined by a court of competent jurisdiction.

Section 7.5 Proxy. CONSISTENT WITH AND SUBJECT TO THE LIMITATIONS IN SECTION 4.5(b), GRANTOR HEREBY IRREVOCABLY CONSTITUTES AND APPOINTS THE COLLATERAL AGENT AS ITS PROXY AND ATTORNEY-IN-FACT (AS SET FORTH IN SECTION 7.4) WITH RESPECT TO THE INVESTMENT PROPERTY COLLATERAL, INCLUDING THE RIGHT TO VOTE SUCH INVESTMENT PROPERTY, WITH FULL POWER OF SUBSTITUTION TO DO SO. IN ADDITION TO THE RIGHT TO VOTE ANY SUCH INVESTMENT PROPERTY, THE APPOINTMENT OF THE COLLATERAL AGENT AS PROXY AND ATTORNEY-IN-FACT SHALL INCLUDE THE RIGHT TO EXERCISE ALL OTHER RIGHTS, POWERS, PRIVILEGES AND REMEDIES TO WHICH A HOLDER OF SUCH INVESTMENT PROPERTY WOULD BE ENTITLED (INCLUDING GIVING OR WITHHOLDING WRITTEN CONSENTS OF SHAREHOLDERS, CALLING SPECIAL MEETINGS OF SHAREHOLDERS AND VOTING AT SUCH MEETINGS). SUBJECT TO SECTION 4.5(b), SUCH PROXY SHALL BE EFFECTIVE, AUTOMATICALLY AND WITHOUT THE NECESSITY OF ANY ACTION (INCLUDING ANY TRANSFER OF ANY SUCH INVESTMENT PROPERTY ON THE RECORD BOOKS OF THE ISSUER THEREOF) BY ANY PERSON (INCLUDING THE INVESTMENT PROPERTY ISSUER OR ANY OFFICER OR AGENT THEREOF), UPON THE OCCURRENCE AND DURING THE CONTINUANCE OF AN EVENT OF DEFAULT.

Section 7.6 Nature of Appointment; Limitation of Duty. THE APPOINTMENT OF THE COLLATERAL AGENT AS PROXY AND ATTORNEY-IN-FACT IN THIS ARTICLE VII IS COUPLED WITH AN INTEREST AND SHALL BE IRREVOCABLE UNTIL THE DATE ON WHICH THIS AGREEMENT IS TERMINATED IN ACCORDANCE WITH SECTION 8.12. NOTWITHSTANDING ANYTHING CONTAINED IN THIS AGREEMENT OR IN ANY OTHER INDENTURE DOCUMENT, NONE OF THE COLLATERAL AGENT, ANY OTHER SECURED PARTY OR ANY OF THEIR RESPECTIVE AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS OR REPRESENTATIVES SHALL HAVE ANY DUTY TO EXERCISE ANY RIGHT OR POWER GRANTED HEREUNDER OR OTHERWISE OR TO PRESERVE THE SAME AND SHALL NOT BE LIABLE FOR ANY FAILURE TO DO SO OR FOR ANY DELAY IN DOING SO, EXCEPT TO THE EXTENT SUCH DAMAGES ARE ATTRIBUTABLE TO THEIR OWN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT AS FINALLY DETERMINED BY A COURT OF COMPETENT JURISDICTION; PROVIDED THAT IN NO EVENT SHALL THEY BE LIABLE FOR ANY PUNITIVE, EXEMPLARY, INDIRECT OR CONSEQUENTIAL DAMAGES.

Section 7.7 Additional Matters Relating to the Collateral Agent.

(a) U.S. Bank National Association shall initially act as Collateral Agent for the Secured Parties and shall be authorized to appoint co-collateral agents as necessary in its sole discretion. U.S. Bank National Association, as Collateral Agent, is authorized and directed to (i) enter into the Indenture Documents, (ii) bind the Secured Parties on the terms as set forth in the Indenture Documents and (iii) perform and observe its obligations

under the Indenture Documents.

(b) The rights, duties, liabilities and immunities of the Collateral Agent and its appointment, resignation and replacement hereunder and under the Indenture and the other Indenture Documents shall be governed by this Agreement, Article 11 of the Indenture and the relevant provisions contained in the other Indenture Documents. Without limiting the foregoing, the rights, privileges, protections and benefits given to the Collateral Agent under the Indenture are extended to, and shall be enforceable by, the Collateral Agent in connection with the execution, delivery and administration of this Agreement and the other Indenture Documents and any action taken or omitted to be taken by the Collateral Agent in connection with its appointment and performance under this Agreement and the other Indenture Documents to which it is a party.

(c) The Collateral Agent undertakes to perform or to observe only such of its agreements and obligations as are specifically set forth in this Agreement, the Indenture and the other Indenture Documents, and no implied agreements, covenants or obligations with respect to Grantor or any Affiliate of Grantor, any Secured Party or any other party shall be read into this Agreement against the Collateral Agent. The Collateral Agent in its capacity as such is not a fiduciary of and shall not owe or be deemed to owe any fiduciary duty to Grantor or any Related Person of Grantor.

(d) None of the Collateral Agent, the Trustee or any of their respective officers, directors, employees, agents, attorneys-in-fact or Related Persons shall be responsible or liable in any manner (i) to Grantor or any of its Related Persons for any action taken or omitted to be taken by it under or in connection with this Agreement in compliance herewith, (i) to any Secured Party or any other Person for any recitals, statements, representations, warranties, covenants or agreements contained in this Agreement or in any other Indenture Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Collateral Agent under or in connection with, this Agreement or any other Indenture Document, (iii) to any Secured Party or any other Person for the validity, effectiveness, adequacy, genuineness or enforceability of this Agreement or any other Indenture Document, or any Lien purported to be created hereunder or under any other Indenture Document, (iv) to any Secured Party or any other Person for the validity or sufficiency of the Collateral or the validity of the title of Grantor to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral or (v) to any Secured Party or other Person for any failure of Grantor to perform its obligations hereunder or to perform any of the Obligations.

(e) Notwithstanding anything to the contrary contained in this Agreement, (i) in no event shall the Trustee or the Collateral Agent be responsible for or have any obligation, duty or liability with respect to the creation, perfection, priority, maintenance, protection or enforcement of any Lien on, security interest in, pledge or other encumbrance involving or relating to the Collateral or any other assets, properties or rights of Grantor, (ii) neither the Trustee nor the Collateral Agent shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any Liens in the Collateral and (iii) neither the Trustee nor the Collateral Agent shall be under any obligation to any Person to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or to inspect the properties or records of Grantor. The permissive rights of the Collateral Agent to do things enumerated in this Agreement shall not be construed as a duty or obligation. The Collateral Agent may rely conclusively on any Opinions of Counsel rendered to the Collateral Agent under the Indenture in determining any necessary or desirable actions under this Agreement. Notwithstanding anything to the contrary herein, the Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under the UCC or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account and the Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which comparable secured parties accord comparable collateral. Neither the Collateral Agent nor the Trustee shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof.

(g) Grantor agrees that it shall upon demand pay to the Collateral Agent and any other Secured Party the amount of any and all actual, reasonable and documented out-of-pocket fees, costs and expenses (including the reasonable out-of-pocket fees and expenses of their respective counsel, any special consultants reasonably engaged (and, unless an Event of Default exists, engaged with the prior written consent of Grantor) and any local counsel who might reasonably be retained by the Collateral Agent or any other Secured Party, as the case may be, in connection with the transactions contemplated hereby) that the Collateral Agent or any other Secured Party, as the case may be, may incur in connection with (i) any Event of Default, including the sale, lease, license or other disposition of, collection from, or other realization upon, any of the Collateral pursuant to the exercise or enforcement of any of their respective rights hereunder, (ii) the exercise of their respective rights under this Agreement or under any other Indenture Document, including the custody, preservation, use or operation of, or the sale of, any of the Collateral, (iii) performance by the Collateral Agent of any obligations of Grantor that Grantor has failed or refused to perform with respect to the Collateral, (iv) bankruptcy, insolvency, receivership, foreclosure, winding up or liquidation proceedings and defending or asserting rights and claims of the Collateral Agent in respect thereof, by litigation or otherwise, including expenses of insurance, or (v) the execution and delivery and administration of this Agreement and the other Indenture Documents and, any agreement supplemental hereto or thereto, and any instruments of amendment, waiver, further assurance, release or termination, including with respect to the termination and/or release of any or all of the Liens in the Collateral provided for in this Agreement and the other Security Documents.

(h) Grantor shall pay on demand all filing, registration and recording fees or re-filing, re-registration and re-recording fees, and all federal, state, county and municipal stamp taxes and other similar taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Agreement, the Indenture, the other Indenture Documents and any agreement supplemental hereto or thereto and any instruments of further assurance or termination.

(i) Except for action expressly provided for herein and in the other Indenture Documents, the Collateral Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement or any other Indenture Document at the request, order or direction of any Secured Party pursuant to the provisions of the Indenture or any other Indenture Document, unless such Secured Party shall have offered to the Collateral Agent security or indemnity satisfactory to the Collateral Agent against the costs, expenses and liabilities that may be incurred by it in compliance with such request, order or direction.

It is accepted and acknowledged by the parties hereto that any Co-Collateral Agent appointed in accordance with Section 7.7(a) and this Section 7.8 shall be entitled to the payment of its fees and expenses as agreed to by Grantor, and without limitation of any of the other provisions of this Agreement, shall be deemed to be an indemnified party under Section 8.16 with respect to any liability arising under this Agreement or the other Indenture Documents without need for further act by Grantor.

Notwithstanding the foregoing, notices to the Collateral Agent shall only be effective upon actual receipt.

Section 8.2 Waiver of Notices. Unless otherwise expressly provided herein, Grantor hereby waives presentment, demand, protest or notice (to the maximum extent permitted by applicable law) of any kind in connection with this Agreement or any Collateral.

Section 8.3 Limitation on Collateral Agent's and Other Secured Parties' Duty with Respect to the Collateral. The Collateral Agent shall have no obligation to clean up or otherwise prepare the Collateral for sale. The Collateral Agent and each other Secured Party shall use reasonable care with respect to the Collateral in its possession or under its control. Neither the Collateral Agent nor any other Secured Party shall have any other duty as to any Collateral in its possession or control or in the possession or control of any agent or nominee of the Collateral Agent or such other Secured Party, or any income thereon (other than to account for proceeds therefrom) or as to the preservation of rights against prior parties or any other rights pertaining thereto. To the extent that applicable law imposes duties on the Collateral Agent to exercise remedies in a commercially reasonable manner, and to the extent permitted by applicable law, Grantor acknowledges and agrees that it would be commercially reasonable for the Collateral Agent (a) to fail to incur expenses deemed significant by the Collateral Agent to prepare Collateral for disposition or otherwise to transform raw material or work in process into finished goods or other finished products for disposition, (b) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (c) to fail to exercise collection remedies against Account Debtors or other Persons obligated on Collateral or to remove Liens on or any adverse claims against Collateral, (d) to exercise collection remedies against Account Debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (e) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (f) to contact other Persons, whether or not in the same business as Grantor, for expressions of interest in acquiring all or any portion of such Collateral, (g) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the Collateral is of a specialized nature, (h) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets, (i) to dispose of assets in wholesale rather than retail markets, (j) to disclaim disposition warranties, such as title, possession or quiet enjoyment, (k) to purchase insurance or credit enhancements to insure the Collateral Agent against risks of loss, collection or disposition of Collateral or to provide to the Collateral Agent a guaranteed return from the collection or disposition of Collateral, or (l) to the extent deemed appropriate by the Collateral Agent, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Collateral Agent in the collection or disposition of any of the Collateral. Grantor acknowledges that the purpose of this Section 8.3 is to provide non-exhaustive indications of what actions or omissions by the

Collateral Agent would be commercially reasonable in the Collateral Agent's exercise of remedies against the Collateral and that other actions or omissions by the Collateral Agent shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 8.3. Without limitation upon the foregoing, nothing contained in this Section 8.3 shall be construed to grant any rights to Grantor or to impose any duties on the Collateral Agent that would not have been granted or imposed by this Agreement or by applicable law in the absence of this Section 8.3.

Section 8.4 Compromises and Collection of Collateral. Grantor and the Collateral Agent recognize that setoffs, counterclaims, defenses and other claims may be asserted by obligors with respect to certain of the Accounts constituting Collateral, that certain of the Accounts constituting Collateral may be or become uncollectible in whole or in part and that the expense and probability of success in litigating a disputed Account may exceed the amount that reasonably may be expected to be recovered with respect to an Account. In view of the foregoing, Grantor agrees that the Collateral Agent may at any time and from time to time if an Event of Default has occurred and is continuing compromise with the obligor on any Account constituting Collateral, accept in full payment of any Account constituting Collateral such amount as the Collateral Agent in its sole discretion shall determine or abandon any Account, constituting Collateral and any such action by the Collateral Agent shall be commercially reasonable so long as the Collateral Agent acts in good faith based on information known to it at the time it takes any such action.

Section 8.5 Specific Performance of Certain Covenants. Grantor acknowledges and agrees that a breach of any of the covenants contained in Sections 4.2(a), 4.5, 4.6, 4.7, 4.8, 4.10, 4.12, 5.1(j), 7.3(a), 7.6, 8.16 and 8.17, will cause irreparable injury to the Collateral Agent and the other Secured Parties and that the Collateral Agent and the other Secured Parties have no adequate remedy at law in respect of such breaches, and Grantor therefore agrees, without limiting the right of the Collateral Agent or the other Secured Parties to seek and obtain specific performance of other obligations of Grantor contained in this Agreement, that the covenants of Grantor contained in the Sections referred to in this Section 8.5 shall be specifically enforceable against Grantor.

Section 8.6 Cumulative Remedies; No Prior Recourse to Collateral. The enumeration herein of the Collateral Agent's and the Trustee's rights and remedies is not intended to be exclusive, and such rights and remedies are in addition to and not by way of limitation of any other rights or remedies that the Collateral Agent and the Trustee may have under the UCC, other applicable law or the other Indenture Documents. The Collateral Agent and the Trustee shall have the right, in their sole discretion, to determine which rights and remedies are to be exercised and in which order. The exercise of one right or remedy shall not preclude the exercise of any others, all of which shall be cumulative. The Collateral Agent and the Trustee may, without limitation, proceed directly against any Person liable therefor to collect the Obligations without any prior recourse to the Collateral. No failure to exercise and no delay in exercising, on the part of the Collateral Agent or the Trustee, any right, remedy, power, or privilege hereunder, shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

Section 8.7 Limitation by Law; Severability of Provisions. All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that they shall not render this Agreement invalid, unenforceable or not entitled to be recorded or registered, in whole or in part. The illegality or unenforceability of any provision of this Agreement or any instrument or agreement required hereunder shall not in any way affect or impair the legality or enforceability of the remaining provisions of this Agreement or any instrument or agreement required hereunder.

Section 8.8 Reinstatement. This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against Grantor for liquidation or reorganization, should Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of Grantor's assets. This Agreement shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any such payment, or any part thereof, is rescinded, reduced, restored or returned, the Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

Section 8.9 Binding Effect. The provisions of this Agreement shall be binding upon and inure to the benefit of the respective representatives, successors, and permitted assigns of the parties hereto; provided, however, Grantor shall not assign or delegate any of its rights or duties hereunder without the prior written consent of the Collateral Agent and the Trustee (other than pursuant to a transaction permitted under the Indenture), and any attempted assignment without such consent shall be null and void. The rights and benefits of the Collateral Agent and the Trustee hereunder shall, if such Persons so agree, inure to any party acquiring any interest in the Obligations or any part thereof in accordance with the terms hereof or of the Indenture.

Section 8.10 Survival of Representations. All covenants, agreements, representations and warranties made by Grantor in the Indenture Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Indenture Document shall be considered to have been relied upon by the Secured Parties and shall survive the execution and delivery of the Indenture Documents and the purchase of the Securities by the Purchasers, regardless of any investigation made by any Secured Party or on its behalf and notwithstanding that the Collateral Agent, the Trustee or any other Secured Party may have had notice or knowledge of any Default or incorrect representation or warranty and shall continue in full force and effect as long as any Obligation (except for contingent obligations and cost and reimbursement obligations to the extent no claim has been made) remains unpaid. Notwithstanding anything to the contrary set forth herein, the provisions of Section 8.16 and Section 8.17 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Securities or the termination of this Agreement or any other Indenture Document.

Section 8.11 Captions. The captions contained in this Agreement are for convenience of reference only, are without substantive meaning and should not be construed to modify, enlarge, or restrict any provision.

Section 8.12 Termination and Release. This Agreement and the security interests granted hereby shall terminate in accordance with the Indenture. In connection with the release of any Collateral which is expressly permitted by the Indenture Documents, the Collateral Agent shall, at Grantor's expense, execute and deliver to Grantor such documents and take such other action as Grantor may reasonably request to evidence and effectuate the release of any security interests granted or purported to be granted hereunder.

Section 8.13 Entire Agreement. This Agreement taken together with the other Indenture Documents embody the entire agreement and understanding between Grantor and the Collateral Agent relating to the Collateral and supersede all prior agreements and understandings between Grantor and the Collateral Agent relating to the Collateral.

Section 8.14 Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW), EXCEPT TO THE EXTENT THAT LOCAL LAW GOVERNS THE CREATION, PERFECTION, PRIORITY OR ENFORCEMENT OF SECURITY INTERESTS.

(b) EACH PARTY HERETO HEREBY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE FEDERAL AND STATE COURTS OF COMPETENT JURISDICTION IN THE BOROUGH OF MANHATTAN IN THE CITY OF NEW YORK IN ANY SUIT OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 8.1. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

Section 8.15 Waiver of Jury Trial. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 8.15.

(e) "Permits" means any licenses, franchises, permits, permissions, consents, certificates, orders, approvals, exemptions, registrations or authorizations from any Governmental Authority required for the lawful ownership by the Company of its properties and assets and the lawful operation of the Business in the manner presently conducted.

11. Amendment and Waiver. Except as otherwise provided herein, no modification, amendment or waiver of any provision of this Agreement shall be effective against the parties hereto unless such modification, amendment or waiver is approved in writing by each of the parties hereto. The failure of any party hereto to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of such provisions and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

12. Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or pdf transmission will be treated in all manner and respects as an original agreement or instrument and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto, any party executing this Agreement by facsimile or pdf transmission shall promptly deliver a manually executed counterpart, provided that any failure to do so shall not affect the validity of the counterpart executed by facsimile or pdf transmission.

13. No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties hereto to express their mutual intent, and no rule of strict construction will be applied against any party hereto.

14. Successors and Assigns. This Agreement will be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Notwithstanding anything to the contrary contained herein, no Contributor may assign any of its rights or delegate any of its responsibilities, liabilities or obligations under this Agreement without the prior written consent of the Company.

15. Entire Agreement. Except as otherwise expressly set forth herein, this Agreement embodies the complete agreement and understanding among the parties hereto with respect to the subject matter hereof and supersedes and preempts any prior understandings, agreements or representations by or among the parties, written or oral, which may have related to the subject matter hereof in any way. In furtherance of the foregoing, each of the parties hereto hereby irrevocably waives any claim or cause of action based upon, in whole or in part, any such prior conversation, communication, understanding, agreement, or representation and agrees not to assert, whether affirmatively or defensively, any such prior conversation, communication, understanding, agreement, or representation in any suit, action or other proceeding arising out of or relating to this Agreement.

16. Specific Performance. The parties hereto acknowledge and agree that the failure of any party to perform its agreements and covenants hereunder, including such party's failure to take all actions as are necessary on such party's part in accordance with the terms and conditions of this Agreement to consummate the transactions contemplated hereby, will cause irreparable injury to the other parties, for which damages, even if available, will not be an adequate remedy. Accordingly, each party hereby consents to the issuance of injunctive relief by any court of competent jurisdiction to compel performance of such party's obligations and to the granting by any court of the remedy of specific performance of such party's obligations hereunder, without the necessity of proving actual damages, without bond or other security being required, without regard to the adequacy of any remedy at law, and in addition to any other remedy to which it may be entitled, at law or in equity. Such remedies will not be exclusive and will be in addition to any other remedies whatsoever which any party may otherwise have, all of which may be pled in the alternative. Each party further agrees that, in the event of any action for specific performance in respect of such breach or violation, it will not assert the defense that a remedy at law would be adequate or that specific performance or injunctive relief in respect of such breach or violation should not be available on the grounds that money damages are adequate or any other grounds.

17. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of any other provision of this Agreement in such jurisdiction or affect the validity, legality or enforceability of any provision in any other jurisdiction, but this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

18. Governing Law. This Agreement, and all proceedings or counterclaims (whether based on contract, tort or otherwise) arising out of or relating to this Agreement or the actions of the parties hereto in the negotiation, administration, performance and enforcement hereof, shall be brought exclusively in the courts of the State of Delaware, or, if it has or can acquire jurisdiction, in the United States District Court sitting in the State of Delaware, and each of the parties hereto irrevocably submits to the exclusive jurisdiction of each such court in any such proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of such proceeding shall be heard and determined only in any such court, and agrees not to bring any proceeding arising out of or relating to this Agreement in any other court.

19. Notices. All notices, demands and other communications to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be sent to the address specified in writing by each such party and deemed to have been given (a) when personally delivered or sent electronically via PDF format (with hard copy to follow); (b) one day after being sent by reputable overnight express courier (charges prepaid), or (c) three days following mailing by certified or registered mail, postage prepaid and return receipt requested.

20. Delivery by Facsimile or PDF. This Agreement and any amendments hereto or thereto, to the extent signed and delivered by means of a facsimile machine or PDF, will be treated in all manner and respects as an original agreement or instrument and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person.

21. Descriptive Headings. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a part of this Agreement.

22. Further Assurances. The parties hereto shall execute and deliver all documents, provide all information, and take or refrain from taking such actions as may be reasonably necessary or appropriate to achieve the purposes of this Agreement.

4. Recording of Loans and Advances. All loans and advances made by the Lender to the Borrower evidenced by this Note, and all repayments or prepayments thereof, shall be evidenced by the Lender on **Ехнвнт А** attached hereto (and any continuation thereof). Notwithstanding the foregoing, the failure to show any loans, advances, repayments or prepayments or any error in showing such loans, advances, repayments or prepayments on **Ехнвнт А** attached hereto shall not affect the obligations of the Borrower hereunder.

References to any statute or act shall include all related current regulations and all amendments and any successor statutes, acts and regulations. All amounts used for purposes of financial calculations required to be made herein shall be without duplication. References to any statute or act, without additional reference, shall be deemed to refer to federal statutes and acts of the United States. References to any agreement, instrument or document shall include all schedules, exhibits, annexes and other attachments thereto. As used in this Agreement, the meaning of the term “material” or the phrase “in all material respects” is intended to refer to an act, omission, violation or condition which reflects or could reasonably be expected to result in a Material Adverse Effect. All references herein to times of day shall be references to daylight or standard time, as applicable, in New York City.

### 1.4 Time is of the Essence

Time is of the essence in Borrower’s performance under this Agreement and all other Loan Documents.

## II. ADVANCES, PAYMENT AND INTEREST

### 2.1 Advances and Fees

(a) Subject to the provisions of this Agreement, Lender shall make Advances to the Borrower under the Revolving Facility from time to time during the Term, and subject to the processing fees set forth in Section 2.4; provided that, notwithstanding any other provision of this Agreement (but subject to the provisions of this Section 2.1(a)), the aggregate amount of all Advances at any one time outstanding under the Revolving Facility shall not exceed the Revolving Loan Limit. The Revolving Facility is a revolving credit facility, which may be drawn, repaid and redrawn, from time to time as permitted under this Agreement. Any determination as to whether there is availability within the Borrowing Base for Advances shall be made by Lender in its Permitted Discretion and is final and binding upon Borrower absent demonstrable error. Unless otherwise permitted by Lender, each Advance requested by Borrower shall be in an amount of at least \$250,000. Subject to the provisions of this Agreement, Borrower may request Advances under the Revolving Facility up to and including the Availability. Lender shall make Advances under the Revolving Facility for the payment of interest on the Revolving Facility and other Obligations on the date when due.

(b) Lender has established the eighty-five percent (85%) advance rate for purposes of determining the Revolving Loan Limit. Lender shall have the right, upon notice to Borrower, which notice shall not occur on the date an Advance is requested, to establish and readjust from time to time, in its Permitted Discretion, reserves (without duplication of other reserves) against the Borrowing Base, which reserves shall have the effect of reducing the amounts otherwise eligible to be disbursed to Borrower under the Revolving Facility pursuant to this Agreement.

(c) **Facility Cap increases and related fee**. The Facility Cap may, at the request of the Borrower and with the consent of the Lender, which consent shall be in the Lender's Permitted Discretion, be increased in increments of \$250,000 at such time as the outstanding principal balance hereunder equals or exceeds ninety-five percent (95%) of the then-existing Facility Cap. In the event that the Facility Cap is increased, Borrower shall pay to Lender a Facility Fee in an amount equal to one percent (1.0%) of the amount by which the Facility Cap is increased.

(d) **Over-advances and related fees.**

(i) Lender may in its Permitted Discretion make one or more Advances in excess of Availability. The making of any Advance(s) in excess of Availability shall not (x) be deemed an acknowledgement that any additional Advance(s) will be made or may be required to be made, (y) be deemed to establish any course of conduct, waiver, or estoppel that would obligate Lender to make any further Advance or (z) prevent the Lender from treating the Borrower's failure to repay such Advance(s) in excess of Availability as a Default or an Event of Default.

(ii) If Borrower requests and Lender agrees to provide a term loan, which term loan is to be treated as an Advance that, when made, would result in Advances exceeding Availability, Lender may charge an over-advance fee of ten percent (10%) due on the amount by which all outstanding Advances (including such term loan) collectively exceed Availability, which fee shall be deducted by Lender from such requested term loan; provided that Lender shall not assess any Default Rate if it shall charge an over-advance fee.

(e) **Ineligible Receivables fee.** Borrower may request from time to time certain otherwise non-Eligible Receivables to be included as Eligible Receivables for purposes of calculating Availability. If after underwriting such otherwise non-Eligible Receivables, Lender determines in its sole discretion to include them as Eligible Receivables, Borrower shall pay to Lender an additional underwriting fee in an amount equal to one percent (1%) of the Borrowing Base attributable to such otherwise non-Eligible Receivables at such time (and from time to time) as such otherwise non-Eligible Receivables are included in the Borrowing Base. Payment of such additional underwriting fee shall be paid by Lender increasing the principal balance outstanding hereunder by the amount necessary to satisfy such additional underwriting fee in full, and such increase to the principal balance shall be deemed an Advance to Borrower. In addition, Lender may, in its Permitted Discretion require an amendment to this Agreement including additional representations, warranties and/or covenants, as a condition for including such otherwise non-Eligible Receivables as Eligible Receivables.

## 2.2 Evidence of Obligations; Maturity

(a) Lender shall, acting solely for this purpose as an agent of the Borrower, maintain, in accordance with its usual practice, electronic or written records evidencing the outstanding Obligations to Lender, including, without limitation, the amounts of principal, interest, fees and other amounts payable and paid to Lender from time to time under this Agreement, and shall make such record readily available to Borrower upon request.

(b) The entries made in the electronic or written records maintained pursuant to subsection (a) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded and the Lender and Borrower shall treat each Person whose name is recorded in such electronic or written records as a Lender hereunder for all purposes of this Agreement, subject to demonstrable error, and the Lender and Borrower shall treat each Person whose name is recorded in such electronic or written records as a Lender hereunder for all purposes of this Agreement. Subject to the foregoing, Advances under the Revolving Facility may also be evidenced by a promissory note, payable to the order of Lender, duly executed and delivered by Borrower and dated as of the date hereof, evidencing the aggregate indebtedness of Borrower to Lender resulting from Advances under the Revolving Facility, from time to time. Lender hereby is authorized, but is not obligated, to enter the amount of each Advance under the Revolving Facility and the amount of each payment or prepayment principal or interest thereon in the appropriate spaces on the reverse of or on an attachment to the promissory note. Lender may account to Borrower from time to time with a statement of Advances under the Revolving Facility, the amounts outstanding hereunder, and charges and payments made pursuant to this Agreement, and in the absence of demonstrable error, such accounting rendered by Lender shall be deemed final, binding and conclusive unless Lender is notified by Borrower in writing to the contrary within thirty (30) days of Borrower's receipt of each accounting, which notice shall be deemed an objection only to items specifically objected to therein.

(c) All Obligations shall be due and payable in full, if not earlier in accordance with this Agreement, on the Termination Date.

## 2.3 Interest

Interest shall accrue daily on the principal amount outstanding hereunder at a rate per annum equal to the Prime Rate plus the Applicable Margin calculated on the basis of a 360-day year and adjusted for the actual number of days elapsed in each interest calculation period. Interest shall be payable by Borrower monthly in arrears but in no event later than the first day of each calendar month, commencing January 1, 2021. Interest payments shall be paid by Lender increasing the principal balance outstanding hereunder by the amount necessary to satisfy such interest payment in full, and such increase to the principal balance shall be deemed an Advance to Borrower. Interest shall continue to accrue daily on the principal amount outstanding until the irrevocable payment in full in cash of the Obligations (other than inchoate reimbursement obligations for which no claim has been made) and termination of this Agreement. Any accrued but unpaid interest shall be added to the Obligations and increase the principal amount outstanding hereunder on the first Business Day of each month.

## 2.4 Revolving Facility Disbursements; Requirement to Deliver Borrowing Certificate in connection with Advances Requested by Borrower

So long as no Default or Event of Default shall have occurred and be continuing, Borrower may give Lender written notice requesting an Advance under the Revolving Facility by delivering to Lender not later than 11:00a.m. (New York City time) at least two but not more than four Business Days before the proposed borrowing date of such requested Advance (the "**Borrowing Date**"), a completed Borrowing Certificate and other documents

and information Lender may request, in its Permitted Discretion, to confirm the accuracy of such Borrowing Certificate, provided that any additional documents or information Lender requests from Borrower will not be unduly burdensome to produce, and shall not delay the disbursement of any Advance by more than one (1) Business Day, which shall (i) specify the proposed Borrowing Date of such Advance which shall be a Business Day, (ii) specify the principal amount of such requested Advance, and (iii) certify the matters specified therein. On each Borrowing Date, Borrower authorizes Lender to disburse the proceeds of the requested Advance to the Funding Account (or to such other account as to which the Borrower shall expressly instruct Lender in writing, and which is subject to a springing deposit account control agreement reasonably acceptable to Lender), in all cases for credit to the Borrower, via federal funds wire transfer no later than 4:00p.m. (New York City time); provided, however, if any amounts are then due to Lender on account of any interest, fees or expense reimbursements pursuant to the Loan Documents at the time such Advance is requested, Lender is authorized (but not required) to reduce the proceeds to Borrower with respect to such Advance by the amount of such interest, fees or expense reimbursements and to retain such amounts as payment of such interest, fees or expense reimbursements. It is understood and agreed that Lender shall have no responsibility for the application of proceeds disbursed to the Funding Account, or to any other deposit account Borrower has instructed Lender to disburse an Advance to.

Lender shall charge a processing fee of \$75.00 for each Advance requested by Borrower; for the avoidance of doubt, no such processing fee shall be due in connection with Lender increasing the principal balance hereunder to pay for interest, fees and other Obligations payable by Borrower. In the event that the written notice by Borrower requesting an Advance under the Revolving Facility does not comply with the foregoing requirements within the timing parameters set forth above, Lender is under no obligation to provide the requested Advance; provided that Lender may charge Borrower an irregular Advance fee of one percent (1%) of the amount of so requested, to the extent Lender nonetheless determines to provide such requested Advance, which irregular Advance fee shall be paid by Lender increasing the principal balance outstanding hereunder by the amount necessary to satisfy such irregular advance fee in full, and such increase to the principal balance shall be deemed an Advance to Borrower.

## 2.5 Revolving Facility Collections; Repayment; Borrowing Availability and Controlled Deposit Accounts; Disbursements

(a) Prior to the consummation of the transactions contemplated by this Agreement, the Borrower shall establish and maintain at the Borrower's expense (i) one deposit account with the Collection Bank into which all collections and cash proceeds in respect of all Accounts arising out of or related to the sale of Lidocaine Patches shall be deposited (the "**Concentration Account**"), which Concentration Account shall be subject to a blocked deposit account control agreement granting Lender control within the meaning of Section 9-104 of the UCC as of the date of execution thereof (the "**Concentration Account DACA**") and (ii) one deposit account with the Collection Bank into which Lender shall deposit the proceeds of each Advance, and such deposit account shall be identified on Schedule 2.4 (the "**Funding Account**"; the Funding Account and Concentration Account are collectively referred to herein as the "**Controlled Deposit Accounts**"), which Funding Account shall be subject to a springing deposit account control agreement granting Lender control within the meaning of Section 9-104 of the UCC after the occurrence of an Event of Default (the "**Funding Account DACA**"; the Funding Account DACA and Concentration Account DACA are collectively referred to herein as the "**Control Agreements**").

(b) The Borrower shall not terminate the Controlled Deposit Accounts or Control Agreements during the Term without Lender's prior written consent. The Concentration Account DACA shall authorize Lender to instruct the Collection Bank to immediately transfer all funds on deposit in the Concentration Account into a deposit account owned and maintained by Lender or an Affiliate of Lender at such bank as Lender may communicate to the Collection Bank from time to time, in each case, in accordance with the terms of this Agreement and the Concentration Account DACA. Borrower may, prior to the occurrence and continuation of an Event of Default, direct amounts on deposit in the Funding Account as needed to the extent permitted by Section 6.11.

(c) The Borrower shall cause all collections and cash proceeds from Accounts to be deposited in the Concentration Account; provided that to the extent that any such collections and cash proceeds are received by Borrower and not sent directly to the Concentration Account, such collections and cash proceeds shall be held in trust for the benefit of the Lender and immediately remitted (and in any event within five (5) Business Days), in the form received (or, with respect to cash, by check or wire transfer), to the Concentration Account. Borrower acknowledges and agrees that compliance with the terms of this Section 2.5(c) is an essential term of this Agreement, and that, in addition to and notwithstanding any other rights Lender may have hereunder or under any other Loan Document, under applicable law or equity, Lender shall be entitled to assess a non-compliance fee in an amount equal to two percent (2%) of the amount of collections or cash proceeds on Accounts that are not deposited into the Concentration Account in accordance with this Section 2.5(c); provided that Lender shall not assess any Default Rate if it shall charge a non-compliance fee. For the avoidance of doubt, unless Lender specifically agrees in writing to the contrary, Lender's assessment of such non-compliance fee shall not prevent Lender from considering any such non-compliance to be a Default or an Event of Default.

(d) For purposes of calculating interest payable pursuant to Section 2.3, all funds transferred by Lender from the Concentration Account for application to the Obligations subsequent to the Closing Date shall be subject to a one (1) Business Day clearance period and all interest accruing on such funds during such clearance period shall accrue for the benefit of the Lender.

---

Credit and Security Agreement, Page 22

---

(e) All funds transferred from the Concentration Account for application to the Obligations shall be applied to reduce the Obligations hereunder in the following order of priority: (i) first, to payment of any fees and expense reimbursements due to Lender under the Loan Documents, (ii) second, to payment of any other Obligations of Borrower not included in items (iii) and (iv) below, (iii) third, to payment of any interest then due and owing hereunder, and (iv) fourth, to payment of the principal amount outstanding hereunder. For purposes of determining Availability, all funds transferred from the Concentration Account in accordance with this Section shall be applied in accordance with the foregoing sentence as of the date of the transfer.

(f) If, as the result of collections or cash proceeds in respect of Accounts received by Borrower pursuant to this Section 2.5, there is a positive balance in favor of Borrower, such positive balance shall not accrue interest in favor of Borrower, but shall increase Availability, but not in excess of \$10,000,000 at any one time.

(g) Schedule 2.5 identifies the Controlled Deposit Accounts, the depository bank at which such accounts are maintained, the type of Control Agreements on such accounts (if any), and the second lien secured party to such Control Agreements (if any). Borrower shall provide Lender with read-only on-line access to the Controlled Deposit Accounts.

(h) Notwithstanding anything to the contrary herein or in any other Loan Document, if amounts are deposited into the Concentration Account that are not attributable to or arising out of or related to the sale of Lidocaine Patches, and if Lender is given notice of such amounts prior to their deposit into the Concentration Account, such amounts will (i) be applied to reduce the principal loan balance hereunder, and (ii) be returned to the Borrower in the form of an Advance on the same day as such amounts were deposited into the Concentration Account; for the avoidance of doubt, any Advances made under this Section 2.5(h) shall not be subject to the irregular advance fee set forth in Section 2.4, but shall be subject to the \$75.00 processing fee set forth in Section 2.4.

## 2.6 Promise to Pay; Manner of Payment

Borrower promises to pay principal, interest and all other amounts payable hereunder, or under any other Loan Document, without any right of rescission and without any deduction whatsoever, including any deduction for any setoff, counterclaim or recoupments, and notwithstanding any damage to, defects in or destruction of the Collateral or any other event, including obsolescence of any property or improvements. Unless paid in accordance with Section 2.5, all payments made by Borrower (other than payments automatically paid through Advances under the Revolving Facility as provided herein), shall be made only by wire transfer on the date when due, without offset or deduction for counterclaim, in Dollars, in immediately available funds to such account as may be indicated in writing by Lender to Borrower from time to time. Any such payment received after 4:00p.m. (New York City time) on the date when due shall be deemed received on the following Business Day. Whenever any payment hereunder shall be stated to be due or shall become due and payable on a day other than a Business Day, the due date thereof shall be extended to, and such payment shall be made on, the next succeeding Business Day, and such extension of time in such case shall be included in the computation of payment of any interest (at the interest rate then in effect during such extension) and/or fees, as the case may be.

---

Credit and Security Agreement, Page 23

## 2.7 Repayment of Excess Advances

Any balance of Advances under the Revolving Facility outstanding at any time in excess of the Revolving Loan Limit shall be deducted by Lender from the Concentration Account; provided that if amounts thereunder shall be insufficient to reduce such excess Advances to zero, such excess Advances shall be due and payable by Borrower within five (5) Business Days of Lender's demand therefor in the manner specified in Section 2.6, unless such excess Advances are the result of any misrepresentation or fraud by Borrower (in which case there shall be no grace period and any such excess Advances shall be immediately due and payable).

## 2.8 Payments by Lender

Should any amount, interest or other Obligation required to be paid under any Loan Document remain unpaid after it is due and payable and after the expiration of any cure period, if applicable, such amount may be paid (a) by Lender applying such amounts from those on deposit in the Concentration Account (and Borrower irrevocably authorizes disbursements of any such amounts to Lender) or (b) if amounts on deposit in the Concentration Account shall be insufficient to make such payments when due, such payments shall be deemed a request for an Advance under the Revolving Facility as of the date such payment is due. No payment or prepayment of any amount by any third party shall entitle such third party to be subrogated to the rights of Lender under any Loan Document unless and until the Obligations have been fully performed and paid irrevocably in cash and this Agreement has been terminated. Any sums expended by Lender as a result of Borrower's failure to pay, perform or comply with any Loan Document or any of the Obligations may be charged to Borrower as an Advance under the Revolving Facility and added to the Obligations and thereby increasing the principal amount outstanding hereunder.

## 2.9 Grant of Security Interest; Collateral

(a) To secure the payment and performance of the Obligations, and without limiting any grant of any Lien and security interest in any other Loan Document, the Borrower hereby grants to Lender a continuing security interest in and Lien upon, and pledges to Lender, all of its right, title and interest in and to the following, whether now owned or hereafter created, acquired or arising and wherever located (collectively and each individually, subject to the proviso below, the "**Collateral**"):

- (i) all Accounts arising out of or related to the sale of Lidocaine Patches and Related Property to the extent strictly necessary to collect on such Accounts;
- (ii) the Controlled Deposit Accounts;
- (iii) all Books and Records relating to Collateral;
- (iv) any and all claims, rights and interests in any of the above and all substitutions for, additions, attachments, accessories, accessions and improvements to and replacements, products, proceeds and insurance proceeds of any or all of the foregoing.

provided that Collateral shall not include any asset or property (I) that constitutes (A) any Intellectual Property of Borrower or (B) any governmental authorizations to manufacture, market, sell or distribute the Lidocaine Patches, or (II) to the extent that the grant of a security interest in such asset or property (A) would result in a breach or conflict with the Indenture Intercreditor or (B) (x) would result in a breach or default under an agreement relating to such asset or property, which may result in the abandonment, invalidation or unenforceability of any right, title or interest of the Borrower therein (except to the extent the relevant term that would result in such breach, default, abandonment, invalidation or unenforceability is rendered ineffective pursuant to Section 9-406, 9-407, 9-408 or 9-409 of the UCC (or equivalent statutes of any jurisdiction) or any other applicable law), (y) is prohibited by any applicable law or requires a consent not obtained of any Governmental Authority pursuant to applicable law (except to the extent the law prohibiting such grant or requiring such consent is rendered ineffective pursuant to Section 9-406, 9-407, 9-408 or 9-409 of the UCC (or equivalent statutes of any jurisdiction) or any other applicable law) or (z) is prohibited or restricted by any third party (so long as any agreement with such third party that provides for such prohibition or restriction was not entered into in contemplation of the acquisition of such asset or entering into of such contract or for the purpose of creating such prohibition or restriction), other than to the extent such prohibition or restriction is rendered ineffective under the UCC or other applicable law, notwithstanding such prohibition, and other than proceeds and Accounts thereof.

(b) Upon the execution and delivery of this Agreement, and upon the proper filing of the necessary financing statements without any further action, Lender will have a good, valid and perfected first priority Lien and security interest in all Collateral which may be perfected by the filing of financing statements, subject to no transfer or other restrictions or Liens of any kind in favor of any other Person except for Permitted Liens. No financing statement relating to any of the Collateral is on file in any public office except those (i) on behalf of Lender, and/or (ii) in connection with Permitted Liens.

## 2.10 Collateral Administration

(a) All Collateral (except funds required to be deposited in the Controlled Deposit Accounts) will at all times be kept by Borrower on secure servers consistent with past practice and subject to customary cloud subscription agreements.

(b) Borrower shall keep accurate and complete records of its Accounts and all payments and collections thereon and shall submit such

records to Lender on such periodic basis as Lender may reasonably request.

(c) Any of Lender's officers, employees, representatives or agents shall have the right, at any time during normal business hours upon reasonable prior notice to Borrower, to verify the validity, amount or any other matter relating to any Accounts of Borrower. Borrower shall cooperate fully with Lender in an effort to facilitate and promptly conclude such verification.

(d) Lender shall have the right at all times after the occurrence and during the continuance of an Event of Default to notify Account Debtors owing Accounts to Borrower that (i) their Accounts have been assigned to Lender and to collect such Accounts directly in its own name and to charge reasonable collection costs and expenses, including reasonable attorneys' fees, to Borrower, and (ii) Borrower has waived any and all defenses and counterclaims it may have or could interpose in any action or procedure brought by Lender to obtain a court order recognizing the assignment or security interest and lien of Lender in and to any Account or other Collateral.

(e) As and when determined by Lender in its Permitted Discretion not to exceed once per calendar quarter absent an Event of Default or Lender receiving notice from its UCC monitoring system that a Lien has been filed against Borrower, Lender shall have the right to perform the searches described in clauses (i) and (ii) below against Borrower (the results of which are to be consistent with Borrower's representations and warranties under this Agreement), at Borrower's reasonable expense: (i) UCC searches with the Secretary of State and local filing offices of each jurisdiction where Borrower is organized; and (ii) bankruptcy, judgment, federal, state and local tax lien and litigation searches, in each jurisdiction in which such actions, or Liens may be recorded.

(f) Borrower (i) shall direct each Account Debtor to make payments to the Concentration Account as set forth in Section 2.5, and (ii) hereby authorizes Lender, upon any failure to send such notices and directions within ten (10) days after the date of this Agreement (or ten (10) days after the Person becomes an Account Debtor), to send any and all similar notices and directions to such Account Debtors, and (iii) shall do anything further that may be lawfully required by Lender to secure Lender and effectuate the intentions of the Loan Documents.

(g) As of the Closing Date, no Person other than the Lender and U.S. Bank (in connection with the Indenture) has "control" (as defined in Article 9 of the UCC) over any Controlled Deposit Accounts.

(h) After the occurrence and during the continuance of an Event of Default, Lender may elect to exercise any and all of the rights and remedies of Borrower under the Permits, without any interference from Borrower, and Borrower shall cooperate in causing the Governmental Authorities, contractors, or purchasers and lessees to comply with all the terms and conditions of the Licenses.

### 2.11 Power of Attorney

Borrower hereby appoints Lender as its attorney-in-fact, with power (a) to endorse the name of Borrower on any checks, notes, acceptances, money orders, drafts, or other forms of payment or security that may come into Lender's possession to the extent such items constitute Collateral, (b) to sign the name of Borrower on any invoice or bill of lading relating to any Collateral and (c) to perfect Lender's security interest or lien in any Collateral, including filing financing statements, without Borrower's signature, covering part or all of the Collateral in such jurisdictions as Lender shall determine to be advisable. The appointment of Lender as attorney-in-fact for a Borrower is coupled with an interest and is irrevocable prior to full payment in cash of all Obligations (other than any inchoate reimbursement obligations for which no claims has been made).

### 2.12 Setoff Rights

During the continuance of any Event of Default, Lender is hereby authorized by Borrower at any time or from time to time, with reasonably prompt subsequent notice to Borrower (any prior or contemporaneous notice being hereby expressly waived) to set off and to appropriate and to apply any and all balances in Controlled Deposit Accounts against and on account of any of the Obligations.

## III. FEES AND OTHER CHARGES

### 3.1 Facility Fee

On or before the Closing Date, Borrower shall pay to Lender one percent (1.0%) of the Facility Cap as a nonrefundable fee. The fee payable pursuant to this Section 3.1 and the fee payable pursuant to Section 2.1(c) are herein collectively referred to as the "Facility Fee". Borrower's payment of the Facility Fee shall be made by Lender increasing the principal balance outstanding hereunder by the amount necessary to satisfy such Facility Fee in full, and such increase to the principal balance shall be deemed an Advance to Borrower.

### 3.2 Unused Line Fee

Borrower shall pay to Lender monthly an unused line fee (the "**Unused Line Fee**") in an amount equal to four and one-fifth basis points (0.042%) per month of the difference derived by subtracting (i) the average daily balance under the Revolving Facility outstanding during the preceding month, from (ii) the Facility Cap. The Unused Line Fee shall be payable monthly in arrears but in no event later than the first day of each successive calendar month (starting with January 1, 2021). Borrower's payment of the Unused Line Fee shall be made by Lender increasing the principal balance outstanding hereunder by the amount necessary to satisfy such Unused Line Fee in full, and such increase to the principal balance shall be deemed an Advance to Borrower. The final payment shall be prorated to the date of payment in full and shall be paid on that date as part of the Obligations.

### 3.3 Collateral Management Fee

Borrower shall pay Lender as additional interest a monthly collateral management fee (the "**Collateral Management Fee**") for monitoring and servicing the Revolving Facility, equal to eighteen hundredths of one percent (0.18%) per month calculated on the basis of the average daily balance under the Revolving Facility outstanding during the preceding month. The Collateral Management Fee shall be payable monthly in arrears but in no event later than the first day of each successive calendar month (starting with January 1, 2021). Borrower's payment of the Collateral Management Fee shall be made by Lender increasing the principal balance outstanding hereunder by the amount necessary to satisfy such Collateral Management Fee in full, and such increase to the principal balance shall be deemed an Advance to Borrower. The final payment shall be prorated to the date of payment in full and shall be paid on that date as part of the Obligations.

### 3.4 Early Termination Fee

Upon Borrower's voluntary prepayment of Obligations and termination in full of the Revolving Facility prior to the first anniversary of the Closing Date, Borrower shall pay to Lender (in addition to the then outstanding principal, accrued interest and other Obligations (other than indemnity obligations with respect to which no claim has been made) relating to the Revolving Facility pursuant to the terms of this Agreement and any other Loan Documents), as yield maintenance for the loss of bargain and not as a penalty, an amount equal one percent (1%) of the Facility Cap (such amount, an "Early Termination Fee"); provided that no Early Termination Fee shall be due and payable to the extent Borrower's voluntary prepayment of Obligations and termination in full of the Revolving Facility prior to the first anniversary of the Closing Date is made following Lender's application of reserves against the Borrowing Base. Notwithstanding any other provision of any Loan Document, no Early Termination Fee shall be due and payable if (i) Borrower refinances the Obligations (in whole or in part) with Lender (which, for purposes of this Section 3.4, shall include CNH Finance Fund I, L.P. and any of its parents, subsidiaries or Affiliates), (ii) this Agreement terminates in accordance with its terms at the end of its Term, or (iii) Borrower terminates this Agreement within 10 days after Borrower provides written notice to Lender of a default by Lender hereunder, and such default by Lender remains uncured as of the date of such termination.

### 3.5 Reserved

### 3.6 Computation of Fees; Lawful Limits

All fees hereunder shall be computed on the basis of a year of 360 days and for the actual number of days elapsed in each calculation period, as applicable. In no contingency or event whatsoever, whether by reason of acceleration or otherwise, shall the interest and other charges paid or agreed to be paid to Lender for the use, forbearance or detention of money hereunder exceed the maximum rate permissible under applicable law which a court of competent jurisdiction shall, in a final determination, deem applicable hereto. If, due to any circumstance whatsoever, fulfillment of any provision hereof, at the time performance of such provision shall be due, shall exceed any such limit, then, the obligation to be so fulfilled shall be reduced to such lawful limit, and, if Lender shall have received interest or any other charges of any kind which might be deemed to be interest under applicable law in excess of the maximum lawful rate, then such excess shall be applied first to any unpaid fees and charges hereunder, then to unpaid principal balance owed by Borrower hereunder, and if the then remaining excess interest is greater than the previously unpaid principal balance, Lender shall promptly refund such excess amount to Borrower and the provisions hereof shall be deemed amended to provide for such permissible rate. The terms and provisions of this Section shall control to the extent any other provision of any Loan Document is inconsistent herewith.

### 3.7 Default Rate of Interest

Upon the occurrence and during the continuation of an Event of Default, the Applicable Rate of interest in effect at such time with respect to the Obligations shall be increased by two percent (2%) per annum (the "Default Rate"). Such increase shall be in addition to any other specific charges provided for herein for noncompliance with specific provisions of this Agreement.

#### **4.3 Waivers of Conditions to Advances**

No waiver of any of the foregoing conditions to an Advance, or the making of an Advance by Lender notwithstanding the failure of any of the foregoing conditions to be met as of the date of such Advance, shall be deemed to constitute a waiver by Lender of any such conditions with respect to any future requested Advance.

### **V. REPRESENTATIONS AND WARRANTIES**

In order to induce Lender to enter into this Agreement and to advance funds to Borrower, Borrower represents and warrants as of the date hereof, the Closing Date, and each Borrowing Date as follows:

#### **5.1 Organization and Authority**

Borrower is a Delaware corporation and duly organized, validly existing and in good standing under the laws of the State of Delaware. Borrower (i) has all requisite corporate or other organizational power and authority to own its properties and assets and to carry on its business as now being conducted and as contemplated in the Loan Documents, (ii) is duly qualified to do business in every jurisdiction in which failure so to qualify could reasonably be expected to have a Material Adverse Effect, and (iii) has requisite power and authority (A) to execute, deliver and perform the Loan Documents to which it is a party and all amendments thereto, (B) to borrow hereunder, (C) to consummate the transactions contemplated under the Loan Documents, and (D) to grant the Liens with regard to the Collateral pursuant to the Loan Documents to which it is a party. Borrower is not an "investment company" registered or required to be registered under the Investment Company Act of 1940, as amended, nor is Borrower controlled by or a subsidiary of such an "investment company."

#### **5.2 Loan Documents**

The execution, delivery and performance by Borrower of the Loan Documents to which it is a party, and the consummation of the transactions contemplated thereby, including the grants of Liens and security interests in the Collateral, (i) have been duly authorized by all requisite action of the Borrower and have been duly executed and delivered by or on behalf of Borrower; (ii) do not violate any provisions of (A) applicable law, statute, rule, regulation, ordinance or tariff, (B) any order of any Governmental Authority binding on Borrower or any of its properties the effect of which could reasonably be expected to have a Material Adverse Effect, or (C) the certificate of incorporation or bylaws (or any other equivalent governing agreement or document) of Borrower, or any agreement between Borrower and its shareholders, members, partners or equity owners or among any such shareholders, members, partners or equity owners; (iii) are not in conflict with, and do not result in a breach or default of or constitute an Event of Default, or an event, fact, condition, breach, Default or Event of Default under, any indenture, agreement or other instrument to which Borrower is a party, or by which the properties or assets of Borrower is bound, the effect of which could reasonably be expected to have a Material Adverse Effect; (iv) except as set forth therein, will not result in the creation or imposition of any Lien of any nature upon any of the properties or assets of Borrower, and (v) do not require the consent, approval or authorization of, or filing, registration or qualification with, any Governmental Authority or Borrower unless otherwise obtained. When executed and delivered, each of the Loan Documents to which Borrower is a party will constitute the legal, valid and binding obligation of the Borrower, enforceable against Borrower in accordance with its terms.

#### **5.3 Subsidiaries, Capitalization and Ownership Interests**

Borrower has no Subsidiaries. Schedule 5.3 states the authorized and issued capitalization of Borrower, listing the number and class of equity securities and/or ownership, voting or partnership interests issued and outstanding of Borrower and the record and beneficial owners thereof (including options, warrants and other rights to acquire any of the foregoing). The outstanding equity securities and/or ownership, voting or partnership interests of Borrower have been duly authorized and validly issued and are fully paid and nonassessable, and each Person listed on Schedule 5.3 owns beneficially and of record all of the equity securities and/or ownership, voting or membership interests it is listed as owning free and clear of any Liens other than Permitted Liens. Except as listed on Schedule 5.3, Borrower does not own an interest in or participates or engages in any joint venture, partnership or similar arrangements with any Persons.

#### **5.4 Title to Collateral; Real Estate**

(a) Borrower is the sole owner and has good, valid and marketable title to the Collateral, subject to Permitted Liens.

(b) Schedule 5.4 lists all real properties (and their locations) owned or leased by or to the Borrower. Borrower enjoys peaceful and undisturbed possession under all such leases and such leases are all the leases necessary for the operation of such properties and assets, are valid and subsisting and are in full force and effect.

#### **5.5 Other Agreements**

Borrower is not (i) a party to any judgment, order or decree or any agreement, document or instrument, or subject to any restriction, which would materially adversely affect its ability to execute and deliver, or perform under, any Loan Document or to pay the Obligations, or (ii) in default in the performance, observance or fulfillment of any obligation, covenant or condition contained in any agreement, document or instrument to which it is a party or to which any of its properties or assets are subject, which default, if not remedied within any applicable grace or cure period could reasonably be expected to have a Material Adverse Effect, nor is there any event, fact, condition or circumstance which, with notice or passage of time or both; would constitute or result in a conflict, breach, default or event of default under, any of the foregoing which, if not remedied within any applicable grace or cure period could reasonably be expected to have a Material Adverse Effect.

## 5.6 Litigation

Except as disclosed on Schedule 5.6, there is no action, suit, proceeding or investigation pending or, to Borrower's knowledge, threatened against Borrower that (i) could reasonably be expected to affect the validity of any of the Loan Documents or the right of Borrower to enter into any Loan Document or to consummate the transactions contemplated thereby or (ii) could reasonably be expected to be or have, either individually or in the aggregate, any Material Adverse Change or Material Adverse Effect. Borrower is not a party or subject to any order, writ, injunction, judgment or decree of any Governmental Authority that could reasonably be expected to have a Material Adverse Effect, except as so identified in Schedule 5.6.

## 5.7 Labor Matters

Except as would not individually or in the aggregate constitute a Material Adverse Effect, there are no strikes, slowdowns, work stoppages, lockouts, grievances, other collective bargaining or labor related disputes pending or, to Borrower's knowledge, threatened against Borrower. Except as would not individually or in the aggregate constitute a Material Adverse Effect, hours worked and payments made to the employees of Borrower have not been in violation of the Fair Labor Standards Act or any other applicable Law dealing with such matters. Except as would not individually or in the aggregate constitute a Material Adverse Effect, Borrower is not engaged in unfair labor practice, and there is no unfair labor practice, complaint or complaint of employment discrimination pending or threatened against Borrower. Except as would not individually or in the aggregate constitute a Material Adverse Effect, Borrower and each of its Affiliates has complied and is in compliance with all Laws pertaining to any terms or conditions of employment, including Laws governing or regarding employment standards, labor relations, application and employee background checking, immigration, the payment of wages or other compensation, including overtime compensation, employee leave, employee benefits, the classification of workers as employees and independent contractors, employment discrimination and harassment and retaliation, pay equity, occupational safety and health, workers' compensation, and any and all other Laws governing or pertaining to the terms and conditions of employment. Except as would not individually or in the aggregate constitute a Material Adverse Effect, Borrower is not in breach of any provision of any collective agreement to which it is a party. Except as would not individually or in the aggregate constitute a Material Adverse Effect, the consummation of the transactions contemplated by the Loan Documents will not give rise to a right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which it is a party or by which it is bound.

## 5.8 Tax Returns, Governmental Reports

Borrower (i) has filed all material federal, state, foreign (if applicable) and local tax returns and other reports which are required by law to be filed by Borrower, and (ii) has paid all material taxes, assessments, fees and other governmental charges, including, without limitation, payroll and other employment related taxes, in each case that are due and payable, except for taxes that are the subject of a Permitted Contest.

Borrower does not have any material obligations or liabilities of any kind not disclosed in such financial information or statements, and since the date of the most recent financial statements submitted to Lender, there has not occurred any Material Adverse Change, Material Adverse Effect or, to Borrower's knowledge, any other event or condition that could reasonably be expected to have a Material Adverse Effect.

## 5.10 Compliance with Law

There is no event, fact, condition or circumstance which, with notice or passage of time, or both, would constitute or result in any noncompliance with, or any violation of, any of the foregoing, in each case except where noncompliance or violation would not reasonably be expected to have a Material Adverse Effect. Borrower has not received any notice that Borrower is not in compliance in any respect with any of the requirements of any of the foregoing. Except as could not individually or in the aggregate reasonably be expected to have a Material Adverse Effect, Borrower has not (a) failed to meet any applicable minimum funding requirements under Section 302 of ERISA in respect of its Pension Plans and no waiver of such funding requirements have been requested, (b) any knowledge of an event described in Section 4043 of ERISA, excluding Subsections 4043(b)(2) and 4043(b)(3) thereof, for which the thirty (30) day notice period contained in 12 C.F.R. §26153 has not been waived, or any other event or occurrence which would cause the Pension Benefit Guaranty Corporation to institute proceedings under Title IV of ERISA to terminate any Pension Plan, or (c) withdrawn, completely or partially, from any Multiemployer Plans as to incur liability under the MultiEmployer Pension Plan Amendments of 1980.

All Intellectual Property existing as of the Closing Date which is owned by Borrower and issued, registered or pending with any United States or foreign Governmental Authority (including, without limitation, any and all applications for the registration of any Intellectual Property with any such United States or foreign Governmental Authority) are set forth on Schedule 5.11. Borrower is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each such registered Intellectual Property (or application therefor) purported to be owned by Borrower, free and clear of any Liens (except for Permitted Liens) and/or licenses in favor of third parties or agreements or covenants not to sue such third parties for infringement. All registered Intellectual Property of Borrower is duly and properly registered, filed or issued in the appropriate office and jurisdictions for such registrations, filings or issuances, except where the failure to do so would not reasonably be expected to have a Material Adverse Effect. To Borrower's knowledge, and except as would not reasonably be expected to have a Material Adverse Effect, Borrower conducts its business without infringement or claim of infringement of any Intellectual Property rights of others. There is no unresolved written claim of infringement by any third party against Borrower, which could reasonably be expected to have a Material Adverse Effect.

## 5.12 Licenses and Permits

Without limitation of anything contained in Section 5.19, Borrower is in substantial compliance with and has all Permits necessary or required by applicable law or Governmental Authority for the operation of its businesses except where the failure to be in compliance would not reasonably be expected to have a Material Adverse Effect. Borrower is not (i) in breach of or default under the provisions of any of the foregoing, nor is there any event, fact, condition or circumstance which, with notice or passage of time or both, would constitute or result in a conflict, breach, Default or Event of Default under, any of the foregoing which, if not remedied within any applicable grace or cure period could reasonably be expected to have a Material Adverse Effect, (ii) a party to or subject to any agreement, instrument or restriction that is so unusual or burdensome that it might have a Material Adverse Effect.

## 5.13 Disclosure

No information in any application for the Revolving Facility, Loan Document or any other agreement, document, certificate, or statement furnished to Lender by or on behalf of Borrower in connection with the transactions contemplated by the Loan Documents, when taken as a whole contains any untrue statement of material fact or omits to state any fact necessary to make the statements therein not materially misleading in light of current circumstances. There has been no Material Adverse Change in any fact or circumstance that would make any such information incomplete or inaccurate as of the Closing Date. All financial projections delivered to Lender by Borrower (or its agents) have been prepared on the basis of the assumptions stated therein. Such projections represent Borrower's best estimate of Borrower's future financial performance and such assumptions are believed by Borrower to be fair and reasonable in light of current business conditions; provided, however, that Borrower can give no assurance that such projections will be attained.

## 5.14 Existing Indebtedness; Investments, Guarantees and Certain Contracts

Except as permitted by the Loan Documents, Borrower (i) has no outstanding Indebtedness other than Permitted Indebtedness, (ii) is not subject or party to any mortgage, note, indenture, indemnity or guarantee of, with respect to or evidencing any Indebtedness of any other Person other than in connection with a Permitted Lien, or (iii) does not own or hold any equity or long-term debt investments in, and does not have any outstanding advances to or any outstanding guarantees for the obligations of, or any outstanding borrowings from, any Person. Borrower has performed all material obligations required to be performed by Borrower pursuant to or in connection with its outstanding Indebtedness and the items permitted by the Loan Documents and there has occurred no breach, default or event of default under any document evidencing any such items or any fact, circumstance, condition or event which, with the giving of notice or passage of time or both, would constitute or result in a breach, default or event of default thereunder. Borrower has not agreed to pay any other Indebtedness in priority to the Obligations.

## 5.15 Agreements with Affiliates

Except for transactions permitted under Section 7.6, there are no existing or proposed material agreements, arrangements, understandings or transactions between Borrower and any of its officers, members, managers, directors, stockholders, partners, other interest holders, employees or Affiliates or any members of their respective immediate families.

Unless otherwise indicated in writing to Lender, (i) each Account of Borrower that is included on a Borrowing Certificate as an Eligible Receivable (A) is genuine and in all respects what it purports to be and is not evidenced by a judgment, and (B) meets the criteria for an Eligible Receivable as set forth in the definition of that term, and (ii) to Borrower's knowledge, there are no facts, events or occurrences which in any way impair the validity or enforceability thereof or materially reduce the amount payable thereunder from the face amount of the claim or invoice and statements delivered to Lender with respect thereto, except to the extent the same is reflected in the calculation of Net Collectible Value.

## 7.5 Prohibited Payments

So long as Borrower is in Default or an Event of Default exists under this Agreement, Borrower shall not make any cash Distributions or cash payment of Subordinated Debt in violation of the applicable Subordination Agreement. Borrower shall not make any cash Distributions or cash payments on Subordinated Debt, if such payment would cause an Event of Default. For the avoidance of doubt and notwithstanding the immediately preceding sentence, nothing herein shall prohibit: (i) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of this Agreement; (ii) repurchases of equity interests deemed to occur upon cashless exercise of stock options or warrants if such equity interests represent a portion of the exercise price of such options or warrants; (iii) Distributions by Borrower to allow the payment of cash in lieu of the issuance of fractional shares upon the exercise of options or warrants or upon the conversion or exchange of equity interests of the Borrower (including dividends, splits, combinations and business combinations); (iv) dividends or other distributions to Sorrento for the purpose of paying any federal, state, or local income tax liabilities of any consolidated, combined, unitary, or similar tax group of which the Borrower is a member to the extent attributable to the income of the Borrower and the Borrower's Subsidiaries that is allocated for tax purposes to a direct or indirect owner of the Borrower provided that the amount of such payments in any year does not exceed the amount that the Borrower and the Borrower's Subsidiaries would be required to pay in respect of federal, state and local income taxes for such year were the Borrower and the Borrower's Subsidiaries to pay such taxes separately from Sorrento and provided, further, that any such distributions are actually used to pay such tax liabilities; (v) the redemption, repurchase, defeasance or other acquisition or retirement of Subordinated Debt (including the Sorrento Letter of Credit, Sorrento Loan and Intercompany Indebtedness) made by exchange for, or out of the proceeds of the substantially concurrent sale of, equity interests of the Borrower or any direct or indirect parent of the Borrower; (vi) payments or distributions to satisfy dissenters' rights pursuant to or in connection with a merger, amalgamation, consolidation or transfer of assets permitted by this Agreement and (vii) payments (including any voluntary or mandatory prepayments) on account of the Indenture or Subordinated Debt (including the Sorrento Letter of Credit, Sorrento Loan and Intercompany Indebtedness) and not in contravention the applicable Subordination Agreement (if any).

of its Affiliates or otherwise to become responsible or liable, as a guarantor, surety or otherwise, pursuant to an agreement for any Indebtedness of any such Affiliate other than Permitted Indebtedness. Borrower shall not commingle its funds or other assets with any funds or assets of any of its Affiliates, or any other Person, in such a manner that it will be costly or difficult to segregate, ascertain or identify such Borrower's individual assets from those of any of its members, shareholders, or partners (as applicable), its Affiliates, the Affiliates of any of its members, shareholders, or partners (as applicable), or any other Person.

#### **7.7 Organizational Documents; Fiscal Year; Dissolution; Use of Proceeds**

## IX. RIGHTS AND REMEDIES AFTER DEFAULT

### 9.1 Rights and Remedies

(a) In addition to the acceleration provisions set forth in Article VIII above, upon the occurrence and continuation of an Event of Default, Lender shall have the right to exercise any and all rights, options and remedies provided for in any Loan Document, under the UCC or at law or in equity, including, without limitation, the right to (i) apply any property of Borrower received or held by Lender to reduce the Obligations in such manner as Lender may deem advisable, (ii) foreclose the Liens created under the Loan Documents, (iii) realize upon, take possession of and/or sell any Collateral pledged with or without judicial process, (iv) exercise all rights and powers with respect to the Collateral as Borrower might exercise, (v) collect and send notices regarding the Collateral with or without judicial process, (vi) at Borrower's expense, require that all or any part of the Collateral be assembled and made available to Lender at any reasonable place designated by Lender, (vii) reduce or otherwise change the Facility Cap, (viii) engage, on behalf of Borrower, a third party to service and collect Accounts constituting Collateral, and/or (ix) relinquish or abandon any Collateral or any Lien thereon. Notwithstanding any provision of any Loan Document, Lender, in its Permitted Discretion, shall have the right, at any time that Borrower fails to do so, and from time to time, without prior notice, to: (i) obtain insurance covering any of the Collateral to the extent required hereunder; (ii) pay for the performance of any Obligations; (iii) discharge taxes or liens on any of the Collateral that are in violation of any Loan Document unless Borrower is in good faith with due diligence by appropriate proceedings contesting those items; and (iv) pay for the maintenance and preservation of the Collateral. Such expenses and advances shall be added to the Obligations and increase the principal amount outstanding hereunder, until reimbursed to Lender and shall be secured by the Collateral, and such payments by Lender shall not be construed as a waiver by Lender of any Event of Default or any other rights or remedies of Lender.

(b) Borrower agrees that notice received by it at least ten (10) days before the time of any intended public sale, or the time after which any private sale or other disposition of Collateral is to be made, shall be deemed to be reasonable notice of such sale or other disposition. If permitted by applicable law, any perishable Collateral which threatens to speedily decline in value or which is sold on a recognized market may be sold immediately by Lender without prior notice to Borrower. At any sale or disposition of Collateral or securities pledged, Lender may (to the extent permitted by applicable law) purchase all or any part thereof free from any right of redemption by Borrower which right is hereby waived and released. Borrower covenants and agrees not to, and not to permit or cause any of its Subsidiaries to, interfere with or impose any obstacle to Lender's exercise of its rights and remedies with respect to the Collateral. Lender, in dealing with or disposing of the Collateral or any part thereof, shall not be required to give priority or preference to any item of Collateral or otherwise to marshal assets or to take possession or sell any Collateral with judicial process.

## 9.2 Application of Proceeds

In addition to any other rights, options and remedies Lender has under the Loan Documents, the UCC, at law or in equity, all dividends, interest, rents, issues, profits, fees, revenues, income and other proceeds collected or received from collecting, holding, managing, renting, selling, or otherwise disposing of all or any part of the Collateral or any proceeds thereof upon exercise of its remedies hereunder shall be applied in the following order of priority: (i) first, to the payment of all reasonable out-of-pocket costs and expenses of such collection, storage, lease, holding, operation, management, sale, disposition or delivery and of conducting Borrower's business and of maintenance, repairs, replacements, alterations, additions and improvements of or to the Collateral, and to the payment of all sums which Lender may be required or may elect to pay, if any, for taxes, assessments, insurance and other charges upon the Collateral or part thereof, and all other payments that Lender may be required or authorized to make under any provision of this Agreement (including, without limitation, in each such case, in-house documentation and diligence fees and legal expenses, search, audit, recording, professional and filing fees and expenses and reasonable attorneys' fees and all expenses, expert witness fees, liabilities and advances made or incurred in connection therewith, whether litigation is commenced or not); (ii) second, to the payment of all Obligations as provided herein, (iii) third, to the satisfaction of Indebtedness secured by any subordinate security interest of record in the Collateral if written notification of demand therefor is received before distribution of the proceeds is completed, provided, that, if requested by Lender, the holder of a subordinate security interest shall furnish reasonable proof of its interest, and unless it does so, Lender need not address its claims; and (iv) fourth, to the payment of any surplus then remaining to Borrower, unless otherwise provided by law or directed by a court of competent jurisdiction, provided that Borrower shall be liable for any deficiency if such proceeds are insufficient to satisfy the Obligations or any of the other items referred to in this Section.

## 9.3 Rights of Lender to Appoint Receiver

Without limiting and in addition to any other rights, options and remedies Lender has under the Loan Documents, the UCC, at law or in equity, upon the occurrence and continuation of an Event of Default, Lender shall have the right to apply for and have a receiver appointed by a court of competent jurisdiction in any action taken by Lender to enforce its rights and remedies in order to manage, protect and preserve the Collateral and continue the operation of the business of Borrower to the extent necessary to collect all revenues and profits thereof and apply the same to the payment of all expenses and other charges of such receivership including the compensation of the receiver and to the payments as aforesaid until a sale or other disposition of such Collateral shall be finally made and consummated. Borrower hereby consents to the appointment of a receiver selected by Lender upon the occurrence and during the continuance of an Event of Default and agrees not to oppose the appointment of such receiver or the rights and powers granted, or proposed by Lender to be granted, to such receiver so long as such rights and powers are consistent with applicable law. Borrower waives any right to require a bond to be posted by or on behalf of any such receiver.

## 9.4 Application of Payments Following Default

Following the occurrence and continuance of an Event of Default, Lender may, notwithstanding Section 9.2, apply any and all payments received by Lender in respect of the Obligations, and any and all proceeds of Collateral received by Lender, in such order as Lender may from time to time elect.

## 9.5 Power of Attorney Following Default

Until full payment in cash of all Obligations (other than inchoate reimbursement obligations for which no claim has been made), Borrower hereby irrevocably designates, makes, constitutes, and appoints Lender as Borrower's true and lawful attorney and agent in fact to act in the name of Borrower to effectuate any term in this Agreement after the occurrence and during the continuation of any Event of Default. Without limiting the generality of the foregoing, Borrower's power of attorney to Lender provided above authorizes Lender after the continuation of an Event of Default to:

(a) demand payment of the Accounts, enforce payment thereof by legal proceedings or otherwise, settle, adjust, compromise, extend, or renew any or all of the Accounts or any legal proceedings brought to collect the Accounts, discharge and release the Accounts or any of them, and exercise all of Borrower's rights and remedies with respect to the collection of Accounts in accordance with the Related Property and applicable law;

---

Credit and Security Agreement, Page 50

(b) prepare, file, and sign the name of Borrower on any proof of claim in bankruptcy or any similar document against any Account Debtor or any notice of Lien, assignment, or satisfaction of Lien or similar document in connection with any of the Collateral;

(c) use the stationery of Borrower, open Borrower's mail, notify the post office authorities to change the address for delivery of Borrower's mail to an address designated by Lender, and sign the name of Borrower to verifications of the Accounts and on any notice to the Account Debtors; and

(d) use the information recorded on or contained in any data processing equipment and computer hardware and software relating to the Accounts, inventory, or other Collateral.

In addition to the foregoing, if Borrower breaches its obligation under Section 2.5 to ensure that all collections and cash proceeds from Accounts are deposited into the Concentration Account, Lender is hereby irrevocably made, constituted and appointed the true and lawful attorney for Borrower pursuant to this Section, and as such, Lender may by the signature or other act of any of Lender's officers or authorized signatories (without requiring any of them to do so), direct any Account Debtor to pay such collections and cash proceeds from Accounts other Collateral to the Concentration Account.

The appointment of Lender as attorney-in-fact for Borrower is coupled with an interest and is irrevocable until full payment in cash of all Obligations (other than inchoate reimbursement obligations for which no claim has been made).

## 9.6 Rights and Remedies not Exclusive

Lender shall have the right in accordance with the terms hereof, in its Permitted Discretion to determine which rights, Liens and/or remedies Lender may at any time pursue, relinquish, subordinate or modify, and such determination will not in any way modify or affect any of Lender's rights, Liens or remedies under any Loan Document, applicable law or equity. The enumeration of any rights and remedies in any Loan Document is not intended to be exhaustive, and all rights and remedies of Lender described in any Loan Document are cumulative and are not alternative to or exclusive of any other rights or remedies which Lender otherwise may have under the Loan Documents. The partial or complete exercise of any right or remedy shall not preclude any other further exercise of such or any other right or remedy.

## X. WAIVERS AND JUDICIAL PROCEEDINGS

### 10.1 Waivers

Except as expressly provided for herein, Borrower hereby waives setoff, counterclaim, demand, presentment, protest, all defenses with

respect to any and all instruments and all notices and demands of any description, and the pleading of any statute of limitations as a defense to any demand under any Loan Document. Borrower hereby waives any and all defenses and counterclaims it may have or could interpose in any action or procedure brought by Lender to obtain an order of court recognizing the assignment of, or Lien of Lender in and to, any Collateral. With respect to any action hereunder, Lender conclusively may rely upon, and shall incur no liability to Borrower in acting upon, any request or other communication that Lender reasonably believes to have been given or made by a person authorized on Borrower's behalf, whether or not such person is listed on the incumbency certificate delivered pursuant to Section 4.1. In each such case, Borrower hereby waives the right to dispute Lender's action based upon such request or other communication, absent manifest error.

## 10.2 Delay; No Waiver of Defaults

No course of action or dealing, renewal, release or extension of any provisions of any Loan Document, or single or partial exercise of any such provision, or delay, failure or omission on Lender's part in enforcing any such provision shall affect the liability of Borrower or operate as a waiver of such provision or affect the liability of Borrower or preclude any other or further exercise of such provision. No waiver by any party to any Loan Document of any one or more defaults by any other party in the performance of any of the provisions of any Loan Document shall operate or be construed as a waiver of any future default, whether of a like or different nature, and each such waiver shall be limited solely to the express terms and provisions of such waiver. Notwithstanding any other provision of any Loan Document, by completing the Closing under this Agreement and/or by making Advances, Lender does not waive any breach of any representation or warranty of under any Loan Document, and all of Lender's claims and rights resulting from any such breach or misrepresentation are specifically reserved.

## 10.3 Jury Waiver

EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION ARISING UNDER THE LOAN DOCUMENTS OR IN ANY WAY CONNECTED WITH OR INCIDENTAL TO THE DEALINGS OF THE PARTIES WITH RESPECT TO THE LOAN DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED THEREBY, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENTS OF THE PARTIES TO THE WAIVER OF THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY.

## XI. EFFECTIVE DATE AND TERMINATION

### 11.1 Effectiveness and Termination

(a) Termination by Lender. Subject to Lender's right to terminate and cease making Advances upon the occurrence and during the continuance of an Event of Default, this Agreement shall continue in full force and effect until the full performance and indefeasible payment in cash of all Obligations (other than indemnity obligations with respect to which no claim has been made), unless terminated sooner as provided in this Section 11.1.

(b) Termination by Borrower. Borrower may terminate this Agreement at any time upon not less than thirty (30) days' prior written notice to Lender and upon full performance and indefeasible payment in full in cash of all Obligations (other than indemnity obligations with respect to which no claim has been made) on or prior to such 30<sup>th</sup> day after receipt by Lender of such written notice. Borrower may elect to terminate this Agreement in its entirety only. No section of this Agreement or type of Loan available hereunder may be terminated singly.

(c) Effectiveness of Termination. All of the Obligations (other than indemnity obligations with respect to which no claim has been made) shall be immediately due and payable upon the Termination Date. All undertakings, agreements, covenants, warranties and representations of Borrower contained in the Loan Documents shall survive any such termination and Lender shall retain its Liens in the Collateral and Lender shall retain all of its rights and remedies under the Loan Documents notwithstanding such termination until all Obligations have been irrevocably discharged or paid, in full, in immediately available funds, including, without limitation, all Obligations under Section 3.4 resulting from such termination, at which time Lender hereby automatically releases all Liens on Collateral.

### 11.2 Survival

All obligations, covenants, agreements, representations, warranties, waivers and indemnities made by Borrower in any Loan Document shall survive the execution and delivery of the Loan Documents, the Closing, the making of the Advances and any termination of this Agreement until all Obligations (other than indemnity obligations with respect to which no claim has been made) are fully performed and indefeasibly paid in full in cash. Notwithstanding the foregoing sentence of this Section 11.2, the obligations and provisions of Sections 3.7, 10.1, 10.4, 13.1, 13.3, 13.4, 13.7 and 13.12 shall survive termination of the Loan Documents and any payment, in full or in part, of the then-outstanding Obligations.

## XII. ASSIGNMENTS AND PARTICIPATIONS

### 12.1 Assignments

Lender may at any time assign the Lender's rights and obligations hereunder and under all other Loan Documents to one or more Eligible Assignees. Upon receipt of notice of such assignment, Borrower shall treat the assignee as the Lender for all purposes hereunder and under the other Loan Documents. Each Eligible Assignee shall have all of the rights and benefits with respect to the Obligations, Collateral and/or Loan Documents held by it as fully as if the original holder thereof; provided that, Borrower shall not be obligated to pay under this Agreement to any Eligible Assignee any sum in excess of the sum which Borrower would have been obligated to pay to Lender had such assignment not been effected. Notwithstanding any other provision of a Loan Document, Lender may disclose to any Eligible Assignee all information, reports, financial statements, certificates and documents obtained under any provision of any Loan Document. ### 12.2 Participations

Lender may at any time, without the consent of, or notice to, Borrower, sell to one or more Persons participating interests in its Loan, commitments or other interests hereunder (any such Person, a "**Participant**"). Notwithstanding any other provision of a Loan Document, Lender may disclose to any Participant all information, reports, financial statements, certificates and documents obtained under any provision of any Loan Document.

Subject to Section 12.3, in the event of a sale by Lender of a participating interest to a Participant, (i) Borrower shall continue to deal solely and directly with Lender in connection with Lender's rights and obligations hereunder, and (ii) all amounts payable by Borrower shall be determined as if Lender had not sold such participation and shall be paid directly to Lender. Lender shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other Obligations under the Loan Documents (the "Participant Register"); provided that Lender shall not have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

### 12.3 Definitions

For purposes of this Article XII, the following terms shall have the following meanings:

**"Approved Fund"** means any (a) investment company, finance company, fund, trust, securitization vehicle or conduit that is (or will be) engaged in making, purchasing, holding or otherwise investing in commercial loans and similar extensions of credit in the ordinary course of business or (b) any Person (other than a natural person) which temporarily warehouses loans for Lender or any entity described in the preceding clause (a) and that, with respect to each of the preceding clauses (a) and (b), is administered or managed by (i) Lender, (ii) an Affiliate of Lender, or (iii) a Person (other than a natural person) or an Affiliate of a Person (other than a natural person) that administers or manages Lender.

**"Competitor"** means (a) any Person that is a bona fide direct competitor of the Borrower or any of its Subsidiaries in the same industry or a substantially similar industry which offers a substantially similar product or service as the Borrower or any of its Subsidiaries and (b) any Person whose primary business is owning a Competitor.

**"Eligible Assignee"** shall mean (a) a Lender, (b) an Affiliate of a Lender, or (c) an Approved Fund; provided, however, that notwithstanding the foregoing, "Eligible Assignee" shall not include any Competitor, distressed debt investor, "vulture fund" or similar Person.

## XIII. MISCELLANEOUS

### 13.1 Governing Law; Jurisdiction; Service of Process; Venue

The Loan Documents shall be governed by and construed in accordance with the internal substantive laws of the State of New York without giving effect to its choice of law provisions; provided, however, if any provision(s) of any Loan Document would violate or have the effect of violating the laws of the State of New York but not the laws of the State of Delaware then, with respect to such provision(s), the laws of the State of Delaware shall apply. Any judicial proceeding against either party hereto may be brought in any federal or state court of competent jurisdiction located in the State of New York. By execution and delivery of each Loan Document to which it is a party, each of the Borrower and Lender (i) accepts the non-exclusive jurisdiction of the aforesaid courts and irrevocably agrees to be bound by any judgment rendered thereby, (ii) waives personal service of process, (iii) agrees that service of process upon it may be made by certified or registered mail, return receipt requested, pursuant to Section 13.5 and (iv) waives any objection to jurisdiction and venue of any action instituted hereunder and agrees not to assert any defense based on lack of jurisdiction, venue or convenience. Nothing shall affect the right of Lender to serve process in any manner permitted by law or shall limit the right of Lender to bring proceedings against Borrower in the courts of any other jurisdiction having jurisdiction. Any judicial proceedings against Lender involving, directly or indirectly, the Obligations, any Loan Document or any related agreement shall be brought only in a federal or state court located in the State of New York. All parties acknowledge that they participated in the negotiation and drafting of this Agreement and that, accordingly, no party shall move or petition a court construing this Agreement to construe it more stringently against one party than against any other.

### 13.2 Binding Effect of Loan Documents

The Loan Documents shall inure to the benefit of Lender, its assignees, and all future holders of the Obligations and/or any of the Collateral, and each of their respective successors and assigns. Each Loan Document shall be binding upon the Persons other than Lender that are parties thereto and their respective successors and assigns, and no such Person may assign, delegate or transfer any Loan Document or any of its rights or obligations thereunder without the prior written consent of Lender. No rights are intended to be created under any Loan Document for the benefit of any Person who is not a party to such Loan Document. Nothing contained in any Loan Document shall be construed as a delegation to Lender of any other Person's duty of performance. BORROWER ACKNOWLEDGES AND AGREES THAT LENDER AT ANY TIME AND FROM TIME TO TIME MAY, SUBJECT TO ARTICLE XII, SELL, ASSIGN OR GRANT PARTICIPATING INTERESTS IN OR TRANSFER ALL OR ANY PART OF ITS RIGHTS OR OBLIGATIONS UNDER ANY LOAN DOCUMENT, THE OBLIGATIONS AND/OR THE COLLATERAL TO ELIGIBLE ASSIGNEES.

### 13.3 Revival of Obligations

To the extent that any payment made or received with respect to the Obligations is subsequently invalidated, determined to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver, custodian or any other Person under any Debtor Relief Law, common law or equitable cause or any other law, then the Obligations intended to be satisfied by such payment (whether or not previously terminated) shall be revived and shall continue as if such payment had not been received by Lender. Any payments received with respect to such revived Obligations shall be credited and applied in such manner and order, as Lender shall decide in its Permitted Discretion.

### 13.4 Indemnity

Borrower shall indemnify Lender, its Affiliates and its and their respective managers, members, officers, employees, Affiliates, agents, representatives, successors, assigns, accountants and attorneys (collectively, the "**Indemnified Persons**") from and against any and all liability, obligations, losses, damages, penalties, actions, judgments, suits, reasonable and documented out-of-pocket costs, expenses and disbursements of any kind of nature whatsoever (including, without limitation, reasonable and documented out of pocket attorneys' fees and disbursements of counsel, expert witness fees, and reasonable in-house documentation and diligence fees and reasonable legal expenses) which may be imposed on, incurred by or asserted against any Indemnified Person as a direct result of any litigation, proceeding or investigation instituted or conducted by any Person with respect to any aspect of, or any transaction contemplated by or referred to in, or any matter related to, any Loan Document or any agreement, document or transaction contemplated thereby, whether or not such Indemnified Person is a party thereto, except to the extent that any of the foregoing (i) arises out of the gross negligence or willful misconduct of any Indemnified Person or (ii) arises out of a dispute between or among any Indemnified Persons provided, however, all such costs and expenses incurred prior to the Closing Date and in connection with Closing (inclusive of legal fees for which Lender may seek reimbursement under any other provision of this Agreement or any other Loan Document) shall not exceed \$50,000.00. Lender agrees to give Borrower reasonable notice of any event of which Lender becomes aware for which indemnification may be required under this Section 13.4, and Lender may elect (but is not obligated) to direct the defense thereof, provided that the selection of counsel shall be subject to Borrower's consent which consent shall not be unreasonably withheld or delayed. Any Indemnified Person may in its reasonable discretion, take such actions, as it deems necessary and

appropriate to investigate, defend or settle any event or take other remedial or corrective actions with respect thereto as may be necessary for the protection of such Indemnified Person or the Collateral. Notwithstanding the foregoing, if any insurer agrees to undertake the defense of an event (an "Insured Event"), Lender agrees not to exercise its right to select counsel to defend the event if that would cause Borrower's insurer to deny coverage; provided, however, that Lender reserves the right to retain counsel to represent any Indemnified Person with respect to an Insured Event at its sole cost and expense. To the extent that Lender obtains recovery from a third party other than an Indemnified Person of any of the amounts that Borrower has paid to Lender pursuant to the indemnity set forth in this Section 13.4, then Lender shall promptly pay to Borrower the amount of such recovery.

### 13.5 Notice

Any notice or request under any Loan Document shall be given to any party to this Agreement at such party's address set forth beneath its signature on the signature page to this Agreement, or at such other address as such party may hereafter specify in a notice given in the manner required under this Section 13.5. Any notice or request hereunder shall be given only by, and shall be deemed to have been received upon: (i) registered or certified mail, return receipt requested, on the date on which such receipt is indicated in such return receipt, (ii) delivery by a nationally recognized overnight courier, one (1) Business Day after deposit with such courier, or (iii) facsimile, pdf or other electronic transmission, in each case upon telephone or further electronic communication from the recipient acknowledging receipt (whether automatic or manual from recipient), as applicable. Any notice or request under any Loan Document or otherwise pursuant to any applicable law which is given to one Borrower will be deemed to be notice (or, if applicable, a request) to each Borrower.

### 13.6 Severability; Captions; Counterparts; Facsimile Signatures

If any provision of any Loan Document is adjudicated to be invalid under applicable laws or regulations, such provision shall be inapplicable to the extent of such invalidity without affecting the validity or enforceability of the remainder of the Loan Documents which shall be given effect so far as possible. The captions in the Loan Documents are intended for convenience and reference only and shall not affect the meaning or interpretation of the Loan Documents. The Loan Documents may be executed in one or more counterparts (which taken together, as applicable, shall constitute one and the same instrument) and by facsimile, pdf or other transmission, and such signatures shall be considered original executed counterparts. Each party to this Agreement agrees that it will be bound by its own electronic signature and that it accepts the electronic signature of each other party.

### 13.7 Expenses

Borrower shall pay all reasonable and documented out-of-pocket costs and expenses incurred by Lender and/or its Affiliates, including, without limitation, documentation and diligence fees and expenses, all search, audit, appraisal, recording reasonable professional and filing fees and expenses and all other actual out-of-pocket charges and expenses (including, without limitation, UCC and judgment and tax lien searches and UCC filings and fees for post-Closing UCC and judgment and tax lien searches and audit expenses), and reasonable and documented out of pocket attorneys' fees and expenses, incurred (i) in any effort to enforce, protect or collect payment of any Obligation or to enforce any Loan Document or any related agreement, document or instruments (ii) in connection with entering into, negotiating, preparing, reviewing and executing the Loan Documents and/or any related agreements, documents or instruments, (iii) arising in any way out of administration of the Obligations, (iv) in connection with instituting, maintaining, preserving, enforcing and/or foreclosing on Lender's Liens in any of the Collateral or securities pledged under the Loan Documents, whether through judicial proceedings or otherwise, (v) in defending or prosecuting any actions, claims or proceedings arising out of or relating to Lender's transactions with Borrower, (vi) in seeking, obtaining or receiving any advice with respect to its rights and obligations under any Loan Document and any related agreement, document or instrument, (vii) in connection with any modification, restatement, supplement, amendment, waiver or extension of any Loan Document and/or any related agreement, document or instrument and/or (viii) in connection with all actions, visits, audits and inspections undertaken by Lender or its Affiliates pursuant to the Loan Documents, subject to the provisions of Section 6.7 provided, however, all such costs and expenses incurred prior to the Closing Date and in connection with Closing (inclusive of legal fees for which Lender may seek reimbursement under any other provision of this Agreement or any other Loan Document) shall not exceed \$50,000.00. All of the foregoing shall be charged to Borrower's account and shall be part of the Obligations. Without limiting the foregoing, Borrower shall pay all stamp, court or documentary, intangible, recording, filing or similar taxes (other than any personal property tax), if any, that arise in connection with the transactions contemplated by this Agreement and the Loan Documents and the filing and/or recording of any documents and/or financing statements in connection with this Agreement and the Loan Documents.

### 13.8 Entire Agreement

This Agreement and the other Loan Documents to which Borrower is a party constitute the entire agreement between Borrower and Lender with respect to the subject matter hereof and thereof, and supersede all prior agreements and understandings, if any, relating to the subject matter hereof or thereof. Any promises, representations, warranties or guarantees not herein contained and hereafter made shall have no force and effect unless in writing signed by Borrower and Lender, provided, however, additional covenants, representations, warranties and guarantees will be enforceable if executed by the party against whom enforcement is sought. No provision of this Agreement may be changed, modified, amended, restated, waived, supplemented, discharged, canceled or terminated orally or by any course of dealing or in any other manner other than by an agreement in writing signed by Lender and Borrower. Each party hereto acknowledges that it has been advised by counsel in connection with the negotiation and execution of this Agreement and is not relying upon oral representations or statements inconsistent with the terms and provisions hereof. Any schedule may be amended from time to time by the Borrower with the consent of the Lender, which consent shall not be unreasonably withheld.

### 13.9 Lender Approvals

Any approval, consent, waiver or satisfaction of Lender with respect to any matter that is subject of any Loan Document (i) shall not be effective unless it is in writing (which shall include electronic transmission) and (ii) unless expressly provided herein to the contrary, may be granted or withheld by Lender in its Permitted Discretion.

### 13.10 Confidentiality and Publicity

Lender agrees to maintain the confidentiality of the Information (as defined below), and not disclose Information to any Person, except that Information may be disclosed on a need to know basis (a) to its Affiliates (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and, to the extent such Person does not agree in writing to the terms of this Section 13.10, the Lender shall be liable for any breach of this Section by any of its Affiliates), (b) to the extent required or requested by, or required to be disclosed to, any rating agency, or regulatory or similar authority having jurisdiction over such Person (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by

any subpoena or similar legal process (and, to the extent practicable and permitted by applicable laws, the Lender shall provide advance notice to the Borrower of any disclosure under this clause (c)), (d) in connection with the exercise of any remedies under this Agreement, or the enforcement of rights hereunder or thereunder, (e) subject to an agreement containing provisions substantially the same as those of this Section, to any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights and obligations under this Agreement, (f) with the consent of the Borrower, (g) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Lender or any of its Affiliates on a nonconfidential basis from a source other than the Borrower (which source is not known by the Lender or any of its Affiliates to have provided such information in breach of any confidentiality restriction) or (h) to governmental regulatory authorities in connection with any regulatory examination of the Lender's regulatory compliance policy if the Lender deems necessary for the mitigation of claims by those authorities against the Lender or any of its subsidiaries or affiliates. For purposes of this Section, "Information" means all information received from Borrower or any Subsidiary thereof relating to Borrower or any Subsidiary thereof or any of their respective affiliates or businesses.

Nothing herein shall prohibit any disclosure by Borrower of the terms hereof, the existence of the Loans or any other information arising out of the transactions contemplated hereunder; provided, however, Borrower shall not distribute any Loan Document to any lender or bank with the intention of soliciting or negotiating a working capital loan with such lender or bank.

### 13.11 USA PATRIOT Act

Borrower shall not, directly or through affiliates, conspire to violate the USA PATRIOT Act of 2001, 31 U.S.C. §5318. Lender hereby notifies Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record certain information and documentation that identifies Borrower, which information includes the name and address of Borrower and such other information that will allow Lender to identify Borrower in accordance with the USA PATRIOT Act.

Scilex agrees to use its commercially reasonable efforts to maintain the effectiveness of the Resale Registration Statement, including by filing any necessary post-effective amendments and prospectus supplements, or, alternatively, by filing one or more new registration statements (each, a **"New Resale Registration Statement"**) relating to the Registrable Securities as required by Rule 415 under the Securities Act, continuously until the date that is the earlier of (i) three (3) years following the date of effectiveness of the Resale Registration Statement, (ii) the date on which Sorrento no longer holds any Registrable Securities covered by such Resale Registration Statement, or (iii) the date that the Registrable Securities can be sold under Rule 144 without restriction.

1.3 Provisions Relating to Registration.

(a) Notwithstanding any other provisions of this Agreement to the contrary, Scilex shall cause (i) the Resale Registration Statement (as of the effective date of the Resale Registration Statement), any amendment thereof (as of the effective date thereof) or supplement thereto (as of its date), (A) to comply in all material respects with the applicable requirements of the Securities Act and the rules and regulations of the SEC, and (B) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading, and (ii) any related prospectus, preliminary prospectus and any amendment thereof or supplement thereto, as of its date, (1) to comply in all material respects with the applicable requirements of the Securities Act and the rules and regulations of the SEC, and (2) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, Scilex shall have no such obligations or liabilities with respect to any written information pertaining to Sorrento and furnished to Scilex by or on behalf of Sorrento specifically for inclusion therein.

(b) Scilex shall notify Sorrento: (i) when the Resale Registration Statement, or any amendment thereto has been filed with the SEC and when the Resale Registration Statement or any post-effective amendment thereto has become effective; (ii) of any request by the SEC for amendments or supplements to the Resale Registration Statement or the prospectus included therein or for additional information; (iii) of the issuance by the SEC of any stop order suspending the effectiveness of the Resale Registration Statement or the initiation of any proceedings for that purpose and of any other action, event or failure to act that would cause the Resale Registration Statement not to remain effective; and (iv) of the receipt by Scilex of any notification with respect to the suspension of the qualification or exemption from qualification of any Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose.

---

(c) Promptly after becoming aware of such event, Scilex shall notify Sorrento of the happening of any event (a **"Suspension Event"**), of which Scilex has knowledge, as a result of which the prospectus included in the Resale Registration Statement as then in effect, includes an untrue statement of a material fact or omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and use its best efforts promptly to prepare a supplement or amendment to the Resale Registration Statement to correct such untrue statement or omission, and deliver such number of copies of such supplement or amendment to Sorrento as Sorrento may reasonably request; *provided, however*, that, for not more than 30 consecutive Trading Days (or a total of not more than 90 Trading Days in any 12 month period), Scilex may delay, to the extent permitted by and in a manner not in violation of applicable securities laws, the disclosure of material non-public information concerning Scilex (as well as prospectus or Resale Registration Statement updating), the disclosure of which at the time is not, in the good faith opinion of Scilex, in the best interests of Scilex; *provided, further*, that, if the Resale Registration Statement was not filed on Form S-3, such number of days shall not include the 15 calendar days following the filing of any Current Report on Form 8-K, Quarterly Report on Form 10-Q or Annual Report on Form 10-K, or other comparable form, for purposes of filing a post-effective amendment to the Resale Registration Statement.

(d) Upon a Suspension Event, Scilex shall give written notice (a **"Suspension Notice"**) to Sorrento to suspend sales of the affected

Registrable Securities, and such notice shall state that such suspension shall continue only for so long as the Suspension Event or its effect is continuing and Scilex is pursuing with reasonable diligence the completion of the matter giving rise to the Suspension Event or otherwise taking all reasonable steps to terminate suspension of the effectiveness or use of the Resale Registration Statement *provided, however*, that the Suspension Event shall not be for more than 30 consecutive Trading Days (or a total of not more than 90 Trading Days in any 12 month period). In no event shall Scilex, without the prior written consent of Sorrento, disclose to Sorrento any of the facts or circumstances giving rise to the Suspension Event. Sorrento shall not effect any sales of the Registrable Securities pursuant to such Resale Registration Statement (or such filings), at any time after it has received a Suspension Notice and prior to receipt of an End of Suspension Notice. Sorrento may resume effecting sales of the Registrable Securities under the Resale Registration Statement (or such filings), following further notice to such effect (an "End of Suspension Notice") from Scilex. This End of Suspension Notice shall be given by Scilex to Sorrento in the manner described above promptly following the conclusion of any Suspension Event and its effect. For the avoidance of doubt, a Suspension Notice shall not affect or otherwise limit sales of affected Registrable Securities under Rule 144 or otherwise outside of the Resale Registration Statement.

(e) Notwithstanding any provision herein to the contrary, if Scilex gives a Suspension Notice pursuant to this Section with respect to the Resale Registration Statement, Scilex shall extend the period during which the Resale Registration Statement shall be maintained effective under this Agreement by the number of days during the period from the date of the giving of the Suspension Notice to and including the date when Sorrento shall have received the End of Suspension Notice and copies of the supplemented or amended prospectus necessary to resume sales; *provided however*, such period of time shall not be extended beyond the date that the Registrable Securities can be sold under Rule 144 without restriction.

(f) Scilex shall bear all Registration Expenses incurred in connection with the registration of the Registrable Securities pursuant to this Agreement; *provided, however* that "Registration Expenses" shall not include underwriting fees, discounts or commissions attributable to the sale of the Registrable Securities or any legal fees and expenses of counsel to Sorrento.

---

(g) Notwithstanding anything to the contrary contained in this Agreement, Scilex shall not be required to include Registrable Securities in the Resale Registration Statement unless Sorrento, following reasonable advance written request by Scilex, furnishes to Scilex, at least 10 business days prior to the scheduled filing date of the Resale Registration Statement, an executed stockholder questionnaire in the form attached hereto as **Annex I**.

#### 1.4 Indemnification With respect to Registration.

(a) In the event of the offer and sale of the Registrable Securities held by Sorrento under the Securities Act, Scilex agrees to indemnify and hold harmless Sorrento and its directors, officers, employees, affiliates and agents and each Person who controls Sorrento within the meaning of the Securities Act or the Exchange Act of 1934, as amended (the "Exchange Act"), (collectively, the "Sorrento Indemnified Parties") from and against any losses, claims, damages or liabilities, joint or several, or any actions in respect thereof to which each Sorrento Indemnified Party may become subject under the Securities Act or the Exchange Act, insofar as such losses, claims, damages, liabilities or actions arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Resale Registration Statement or in any amendment thereof, in each case at the time such became effective under the Securities Act, or in the preliminary prospectus or other information that is deemed, under Rule 159 promulgated under the Securities Act to have been conveyed to Scilex of securities at the time of sale of such securities ("Disclosure Package"), in the prospectus or in any amendment thereof or supplement thereto, or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of a Disclosure Package or any prospectus, in the light of the circumstances under which they were made) not misleading, and shall reimburse, as incurred, the Sorrento Indemnified Parties for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action in respect thereof; *provided, however*, that Scilex shall not be liable in any such case to the extent that such loss, claim, damage or liability arises out of or is based upon any untrue statement or omission made in the Resale Registration Statement, the Disclosure Package, any prospectus or in any amendment thereof or supplement thereto in reliance upon and in conformity with written information pertaining to Sorrento and furnished to Scilex by or on behalf of such Sorrento Indemnified Party specifically for inclusion therein; *provided further, however*, that Scilex shall not be liable in any such case to the extent that such loss, claim, damage or liability arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in the Disclosure Package, where (A) such statement or omission had been eliminated or remedied in any subsequently filed amended prospectus or prospectus supplement (the Disclosure Package, together with such updated documents, the "Updated Disclosure Package"), the filing of which Sorrento had been notified in accordance with the terms of this Agreement, (B) such Updated Disclosure Package was available at the time Sorrento sold Registrable Securities under the Resale Registration Statement, (C) such Updated Disclosure Package was not furnished by Sorrento to the Person asserting the loss, liability, claim, damage or liability, or an underwriter involved in the distribution of such Registrable Securities, at or prior to the time such furnishing is required by the Securities Act, and (D) the Updated Disclosure Package would have cured the defect giving rise to such loss, liability, claim, damage or action; and *provided further, however*, that this indemnity agreement will be in addition to any liability that Scilex may otherwise have to such Sorrento Indemnified Party. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of any Sorrento Indemnified Parties and shall survive the transfer of the Registrable Securities by Sorrento.

---

(b) As a condition to including any Registrable Securities to be offered by Sorrento in any registration statement filed pursuant to this Agreement, Sorrento agrees to indemnify and hold harmless Scilex, each of its directors, each of its officers who signs the Resale Registration Statement, as well as any officers, employees, affiliates and agents of Scilex, and each Person, if any, who controls Scilex within the meaning of the Securities Act or the Exchange Act (a "Scilex Indemnified Party") from and against any losses, claims, damages or liabilities or any actions in respect thereof, to which a Scilex Indemnified Party may become subject under the Securities Act or the Exchange Act, insofar as such losses, claims, damages, liabilities or actions arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Resale Registration Statement or in any amendment thereof, in each case at the time such became effective under the Securities Act, or in any Disclosure Package, prospectus or in any amendment thereof or supplement thereto, or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of the Disclosure Package or any prospectus, in the light of the circumstances under which they were made) not misleading, but in each case only to the extent that the untrue statement or omission or alleged untrue statement or omission was made in reliance upon and in conformity with written information pertaining to Sorrento and furnished to Scilex by or on behalf of Sorrento specifically for inclusion therein; and, subject to the limitation immediately preceding this clause, shall reimburse, as incurred, the Scilex Indemnified Parties for any legal or other expenses reasonably incurred by them in connection with investigating or defending any loss, claim, damage, liability or action in respect thereof. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of Sorrento, or any such director, officer, employees, affiliates and agents and shall survive the transfer of such Registrable Securities by Sorrento, and Sorrento shall reimburse Scilex, and each such director, officer, employees, affiliates and agents for any legal or other expenses reasonably incurred by them in connection with investigating, defending, or settling and such loss, claim, damage, liability, action, or proceeding. Such indemnity shall remain in full force and effect, regardless of any investigation made by or on behalf of Scilex or any such director, officer, employees, affiliates and agents and shall survive the transfer by Sorrento of such Registrable Securities.

---

(c) Promptly after receipt by a Sorrento Indemnified Party or a Scilex Indemnified Party (each, an “**Indemnified Party**”) of notice of the commencement of any action or proceeding (including a governmental investigation), such Indemnified Party will, if a claim in respect thereof is to be made against the indemnifying party under this Section, notify the indemnifying party of the commencement thereof; but the omission to so notify the indemnifying party will not relieve the indemnifying party from liability under Section unless and to the extent it did not otherwise learn of such action and the indemnifying party has been materially prejudiced by such failure. In case any such action is brought against any Indemnified Party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such Indemnified Party (who shall not, except with the consent of the Indemnified Party, be counsel to the indemnifying party), and after notice from the indemnifying party to such Indemnified Party of its election so to assume the defense thereof the indemnifying party will not be liable to such Indemnified Party under this Section for any legal or other expenses, other than reasonable costs of investigation, subsequently incurred by such Indemnified Party in connection with the defense thereof; *provided, however*, if such Indemnified Party shall have been advised by counsel that there are one or more defenses available to it that are in conflict with those available to the indemnifying party (in which case the indemnifying party shall not have the right to direct the defense of such action on behalf of the Indemnified Party), the reasonable fees and expenses of such Indemnified Party’s counsel shall be borne by the indemnifying party. In no event shall the indemnifying party be liable for the fees and expenses of more than one counsel (together with appropriate local counsel) at any time for any Indemnified Party in connection with any one action or separate but substantially similar or related actions arising in the same jurisdiction out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the Indemnified Party (not to be unreasonably withheld or delayed), effect any settlement of any pending or threatened action in respect of which any Indemnified Party is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party unless such settlement (i) includes an unconditional release of such Indemnified Party from all liability on any claims that are the subject matter of such action, and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any Indemnified Party. If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an Indemnified Party, then each indemnifying party shall contribute to the amount paid or payable by such Indemnified Party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to in this Exhibit A, in such proportion as is appropriate to reflect the relative fault of the indemnifying party or parties on the one hand and the Indemnified Party on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof) as well as any other relevant equitable considerations. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by Scilex on the one hand or Sorrento or Sorrento Indemnified Party, as the case may be, on the other, and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid by an Indemnified Party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this Section shall be deemed to include any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any action or claim that is the subject of this Exhibit A. The parties agree that it would not be just and equitable if contributions were determined by *pro rata* allocation (even if Sorrento was treated as one entity for such purpose) or any other method of allocation that does not take account of the equitable considerations referred to above. Notwithstanding any other provision of this Exhibit A, Sorrento shall not be required to contribute any amount in excess of the amount by which the net proceeds received by Sorrento from the sale of the Registrable Securities pursuant to the Resale Registration Statement exceeds the amount of damages that Sorrento has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

---

(d) The agreements contained in this Section shall survive the sale of the Registrable Securities pursuant to the Resale Registration Statement, and shall remain in full force and effect, regardless of any termination or cancellation of this Agreement or any investigation made by or on behalf of any Indemnified Party.

- 1.5 Resale Restrictions. Sorrento understands that the shares of Scilex Common Stock to be issued pursuant to this Agreement have not been registered under the Securities Act, by reason of a specific exemption from the registration provisions of the Securities Act which depends upon, among other things, the bona fide nature of the investment intent and the accuracy of Sorrento’s representations as expressed herein. Sorrento further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the Scilex Common Stock and on requirements relating to Scilex which are outside of Sorrento’s control, and which Scilex is under no obligation and may not be able to satisfy.

- 1.8 No General Solicitation. Neither Sorrento, nor any of Sorrento’s officers, managers, employees, agents, members or partners has either directly or indirectly, including through a broker or finder (a) engaged in any general solicitation, or (b) published any advertisement in connection with the offer and sale of the Scilex Common Stock.
- 1.9 Legends. Sorrento understands that the Scilex Common Stock acquired hereunder and any securities issued in respect of or exchange therefor may bear any one or more of the following legends:
- 1.9.1 “THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), AND MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED, ASSIGNED, PLEDGED OR HYPOTHECATED UNLESS REGISTERED UNDER THE ACT OR UNLESS AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE ACT IS AVAILABLE”;
-

- 1.9.2 "THE SHARES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO CERTAIN VOLUME AND PRICING RESTRICTIONS AS SET FORTH IN AN AGREEMENT BETWEEN SCILEX AND THE REGISTERED HOLDER, OR SUCH HOLDER'S PREDECESSOR IN INTEREST, A COPY OF WHICH IS ON FILE AT THE PRINCIPAL OFFICE OF SCILEX. ANY TRANSFER OR ATTEMPTED TRANSFER OF ANY SHARES IN VIOLATION OF SUCH AGREEMENT IS VOID"; and
- 1.9.3 any legend required by the securities laws of any state to the extent such laws are applicable to the Scilex Common Stock represented by the certificate so legended.
- 1.10 Information; Investment Purpose. Sorrento has requested, received, reviewed and considered all the information Sorrento deems necessary, appropriate or relevant as a prudent and knowledgeable investor in evaluating the investment in Scilex Common Stock. Sorrento further represents that it has had an opportunity to ask questions of and receive answers from Scilex regarding the terms and conditions of the offering of the shares of Scilex Common Stock and the business, prospects and financial condition of Scilex necessary to verify the accuracy of any information furnished to Sorrento or to which Sorrento had access. Sorrento is acquiring the shares of Scilex Common Stock pursuant to this Agreement in the ordinary course of Sorrento's business and for Sorrento's own account for investment purposes only and with no present intention of distributing any Scilex Common Stock, and no arrangement or understanding exists with any other persons regarding the distribution of Scilex Common Stock.
- 1.11 No Brokers or Finders. Neither Sorrento nor any of its Affiliates has retained any broker or finder, agreed to pay or made any statement or representation to any Person that would entitle such Person to, any broker's, finder's or similar fees or commissions in connection with the transactions contemplated by this Agreement or any Ancillary Agreement.
- 1.12 Disclosure. None of the representations and warranties contained in this Exhibit A, the information contained in the Annex attached hereto and the written statements, documents, certificates or other items prepared and supplied to Scilex or its Affiliates by or on behalf of Sorrento in connection with the transaction contemplated hereby, contain any untrue statement of a material fact or omit a material fact necessary to make each statement contained herein or therein, in light of the circumstances in which they were made, not misleading.

**2. Premises.**

2.1 **Letting.** Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the Premises, for the term, at the rental, and upon all of the terms, covenants and conditions set forth in this Lease. While the approximate square footage of the Premises may have been used in the marketing of the Premises for purposes of comparison, the Base Rent stated herein is NOT tied to square footage and is not subject to adjustment should the actual size be determined to be different. **NOTE: Tenant is advised to verify the actual size prior to executing this Lease.**

2.2 **Must Take Space.** In addition to the initial Premises, Tenant shall lease, for a term equal to the then unexpired portion of the Term of this Lease, Suite No. 101 comprising approximately 2,510 rentable square feet as described on the attached **Exhibit A** (the “**Must Take Space**”), whereupon the Must Take Space shall be deemed a part of the Premises as defined herein. Tenant’s leasing of the Must Take Space shall be subject to all of the terms of this Lease except that: (i) the term of the Must Take Space (the “**Commencement Date for the Must Take Space**”) shall commence on July 1, 2020, and shall expire on the Expiration Date; (ii) the Base Rent shall be paid as set forth in Section 1.2 of the Basic Lease Provisions; (iii) effective as of the Commencement Date for the Must Take Space, Tenant shall have the non-exclusive use of an additional 10 unreserved parking stalls at the Project; and (iv) Tenant accepts the Must Take Space in its as-is condition, except Landlord shall convert the kitchen in the Must Take Space into an office. In the event Landlord is unable to deliver possession of the Must Take Space on or before the Commencement Date for the Must Take Space or any other date, Landlord shall not be liable for any damage caused thereby, nor shall this Lease be void or voidable, nor shall the Original Term be extended by such delay. Tenant shall not be liable for Rent for the Must Take Space until Landlord offers possession of the Must Take Space to Tenant. Landlord shall not be required to tender possession of, or access to, the Must Take Space to Tenant until Tenant complies with its obligation to provide evidence of insurance as required pursuant to Section 9 below. Pending delivery of such evidence, Tenant shall be required to perform all of its obligations under this Lease with respect to the Must Take Space from and after the Commencement Date for the Must Take Space, including the payment of Rent for the Must Take Space, notwithstanding Landlord’s election to withhold possession pending receipt of such evidence of insurance. Tenant shall have the right to expand into the Must Take Space prior to July 1, 2020, provided that (x) Tenant gives Landlord at least 60 days’ advance notice of Tenant’s desire to expand into the Must Take Space early, (y) Landlord terminates the existing lease with the tenant of the Must Take Space on terms and conditions acceptable to Landlord in its sole discretion, and (z) Tenant and Landlord execute an amendment to this Lease, on terms and conditions acceptable to

Landlord in its sole discretion, adding the Must Take Space to the initial Premises for a term commencing prior to the initially scheduled Commencement Date for the Must Take Space.

2.3 **Condition of Premises.** Except as expressly set forth in this Section 2.3., Tenant hereby acknowledges agrees that the Premises shall be taken "as is" as of the Commencement Date, "without any representations or warranties", and Tenant hereby agrees and warrants that it has investigated and inspected the condition of the Premises and the suitability of same for Tenant's purposes, and Tenant does hereby waive and disclaim any objection to, cause of action based upon, or claim that its obligations hereunder should be reduced or limited because of the condition of the Premises or the Project or the suitability of same for Tenant's purposes. Tenant further agrees that no tenant improvements are to be made by Landlord under this Lease except as expressly set forth herein. Tenant acknowledges that neither Landlord nor any agent nor any employee of Landlord has made any representations or warranty with respect to the Premises or the Project or with respect to the suitability of either for the conduct of Tenant's business and Tenant expressly warrants and represents that Tenant has relied solely on its own investigation and inspection of the Premises and the Project in its decision to enter into this Lease and let the Premises in the above-described condition. The taking of possession of the Premises by Tenant shall conclusively establish that the Premises and the Project were at such time in satisfactory and good condition. Notwithstanding the foregoing, Landlord shall (i) build one (1) conference room and two offices in the initial Premises and (ii) demise the small conference room in the initial Premises into two offices ("**Landlord's Work**"). "**Substantial Completion**" of Landlord's Work shall be defined as the date upon which Landlord determines that Landlord's Work has been substantially completed. If there shall be a delay or there are delays in the Substantial Completion of Landlord's Work, as a direct, indirect, partial, or total result of any act or omission of Tenant or any of its employees, managers, officers, directors, agents, contractors or invitees (a "**Tenant Delay**"), then, notwithstanding anything to the contrary set forth in the Lease and regardless of the actual date of the Substantial Completion of Landlord's Work, the date of Substantial Completion of Landlord's Work shall be deemed to be the date the Substantial Completion of Landlord's Work would have occurred if no Tenant Delay had occurred. Absent any Tenant Delay, Substantial Completion shall occur not later than the Commencement Date.

---

2

2.4 **Parking.** Tenant shall have the non-exclusive use of 13 unreserved parking stalls at the Project. Tenant shall not assign, transfer, or license any of the parking spaces.

2.5 **Common Areas - Definition.** The term "**Common Areas**" is defined as all areas and facilities outside the Premises and within the exterior boundary line of the Project and interior utility raceways and installations within the Premises that are provided and designated by the Landlord from time to time for the general non-exclusive use of Landlord, Tenant and other tenants of the Project and their respective employees, suppliers, shippers, customers, contractors and invitees, including loading and unloading areas, trash areas, roadways, walkways, driveways and landscaped areas. The fenced area next to the emergency exit to the Building is not a Common Area and is to be used solely for emergency egress from the Building.

2.6 **Common Areas - Tenant's Rights.** Landlord grants to Tenant, for the benefit of Tenant and its employees, suppliers, shippers, contractors, customers and invitees, during the term of this Lease, the non-exclusive right to use, in common with others entitled to such use, the Common Areas as they exist from time to time, subject to any rights, powers, and privileges reserved by Landlord under the terms hereof or under the terms of any rules and regulations or restrictions governing the use of the Project. Under no circumstances shall the right herein granted to use the Common Areas be deemed to include the right to store any property, temporarily or permanently, in the Common Areas. Any such storage shall be permitted only by the prior written consent of Landlord or Landlord's designated agent, which consent may be revoked at any time. In the event that any unauthorized storage shall occur then Landlord shall have the right, without notice, in addition to such other rights and remedies that it may have, to remove the property and charge the cost to Tenant, which cost shall be immediately payable upon demand by Landlord.

2.7 **Common Areas - Rules and Regulations.** Landlord or such other person(s) as Landlord may appoint shall have the exclusive control and management of the Common Areas and shall have the right, from time to time, to establish, modify, amend and enforce reasonable rules and regulations ("**Rules and Regulations**") for the management, safety, care, and cleanliness of the grounds, the unloading of vehicles and the preservation of good order, as well as for the convenience of other occupants or tenants of the Building and the Project and their invitees. Tenant agrees to abide by and conform to all such Rules and Regulations, and shall use its commercially reasonable efforts to cause its employees, suppliers, shippers, customers, contractors and invitees to so abide and conform. Landlord shall not be responsible to Tenant for the non-compliance with said Rules and Regulations by other tenants of the Project.

2.8 **Common Areas - Changes.** Landlord shall have the right, in Landlord's sole discretion, from time to time:

2.8.1 To make changes to the Common Areas, including, without limitation, changes in the location, size, shape and number of driveways, entrances, loading and unloading areas, ingress, egress, direction of traffic, landscaped areas, walkways and utility raceways;

---

3

2.8.2 To close temporarily any of the Common Areas for maintenance purposes so long as reasonable access to the Premises remains available;

2.8.3 To add additional buildings and improvements to the Common Areas;

2.8.4 To use the Common Areas while engaged in making additional improvements, repairs or alterations to the Project, or any portion thereof; and

2.8.5 To do and perform such other acts and make such other changes in, to or with respect to the Common Areas and Project as Landlord may, in the exercise of sound business judgment, deem to be appropriate.

### 3. **Term.**

3.1 **Term.** The Commencement Date, Expiration Date and Original Term of this Lease are as specified in Section 1.1. The Commencement Date for the Must Take Space is as specified in Section 2.2. Upon the determination of the Commencement Date, Tenant shall, upon demand, sign a letter agreement memorializing the Commencement Date and Expiration Date in form provided by Landlord.

3.2 **Delay in Possession.** In the event Landlord is unable to deliver possession of the Premises on or before the Commencement Date or any other date, Landlord shall not be liable for any damage caused thereby, nor shall this Lease be void or voidable. Tenant shall not be liable for Rent until Landlord offers possession of the Premises to Tenant. Tenant agrees that any delay in possession of the initial Premises will extend all dates set forth in this Lease (other than the Commencement Date for the Must Take Space) by a time equal to such delay.

3.3 **Tenant Compliance.** Landlord shall not be required to tender possession of, or access to, the Premises to Tenant until Tenant complies

with its obligation to provide evidence of insurance as required pursuant to Section 9 below. Pending delivery of such evidence, Tenant shall be required to perform all of its obligations under this Lease from and after the Commencement Date, including the payment of Rent, notwithstanding Landlord's election to withhold possession pending receipt of such evidence of insurance.

#### 4. Rent.

4.1 **Base Rent.** Commencing on the Commencement Date, Base Rent shall be payable by Tenant on the first day of each month, except that the Base Rent for the fourth month of the Term shall be payable by Tenant upon Tenant's execution of this Lease, without notice, offset or demand pursuant to Section 1.2 of the Basic Lease Provisions. Rent shall be paid to the Landlord at its notice address noted herein, or at any other place Landlord may from time to time designate by written notice mailed or delivered to Tenant. Base Rent for any partial month at the beginning of the Term shall be prorated based on the number of days in such month.

4.2 **Additional Rent.** Tenant shall pay as additional rent, and within 30 days of invoice from Landlord, personal property taxes on any Tenant property or equipment not timely paid by Tenant, or any other sums due Landlord per the terms of this Lease other than Base Rent, including without limitation, Increased Operating Expenses as set forth herein.

---

4

4.3 **Operating Expenses.** In addition to the payment of Base Rent, during each calendar year of the Term following the calendar year 2019 ("Base Year") Tenant shall pay to Landlord as additional rent Tenant's Share of any increase in Operating Expenses paid or incurred by Landlord during such calendar year ("**Increased Operating Expenses**") which are in excess of the Operating Expenses paid or incurred by Landlord for the Base Year. Landlord may, at or after the start of any calendar year subsequent to the Base Year, notify Tenant of the amount which Landlord estimates will be Tenant's Share of the Increased Operating Expenses for such calendar year, and Tenant shall pay to Landlord monthly in advance, at the time and place that monthly Base Rent is payable under this Lease, one-twelfth (1/12) of such estimate. Landlord may, from time to time, reasonably revise Landlord's estimate of Increased Operating Expenses by written notice to Tenant and Tenant shall pay Tenant's Share based upon such revised estimate. Landlord shall provide Tenant with an annual Statement ("**Statement**") of the actual Increased Operating Expenses incurred or paid by Landlord for each calendar year subsequent to the Base Year within one hundred twenty (120) days after the end of each calendar year, or as soon thereafter as reasonably practical. If Tenant's Share of Increased Operating Expenses as shown on such Statement is greater or less than the total estimated amounts actually paid by Tenant with respect to the calendar year covered by such Statement, then within thirty (30) days after receipt of the Statement, Tenant shall pay in cash any sums owed to Landlord or, if applicable, Tenant shall receive a credit against Tenant's Share of Increased Operating Expenses next accruing for any sum overpaid by Tenant. Following expiration of the calendar year in which the Term expires or during which this Lease is terminated, Landlord shall give a final Statement to Tenant for such portion of the calendar year within one hundred twenty (120) days after the end of the Term. If Tenant's Share of any Increased Operating Expenses as shown on the final Statement is greater or less than the total amount of Increased Operating Expenses actually paid by Tenant with respect to the calendar year covered by the final Statement, then within thirty (30) days after the delivery of the Statement to Tenant the appropriate party shall pay to the other party any sums owed. Landlord may invoice Tenant monthly and Tenant shall pay its pro rata share of such Increased Operating Expenses within ten (10) days of invoice. The obligations of Landlord and Tenant under this Section shall survive the expiration or sooner termination of this Lease.

4.4 **Definition of Operating Expenses.** The term "Operating Expenses" shall include all costs, charges and expenses incurred in connection with the ownership, management, operation, maintenance, repair, restoration and replacement of the Project, including, without limitation: (1) the cost of service, maintenance and inspection contracts, including, but not limited to, contracts for landscaping, janitorial, window cleaning, rubbish removal, exterminating, elevator, plumbing, electrical, mechanical, HVAC and life safety equipment and systems provided to the Project; (2) the cost of purchasing or renting equipment, supplies, tools, materials and uniforms used at the Project; (3) premiums and other charges for the insurance policies to be maintained by Landlord under this Lease and for such other insurance policies as Landlord shall elect to maintain with respect to the Project, and insurance deductibles and the amount of self-insured or retained coverage; (4) costs of electricity, water, gas, sewer and other utility services provided to the Project that are not billed directly to lessees, including, but not limited to, surcharges, assessments or impositions levied, assessed or imposed upon the Project or upon the use and occupancy of the Project, as a result of any rationing of utility services or restriction on the use or quality of utility services supplied to the Project; (5) Real Property Taxes; (6) sales, use and excise taxes on goods and services purchased by Landlord and supplied to the Project; (7) fees for management services provided to the Project, whether provided by an independent management company, Landlord, or an affiliate of Landlord; (8) the cost of the following capital improvements, equipment or devices (as distinguished from replacement parts or components installed in the ordinary course of business which shall be expensed and included in Operating Expenses) incurred or paid for by Landlord with respect to the Project or applicable part thereof: (A) capital improvements required to be constructed in order to comply with any laws, regulations, codes or ordinances not in effect or applicable to the Project as of the date of this Lease or to comply with any rules, regulations or requirements of any board of fire underwriters or similar insurance body, (B) modification of existing or construction of additional capital improvements or building service equipment for the purpose of reducing the consumption of utility services or Operating Expenses of the Project, or to effect a labor saving, energy saving or other economy of utility costs, or (C) replacement of capital improvements or building service equipment existing as of the date of this Lease when required because of normal wear and tear, which cost shall be amortized over the useful life of such capital improvement, equipment or device as reasonably determined by Landlord, together with interest on the unamortized balance; (9) rental and purchase cost of parts, supplies, tools and equipment leased or rented by Landlord to enable Landlord to supply services to the Project which Landlord might otherwise contract for with a third party.

---

5

4.5 **Definition of Real Property Taxes.** The term "Real Property Taxes" shall include all taxes, assessments, charges and surcharges (including costs and expenses of contesting the amount or validity thereof by appropriate administrative or legal proceedings) levied or assessed upon or with respect to the Project, or the interest of Landlord in the Project, and any personal property of Landlord used in connection with the Project, including, without limitation, all so-called ad valorem real property taxes and general and special assessments (including, without limitation, increases in real property taxes and/or assessments arising from a change in ownership or new construction); charges, fees, levies or assessments for transit, housing, police, fire or other services or purported benefits to the Project; service payments in lieu of taxes; and any tax, fee or charge on the act of entering into this Lease or any other lease of space in the Project, on the use or occupancy of the Project or any part thereof, or on the rent payable under any lease of the Project or in connection with the business of renting space in the Project (but excluding income taxes), which may now or hereafter be levied or assessed against Landlord by the United States of America, the State of California, or any governmental or quasi-governmental entity holding the power of taxation, and any other tax, fee, levy or other charge, however described, that may be levied or assessed as a substitute for, or as an addition to (in whole or in part), any other item included as taxes, whether or not now customary or in the contemplation of Landlord and Tenant on the date of this Lease. "Real Property Taxes" shall also include legal and consultants' fees, costs and disbursements incurred in connection with proceedings to contest, determine or reduce taxes, Landlord specifically reserving the right, but not the obligation, to contest by appropriate legal proceedings the amount or validity of any Real Property Taxes.

5. **Security Deposit.** Upon Tenant's execution hereof, Tenant shall deposit with Landlord the sum set forth in Section 1.3 of the Basic Lease Provisions as security for the full and faithful performance of every provision of this Lease to be performed by Tenant. If Tenant breaches any provision of

this Lease, including but not limited to the payment of rent, Landlord may use all or any part of this security deposit for the payment of any rent or any other sums in default, or to compensate Landlord for any other loss or damage which Landlord may suffer by reason of Tenant's default. If any portion of said deposit is so used or applied, Tenant shall, within five (5) days after written demand therefor, deposit cash with Landlord in an amount sufficient to restore the security deposit to its full amount. Tenant agrees that Landlord shall not be required to keep the security deposit in trust, segregate it or keep it separate from Landlord's general funds but Landlord may commingle the security deposit with its general funds and Tenant shall not be entitled to interest on such deposit. At the expiration of the Term, and provided there exists no default by Tenant hereunder, the security deposit or any balance thereof shall be returned to Tenant, provided that subsequent to the expiration of this Lease, Landlord may retain from said security deposit any and all amounts reasonably estimated by Landlord to cover the anticipated costs to be incurred by Landlord to remove any signage provided to Tenant under this Lease, to remove cabling and other items required to be removed by Tenant under Section 29(b) below and to repair any damage caused by such removal, any other costs to perform any surrender obligations of Tenant not performed by the termination date, and any other damages or costs that Landlord reasonably determines is due Landlord from Tenant (in which case any excess amount so retained by Landlord shall be returned to Tenant within thirty (30) days after such removal, repair, or satisfaction of the damage or cost amount), and any and all amounts permitted by law or this Section 5. Tenant hereby waives the provisions of California Civil Code Section 1950.7 and any successor law.

6. **Use.**

6.1 **Permitted Use.** Tenant shall use and occupy the Premises only for the Permitted Use and for no other purpose, without the prior written consent of Landlord, which consent may be withheld in its sole discretion. Tenant shall not use or permit the use of the Premises in a manner that is unlawful, creates damage, waste or a nuisance, or that disturbs occupants of or causes damage to neighboring premises or properties. Other than guide, signal and seeing-eye dogs, Tenant shall not keep or allow in the Premises any pets, animals, birds, fish, or reptiles. Landlord may withhold its consent for any reason to any written request for a modification of the Permitted Use. Tenant shall pay for any increase in the premiums for the property insurance of the Building and for the Common Areas or other buildings in the Project if said increase is caused by Tenant's acts, omissions, use or occupancy of the Premises contrary to the Permitted Use. Under no circumstance are the Premises to be used for manufacturing, repair, restaurant, retail, personal service or medical purposes.

6.2 **Compliance with Laws.** Tenant shall, at its sole cost and expense, promptly comply with all laws, statutes, ordinances, codes, regulations and requirements now in force or which may hereafter be in force ("**Laws**") relating to or affecting (i) the condition, use or occupancy of the Premises by Tenant (excluding structural upgrades, enhancements, alterations or improvements to the Project not related to Tenant's particular use of, or Alterations to, the Premises), and (ii) Alterations installed or constructed in the Premises by or for the benefit of Tenant.

7. **Hazardous Substances.**

7.1 Except for Hazardous Material (as defined below) contained in products used by Tenant for ordinary cleaning and office purposes in quantities not violative of applicable Environmental Requirements, Tenant shall not permit or cause any party to bring any Hazardous Material upon the Premises and/or the Project or transport, store, use, generate, manufacture, dispose, or release any Hazardous Material on or from the Premises and/or the Project without Landlord's prior written consent. Tenant, at its sole cost and expense, shall operate its business in the Premises in strict compliance with all Environmental Requirements (as defined below) and all requirements of this Lease. Tenant shall complete and certify to disclosure statements as requested by Landlord from time to time relating to Tenant's transportation, storage, use, generation, manufacture, or release of Hazardous Materials on the Premises, and Tenant shall promptly deliver to Landlord a copy of any notice of violation relating to the Premises or the Project of any Environmental Requirement.

7.2 The term "Environmental Requirements" means all applicable present and future statutes, regulations, ordinances, rules, codes, judgments, permits, authorizations, orders, policies or other similar requirements of any governmental authority, agency or court regulating or relating to health, safety, or environmental conditions on, under, or about the Premises or the environment, including without limitation, the following: the Comprehensive Environmental Response, Compensation and Liability Act; the Resource Conservation and Recovery Act; the Clean Air Act; the Clean Water Act; the Toxic Substances Control Act and all state and local counterparts thereto; all applicable California requirements, including, but not limited to, Sections 25115, 25117, 25122.7, 25140, 25249.8, 25281, 25316 and 25501 of the California Health and Safety Code and Title 22 of the California Code of Regulations, Division 4.5, Chapter 11, and any policies or rules promulgated thereunder as well as a n y C o u n t y or City ordinances that may operate independent of, or in conjunction with, the State programs, and any common or civil law obligations including, without limitation, nuisance or trespass, and any other requirements of Article 3 of this Lease. The term "Hazardous Materials" means and includes any substance, material, waste, pollutant, or contaminant that is or could be regulated under any Environmental Requirement or that may adversely affect human health or the environment, including, without limitation, any solid or hazardous waste, hazardous substance, asbestos, petroleum (including crude oil or any fraction thereof, natural gas, synthetic gas, polychlorinated biphenyls (PCBs), and radioactive material). For purposes of Environmental Requirements, to the extent authorized by law, Tenant is and shall be deemed to be the responsible party, including without limitation, the "owner" and "operator" of Tenant's "facility" and the "owner" of all Hazardous Materials brought on the Premises by Tenant, its agents, employees, contractors or invitees, and the wastes, by-products, or residues generated, resulting, or produced therefrom.

7.3 Tenant, at its sole cost and expense, shall remove all Hazardous Materials stored, disposed of or otherwise released by Tenant, its assignees, subtenants, agents, employees, contractors or invitees onto or from the Premises, in a manner and to a level satisfactory to Landlord in its reasonable discretion, but in no event to a level and in a manner less than that which complies with all Environmental Requirements and does not limit any future uses of the Premises or require the recording of any deed restriction or notice regarding the Premises. Tenant shall perform such work at any time during the Term of the Lease upon written request by Landlord or, in the absence of a specific request by Landlord, before Tenant's right to possession of the Premises terminates or expires. If Tenant fails to perform such work within the time period specified by Landlord or before Tenant's right to possession terminates or expires (whichever is earlier), Landlord may at its discretion, and without waiving any other remedy available under this Lease or at law or equity (including without limitation an action to compel Tenant to perform such work), perform such work at Tenant's cost. Tenant shall pay all costs incurred by Landlord in performing such work within ten (10) days after Landlord's request therefor. Such work performed by Landlord is on behalf of Tenant and Tenant remains the owner, generator, operator, transporter, and/or arranger of the Hazardous Materials for purposes of Environmental Requirements. Tenant agrees not to enter into any agreement with any person, including without limitation any governmental authority, regarding the removal of Hazardous Materials that have been disposed of or otherwise released onto or from the Premises without the written approval of Landlord.

7.4 Tenant shall indemnify, defend, and hold Landlord harmless from and against any and all losses (including, without limitation, diminution in value of the Premises or the Project and loss of rental income from the Project), claims, demands, actions, suits, damages (including, without limitation, punitive damages), expenses (including, without limitation, remediation, removal, repair, corrective action, or cleanup expenses), and costs (including, without limitation, actual attorneys' fees, consultant fees or expert fees and including, without limitation, removal or management of any asbestos brought

into the Premises or disturbed by Tenant in breach of the requirements of this Section 7, regardless of whether such removal or management is required by law) which are brought or recoverable against, or suffered or incurred by Landlord as a result of any release of Hazardous Materials by Tenant or any breach of the requirements under this Section 7 by Tenant, its agents, employees, contractors, subtenants, assignees or invitees, regardless of whether Tenant had knowledge of such noncompliance. The obligations of Tenant under this Section 7 shall survive any termination of this Lease.

7.5 Landlord shall have access to, and a right to perform inspections and tests of, the Premises to determine Tenant's compliance with Environmental Requirements, its obligations under this Section 7, or the environmental condition of the Premises. Access shall be granted to Landlord upon Landlord's prior notice to Tenant and at such times so as to minimize, so far as may be reasonable under the circumstances, any disturbance to Tenant's operations. Such inspections and tests shall be conducted at Landlord's expense, unless such inspections or tests reveal that Tenant has not complied with any Environmental Requirement, in which case Tenant shall reimburse Landlord for the reasonable cost of such inspection and tests. Landlord's receipt of or satisfaction with any environmental assessment in no way waives any rights that Landlord holds against Tenant. Tenant shall promptly notify Landlord of any communication or report that Tenant makes to any governmental authority regarding any possible violation of Environmental Requirements or release or threat of release of any Hazardous Materials onto or from the Premises. Tenant shall, within five (5) days of receipt thereof, provide Landlord with a copy of any documents or correspondence received from any governmental agency or other party relating to a possible violation of Environmental Requirements or claim or liability associated with the release or threat of release of any Hazardous Materials onto or from the Premises.

7.6 In addition to all other rights and remedies available to Landlord under this Lease or otherwise, Landlord may, in the event of a breach of the requirements of this Section 7 that is not cured within thirty (30) days following notice of such breach by Landlord, require Tenant to provide financial assurance (such as insurance, escrow of funds or third party guarantee) in an amount and form reasonably satisfactory to Landlord. The requirements of this Section 7 are in addition to and not in lieu of any other provision in the Lease.

## 8. Maintenance; Repairs, Alterations.

### 8.1 Tenant's Obligations.

8.1.1 **In General.** Tenant shall, at Tenant's sole expense, keep the Premises and all improvements thereon in good order, condition and repair (whether or not the portion of the Premises requiring repairs, or the means of repairing the same, are reasonably or readily accessible to Tenant, and whether or not the need for such repairs occurs as a result of Tenant's use, any prior use, the elements or the age of such portion of the Premises), including, but not limited to, all equipment or facilities within the Premises, such as plumbing, HVAC equipment servicing only the Premises or portion thereof, electrical, lighting facilities, boilers, pressure vessels, fixtures, kitchen appliances and plumbing, interior walls, interior surfaces of exterior walls, ceilings, floors, windows, doors, plate glass, and skylights but excluding any items which are the responsibility of Landlord pursuant to Section 8.2. Tenant's obligations shall include restorations, replacements or renewals when necessary to keep the Premises and all improvements thereon or a part thereof in good order, condition and state of repair.

8.1.2 **Failure to Perform.** If Tenant fails to perform Tenant's obligations under this Section 8.1.1, Landlord may enter upon the Premises after 10 days' prior written notice to Tenant (except in the case of an emergency, in which case no notice shall be required), perform such obligations on Tenant's behalf, and put the Premises in good order, condition and repair, and Tenant shall promptly pay to Landlord a sum equal to 110% of the cost thereof.

---

## 8

8.2 **Landlord's Obligations.** Subject to a casualty or condemnation event, Landlord, shall keep in good order, condition and repair the foundations, exterior walls, structural condition of interior bearing walls, exterior roof, fire sprinkler system, Common Areas including but not limited to fire alarm and/or smoke detection systems, fire hydrants, parking lots, walkways, parkways, driveways, landscaping, fences, signs and utility systems serving the Common Areas and all parts thereof. Subject to Section 2.2 above, Landlord shall not be obligated to paint the exterior or interior surfaces of exterior walls nor shall Landlord be obligated to maintain, repair or replace windows, doors or plate glass of the Premises. Landlord shall not be required to make any repairs to the Project or Common Area unless and until Tenant notifies Landlord of the need of such repairs.

### 8.3 Alterations.

8.3.1 **Generally.** Tenant shall make no alterations, improvements installations, changes or additions in or to the Premises or the Project (collectively, "Alterations") without Landlord's prior written consent, which consent shall not be unreasonably withheld for non-structural Alterations; provided, however, Tenant may, without Landlord's prior written consent, make non-structural Alterations to the Premises that (i) do not affect the Building systems, (ii) are not visible from the exterior of the Building and (iii) do not cost more than \$10,000 in total during any calendar year. Any Alterations approved by Landlord must be performed in accordance with the terms hereof, using only contractors reasonably approved by Landlord in writing and upon the approval by Landlord in writing of fully detailed and dimensioned plans and specifications pertaining to the Alterations in question, to be prepared and submitted by Tenant at its sole cost and expense. Tenant shall at its sole cost and expense obtain all necessary approvals and permits pertaining to any Alterations approved by Landlord. Tenant shall cause all Alterations to be performed in a good and workmanlike manner, in conformance with all applicable federal, state, county and municipal laws, rules and regulations, pursuant to a valid building permit, and in conformance with Landlord's construction rules and regulations. If Landlord, in approving any Alterations, specifies a commencement date therefor in order for Landlord to post timely notices of non-responsibility, Tenant shall not commence any work with respect to such Alterations prior to such date. Tenant hereby agrees to indemnify, defend, and hold Landlord free and harmless from all liens and claims of lien, and all other liability, claims and demands arising out of any work done or material supplied to the Premises by or at the request of Tenant in connection with any Alterations.

8.3.2 **Insurance; Liens.** Prior to the commencement of any Alterations, Tenant shall provide Landlord with evidence that Tenant carries "Builder's All Risk" insurance in an amount covering the construction of such Alterations, and such other insurance as Landlord may reasonably require, it being understood that all such Alterations shall be insured by Tenant pursuant to Section 9.2 of this Lease immediately upon completion thereof. In addition, Landlord may, in its discretion, require Tenant to obtain a lien and completion bond or some alternate form of security satisfactory to Landlord in an amount sufficient to ensure the lien-free completion of such Alterations and naming Landlord as a co-obligee.

8.3.3 **Costs and Fees; Removal.** If permitted Alterations are made, they shall be made at Tenant's sole cost and expense and shall be and become the property of Landlord, except that Landlord may, by written notice to Tenant, require Tenant at Tenant's expense at Lease Termination or immediately on notice if not installed with Landlord's written consent, to remove Alterations from the Premises installed by Tenant, and to repair any damage to the Premises and the Project caused by such removal. Any and all costs attributable to or related to the applicable building codes of the city in which the Project is located (or any other authority having jurisdiction over the Project) arising from Tenant's plans, specifications, improvements, Alterations or otherwise shall be paid by Tenant at its sole cost and expense. With regard to Alterations, Landlord shall be entitled to receive an administrative/coordination fee (which fee shall not exceed 2% of the cost of the Alterations) sufficient to compensate Landlord for all overhead, general conditions, fees and other costs and expenses arising from Landlord's involvement with such Alteration.

8.4 **Liens.** Tenant shall keep the Premises and the Project free from any mechanics' liens, vendors liens or any other liens arising out of any work performed, materials furnished or obligations incurred by Tenant, and Tenant agrees to defend, indemnify and hold Landlord harmless from and against any such lien or claim or action thereon, together with costs of suit and reasonable attorneys' fees and costs incurred by Landlord in connection with any such claim or action. Before commencing any work of alteration, addition or improvement to the Premises, Tenant shall give Landlord at least ten (10) business days' written notice of the proposed commencement of such work (to afford Landlord an opportunity to post appropriate notices of non-responsibility). In the event that there shall be recorded against the Premises or the Project or the property of which the Premises is a part any claim or lien arising out of any such work performed, materials furnished or obligations incurred by Tenant and such claim or lien shall not be removed or discharged within ten (10) days of filing, Landlord shall have the right but not the obligation to pay and discharge said lien without regard to whether such lien shall be lawful or correct (in which case Tenant shall reimburse Landlord for any such payment made by Landlord within ten (10) days following written demand), or to require that Tenant promptly deposit with Landlord in cash, lawful money of the United States, one hundred twenty-five percent (125%) of the amount of such claim, which sum may be retained by Landlord until such claim shall have been removed of record or until judgment shall have been rendered on such claim and such judgment shall have become final, at which time Landlord shall have the right to apply such deposit in discharge of the judgment on said claim and any costs, including attorneys' fees and costs incurred by Landlord, and shall remit the balance thereof to Tenant.

8.5 **Surrender; Restoration.** Tenant shall surrender the Premises by the Expiration Date or any earlier termination date with all of the improvements, parts and surfaces thereof broom clean and free of debris, and in good operating order, condition and state of repair, ordinary wear and tear excepted. "Ordinary wear and tear" shall not include any damage or deterioration that would have been prevented by good maintenance practice. Tenant shall repair any damage occasioned by the installation, maintenance or removal of Alterations, furnishings, fixtures and equipment. Tenant shall also completely remove from the Premises any and all Hazardous Substances brought onto the Premises by or for Tenant, or any third party (except Hazardous Substances which were deposited via underground migration from areas outside of the Project) even if such removal would require Tenant to perform or pay for work that exceeds statutory requirements. Any personal property of Tenant not removed on or before the Expiration Date or any earlier termination date shall be deemed to have been abandoned by Tenant and may be disposed of or retained by Landlord as Landlord may desire. The failure by Tenant to timely vacate the Premises pursuant to this Section 8.5 without the express written consent of Landlord shall constitute a holdover under the provisions of Section 16 below.

8.6 **Taxes.** Tenant pay to Landlord within 30 days of invoice, the entirety of any increase in real property taxes if assessed solely by reason of Alterations placed upon the Premises by Tenant or at Tenant's request or by reason of any alterations or improvements to the Premises made by Landlord subsequent to the execution of this Lease by the Parties during the term hereof.

## 9. **Insurance; Indemnity.**

9.1 **Liability Insurance.** Tenant shall obtain and keep in force a Commercial General Liability policy of insurance protecting Tenant and Landlord as an additional insured against claims for bodily injury, personal injury and property damage based upon or arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be on an occurrence basis providing single limit coverage in an amount not less than \$2,000,000 per occurrence with an annual aggregate of not less than \$3,000,000. Tenant shall add Landlord and any other party reasonably designated by Landlord as an additional insured by means of an endorsement at least as broad as the Insurance Service Organization's "Additional Insured-Managers or Landlords of Premises" Endorsement. The policy shall not contain any intra-insured exclusions as between insured persons or organizations, but shall include coverage for liability assumed under this Lease as an "insured contract" for the performance of Tenant's indemnity obligations under this Lease. The limits of said insurance shall not, however, limit the liability of Tenant nor relieve Tenant of any obligation hereunder. Tenant shall provide an endorsement on its liability policy(ies) which provides that its insurance shall be primary to and not contributory with any similar insurance carried by Landlord, whose insurance shall be considered excess insurance only.

9.2 **Property Damage.** Tenant shall obtain and maintain insurance coverage on all of Tenant's personal property, Trade Fixtures, and Tenant Owned Alterations and Utility Installations. Such insurance shall be full replacement cost coverage with a deductible of not to exceed \$5,000 per occurrence. The proceeds from any such insurance shall be used by Tenant for the replacement of personal property, furniture fixtures, equipment and Alterations. Tenant shall provide Landlord with written evidence that such insurance is in force.

---

## 10

9.3 **Business Interruption.** Tenant shall obtain and maintain loss of income and extra expense insurance for one year in amounts as will reimburse Tenant for direct or indirect loss of earnings attributable to all perils commonly insured against by prudent lessees in the business of Tenant or attributable to prevention of access to the Premises as a result of such perils.

9.4 **Worker's Compensation Insurance; Auto Liability Insurance.** Tenant shall obtain and maintain Worker's Compensation Insurance in such amount as may be required by Laws. Tenant shall obtain and maintain Commercial Automobile Liability Insurance covering all Owned (if any), Hired, or Non-owned vehicles with limits not less than \$1,000,000 combined single limit for bodily injury and property damage.

9.5 **No Representation of Adequate Coverage.** Landlord makes no representation that the limits or forms of coverage of insurance specified herein are adequate to cover Tenant's property, business operations or obligations under this Lease.

9.6 **Insurance Policies.** Insurance required herein shall be by companies maintaining during the policy term a "General Policyholders Rating" of at least A-, VIII, as set forth in the most current issue of "Best's Insurance Guide", or such other rating as may be required by a Lender. Tenant shall not do or permit to be done anything which invalidates the required insurance policies. Tenant shall, prior to Tenant entering the Premises, deliver to Landlord certified copies of policies of such insurance or certificates with copies of the required endorsements evidencing the existence and amounts of the required insurance. No such policy shall be cancelable or subject to modification except after 30 days prior written notice to Landlord. Tenant shall, at least 10 days prior to the expiration of such policies, furnish Landlord with evidence of renewals or "insurance binders" evidencing renewal thereof, or Landlord may order such insurance and charge the cost thereof to Tenant, which amount shall be payable by Tenant to Landlord upon demand. Such policies shall be for a term of at least one year, or the length of the remaining term of this Lease, whichever is less. If Tenant shall fail to procure and maintain the insurance required to be carried by it, Landlord may, but shall not be required to, procure and maintain the same at Tenant's expense.

9.7 **Waiver of Subrogation.** Without affecting any other rights or remedies, Tenant and Landlord each hereby release and relieve the other, and waive their entire right to recover damages against the other, for loss of or damage to its property arising out of or incident to the perils required to be insured against herein. The effect of such releases and waivers is not limited by the amount of insurance carried or required, or by any deductibles applicable hereto. The Parties agree to have their respective property damage insurance carriers waive any right to subrogation that such companies may have against Landlord or Tenant, as the case may be, so long as the insurance is not invalidated thereby.

9.8 **Indemnity; Waiver.** Except for Landlord's gross negligence or willful misconduct, Tenant shall indemnify, protect, defend and hold harmless the Premises, Landlord and its members, managers, officers, directors, employees, representatives, agents, partners, lenders, and successors and assigns, from and against any and all claims, loss of rents and/or damages, liens, judgments, penalties, attorneys' and consultants' fees, expenses

and/or liabilities arising out of, involving, or in connection with, the use and/or occupancy of the Premises by Tenant or anything occurring on or at the Premises, and/or any breach of this Lease by Tenant. If any action or proceeding is brought against Landlord by reason of any of the foregoing matters, Tenant shall upon notice defend the same at Tenant's expense by counsel reasonably satisfactory to Landlord and Landlord shall cooperate with Tenant in such defense. Landlord need not have first paid any such claim in order to be defended or indemnified. The foregoing indemnity shall survive the expiration or earlier termination of this Lease. Notwithstanding the negligence or breach of this Lease by Landlord or its agents, neither Landlord nor its members, managers, officers, directors, employees, representatives, agents, partners, lenders, or successors and assigns shall be liable under any circumstances for: (i) injury or damage to the person or goods, wares, merchandise or other property of Tenant or its employees, contractors, invitees, customers, or any other person in or about the Premises, whether such damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, indoor air quality, the presence of mold or from the breakage, leakage, obstruction or other defects of pipes, fire sprinklers, wires, appliances, plumbing, HVAC or lighting fixtures, or from any other cause, whether the said injury or damage results from conditions arising upon the Premises or upon other portions of the building of which the Premises are a part, or from other sources or places, (ii) any damages arising from any act or neglect of any other tenant of Landlord or from the failure of Landlord or its agents to enforce the provisions of any other lease in the Building, or (iii) injury to Tenant's business or for any loss of income or profit therefrom. Instead, it is intended that Tenant's sole recourse in the event of such damages or injury be to file a claim on the insurance policies that Tenant is required to maintain pursuant to the provisions of this Lease.

10. **Damage or Destruction.**

10.1 **Definitions.**

10.1.1 "**Premises Partial Damage**" shall mean damage or destruction to the improvements on the Premises, other than Alterations, which can reasonably be repaired in 9 months. Landlord shall notify Tenant in writing within 60 days from the date of the damage or destruction as to whether or not the damage is Partial or Total. Notwithstanding the foregoing, Premises Partial Damage shall not include damage to windows, doors, and/or other similar items which Tenant has the responsibility to repair or replace pursuant to the provisions of Section 8.1.

10.1.2 "**Premises Total Destruction**" shall mean damage or destruction to the improvements on the Premises, other than Alterations, which cannot reasonably be repaired in 9 months or less from the date of the damage or destruction. Landlord shall notify Tenant in writing within 60 days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

10.1.3 "**Insured Loss**" shall mean damage or destruction to improvements on the Premises, other than Alterations, which was caused by an event insured by Landlord (excluding earthquake or flood regardless if such events are insured by Landlord), irrespective of any deductible amounts or coverage limits involved.

10.1.4 "**Replacement Cost**" shall mean the cost to repair or rebuild the improvements owned by Landlord at the time of the occurrence to their condition existing immediately prior thereto, including demolition, debris removal and upgrading required by the operation of Laws, and without deduction for depreciation.

10.2 **Partial Damage - Insured Loss.** If a Premises Partial Damage that is an Insured Loss occurs, then Landlord shall, at Landlord's expense, repair such damage (but not Tenant's personal property or Alterations) as soon as reasonably possible and this Lease shall continue in full force and effect. Notwithstanding the foregoing, if the required insurance was not in force or the insurance proceeds are not sufficient to affect such repair, Landlord shall have the right to terminate this Lease upon written notice to Tenant. Such termination shall be effective 30 days following the date of such notice.

10.3 **Partial Damage - Uninsured Loss.** If a Premises Partial Damage that is not an Insured Loss occurs, unless caused by a negligent or willful act of Tenant (in which event Tenant shall make the repairs at Tenant's expense), Landlord may either: (i) repair such damage as soon as reasonably possible at Landlord's expense, in which event this Lease shall continue in full force and effect, or (ii) terminate this Lease by giving written notice to Tenant within 60 days after receipt by Landlord of knowledge of the occurrence of such damage. Such termination shall be effective 60 days following the date of such notice. In the event Landlord elects to terminate this Lease, Tenant shall have the right within 10 days after receipt of the termination notice to give written notice to Landlord of Tenant's commitment to pay for the repair of such damage without reimbursement from Landlord. Tenant shall provide Landlord with said funds or satisfactory assurance thereof within 30 days after making such commitment. In such event this Lease shall continue in full force and effect, and Landlord shall proceed to make such repairs as soon as reasonably possible after the required funds are available. If Tenant does not make the required commitment, this Lease shall terminate as of the date specified in the termination notice.

---

12

10.4 **Total Destruction.** Notwithstanding any other provision hereof, if a Premises Total Destruction occurs, either Landlord or Tenant may terminate this Lease. Such termination shall be effective 60 days following the date of such notice. Provided, however, if the damage or destruction was caused by Tenant then the Tenant shall have no right to terminate this Lease.

10.5 **Damage near End of Term.** If at any time during the last 12 months of this Lease there is damage for which the cost to repair exceeds one month's Base Rent, whether or not an Insured Loss, either Landlord or Tenant may terminate this Lease effective 60 days following the date of occurrence of such damage by giving a written termination notice to the other party within 30 days after the date of occurrence of such damage. Notwithstanding the foregoing, if Tenant at that time has an exercisable option to extend this Lease or to purchase the Premises, then Tenant may preserve this Lease by, (a) exercising such option and (b) providing Landlord with any shortage in insurance proceeds (or adequate assurance thereof) needed to make the repairs on or before the earlier of (i) the date which is 10 days after Tenant's receipt of Landlord's written notice purporting to terminate this Lease, or (ii) the day prior to the date upon which such option expires. If Tenant duly exercises such option during such period and provides Landlord with funds (or adequate assurance thereof) to cover any shortage in insurance proceeds, Landlord shall, at Landlord's commercially reasonable expense, repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect. If Tenant fails to exercise such option and provide such funds or assurance during such period, then this Lease shall terminate on the date specified in the termination notice and Tenant's option shall be extinguished.

10.6 **Abatement of Rent.** In the event of Premises Partial Damage or Premises Total Destruction for which Tenant is not responsible under this Lease, the Rent payable by Tenant for the period required for the repair, remediation or restoration of such damage shall be abated in proportion to the degree to which Tenant's use of the Premises is impaired. Premises Partial Destruction of more than 70% shall be treated as if Premises Total Destruction unless Tenant is able to effectively utilize the undamaged portion of the Premises. All other obligations of Tenant hereunder shall be performed by Tenant, and Landlord shall have no liability for any such damage, destruction, remediation, repair or restoration except as provided herein.

10.7 **Termination; Advance Payments.** Upon termination of this Lease pursuant to this Section 10, an equitable adjustment shall be made

concerning advance Base Rent and any other advance payments made by Tenant to Landlord. Landlord shall, in addition, return to Tenant so much of Tenant's Security Deposit as has not been, or is not then required to be, used by Landlord.

**11. Utilities and Services.**

11.1 Landlord shall pay for all utilities and Building services except for any HVAC use beyond Business Hours as herein defined or extraordinary utility use beyond normal office use, which determination and cost shall be made by Landlord in its reasonable determination. The charge for HVAC use beyond the Business Hours will be at a cost per hour of use as reasonable determined by Landlord to cover the extra utility use and wear and tear on the HVAC system. The Business Hours are from 8 am to 6 pm Monday thru Friday except national holidays.

**12. Assignment and Subletting.**

12.1 **Landlord's Consent Required.** Tenant shall not voluntarily or by operation of law assign, transfer, mortgage or encumber (collectively, "assign or assignment") or sublet all or any part of Tenant's interest in this Lease or in the Premises without Landlord's prior written consent, which consent shall not be unreasonably withheld. An assignment or subletting without consent shall be a noncurable Breach without the necessity of any notice and grace period. Tenant's remedy for any breach of Section 12.1 by Landlord shall be limited to compensatory damages and/or injunctive relief. Landlord may reasonably withhold consent to a proposed assignment or subletting if Tenant is in Default at the time consent is requested. It shall not be unreasonable for Landlord to withhold its consent to any sublease or assignment if the proposed use of the subtenant or assignee would be considered manufacturing, repair, retail, personal services, restaurant, medical or any other use whereby the City of Palo Alto could make the determination that the Premises or the Building would no longer be able to support future office uses.

---

13

**12.2 Terms and Conditions Applicable to Assignment and Subletting .**

12.2.1 Regardless of Landlord's consent, no assignment or subletting shall: (i) be effective without the express written assumption by such assignee or subtenant of the obligations of Tenant under this Lease, (ii) release Tenant of any obligations hereunder, or (iii) alter the primary liability of Tenant for the payment of Rent or for the performance of any other obligations to be performed by Tenant.

12.2.2 Landlord may accept Rent or performance of Tenant's obligations from any person other than Tenant pending approval or disapproval of an assignment. Neither a delay in the approval or disapproval of such assignment nor the acceptance of Rent or performance shall constitute a waiver or estoppel of Landlord's right to exercise its remedies for Tenant's Default or Breach.

12.2.3 Landlord's consent to any assignment or subletting shall not constitute consent to any subsequent assignment or subletting.

12.2.4 In the event of any Default or Breach by Tenant, Landlord may proceed directly against Tenant, any Guarantors or anyone else responsible for the performance of Tenant's obligations under this Lease, including any assignee or subtenant, without first exhausting Landlord's remedies against any other person or entity responsible therefore to Landlord, or any security held by Landlord.

12.2.5 Each request for consent to an assignment or subletting shall be in writing, accompanied by information relevant to Landlord's determination as to the financial and operational responsibility and appropriateness of the proposed assignee or subtenant, including but not limited to the intended use and/or required modification of the Premises, if any, together with a fee of \$500 as consideration for Landlord's considering and processing said request. Tenant agrees to provide Landlord with such other or additional information and/or documentation as may be reasonably requested.

12.2.6 Tenant shall reimburse Landlord upon demand for its reasonable attorney's cost and fees relating to any request for consent to an assignment or sublease not to exceed \$1,250 per standard request.

12.2.7 Any assignee of, or subtenant under, this Lease shall, by reason of accepting such assignment, entering into such sublease, or entering into possession of the Premises or any portion thereof, be deemed to have assumed and agreed to conform and comply with each and every term, covenant, condition and obligation herein to be observed or performed by Tenant during the term of said assignment or sublease, other than such obligations as are contrary to or inconsistent with provisions of an assignment or sublease to which Landlord has specifically consented to in writing.

12.2.8 Landlord's consent to any assignment or subletting shall not transfer to the assignee or subtenant any Option granted to the original Tenant by this Lease unless such transfer is specifically consented to by Landlord in writing.

**12.3 Additional Terms and Conditions Applicable to Subletting .** The following terms and conditions shall apply to any subletting by Tenant of all or any part of the Premises and shall be deemed included in all subleases under this Lease whether or not expressly incorporated therein:

12.3.1 Tenant hereby assigns and transfers to Landlord all of Tenant's interest in all Rent payable on any sublease, and Landlord may collect such Rent and apply same toward Tenant's obligations under this Lease; provided, however, that until a Breach shall occur in the performance of Tenant's obligations, Tenant may collect said Rent. In the event that the amount collected by Landlord exceeds Tenant's then outstanding obligations any such excess shall be refunded to Tenant. Landlord shall not, by reason of the foregoing or any assignment of such sublease, nor by reason of the collection of Rent, be deemed liable to the subtenant for any failure of Tenant to perform and comply with any of Tenant's obligations to such subtenant. Tenant hereby irrevocably authorizes and directs any such subtenant, upon receipt of a written notice from Landlord stating that a Breach exists in the performance of Tenant's obligations under this Lease, to pay to Landlord all Rent due and to become due under the sublease. Subtenant shall rely upon any such notice from Landlord and shall pay all Rents to Landlord without any obligation or right to inquire as to whether such Breach exists, notwithstanding any claim from Tenant to the contrary.

---

14

12.3.2 In the event of a Breach by Tenant, Landlord may, at its option, require subtenant to attorn to Landlord, in which event Landlord shall undertake the obligations of the sublandlord under such sublease from the time of the exercise of said option to the expiration of such sublease; provided, however, Landlord shall not be liable for any prepaid rents or security deposit paid by such subtenant to such sublandlord or for any prior Defaults or Breaches of such sublandlord.

12.3.3 Any matter requiring the consent of the sublandlord under a sublease shall also require the consent of Landlord.

12.3.4 No subtenant shall further assign or sublet all or any part of the Premises without Landlord's prior written consent.

12.3.5 Without limitation as to other reasonable grounds for withholding consent, the parties hereby agree that it shall be reasonable under this Lease and under any applicable law for Landlord to withhold consent to any proposed assignment, sublease or other transfer where one or more of the following apply: (i) The assignee, sublessee or other transferee (collectively, "Transferee") is of a character or reputation or engaged in a business which is not consistent with the quality of the Building or the Project; (ii) The Transferee intends to use the proposed space for purposes which are not permitted under this Lease; (iii) The Transferee is either a governmental agency or instrumentality thereof; (iv) such Transferee is not a party of reasonable financial worth and/or financial stability in light of the responsibilities to be undertaken in connection with the assignment, sublease or other transfer on the date consent is requested; (v) The proposed Transfer would cause a violation of another lease for space in the Project, or would give an occupant of the Project a right to cancel its lease; (vi) The terms of the proposed assignment, sublease or other transfer will allow the Transferee to exercise a right of renewal, right of expansion, right of first offer, or other similar right held by Tenant (or will allow the Transferee to occupy space leased by Tenant pursuant to any such right); (vii) Either the proposed Transferee, or any person or entity which directly or indirectly, controls, is controlled by, or is under common control with, the proposed Transferee, (A) occupies space in the Project at the time of the request for consent, or (B) is negotiating with Landlord to lease space at such time, or (C) has negotiated with Landlord during the six (6)-month period immediately preceding the request for consent; or (viii) Landlord has, or will have within three (3) months of the request for consent, available and comparable space in the Building.

12.4 **Bonus Rent.** As part of the consideration for Landlord's consent to a sublease or an assignment of this Lease, Tenant shall pay to Landlord, as additional rental hereunder, 50% of any and all rentals to be paid by such sublessee or assignee in excess of the rental paid to Landlord hereunder, less reasonable leasing commissions and attorney's fees paid by the Tenant on account of the assignment or sublease. Landlord shall have the right to audit Tenant's books and records to confirm the calculation of excess rent and Tenant shall, upon demand, make all such books and records available to Landlord.

12.5 **Recapture.** In addition to Landlord's right to approve any subtenant or assignee, Landlord shall have the option, in its sole discretion, in the event of any proposed sublease of twenty five percent (25%) or more of the Premises or an assignment of this Lease to terminate this Lease (or to recapture, at Landlord's sole option, only the portion of the Premises subject to the proposed sublease) effective as of the date the proposed assignment or subletting is to be effective. The option shall be exercised, if at all, by Landlord giving Tenant written notice within thirty (30) days following Landlord's receipt of Tenant's written request for consent as required above. If this Lease shall be terminated with respect to the entire Premises pursuant to this Section, the Term of this Lease shall end on the date stated in Tenant's notice as the effective date of the sublease or assignment as if that date had been originally fixed in this Lease for the expiration of the Term. Tenant shall, at Tenant's own cost and expense, discharge in full any outstanding commission obligation which may be due and owing as a result of any proposed assignment or subletting, whether or not the Premises are recaptured pursuant to this Section 12.5 and rented by Landlord to the proposed tenant or any other tenant.

---

15

12.6 **Permitted Transfer.** Notwithstanding anything to the contrary in this Lease and after ten (10) days' prior written notice to Landlord, Tenant may, without Landlord's prior written consent and not subject to any recapture or bonus rent provisions, sublet the Premises or assign the Lease to: (i) a subsidiary, affiliate, division or corporation controlling, controlled by or under common control with the Tenant; (ii) a successor corporation related to Tenant by merger, consolidation, nonbankruptcy reorganization, or government action; or (iii) a purchaser of Tenant and/or of all or substantially all of the Tenant's assets. In the event of either (ii) or (iii) above, the sublessee or assignee must have a net worth equal to or greater than that of the Tenant just prior to the merger or acquisition, subject to verification by Landlord. Any of the above are referenced hereafter as "Permitted Transfer" and the transferee is referenced as "Permitted Transferee."

### 13. Default; Breach; Remedies.

13.1 **Default; Breach.** A "Default" is defined as a failure by the Tenant to comply with or perform any of the terms, covenants, conditions or Rules and Regulations under this Lease. A "Breach" is defined as the occurrence of one or more of the following Defaults, and the failure of Tenant to cure such Default within any applicable grace period:

13.1.1 The abandonment of the Premises.

13.1.2 The failure of Tenant to make any payment of Rent or any Security Deposit required to be made by Tenant hereunder, whether to Landlord or to a third party, when due, to provide reasonable evidence of insurance or surety bond, or to fulfill any obligation under this Lease which endangers or threatens life or property, where such failure continues for a period of 3 business days following written notice to Tenant. THE ACCEPTANCE BY LANDLORD OF A PARTIAL PAYMENT OF RENT OR SECURITY DEPOSIT SHALL NOT CONSTITUTE A WAIVER OF ANY OF LANDLORD'S RIGHTS, INCLUDING LANDLORD'S RIGHT TO RECOVER POSSESSION OF THE PREMISES.

13.1.3 The failure of Tenant to allow Landlord and/or its agents access to the Premises or the commission of waste, act or acts constituting public or private nuisance, and/or an illegal activity on the Premises by Tenant, where such actions continue for a period of 3 business days following written notice to Tenant.

13.1.4 The failure by Tenant to provide (i) reasonable written evidence of compliance with Laws, (ii) the service contracts, (iii) the rescission of an unauthorized assignment or subletting, (iv) an Estoppel Certificate or financial statements, (v) a requested subordination, (vi) any document requested under this Lease, or (vii) any other documentation or information which Landlord may reasonably require of Tenant under the terms of this Lease, where any such failure continues for a period of 5 days following written notice to Tenant.

13.1.5 A Default by Tenant as to the terms, covenants, conditions or provisions of this Lease, or of the rules and regulations, other than those described in Sections 13.1.1, 13.1.2, 13.1.3 and 13.1.4 above where such Default continues for a period of 15 days after written notice; provided, however, that if the nature of Tenant's Default is such that more than 15 days are reasonably required for its cure (not to exceed 60 days), then it shall not be deemed to be a Breach if Tenant commences such cure within said 15 day period and thereafter diligently prosecutes such cure to completion.

13.1.6 The occurrence of any of the following events: (i) the making of any general arrangement or assignment for the benefit of creditors; (ii) becoming a "debtor" as defined in 11 U.S.C. § 101 or any successor statute thereto (unless, in the case of a petition filed against Tenant, the same is dismissed within 60 days); (iii) the appointment of a trustee or receiver to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within 30 days; or (iv) the attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where such seizure is not discharged within 30 days; provided, however, in the event that any provision of this Section is contrary to any applicable law, such provision shall be of no force or effect, and not affect the validity of the remaining provisions.

13.1.7 The discovery that any financial statement of Tenant given to Landlord was materially false.

13.1.8 If Tenant's obligations under this Lease are guaranteed: (i) the death of a guarantor, (ii) the termination of a guarantor's liability with respect to this Lease other than in accordance with the terms of such guaranty, (iii) a guarantor's becoming insolvent or the subject of a bankruptcy filing, (iv) a guarantor's refusal to honor the guaranty, (v) a guarantor's breach of its guaranty obligation on an anticipatory breach basis or (vi) if the guarantor is a corporation, limited liability company or partnership, the dissolution of the guarantor or the termination of the guarantor's existence.

13.2 **Remedies.** In the event of a Breach, Landlord may, with or without further notice or demand, and without limiting Landlord in the exercise of any right or remedy which Landlord may have by reason of such Breach:

13.2.1 Terminate Tenant's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Tenant shall immediately surrender possession to Landlord. In such event Landlord shall be entitled to recover from Tenant: (i) the unpaid Rent which had been earned at the time of termination; (ii) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Tenant proves could have been reasonably avoided; (iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Tenant proves could be reasonably avoided; and (iv) any other amount necessary to compensate Landlord for all the detriment proximately caused by the Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including but not limited to the cost of recovering possession of the Premises, expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorneys' fees, and that portion of any leasing commission paid by Landlord in connection with this Lease applicable to the unexpired term of this Lease. The worth at the time of award of the amount referred to in provision (iii) of the immediately preceding sentence shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of the District within which the Premises are located at the time of award plus one percent. Efforts by Landlord to mitigate damages caused by Tenant's Breach of this Lease shall not waive Landlord's right to recover damages under Section 13. If termination of this Lease is obtained through the provisional remedy of unlawful detainer, Landlord shall have the right to recover in such proceeding any unpaid Rent and damages as are recoverable therein, or Landlord may reserve the right to recover all or any part thereof in a separate suit. If a notice and grace period required under Section 13.1 was not previously given, a notice to pay rent or quit, or to perform or quit given to Tenant under the unlawful detainer statute shall also constitute the notice required by Section 13.1. In such case, the applicable grace period required by Section 13.1 and the unlawful detainer statute shall run concurrently, and the failure of Tenant to cure the Default within the greater of the two such grace periods shall constitute both an unlawful detainer and a Breach of this Lease entitling Landlord to the remedies provided for in this Lease and/or by said statute.

13.2.2 Continue the Lease and Tenant's right to possession and recover the Rent as it becomes due, in which event Tenant may sublet or assign, subject only to reasonable limitations. Acts of maintenance, efforts to relet, and/or the appointment of a receiver to protect the Landlord's interests, shall not constitute a termination of the Tenant's right to possession.

13.2.3 Perform such duty or obligation on Tenant's behalf, including but not limited to the obtaining of reasonably required bonds, insurance policies, or governmental licenses, permits or approvals. Tenant shall pay to Landlord an amount equal to 115% of the costs and expenses incurred by Landlord in such performance upon receipt of an invoice therefor.

---

17

13.2.4 Pursue any other remedy now or hereafter available under the laws or judicial decisions of the state wherein the Premises are located. The expiration or termination of this Lease and/or the termination of Tenant's right to possession shall not relieve Tenant from liability under any indemnity provisions of this Lease as to matters occurring or accruing during the term hereof or by reason of Tenant's occupancy of the Premises.

13.3 **Late Charges.** Tenant hereby acknowledges that late payment by Tenant of Rent will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Landlord by any Lender. Accordingly, if any Rent shall not be received by Landlord within 5 days after such amount shall be due, then, without any requirement for notice to Tenant, Tenant shall immediately pay to Landlord a one-time late charge equal to 10% of each such overdue amount or \$100, whichever is greater. The parties hereby agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of such late payment. Acceptance of such late charge by Landlord shall in no event constitute a waiver of Tenant's Default or Breach with respect to such overdue amount, nor prevent the exercise of any of the other rights and remedies granted hereunder. In the event that a late charge is payable hereunder, whether or not collected, for 3 consecutive installments of Base Rent, then notwithstanding any provision of this Lease to the contrary, Base Rent shall, at Landlord's option, become due and payable quarterly in advance.

13.4 **Interest.** Any monetary payment due Landlord hereunder, other than late charges, not received by Landlord, when due as to scheduled payments (such as Base Rent) or within 30 days following the date on which it was due for non-scheduled payment, shall bear interest from the date when due, as to scheduled payments, or the 31st day after it was due as to non-scheduled payments. The interest ("**Interest**") charged shall be computed at the rate of 10% per annum but shall not exceed the maximum rate allowed by law. Interest is payable in addition to the potential late charge provided for in Section 13.3.

14. **Breach by Landlord.** Landlord shall not be deemed in breach of this Lease unless Landlord fails within a reasonable time to perform an obligation required to be performed by Landlord. For purposes of this Section 14, a reasonable time shall in no event be less than 30 days after receipt by Landlord, and any Lender whose name and address shall have been furnished Tenant in writing for such purpose, of written notice specifying wherein such obligation of Landlord has not been performed; provided, however, that if the nature of Landlord's obligation is such that more than 30 days are reasonably required for its performance, then Landlord shall not be in breach if performance is commenced within such 30 day period and thereafter diligently pursued to completion.

15. **Condemnation.** If the Premises or any portion thereof are taken under the power of eminent domain or sold under the threat of the exercise of said power (collectively "**Condemnation**"), this Lease shall terminate as to the part taken as of the date the condemning authority takes title or possession, whichever first occurs. If more than 10% of the floor area of the Premises is taken by Condemnation, Tenant may, at Tenant's option, to be exercised in writing within 30 days after Landlord shall have given Tenant written notice of such taking (or in the absence of such notice, within 30 days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Tenant does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining, except that the Base Rent shall be reduced in proportion to the reduction in utility of the Premises caused by such Condemnation. Condemnation awards and/or payments shall be the property of Landlord, whether such award shall be made as compensation for diminution in value of the leasehold, the value of the part taken, or for severance damages; provided, however, that Tenant shall be entitled to any compensation paid by the condemnor for Tenant's relocation expenses, loss of business goodwill and/or fixtures, without regard to whether or not this Lease is terminated pursuant to the provisions of this Section 15. In the event that this Lease is not terminated by reason of the Condemnation, Landlord shall repair any damage to the Premises caused by such Condemnation.

16. **Holding Over.** Tenant shall have no right to Holdover. If Tenant does not surrender and vacate the Premises at Expiration Date of this Lease, Tenant shall be a tenant at sufferance and the parties having agreed that the Base Rent shall be at a daily rate of one hundred fifty percent (150%) of the Base Rent for the last month of the Term. In connection with the foregoing, Landlord and Tenant agree that the reasonable rental value of the Premises following the Expiration Date of the Lease shall be the amounts set forth above per month. Landlord and Tenant acknowledge and agree that, under the circumstances existing as of the date of this Lease, it is impracticable and/or extremely difficult to ascertain the reasonable rental value of the Premises on the Expiration Date and that the reasonable rental value established herein is a reasonable estimate of the damage that Landlord would suffer as the result of the failure of Tenant to timely surrender possession of the Premises. The parties acknowledge that the liquidated damages established herein is not intended as a forfeiture or penalty within the meaning of California Civil Code sections 3275 or 3369, but is intended to constitute liquidated damages to Landlord pursuant to California Civil Code sections 1671, 1676, and 1677. Notwithstanding the foregoing, and in addition to all other rights and remedies on the part of Landlord if Tenant fails to surrender the Premises upon the termination or expiration of this Lease, in addition to any other liabilities to Landlord accruing therefrom, Tenant shall indemnify, defend and hold Landlord harmless from all claims resulting from such failure, including, without limitation, any claims by any third parties based on such failure to surrender and any lost profits to Landlord resulting therefrom.

17. **Brokers.** Tenant and Landlord each represent and warrant to the other that it has had no dealings with any person, firm, broker or finder (other than the Brokers, if any, listed in Section 1.6) in connection with this Lease, and that no one other than said named Brokers is entitled to any commission or finder's fee in connection herewith. Tenant and Landlord do each hereby agree to indemnify, protect, defend and hold the other harmless from and against liability for compensation or charges which may be claimed by any such unnamed broker, finder or other similar party by reason of any dealings or actions of the indemnifying Party, including any costs, expenses, attorneys' fees reasonably incurred with respect thereto. Landlord shall pay the Brokers a commission pursuant to a separate written agreement. Tenant acknowledges that some of the principals of Landlord are licensed real estate brokers.

18. **Estoppel Certificates.** Tenant shall within 10 business days after written notice from Landlord execute, acknowledge and deliver to Landlord an estoppel certificate in form provided by Landlord warranting such additional information, confirmation and/or statements as may be requested by Landlord or any Lender or prospective purchaser. If Tenant shall fail to execute or deliver the estoppel certificate within such 10 business day period, Landlord may execute such estoppel certificate stating that: (i) the Lease is in full force and effect without modification except as may be represented by Landlord, (ii) there are no uncured defaults in Landlord's performance, and (iii) not more than one month's rent has been paid in advance. Prospective purchasers and encumbrancers may rely upon the estoppel certificate, and Tenant shall be estopped from denying the truth of the facts contained in such estoppel certificate.

19. **Financial Statements.** At Landlord's request (but not more than once per calendar year except in connection with a sale or financing of the Building), Tenant shall deliver to Landlord a copy, certified by an officer of Tenant as being a true and correct copy, of Tenant's most recent audited financial statement, or, if unaudited, certified by Tenant's chief financial officer as being true, complete and correct in all material respects. Tenant hereby authorizes Landlord to obtain one or more credit reports on Tenant at any time, and shall execute such further authorizations as Landlord may reasonably require in order to obtain a credit report.

20. **Definition of Landlord.** The term "Landlord" as used herein shall mean the owner or owners at the time in question of the fee title to the Premises, or, if this is a sublease, of the Tenant's interest in the prior lease. In the event of a transfer of Landlord's title or interest in the Premises or this Lease, Landlord shall deliver to the transferee or assignee (in cash or by credit) any unused Security Deposit held by Landlord. Upon such transfer or assignment and delivery of the Security Deposit, as aforesaid, the prior Landlord shall be relieved of all liability with respect to the obligations and/or covenants under this Lease thereafter to be performed by the Landlord. Subject to the foregoing, the obligations and/or covenants in this Lease to be performed by the Landlord shall be binding only upon the Landlord as hereinabove defined.

21. **Limitation on Liability.** The obligations of Landlord under this Lease shall not constitute personal obligations of Landlord, or its partners, managers, members, directors, officers or shareholders, and Tenant shall look to the Premises, and to no other assets of Landlord, for the satisfaction of any liability of Landlord with respect to this Lease, and shall not seek recourse against Landlord's partners, members, managers, directors, officers or shareholders, or any of their personal assets for such satisfaction. Notwithstanding any contrary provision herein, neither Landlord nor its directors, members, managers, partners, officers, employees or agents shall be liable under any circumstances for any indirect or consequential damages or any injury or damage to, or interference with, Tenant's business, including but not limited to, loss of profits, loss of rents or other revenues, loss of business opportunity, loss of goodwill or loss of use, in each case, however occurring.

22. **Notices.**

22.1 **Notice Requirements.** All notices required or permitted by this Lease or applicable law shall be in writing and may be delivered in person (by hand or by courier) or may be sent by regular, certified or registered mail or U.S. Postal Service Express Mail, with postage prepaid, or by facsimile transmission, and shall be deemed sufficiently given if served in a manner specified in this Section 22 to the following addresses:

**Landlord:**  
960 San Antonio LLC  
300 La Cuesta Drive  
Los Altos, CA 94024

**Tenant:**  
SCILEX Pharmaceuticals Inc.  
960 San Antonio Road, Suite 100  
Palo Alto, CA 94303

With a copy to:  
SCILEX Pharmaceuticals Inc.  
960 San Antonio Road, Suite 100  
Palo Alto, CA 94303  
Attn: General Counsel

Either Party may by written notice to the other specify a different address for notice, except that upon Tenant's taking possession of the Premises, the Premises shall constitute Tenant's address for notice. A copy of all notices to Landlord shall be concurrently transmitted to such party or parties at such addresses as Landlord may from time to time hereafter designate in writing. When this Lease requires service of a notice, that notice shall replace rather than supplement any equivalent or similar statutory notice, including any notices required by Code of Civil Procedure Section 1161 or any similar or successor statute. When a statute requires service of a notice in a particular manner, service of that notice (or a similar notice required by this Lease) shall replace and satisfy the statutory service-of-notice procedures, including those required by Code of Civil Procedure Section 1162 or any similar or successor statute.

22.2 **Date of Notice.** Any notice sent by registered or certified mail, return receipt requested, shall be deemed given on the date of delivery shown on the receipt card, or if no delivery date is shown, the postmark thereon. If sent by regular mail the notice shall be deemed given three

(3) business days after the same is addressed as required herein and mailed with postage prepaid. Notices delivered by United States Express Mail or overnight courier that guarantees next day delivery shall be deemed given 24 hours after delivery of the same to the Postal Service or courier. Notices transmitted by facsimile transmission or similar means shall be deemed delivered upon telephone confirmation of receipt (confirmation report from fax machine is sufficient), provided a copy is also delivered via delivery or mail. If notice is received on a Saturday, Sunday or legal holiday, it shall be deemed received on the next business day.

23. **Subordination; Attornment.**

23.1 **Subordination.** This Lease shall be subject and subordinate to any ground lease, mortgage, deed of trust, or other hypothecation or security device (collectively, "**Security Device**"), now or hereafter placed upon the Premises, to any and all advances made on the security thereof, and to all renewals, modifications, and extensions thereof. Tenant agrees that the holders of any such Security Devices (in this Lease together referred to as "**Lender**") shall have no liability or obligation to perform any of the obligations of Landlord under this Lease. Any Lender may elect to have this Lease and/or any Option granted hereby superior to the lien of its Security Device by giving written notice thereof to Tenant, whereupon this Lease and such Options shall be deemed prior to such Security Device, notwithstanding the relative dates of the documentation or recordation thereof.

---

20

23.2 **Attornment.** In the event that Landlord transfers title to the Premises, or the Premises are acquired by another upon the foreclosure or termination of a Security Device to which this Lease is subordinated (i) Tenant shall, attorn to such new owner, and upon request, enter into a new lease, containing all of the terms and provisions of this Lease, with such new owner for the remainder of the term hereof, or, at the election of the new owner, this Lease will automatically become a new lease between Tenant and such new owner, and (ii) Landlord shall thereafter be relieved of any further obligations hereunder and such new owner shall assume all of Landlord's obligations, except that such new owner shall not: (a) be liable for any act or omission of any prior Landlord or with respect to events occurring prior to acquisition of ownership; (b) be subject to any offsets or defenses which Tenant might have against any prior Landlord, (c) be bound by prepayment of more than one month's rent, or (d) be liable for the return of any security deposit paid to any prior Landlord which was not paid or credited to such new owner.

23.3 **Self-Executing.** The agreements contained in this Section 23 shall be effective without the execution of any further documents; provided, however, that, upon written request from Landlord or a Lender in connection with a sale, financing or refinancing of the Premises, Tenant and Landlord shall execute such further writings as may be reasonably required to separately document any subordination and attornment provided for herein.

24. **Landlord's Access; Showing Premises; Repairs.** Landlord and Landlord's agents shall have the right to enter the Premises at any time, in the case of an emergency, and otherwise at reasonable times after at least 24 hours' prior notice for the purpose of showing the same to prospective purchasers, lenders, or tenants, and making such alterations, repairs, improvements or additions to the Premises as Landlord may deem necessary or desirable and the erecting, using and maintaining of utilities, services, pipes and conduits through the Premises and/or other premises as long as there is no material adverse effect on Tenant's use of the Premises. All such activities shall be without abatement of rent or liability to Tenant.

25. **Quiet Possession.** Subject to payment by Tenant of the Rent and performance of all of the covenants, conditions and provisions on Tenant's part to be observed and performed under this Lease, Tenant shall have quiet possession and quiet enjoyment of the Premises during the term hereof.

26. **Miscellaneous.**

26.1 **Severability.** The invalidity of any provision of this Lease, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.

26.2 **Days.** Unless otherwise specifically indicated to the contrary, the word "**days**" as used in this Lease shall mean and refer to calendar days.

26.3 **Time of Essence.** Time is of the essence with respect to the performance of all obligations to be performed or observed by the Parties under this Lease.

26.4 **No Prior or Other Agreements; Broker Disclaimer.** This Lease contains all agreements between the Parties with respect to any matter mentioned herein, and no other prior or contemporaneous agreement or understanding shall be effective. Landlord and Tenant each represents and warrants to the Brokers that it has made, and is relying solely upon, its own investigation as to the nature, quality, character and financial responsibility of the other Party to this Lease and as to the use, nature, quality and character of the Premises. Brokers have no responsibility with respect thereto or with respect to any default or breach hereof by either Party.

---

21

26.5 **Waivers.** No waiver by Landlord of the Default or Breach of any term, covenant or condition hereof by Tenant, shall be deemed a waiver of any other term, covenant or condition hereof, or of any subsequent Default or Breach by Tenant of the same or of any other term, covenant or condition hereof. Landlord's consent to, or approval of, any act shall not be deemed to render unnecessary the obtaining of Landlord's consent to, or approval of, any subsequent or similar act by Tenant, or be construed as the basis of an estoppel to enforce the provision or provisions of this Lease requiring such consent. The acceptance of Rent by Landlord shall not be a waiver of any Default or Breach by Tenant. Any payment by Tenant may be accepted by Landlord on account of moneys or damages due Landlord, notwithstanding any qualifying statements or conditions made by Tenant in connection therewith, which such statements and/or conditions shall be of no force or effect whatsoever unless specifically agreed to in writing by Landlord at or before the time of deposit of such payment.

26.6 **Cumulative Remedies.** No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

26.7 **Covenants and Conditions; Construction of Agreement.** All provisions of this Lease to be observed or performed by Tenant are both covenants and conditions. In construing this Lease, all headings and titles are for the convenience of the Parties only and shall not be considered a part of this Lease. Whenever required by the context, the singular shall include the plural and vice versa. This Lease shall not be construed as if prepared by one of the Parties, but rather according to its fair meaning as a whole, as if both Parties had prepared it.

26.8 **Binding Effect; Choice of Law.** This Lease shall be binding upon the parties, their personal representatives, successors and assigns and be governed by the laws of the State in which the Premises are located. Any litigation between the Parties hereto concerning this Lease shall be initiated in the county in which the Premises are located.

26.9 **Attorneys' Fees.** If any Party brings an action or proceeding involving the Premises whether founded in tort, contract or equity, or to declare rights hereunder, the Prevailing Party (as hereafter defined) in any such proceeding, action, or appeal thereon, shall be entitled to reasonable attorneys' fees. Such fees may be awarded in the same suit or recovered in a separate suit, whether or not such action or proceeding is pursued to decision or judgment. The term, "**Prevailing Party**" shall include, without limitation, a Party who substantially obtains or defeats the relief sought, as the case may be, whether by compromise, settlement, judgment, or the abandonment by the other Party of its claim or defense. The attorneys' fees award shall not be computed in accordance with any court fee schedule, but shall be such as to fully reimburse all attorneys' fees reasonably incurred.

26.10 **Auctions.** Tenant shall not conduct, nor permit to be conducted, any auction upon the Premises without Landlord's prior written consent. Landlord shall not be obligated to exercise any standard of reasonableness in determining whether to permit an auction.

26.11 **Signs.** Landlord may place on the Premises ordinary "For Sale" signs at any time and ordinary "For Lease" signs during the last 12 months of the term hereof. Subject to Landlord's prior written consent and applicable Laws, Tenant, at Tenant's cost, may install suite door signage according to Building standards. Any signage granted to Tenant herein is personal to the original Tenant named herein and the rights to such signage may not be assigned or transferred without Landlord's prior written consent, which consent may be withheld in Landlord's sole discretion. Tenant shall not place any other signs on or about or visible through the windows of the Premises or within, on or near to the Building without Landlord's prior written consent. All approved signs shall be at Tenant's sole cost and all signs shall comply with all local, federal and state rules, regulations, statutes, and ordinances at all times during the Term and comply with Landlord's signage criteria. Tenant, at Tenant's cost, shall remove all such signs and graphics prior to the termination of this Lease and repair any damage caused by such removal. In the event Tenant fails to remove such signs or repair any damage resulting therefrom at the termination of this Lease, Landlord may remove said signs and make such repairs at Tenant's sole cost and expense.

26.12 **Termination; Merger.** Unless specifically stated otherwise in writing by Landlord, the voluntary or other surrender of this Lease by Tenant, the mutual termination or cancellation hereof, or a termination hereof by Landlord for Breach by Tenant, shall automatically terminate any sublease or lesser estate in the Premises; provided, however, that Landlord may elect to continue any one or all existing subtenancies. Landlord's failure within 10 days following any such event to elect to the contrary by written notice to the holder of any such lesser interest, shall constitute Landlord's election to have such event constitute the termination of such interest.

26.13 **Security Measures.** Tenant hereby acknowledges that the Rent payable to Landlord hereunder does not include the cost of guard service or other security measures, and that Landlord shall have no obligation whatsoever to provide same. Tenant assumes all responsibility for the protection of the Premises, Tenant, its agents and invitees and their property from the acts of third parties.

26.14 **Reservations.** Landlord reserves the right: (i) to grant, without the consent or joinder of Tenant, such easements, rights and dedications that Landlord deems necessary, (ii) to cause the recordation of parcel maps and restrictions, and (iii) to create and/or install new utility raceways, so long as such easements, rights, dedications, maps, restrictions, and utility raceways do not unreasonably interfere with the use of the Premises by Tenant. Tenant agrees to sign any documents reasonably requested by Landlord to effectuate such rights.

26.15 **Performance Under Protest.** If at any time a dispute shall arise as to any amount or sum of money to be paid by one Party to the other under the provisions hereof, the Party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest" and such payment shall not be regarded as a voluntary payment and there shall survive the right on the part of said Party to institute suit for recovery of such sum. If it shall be adjudged that there was no legal obligation on the part of said Party to pay such sum or any part thereof, said Party shall be entitled to recover such sum or so much thereof as it was not legally required to pay. A Party who does not initiate suit for the recovery of sums paid "under protest" within 6 months shall be deemed to have waived its right to protest such payment.

26.16 **Authority; Multiple Parties; Execution.**

26.16.1 If either Party hereto is a corporation, trust, limited liability company, partnership, or similar entity, each individual executing this Lease on behalf of such entity represents and warrants that he or she is duly authorized to execute and deliver this Lease on its behalf. Each Party shall, within 30 days after request, deliver to the other Party satisfactory evidence of such authority.

26.16.2 If this Lease is executed by more than one person or entity as "Tenant", each such person or entity shall be jointly and severally liable hereunder. It is agreed that any one of the named Tenants shall be empowered to execute any amendment to this Lease, or other document ancillary thereto and bind all of the named Tenants, and Landlord may rely on the same as if all of the named Tenants had executed such document.

26.16.3 This Lease may be executed by the Parties in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. Delivery of a copy of a signature for this Lease may be made by electronic means, such a PDF format, and such copy shall be deemed effective for all purposes as if it were an original.

26.17 **Conflict.** Any conflict between the printed provisions of this Lease and the typewritten or handwritten provisions shall be controlled by the typewritten or handwritten provisions.

26.18 **Offer.** Preparation of this Lease by either party or their agent and submission of same to the other Party shall not be deemed an offer to lease to the other Party. This Lease is not intended to be binding until executed and delivered by all Parties hereto.

26.19 **Amendments.** This Lease may be modified only in writing, signed by the Parties in interest at the time of the modification. As long as they do not materially change Tenant's obligations hereunder, Tenant agrees to make such reasonable non-monetary modifications to this Lease as may be reasonably required by a Lender in connection with the obtaining of normal financing or refinancing of the Premises.

26.20 **California Civil Code Section 1938.** Pursuant to California Civil Code § 1938, Landlord hereby states that the Premises and Must Take Space have not undergone inspection by a Certified Access Specialist (CASP) (defined in California Civil Code § 55.52). Accordingly, pursuant to California Civil Code § 1938(e), Landlord hereby further states as follows: "A Certified Access Specialist (CASP) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASP inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASP inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASP inspection, the payment of the fee for the CASP inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises". In accordance with the

foregoing, Landlord and Tenant agree that if Tenant requests a CASp inspection of the Premises or Must Take Space, then Tenant shall pay (i) the fee for such inspection using a CASp inspector designated by Landlord, and (ii) the cost of making any repairs necessary to correct violations of construction-related accessibility standards identified by such CASp inspection shall be paid for solely by Tenant.

26.21 **Force Majeure.** If either party is prevented from performing any obligation hereunder by any strike, act of God, fire, war, terrorist act, shortage of labor or materials, governmental action, civil commotion or other cause beyond such party's reasonable control ("**Force Majeure**"), such obligation shall be excused during (and any time period for the performance of such obligation shall be extended by) the period of such prevention; provided, however, that this Section 26.21 shall not (a) permit Tenant to hold over in the Premises after the expiration or earlier termination hereof, or (b) excuse (or extend any time period for the performance of) (i) any obligation of Tenant to remit money, security deposit or deliver credit enhancement, (ii) any obligation of Tenant under Section 9, or (iii) any of Tenant's obligations whose breach would interfere with another occupant's use, occupancy or enjoyment of its premises or the Project or result in any liability on the part of Landlord.

26.22 **Waiver of Jury Trial. THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING INVOLVING THE PROPERTY OR ARISING OUT OF THIS AGREEMENT.**

27. **Right of First Offer.** Subject to the terms hereof, during the Original Term of the Lease, Tenant shall have a one-time right of first offer ("**ROFO**") to lease space on the second floor of the Building (the "**Offered Space**") provided that Tenant shall not have been in default under this Lease. If Landlord decides, in its sole discretion, to lease the Offered Space, then Landlord shall offer to Tenant the right to lease such Offered Space on the terms and conditions upon which Landlord is willing to accept in its sole discretion. Such offer shall be made by Landlord to Tenant in a written notice (hereinafter called the "**First Offer Notice**") which offer shall specify the terms which Landlord is willing to accept with respect to such Offered Space. Tenant shall take the Offered Space in its "as is" condition. Within five (5) business days, time being of the essence, of Landlord's delivery to Tenant of the First Offer Notice, Tenant shall give Landlord a written notice either (a) exercising its ROFO and accepting the First Offer Notice or (b) rejecting the First Offer Notice. If Tenant fails to exercise the ROFO and accept the First Offer Notice within such 5-business day period, Tenant shall be deemed to have rejected the First Offer Notice and the ROFO shall be null and void and of no further force or effect. If Tenant timely and validly exercises its ROFO with respect to Offered Space, then Landlord and Tenant shall within ten (10) days thereafter execute an amendment to this Lease for such Offered Space upon the terms and conditions as set forth in the First Offer Notice. If (1) Tenant does not execute such amendment within such 10-day period, or (2) Tenant rejects or is deemed to have rejected the First Offer Notice, then Landlord shall have the right to lease the Offered Space to any person or entity free and clear of Tenant's rights under this Section 27 and the ROFO shall be null and void and of no further force or effect. The ROFO is personal to the original Tenant, and cannot be assigned or exercised by anyone other than said original Tenant and only while the original Tenant is in full possession of the Premises and, if requested by Landlord, with Tenant certifying that Tenant has no intention of thereafter assigning or subletting the Premises or the Offered Space. Tenant shall have no right to exercise the ROFO and Landlord shall have no obligation to deliver a First Offer Notice if Tenant (i) defaults under this Lease at any time, or (ii) has subleased the Premises or any portion thereof or assigned or transferred this Lease. Notwithstanding anything to the contrary contained herein, Tenant must elect to exercise its ROFO, if at all, with respect to all of the Offered Space offered by Landlord to Tenant at any particular time, and Tenant may not elect to lease only a portion thereof. Tenant's ROFO is subject and subordinate to any rights of Superior Rights Holders (as hereinafter defined) existing as of the date of the Lease. As used herein, "**Superior Rights Holders**" means, collectively, all tenants under new leases and existing leases of the Offered Space and other tenants of the Building with a right to the Offered Space or other occupants of the Offered Space (including any renewal, extension, expansion, first offer, first negotiation and other similar rights, regardless of whether such rights are executed strictly in accordance with their respective terms or pursuant to lease amendments or new leases).

24

28. **Option to Extend.**

28.1 **Option.** Subject to the terms of this Section 28, Tenant shall have one (1) option ("**Option to Extend**") to extend the Original Term for the entire Premises for three (3) years ("**Option Term**"). Tenant may exercise its Option to Extend by delivering written notice of exercise to Landlord no sooner than twelve (12) months and no later than nine (9) months prior to the Expiration Date (the "**Notice of Exercise**") under all of the same terms and conditions of the Lease; provided, however, that the Base Rent for the first year of the Option Term shall be 100% of the Fair Rental Value, and Tenant shall have no further right to extend the Term. Notwithstanding any contrary provision hereof, Tenant shall have no Option to Extend if at the time of the Notice of Exercise or any time thereafter up to the beginning of the Option Term: (i) Tenant is in default; (ii) the Premises, or any portion thereof, is sublet, except to a Permitted Transferee; (iii) the Lease has been assigned except for a Permitted Transfer; (iv) Tenant is not occupying the Premises; or (v) Tenant has not given the Notice of Exercise strictly within the time frame set forth above; provided, however, that Landlord may, at its option, elect in writing to waive the foregoing conditions and treat the option to extend as effective despite Tenant failing any such conditions. The Option to Extend is personal to the original Tenant hereunder and may not be assigned or transferred, or exercised by any other party, except to a Permitted Transferee.

28.2 **Option Rent.** The annual Base Rent payable by Tenant during the Option Term (the "**Option Rent**") shall be equal to 100% of the "Fair Rental Value," as that term is defined below, for the Premises as of the commencement date of the Option Term, but not less than Base Rent due during the final year of the Original Term. The "**Fair Rental Value**," as used in this Lease, shall be equal to the annual rent per rentable square foot, including all escalations, at which tenants (pursuant to leases consummated within the twelve (12) month period preceding the first day of the Option Term), are leasing renewal, non-sublease, non-encumbered, non-equity space which is not significantly greater or smaller in size than the subject space, for a comparable lease term, in an arm's length transaction, which comparable space is located in the Comparable Buildings (transactions satisfying the foregoing criteria shall be known as the "**Comparable Transactions**"). The term "**Comparable Buildings**" shall mean the Building and other first class office buildings located in Palo Alto, California ("**Comparable Area**").

28.3 **Determination of Option Rent.** In the event Tenant timely and appropriately exercises its Option to Extend, Landlord shall notify Tenant of Landlord's determination of the Option Rent on or before the ninetieth (90th) day preceding the Expiration Date. If Tenant, on or before the date which is ten (10) days following the date upon which Tenant receives Landlord's determination of the Option Rent, in good faith objects to Landlord's determination of the Option Rent, then Landlord and Tenant shall attempt to agree upon the Option Rent using their good-faith efforts. If Tenant fails to respond within such 10-day period, Tenant shall be deemed to have accepted Landlord's determination of the Option Rent. If Landlord and Tenant fail to reach agreement within thirty (30) days following Tenant's objection to the Option Rent (the "**Outside Agreement Date**"), then each party shall make a separate determination of the Option Rent, within ten (10) days, and such determinations shall be submitted to arbitration in accordance with this Section below.

28.3.1 Landlord and Tenant shall each appoint one independent arbitrator who shall be a licensed commercial real estate broker or MAI appraiser that operates from an office within Santa Clara County and who shall have been active over the ten (10) year period ending on the date of such appointment in the leasing or appraisal, as the case may be, of Comparable Buildings in the Comparable Area. The determination of the arbitrators shall be limited solely to the issue of whether Landlord's or Tenant's submitted Option Rent is the closest to the actual Option Rent, as determined by the arbitrators. Each such arbitrator shall be appointed within fifteen (15) days after the Outside Agreement Date. Landlord and Tenant may consult with their selected arbitrators prior to appointment and may select an arbitrator who is favorable to their respective positions. The arbitrators so selected by Landlord and Tenant shall be deemed "**Advocate Arbitrators**."

25

28.3.2The two (2) Advocate Arbitrators so appointed shall be specifically required pursuant to an engagement letter within ten (10) days of the date of the appointment of the last appointed Advocate Arbitrator to agree upon and appoint a third arbitrator (“**Neutral Arbitrator**”) who shall be qualified under the same criteria set forth hereinabove for qualification of the two Advocate Arbitrators, except that neither the Landlord or Tenant or either parties’ Advocate Arbitrator may, directly or indirectly, consult with the Neutral Arbitrator prior or subsequent to his or her appearance. The Neutral Arbitrator shall be retained via an engagement letter jointly prepared by Landlord’s counsel and Tenant’s counsel.

28.3.3The three arbitrators shall, within thirty (30) days of the appointment of the Neutral Arbitrator, reach a decision as to whether the parties shall use Landlord’s or Tenant’s submitted Option Rent, and shall notify Landlord and Tenant thereof.

28.3.4The decision of the majority of the three arbitrators shall be binding upon Landlord and Tenant. If either Landlord or Tenant fails to appoint an Advocate Arbitrator within fifteen (15) days after the Outside Agreement Date, then either party may petition the presiding judge of the Superior Court of Santa Clara County to appoint such Advocate Arbitrator subject to the criteria in this Section, or if he or she refuses to act, either party may petition any judge having jurisdiction over the parties to appoint such Advocate Arbitrator. If the two (2) Advocate Arbitrators fail to agree upon and appoint the Neutral Arbitrator, then either party may petition the presiding judge of the Superior Court of Santa Clara County to appoint the Neutral Arbitrator, subject to criteria in this Section, or if he or she refuses to act, either party may petition any judge having jurisdiction over the parties to appoint such arbitrator. The cost of the arbitration shall be paid by Landlord and Tenant equally.

28.3.5In the event that the Option Rent shall not have been determined pursuant to the terms hereof prior to the commencement of the applicable Option Term, Tenant shall be required to pay the Option Rent initially provided by Landlord to Tenant in connection with such Option Term, and upon the final determination of the Option Rent, the payments made by Tenant shall be reconciled with the actual amounts of Option Rent due, and the appropriate party shall make any corresponding payment (or credits) to the other party.

29. **Guaranty of Lease.** Upon Tenant’s execution hereof, the Guarantor identified in Section 1.9 shall each execute a Guaranty of Lease in the form attached hereto as **Exhibit B** (“Guaranty”).

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the date first written above.

**Guaranty of Lease**

**GUARANTY OF LEASE**

This Guaranty of Lease (the “**Guaranty**”) is dated August 8, 2019, and is given by Sorrento Therapeutics, Inc., a Delaware corporation (“**Guarantor**”), to 960 San Antonio LLC, a California limited liability company (“**Landlord**”), in order to guaranty the performance of all obligations of SCILEX Pharmaceuticals, Inc., a Delaware corporation (“**Tenant**”) under that certain Office Lease (the “**Lease**”) entered into by Landlord and Tenant for the lease of the real property commonly known as 960 San Antonio Road, Suite 100, Palo Alto, California (“**Premises**”). Guarantor’s address is 4955 Directors Place, San Diego, CA 92121.

As a material inducement to and in consideration of Landlord’s entering into the Lease, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Guarantor hereby covenants and agrees with Landlord as follows:

1. **Scope of Guaranty.** Guarantor hereby unconditionally and irrevocably guarantees all of Tenant’s obligations under the Lease and all extensions and modifications thereof (the “**Obligations**”) including but not limited to: (a) Tenant’s payment of all rent, monies and charges payable under the Lease at the times and in the manner specified thereunder; (b) Tenant’s performance when due of each of the covenants contained in the Lease to be kept, performed or observed by Tenant; and (c) Tenant’s payment of all damages owing to Landlord following a default by Tenant under the Lease. Guarantor acknowledges that this is a guaranty of payment and performance of all Obligations and not merely a guaranty of collectability.

2. **Term of Guaranty.** This Guaranty and the obligations of Guarantor hereunder shall be continuing and irrevocable until Tenant has performed all of its Obligations under the Lease, including those which survive the expiration or earlier termination of the Lease. If all or any portion of the Obligations are paid or performed, Guarantor's obligations hereunder shall continue and remain in full force and effect in the event that all or any part of such payment or performance is avoided or recovered directly or indirectly from Landlord as a preference, fraudulent transfer or otherwise.

3. **Waivers.** Guarantor hereby waives its right to assert any defense to its liability under this Guaranty based on (a) Guarantor's right to require Landlord to proceed against Tenant or a co-guarantor or to proceed against or exhaust any security held by Landlord at any time; (b) the expiration of any statute of limitations in any action hereunder or in any action for the performance of any Obligation; (c) any defense that may arise by reason of the incapacity, lack of authority, death or disability of any other person or persons or the failure of Landlord to file or enforce a claim against the estate (in administration, bankruptcy or any other proceeding) of any other person or persons; (d) Landlord's failure to make any demand for performance or to give a notice of nonperformance to Tenant; (e) any defense based upon an election of remedies by Landlord, including any election which destroys or impairs any right of subrogation, reimbursement or contribution which Guarantor may have; (f) any duty on the part of Landlord to disclose to Guarantor any facts Landlord may now or hereafter know about Tenant, it being understood and agreed that Guarantor is fully responsible for becoming and remaining informed of the financial condition of Tenant and of any and all circumstances bearing on the risk of nonperformance of any Obligation; (g) any rights or benefits in favor of Guarantor under California Civil Code Sections 2787 to 2855, inclusive, 2899 and 3433 or under 11 U.S.C. Sections 364 or 1111(b), or any amendment to any of the forgoing statutes; (h) any transfer of Landlord's interest in the Premises or the assignment of Landlord's interest in the Lease; (i) any transfer of Tenant's interest as tenant under the Lease or any portion thereof or any sublease or assignment by Tenant; (j) any merger or consolidation of Tenant or sale of all or a substantial portion of Tenant's assets; (k) any sale of all or any portion of any capital stock of Tenant or partnership interest in Tenant owned by Guarantor; or (l) any prior or concurrent representation, understanding, promise or condition concerning the subject matter hereof which is not expressed herein. Guarantor hereby waives all presentments, protests, notices of protest, notices of dishonor and notices of acceptance of this Guaranty by Landlord, and this Guaranty shall be binding upon Guarantor immediately upon its delivery to Landlord.

---

28

4. **No Discharge of Guarantor.** Guarantor's liability under this Guaranty shall not be deemed to have been waived, released, discharged, limited, impaired or affected by reason of (a) the expiration or termination of the Lease; (b) the release or discharge of Tenant in any receivership, bankruptcy or other creditors' proceedings or the rejection, disaffirmance or disclaimer of the Lease by any party in any such proceeding; (c) the repossession of the Premises; (d) any amendment, extension, renewal or modification of the terms of the Lease without Guarantor's consent; or (e) any waiver by Landlord of any provisions of the Lease or any failure by Landlord to enforce the provisions thereof. If Sublessee is in default, then Live Action is entitled to take any and all action to protect Live Action's interest in the personal property and equipment, to prevent the unauthorized removal of said property or equipment which threatened action would be deemed to constitute irreparable harm and injury to Live Action in violation of its security interest in said items of personal property. Furthermore, in the event of default, Live Action may expressly undertake all reasonable preparations and efforts to release the Premises including, but not limited to, the removal of all inventory, equipment or leasehold improvements of Sublessee's, at the Sublessee's expense, without the need to first procure an order of any court to do so, although obligated in the interim to undertake reasonable steps and procedures to safeguard the value of Sublessee's property, including the storage of the same, under reasonable terms and conditions at Sublessee's expense, and, in addition, it is understood that Live Action may sue Sublessee for any damages or past rents due and owing and may undertake all and additional legal remedies then available.
