Item 1.01. Entry into a Material Definitive Agreement.

Credit and Security Agreement

On June 27, 2023, Scilex Pharmaceuticals Inc. (the “**Borrower**”), a Delaware corporation and a wholly owned subsidiary of Scilex Holding Company (the “**Company**”), entered into a Credit and Security Agreement (the “**Credit Agreement**”) with eCapital Healthcare Corp. (the “**Lender**”). The Credit Agreement provides that the Lender shall make available to the Borrower revolving loans (the “**Revolving Facility**”) in an aggregate principal amount of up to \$30,000,000 (the “**Facility Cap**”). The Facility Cap may, at the request of the Borrower and with the consent of the Lender, be increased in increments of \$250,000 at such time as the outstanding principal balance under the Credit Agreement equals or exceeds 95% of the then-existing Facility Cap. The amount available to the Borrower under the Revolving Facility at any one time is the lesser of the Facility Cap and 85% of the “Net Collectible Value” of “Eligible Receivables” (in each case, as defined in the Credit Agreement) *minus* the amount of any reserves or adjustments against receivables required by the Lender, in its discretion.

Under the terms of the Credit Agreement, interest will accrue daily on the principal amount outstanding at a rate per annum equal to the Wall Street Journal Prime Rate plus 1.50%, based on a year consisting of 360 days, and which shall be payable by the Borrower monthly in arrears, commencing July 1, 2023. The Credit Agreement provides for an early termination fee of 0.50% of the Facility Cap if the Borrower voluntarily prepays and terminates in full the Revolving Facility prior to the first anniversary of the closing of the Revolving Facility.

The Credit Agreement provides that the Borrower and Lender shall enter into a blocked account control agreement with respect to the Borrower’s collections account, which permits the Lender to sweep all funds in such collections account to an account of the Lender for application to the outstanding amounts under the Revolving Facility. All indebtedness incurred and outstanding under the Credit Agreement will be due and payable in full on July 1, 2026, unless the Credit Agreement is earlier terminated.

The Borrower’s obligations under the Credit Agreement are secured by a continuing security interest in the Borrower’s accounts receivable, related deposit accounts, and in the other “Collateral” as defined in the Credit Agreement. In addition, the Company has guaranteed the obligations of the Borrower under the Credit Agreement, as more fully described below.

The Credit Agreement contains certain representations and warranties and various affirmative and negative covenants applicable to facilities of this type, including covenants that, among other things, will limit or restrict the ability of the Borrower, subject to negotiated exceptions, to incur additional indebtedness and additional liens on the Borrower’s assets, engage in mergers or acquisitions or dispose of assets, pay dividends or make other distributions, enter into transactions with affiliated persons, or make investments. The Credit Agreement also contains a financial covenant requiring the Borrower to maintain cash on hand in “Controlled Deposit Accounts” (as defined in the Credit Agreement) plus availability under the Revolving Facility of at least \$1,000,000 at all times.

The Credit Agreement contains customary events of default and also provides that an event of default includes a Borrower Change of Control (as defined in the Credit Agreement) and the Company’s failure to issue at least \$75,000,000 of debt or equity by September 30, 2023. The events of default under the Credit Agreement are subject to customary thresholds and grace periods as set forth in the Credit Agreement.

Subject to certain notice requirements and other conditions, upon the occurrence of an event of default, commitments may be terminated and all amounts outstanding under the Revolving Facility may become immediately due and payable; however, where an event of default arises from certain insolvency events, the commitments shall automatically and immediately terminate and all amounts outstanding under the Revolving Facility shall become immediately due and payable.

The proceeds of the Revolving Facility will be used for (i) transaction fees incurred in connection with the Credit Agreement, (ii) working capital needs of the Borrower and (iii) other uses not prohibited under the Credit Agreement.

The foregoing descriptions of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the copy of the Credit Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K.

Guaranty Agreement

In connection with the Credit Agreement, the Company executed a guaranty agreement (the “**Guaranty Agreement**”), dated as of June 27, 2023, to guarantee the payment and performance obligations of the Borrower under the Credit Agreement.

The foregoing description of the Guaranty Agreement does not purport to be complete and is qualified in its entirety by reference to the copy of the Guaranty Agreement, which is filed as Exhibit 10.2 to this Current Report on Form 8-K.

“Subordination Agreement” shall mean each agreement between Lender and another creditor of Borrower, as the same may be amended, supplemented, restated or otherwise modified from time to time in accordance with the terms thereof, pursuant to which Indebtedness or other obligations owing from Borrower, or the Liens securing such Indebtedness granted by Borrower to such creditor, are subordinated in any way to the Obligations and the Liens created under the Loan Documents, which may include requirements that the Subordinated Debt (i) not mature prior to the end of the Term, and (ii) not require any cash payment other than interest during the Term, and (iii) will receive no cash payments following an Event of Default.

“Subordinated Debt” shall mean any Indebtedness of Borrower incurred pursuant to the terms of the Subordinated Debt Documents and with the prior written consent of Lender, all of which documents must be in form and substance acceptable to Lender in its Permitted Discretion.

“Subordinated Debt Documents” shall mean any documents evidencing and/or securing Indebtedness governed by a Subordination Agreement, all of which documents must be in form and substance acceptable to Lender in its Permitted Discretion.

References to any statute or act shall include all related current regulations and all amendments and any successor statutes, acts and regulations. All amounts used for purposes of financial calculations required to be made herein shall be without duplication. References to any statute or act, without additional reference, shall be deemed to refer to federal statutes and acts of the United States. References to any agreement, instrument or document shall include all schedules, exhibits, annexes and other attachments thereto. As used in this Agreement, the meaning of the term "material" or the phrase "in all material respects" is intended to refer to an act, omission, violation or condition which reflects or could reasonably be expected to result in a Material Adverse Effect. All references herein to times of day shall be references to daylight or standard time, as applicable, in New York City.

1.4 Time is of the Essence

Time is of the essence in Borrower's performance under this Agreement and all other Loan Documents.

II. ADVANCES, PAYMENT AND INTEREST

2.1 Advances and Fees

(a) Subject to the provisions of this Agreement, Lender shall make Advances to the Borrower under the Revolving Facility from time to time during the Term, and subject to the processing fees set forth in Section 2.4; provided that, notwithstanding any other provision of this Agreement (but subject to the provisions of this Section 2.1(a)), the aggregate amount of all Advances at any one time outstanding under the Revolving Facility shall not exceed the Revolving Loan Limit. The Revolving Facility is a revolving credit facility, which may be drawn, repaid and redrawn, from time to time as permitted under this Agreement. Any determination as to whether there is availability within the Borrowing Base for Advances shall be made by Lender in its Permitted Discretion and is final and binding upon Borrower absent demonstrable error. Unless otherwise permitted by Lender, each Advance requested by Borrower shall be in an amount of at least \$250,000. Subject to the provisions of this Agreement, Borrower may request Advances under the Revolving Facility up to and including the Availability. Lender shall make Advances under the Revolving Facility for the payment of interest on the Revolving Facility and other Obligations on the date when due.

(b) Lender has established the eighty-five percent (85%) advance rate for purposes of determining the Revolving Loan Limit. Lender shall have the right, upon notice to Borrower, which notice shall not occur on the date an Advance is requested, to establish and readjust from time to time, in its Permitted Discretion, reserves (without duplication of other

reserves) against the Borrowing Base, which reserves shall have the effect of reducing the amounts otherwise eligible to be disbursed to Borrower under the Revolving Facility pursuant to this Agreement.

(c) **Facility Cap increases, decreases and related fees.** The Facility Cap may, at the request of the Borrower and with the consent of the Lender, which consent shall be in the Lender's Permitted Discretion, be increased in increments of \$250,000 at such time as the outstanding principal balance hereunder equals or exceeds ninety-five percent (95%) of the then-existing Facility Cap. In the event that the Facility Cap is increased, Borrower shall pay to Lender a Facility Fee in an amount equal to one percent (1.0%) of the amount by which the Facility Cap is increased. Once per twelve-month period, the Facility Cap may, at the request of the Borrower and with the consent of the Lender, which consent shall not be unreasonable withheld, conditioned or delayed, be decreased by no less than \$1,000,000. Decreases to the Facility Cap shall not constitute a full or partial termination of this Agreement.

(d) **Over-advances and related fees.**

(i) Lender may in its Permitted Discretion make one or more Advances in excess of Availability. The making of any Advance(s) in excess of Availability shall not (x) be deemed an acknowledgement that any additional Advance(s) will be made or may be required to be made, (y) be deemed to establish any course of conduct, waiver, or estoppel that would obligate Lender to make any further Advance or (z) prevent the Lender from treating the Borrower's failure to repay such Advance(s) in excess of Availability as a Default or an Event of Default.

(ii) If Borrower requests and Lender agrees to provide a term loan, which term loan is to be treated as an Advance that, when made, would result in Advances exceeding Availability, Lender may charge an over-advance fee of ten percent (10%) due on the amount by which all outstanding Advances (including such term loan) collectively exceed Availability, which fee shall be deducted by Lender from such requested term loan; provided that Lender shall not assess any Default Rate if it shall charge an over-advance fee.

(e) **Ineligible Receivables fee.** Borrower may request from time to time certain otherwise non-Eligible Receivables to be included as Eligible Receivables for purposes of calculating Availability. If after underwriting such otherwise non-Eligible Receivables, Lender determines in its sole discretion to include them as Eligible Receivables, Borrower shall pay to Lender an additional underwriting fee in an amount equal to one percent (1%) of the Borrowing Base attributable to such otherwise non-Eligible Receivables at such time (and from time to time) as such otherwise non-Eligible Receivables are included in the Borrowing Base. Payment of such additional underwriting fee shall be paid by Lender increasing the principal balance outstanding hereunder by the amount necessary to satisfy such additional underwriting fee in full, and such increase to the principal balance shall be deemed an Advance to Borrower. In addition, Lender may, in its Permitted Discretion require an amendment to this Agreement including additional

representations, warranties and/or covenants, as a condition for including such otherwise non-Eligible Receivables as Eligible Receivables.

2.2 Evidence of Obligations; Maturity

(a) Lender shall, acting solely for this purpose as an agent of the Borrower, maintain, in accordance with its usual practice, electronic or written records evidencing the outstanding Obligations to Lender, including, without limitation, the amounts of principal, interest, fees and other amounts payable and paid to Lender from time to time under this Agreement, and shall make such record readily available to Borrower upon request.

(b) The entries made in the electronic or written records maintained pursuant to subsection (a) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded and the Lender and Borrower shall treat each Person whose name is recorded in such electronic or written records as a Lender hereunder for all purposes of this Agreement, subject to demonstrable error, and the Lender and Borrower shall treat each Person whose name is recorded in such electronic or written records as a Lender hereunder for all purposes of this Agreement. Subject to the foregoing, Advances under the Revolving Facility may also be evidenced by a promissory note, payable to the order of Lender, duly executed and delivered by Borrower and dated as of the date hereof, evidencing the aggregate indebtedness of Borrower to Lender resulting from Advances under the Revolving Facility, from time to time. Lender hereby is authorized, but is not obligated, to enter the amount of each Advance under the Revolving Facility and the amount of each payment or prepayment principal or interest thereon in the appropriate spaces on the reverse of or on an attachment to the promissory note. Lender may account to Borrower from time to time with a statement of Advances under the Revolving Facility, the amounts outstanding hereunder, and charges and payments made pursuant to this Agreement, and in the absence of demonstrable error, such accounting rendered by Lender shall be deemed final, binding and conclusive unless Lender is notified by Borrower in writing to the contrary within thirty (30) days of Borrower's receipt of each accounting, which notice shall be deemed an objection only to items specifically objected to therein.

(c) All Obligations shall be due and payable in full, if not earlier in accordance with this Agreement, on the Termination Date.

2.3 Interest

Interest shall accrue daily on the principal amount outstanding hereunder at a rate per annum equal to the Prime Rate plus the Applicable Margin calculated on the basis of a 360-day year and adjusted for the actual number of days elapsed in each interest calculation period. Interest shall be payable by Borrower monthly in arrears but in no event later than the first day of each calendar month, commencing July 1, 2023. Interest payments shall be paid by Lender increasing the principal balance outstanding hereunder by the amount necessary to satisfy such interest payment in full, and such increase to the principal balance shall be deemed an Advance to Borrower. Interest shall continue to accrue daily on the principal amount outstanding until the irrevocable payment in full in cash of the Obligations (other than inchoate reimbursement obligations for which no claim has been made) and termination of this Agreement. Any accrued

but unpaid interest shall be added to the Obligations and increase the principal amount outstanding hereunder on the first Business Day of each month.

2.4 Revolving Facility Disbursements; Requirement to Deliver Borrowing Certificate in connection with Advances Requested by Borrower

So long as no Default or Event of Default shall have occurred and be continuing, Borrower may give Lender written notice requesting an Advance under the Revolving Facility by delivering to Lender not later than 11:00 a.m. (New York City time) at least two but not more than four Business Days before the proposed borrowing date of such requested Advance (the "**Borrowing Date**"), a completed Borrowing Certificate and other documents and information Lender may request, in its Permitted Discretion, to confirm the accuracy of such Borrowing Certificate, provided that any additional documents or information Lender requests from Borrower will not be unduly burdensome to produce, and shall not delay the disbursement of any Advance by more than one (1) Business Day, which shall (i) specify the proposed Borrowing Date of such Advance which shall be a Business Day, (ii) specify the principal amount of such requested Advance, and (iii) certify the matters specified therein. On each Borrowing Date, Borrower authorizes Lender to disburse the proceeds of the requested Advance to the Funding Account (or to such other account as to which the Borrower shall expressly instruct Lender in writing, and which is subject to a springing deposit account control agreement reasonably acceptable to Lender), in all cases for credit to the Borrower, via federal funds wire transfer no later than 4:00 p.m. (New York City time); provided, however, if any amounts are then due to Lender on account of any interest, fees or expense reimbursements pursuant to the Loan Documents at the time such Advance is requested, Lender is authorized (but not required) to reduce the proceeds to Borrower with respect to such Advance by the amount of such interest, fees or expense reimbursements and to retain such amounts as payment of such interest, fees or expense reimbursements. It is understood and agreed that Lender shall have no responsibility for the application of proceeds disbursed to the Funding Account, or to any other deposit account Borrower has instructed Lender to disburse an Advance to.

Lender shall charge a processing fee of \$75.00 for each Advance requested by Borrower; for the avoidance of doubt, no such processing fee shall be due in connection with Lender increasing the principal balance hereunder to pay for interest, fees and other Obligations payable by Borrower. In the event that the written notice by Borrower requesting an Advance under the Revolving Facility does not comply with the foregoing requirements within the timing parameters set forth above, Lender is under no obligation to provide the requested Advance; provided that Lender may charge Borrower an irregular Advance fee of one percent (1%) of the amount of so requested, to the extent Lender nonetheless determines to provide such requested Advance, which irregular Advance fee shall be paid by Lender increasing the principal balance outstanding hereunder by the amount necessary to satisfy such irregular advance fee in full, and such increase to the principal balance shall be deemed an Advance to Borrower.

2.5 Revolving Facility Collections; Repayment; Borrowing Availability and Controlled Deposit Accounts; Disbursements

(a) Subject to Section 4.3, the Borrower shall establish and maintain at the Borrower's expense (i) one deposit account with the Collection Bank into which all collections and cash

proceeds in respect of all Accounts shall be deposited (the “**Concentration Account**”), which Concentration Account shall be subject to a blocked deposit account control agreement granting Lender control within the meaning of Section 9-104 of the UCC as of the date of execution thereof (the “**Concentration Account DACA**”) and (ii) one deposit account with the Collection Bank into which Lender shall deposit the proceeds of each Advance, and such deposit account shall be identified on Schedule 2.4 (the “**Funding Account**”; the Funding Account and Concentration Account are collectively referred to herein as the “**Controlled Deposit Accounts**”), which Funding Account shall be subject to a springing deposit account control agreement granting Lender control within the meaning of Section 9-104 of the UCC after the occurrence of an Event of Default (the “**Funding Account DACA**”; the Funding Account DACA and Concentration Account DACA are collectively referred to herein as the “**Control Agreements**”).

(b) The Borrower shall not terminate the Controlled Deposit Accounts or Control Agreements during the Term without Lender’s prior written consent. The Concentration Account DACA shall authorize Lender to instruct the Collection Bank to immediately transfer all funds on deposit in the Concentration Account into a deposit account owned and maintained by Lender or an Affiliate of Lender at such bank as Lender may communicate to the Collection Bank from time to time, in each case, in accordance with the terms of this Agreement and the Concentration Account DACA. Borrower may, prior to the occurrence and continuation of an Event of Default, direct amounts on deposit in the Funding Account as needed to the extent permitted by Section 6.11.

(c) The Borrower shall cause all collections and cash proceeds from Accounts to be deposited in the Concentration Account; provided that to the extent that any such collections and cash proceeds are received by Borrower and not sent directly to the Concentration Account, such collections and cash proceeds shall be held in trust for the benefit of the Lender and immediately remitted (and in any event within five (5) Business Days), in the form received (or, with respect to cash, by check or wire transfer), to the Concentration Account. Borrower acknowledges and agrees that compliance with the terms of this Section 2.5(c) is an essential term of this Agreement, and that, in addition to and notwithstanding any other rights Lender may have hereunder or under any other Loan Document, under applicable law or equity, Lender shall be entitled to assess a non-compliance fee in an amount equal to two percent (2%) of the amount of collections or cash proceeds on Accounts that are not deposited into the Concentration Account in accordance with this Section 2.5(c); provided that Lender shall not assess any Default Rate if it shall charge a non-compliance fee. For the avoidance of doubt, unless Lender specifically agrees in writing to the contrary, Lender’s assessment of such non-compliance fee shall not prevent Lender from considering any such non-compliance to be a Default or an Event of Default.

(d) For purposes of calculating interest payable pursuant to Section 2.3, all funds transferred by Lender from the Concentration Account for application to the Obligations subsequent to the Closing Date shall be subject to a two (2) Business Day clearance period and all interest accruing on such funds during such clearance period shall accrue for the benefit of the Lender.

(e) All funds transferred from the Concentration Account for application to the Obligations shall be applied to reduce the Obligations hereunder in the following order of priority: (i) first, to payment of any fees and expense reimbursements due to Lender under the Loan

Documents, (ii) second, to payment of any other Obligations of Borrower not included in items (iii) and (iv) below, (iii) third, to payment of any interest then due and owing hereunder, and (iv) fourth, to payment of the principal amount outstanding hereunder. For purposes of determining Availability, all funds transferred from the Concentration Account in accordance with this Section shall be applied in accordance with the foregoing sentence as of the date of the transfer.

(f) If, as the result of collections or cash proceeds in respect of Accounts received by Borrower pursuant to this Section 2.5, there is a positive balance in favor of Borrower, such positive balance shall not accrue interest in favor of Borrower, but shall increase Availability, but not in excess of \$10,000,000 at any one time.

(g) Schedule 2.5 identifies the Controlled Deposit Accounts, the depository bank at which such accounts are maintained, the type of Control Agreements on such accounts (if any), and the second lien secured party to such Control Agreements (if any). Borrower shall provide Lender with read-only on-line access to the Controlled Deposit Accounts.

2.6 Promise to Pay; Manner of Payment

Borrower promises to pay principal, interest and all other amounts payable hereunder, or under any other Loan Document, without any right of rescission and without any deduction whatsoever, including any deduction for any setoff, counterclaim or recoupments, and notwithstanding any damage to, defects in or destruction of the Collateral or any other event, including obsolescence of any property or improvements. Unless paid in accordance with Section 2.5, all payments made by Borrower (other than payments automatically paid through Advances under the Revolving Facility as provided herein), shall be made only by wire transfer on the date when due, without offset or deduction for counterclaim, in Dollars, in immediately available funds to such account as may be indicated in writing by Lender to Borrower from time to time. Any such payment received after 4:00 p.m. (New York City time) on the date when due shall be deemed received on the following Business Day. Whenever any payment hereunder shall be stated to be due or shall become due and payable on a day other than a Business Day, the due date thereof shall be extended to, and such payment shall be made on, the next succeeding Business Day, and such extension of time in such case shall be included in the computation of payment of any interest (at the interest rate then in effect during such extension) and/or fees, as the case may be.

2.7 Repayment of Excess Advances

Any balance of Advances under the Revolving Facility outstanding at any time in excess of the Revolving Loan Limit shall be deducted by Lender from the Concentration Account; provided that if amounts thereunder shall be insufficient to reduce such excess Advances to zero, such excess Advances shall be due and payable by Borrower within five (5) Business Days of Lender's demand therefor in the manner specified in Section 2.6, unless such excess Advances are the result of any misrepresentation or fraud by Borrower (in which case there shall be no grace period and any such excess Advances shall be immediately due and payable).

2.8 Payments by Lender

Should any amount, interest or other Obligation required to be paid under any Loan Document remain unpaid after it is due and payable and after the expiration of any cure period, if

applicable, such amount may be paid (a) by Lender applying such amounts from those on deposit in the Concentration Account (and Borrower irrevocably authorizes disbursements of any such amounts to Lender) or (b) if amounts on deposit in the Concentration Account shall be insufficient to make such payments when due, such payments shall be deemed a request for an Advance under the Revolving Facility as of the date such payment is due. No payment or prepayment of any amount by any third party shall entitle such third party to be subrogated to the rights of Lender under any Loan Document unless and until the Obligations have been fully performed and paid irrevocably in cash and this Agreement has been terminated. Any sums expended by Lender as a result of Borrower's failure to pay, perform or comply with any Loan Document or any of the Obligations may be charged to Borrower as an Advance under the Revolving Facility and added to the Obligations and thereby increasing the principal amount outstanding hereunder.

2.9 Grant of Security Interest; Collateral

(a) To secure the payment and performance of the Obligations, and without limiting any grant of any Lien and security interest in any other Loan Document, the Borrower hereby grants to Lender a continuing security interest in and Lien upon, and pledges to Lender, all of its right, title and interest in and to the following, whether now owned or hereafter created, acquired or arising and wherever located (collectively and each individually, subject to the proviso below, the "**Collateral**"):

(i) all Accounts and Related Property to the extent strictly necessary to collect on such Accounts;

(ii) the Controlled Deposit Accounts;

(iii) all Books and Records relating to Collateral;

(iv) any and all claims, rights and interests in any of the above and all substitutions for, additions, attachments, accessories, accessions and improvements to and replacements, products, proceeds and insurance proceeds of any or all of the foregoing.

provided that Collateral shall not include any asset or property (I) that constitutes (A) any Intellectual Property of Borrower or (B) any governmental authorizations to manufacture, market, sell or distribute Borrower's goods or inventory, or (II) to the extent that the grant of a security interest in such asset or property (A) would result in a breach or default under an agreement relating to such asset or property, which may result in the abandonment, invalidation or unenforceability of any right, title or interest of the Borrower therein (except to the extent the relevant term that would result in such breach, default, abandonment, invalidation or unenforceability is rendered ineffective pursuant to Section 9-406, 9-407, 9-408 or 9-409 of the UCC (or equivalent statutes of any jurisdiction) or any other applicable law), (B) is prohibited by any applicable law or requires a consent not obtained of any Governmental Authority pursuant to applicable law (except to the extent the law prohibiting such grant or requiring such consent is rendered ineffective pursuant to Section 9-406, 9-407, 9-408 or 9-409 of the UCC (or equivalent statutes of any jurisdiction) or any other applicable law) or (C) is prohibited or restricted by any third party (so long as any agreement with such third party that provides for such prohibition or restriction was not entered into in contemplation of the acquisition of such asset or entering into of such contract or for the purpose

of creating such prohibition or restriction), other than to the extent such prohibition or restriction is rendered ineffective under the UCC or other applicable law, notwithstanding such prohibition, and other than proceeds and Accounts thereof.

(b) Upon the execution and delivery of this Agreement, and upon the proper filing of the necessary financing statements without any further action, Lender will have a good, valid and perfected first priority Lien and security interest in all Collateral which may be perfected by the filing of financing statements, subject to no transfer or other restrictions or Liens of any kind in favor of any other Person except for Permitted Liens. No financing statement relating to any of the Collateral is on file in any public office except those (i) on behalf of Lender, and/or (ii) in connection with Permitted Liens.

2.10 Collateral Administration

(a) All Collateral (except funds required to be deposited in the Controlled Deposit Accounts) will at all times be kept by Borrower on secure servers consistent with past practice and subject to customary cloud subscription agreements.

(b) Borrower shall keep accurate and complete records of its Accounts and all payments and collections thereon and shall submit such records to Lender on such periodic basis as Lender may reasonably request.

(c) Any of Lender's officers, employees, representatives or agents shall have the right, at any time during normal business hours upon reasonable prior notice to Borrower, to verify the validity, amount or any other matter relating to any Accounts of Borrower. Borrower shall cooperate fully with Lender in an effort to facilitate and promptly conclude such verification.

(d) Lender shall have the right at all times after the occurrence and during the continuance of an Event of Default to notify Account Debtors owing Accounts to Borrower that (i) their Accounts have been assigned to Lender and to collect such Accounts directly in its own name and to charge reasonable collection costs and expenses, including reasonable attorneys' fees, to Borrower, and (ii) Borrower has waived any and all defenses and counterclaims it may have or could interpose in any action or procedure brought by Lender to obtain a court order recognizing the assignment or security interest and lien of Lender in and to any Account or other Collateral.

(e) As and when determined by Lender in its Permitted Discretion not to exceed once per calendar quarter absent an Event of Default or Lender receiving notice from its UCC monitoring system that a Lien has been filed against Borrower, Lender shall have the right to perform the searches described in clauses (i) and (ii) below against Borrower (the results of which are to be consistent with Borrower's representations and warranties under this Agreement), at Borrower's reasonable expense: (i) UCC searches with the Secretary of State and local filing offices of each jurisdiction where Borrower is organized; and (ii) bankruptcy, judgment, federal, state and local tax lien and litigation searches, in each jurisdiction in which such actions, or Liens may be recorded.

(f) Borrower (i) shall direct each Account Debtor to make payments to the Concentration Account as set forth in Section 2.5, and (ii) hereby authorizes Lender, upon any failure to send such notices and directions within ten (10) days after the date of this Agreement (or

ten (10) days after the Person becomes an Account Debtor), to send any and all similar notices and directions to such Account Debtors, and (iii) shall do anything further that may be lawfully required by Lender to secure Lender and effectuate the intentions of the Loan Documents.

(g) As of the Closing Date, no Person other than the Lender has “control” (as defined in Article 9 of the UCC) over any Controlled Deposit Accounts.

(h) After the occurrence and during the continuance of an Event of Default, Lender may elect to exercise any and all of the rights and remedies of Borrower under the Permits, without any interference from Borrower, and Borrower shall cooperate in causing the Governmental Authorities, contractors, or purchasers and lessees to comply with all the terms and conditions of the Licenses.

2.11 Power of Attorney

Borrower hereby appoints Lender as its attorney-in-fact, with power (a) to endorse the name of Borrower on any checks, notes, acceptances, money orders, drafts, or other forms of payment or security that may come into Lender’s possession to the extent such items constitute Collateral, (b) to sign the name of Borrower on any invoice or bill of lading relating to any Collateral and (c) to perfect Lender’s security interest or lien in any Collateral, including filing financing statements, without Borrower’s signature, covering part or all of the Collateral in such jurisdictions as Lender shall determine to be advisable. The appointment of Lender as attorney-in-fact for a Borrower is coupled with an interest and is irrevocable prior to full payment in cash of all Obligations (other than any inchoate reimbursement obligations for which no claims has been made).

2.12 Setoff Rights

During the continuance of any Event of Default, Lender is hereby authorized by Borrower at any time or from time to time, with reasonably prompt subsequent notice to Borrower (any prior or contemporaneous notice being hereby expressly waived) to set off and to appropriate and to apply any and all balances in Controlled Deposit Accounts against and on account of any of the Obligations.

III. FEES AND OTHER CHARGES

3.1 Facility Fee

On or before the Closing Date, Borrower shall pay to Lender one percent (1.0%) of the Facility Cap as a nonrefundable fee. The fee payable pursuant to this Section 3.1 and the fee payable pursuant to Section 2.1(c) are herein collectively referred to as the “Facility Fee”. Borrower’s payment of the Facility Fee shall be made by Lender increasing the principal balance outstanding hereunder by the amount necessary to satisfy such Facility Fee in full, and such increase to the principal balance shall be deemed an Advance to Borrower.

3.2 Unused Line Fee

Borrower shall pay to Lender monthly an unused line fee (the “**Unused Line Fee**”) in an amount equal to four and three-tenths basis points (0.043%) per month of the difference derived by subtracting (i) the average daily balance under the Revolving Facility outstanding during the preceding month, from (ii) the Facility Cap. The Unused Line Fee shall be payable monthly in arrears but in no event later than the first day of each successive calendar month (starting with July 1, 2023). Borrower’s payment of the Unused Line Fee shall be made by Lender increasing the principal balance outstanding hereunder by the amount necessary to satisfy such Unused Line Fee in full, and such increase to the principal balance shall be deemed an Advance to Borrower. The final payment shall be prorated to the date of payment in full and shall be paid on that date as part of the Obligations.

3.3 Collateral Management Fee

Borrower shall pay Lender as additional interest a monthly collateral management fee (the “**Collateral Management Fee**”) for monitoring and servicing the Revolving Facility, equal to eighteen hundredths of one percent (0.18%) per month calculated on the basis of the average daily balance under the Revolving Facility outstanding during the preceding month. The Collateral Management Fee shall be payable monthly in arrears but in no event later than the first day of each successive calendar month (starting with July 1, 2023). Borrower’s payment of the Collateral Management Fee shall be made by Lender increasing the principal balance outstanding hereunder by the amount necessary to satisfy such Collateral Management Fee in full, and such increase to the principal balance shall be deemed an Advance to Borrower. The final payment shall be prorated to the date of payment in full and shall be paid on that date as part of the Obligations.

3.4 Early Termination Fee

Upon Borrower’s voluntary prepayment of Obligations and termination in full of the Revolving Facility prior to the first anniversary of the Closing Date, Borrower shall pay to Lender (in addition to the then outstanding principal, accrued interest and other Obligations (other than indemnity obligations with respect to which no claim has been made) relating to the Revolving Facility pursuant to the terms of this Agreement and any other Loan Documents), as yield maintenance for the loss of bargain and not as a penalty, an amount equal one-half of one percent (0.50%) of the Facility Cap (such amount, an “**Early Termination Fee**”); provided that no Early Termination Fee shall be due and payable to the extent Borrower’s voluntary prepayment of Obligations and termination in full of the Revolving Facility prior to the first anniversary of the Closing Date is made following Lender’s application of reserves against the Borrowing Base. Notwithstanding any other provision of any Loan Document, no Early Termination Fee shall be due and payable if (i) Borrower refinances the Obligations (in whole or in part) with Lender (which, for purposes of this Section 3.4, shall include eCapital Healthcare Corp. and any of its parents, subsidiaries or Affiliates), (ii) this Agreement terminates in accordance with its terms at the end of its Term, or (iii) Borrower terminates this Agreement within 10 days after Borrower provides written notice to Lender of a default by Lender hereunder, and such default by Lender remains uncured as of the date of such termination.

3.5 Reserved

3.6 Computation of Fees; Lawful Limits

All fees hereunder shall be computed on the basis of a year of 360 days and for the actual number of days elapsed in each calculation period, as applicable. In no contingency or event whatsoever, whether by reason of acceleration or otherwise, shall the interest and other charges paid or agreed to be paid to Lender for the use, forbearance or detention of money hereunder exceed the maximum rate permissible under applicable law which a court of competent jurisdiction shall, in a final determination, deem applicable hereto. If, due to any circumstance whatsoever, fulfillment of any provision hereof, at the time performance of such provision shall be due, shall exceed any such limit, then, the obligation to be so fulfilled shall be reduced to such lawful limit, and, if Lender shall have received interest or any other charges of any kind which might be deemed to be interest under applicable law in excess of the maximum lawful rate, then such excess shall be applied first to any unpaid fees and charges hereunder, then to unpaid principal balance owed by Borrower hereunder, and if the then remaining excess interest is greater than the previously unpaid principal balance, Lender shall promptly refund such excess amount to Borrower and the provisions hereof shall be deemed amended to provide for such permissible rate. The terms and provisions of this Section shall control to the extent any other provision of any Loan Document is inconsistent herewith.

3.7 Default Rate of Interest

Borrower may later cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by this Agreement. If Lender purchases insurance for the Collateral, Borrower will be responsible for the costs of that insurance to the fullest extent provided by law, including interest and other charges imposed by Lender in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. 6.12 Collateral Documents; Security Interest in Collateral

Borrower hereby acknowledges that Lender is authorized to file UCC-1 Financing Statements with respect to the Collateral, and any amendments or continuations relating thereto, without the signature of Borrower in such jurisdictions required to perfect Lender's Lien in the Collateral. Borrower hereby ratifies, confirms and consents to any such filings made by Lender prior to the date hereof. Borrower hereby agrees to execute any additional documents or financing statements which Lender deems reasonably necessary in its Permitted Discretion in order to evidence Lender's security interest in the Collateral. Borrower shall not allow any financing statement (other than that filed by or on behalf of Lender and other than Permitted Liens) to be on file in any public office covering any Collateral or the proceeds thereof. Pursuant to Section 2.11, Lender has full power of attorney to execute, deliver, file, register and/or record in the name of Borrower any financing statements, schedules, assignments, instruments, and documents necessary to perfect Lender's security interest in or lien on any Collateral. If necessary or advisable beyond that power of attorney, and at the reasonable request of Lender upon reasonable notice, Borrower shall (i) execute, obtain, deliver, file, register and/or record any and all financing statements, continuation statements, instruments and other documents, or cause the execution, filing, registration, recording or deliver of any and all of the foregoing, that are necessary or required under law or otherwise or reasonably requested by Lender to be executed, filed, registered, obtained, delivered or recorded to create, maintain, perfect, preserve, validate or otherwise protect the pledge of the Collateral to Lender and Lender's perfected first priority Lien on the Collateral (and Borrower irrevocably grants Lender the right, at Lender's option, to file any or all of the foregoing) and (ii) defend the Collateral and Lender's perfected first priority Lien thereon against all claims and demands of all Persons at any time claiming the same or any interest therein adverse to Lender, and pay all reasonable costs and expenses (including, without limitation, reasonable in-house documentation and diligence fees and reasonable legal expenses and

If Borrower shall be required by any applicable law to deduct or withhold any such Taxes from or in respect of any sum payable under any Loan Document to Lender, then Borrower shall be entitled to make such deduction or withholding and timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, the sum payable to Lender shall be increased as may be necessary so that, after making all required deductions or withholdings of Indemnified Taxes, Lender receives an amount equal to the sum it would have received had no such Indemnified Taxes been deducted or withheld.

(b) Lender shall deliver to Borrower, on or about the date on which Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower) properly completed and executed copies of IRS Form W-9 certifying that Lender is exempt from U.S. federal backup withholding Tax. Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower in writing of its legal inability to do so.

(c) If Lender receives a refund of any Taxes as to which it has been "grossed-up" pursuant to Section 6.13(a), it shall pay to Borrower an amount equal to such refund, without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Borrower, upon the request of Lender, shall repay to Lender the amount paid over pursuant to this Section 6.13(c) in the event that Lender is required to repay such refund to such Governmental Authority. The agreements and obligations of Borrower and Lender contained in this Section 6.13(c) shall survive the termination of this Agreement.

(d) Notwithstanding any other provision of any Loan Document, if at any time after the Closing (i) any change in any existing law, regulation, treaty or directive or in the interpretation or application thereof, (ii) any new law, regulation, treaty or directive (whether or not having the force of law) from any Governmental Authority (A) subjects Lender to any Taxes with respect to any Loan Document (except for Excluded Taxes and Indemnified Taxes), or (B) imposes on Lender any other condition or increased cost in connection with the transactions contemplated thereby or participations therein; and the result of any of the foregoing is to increase the cost to Lender of making or continuing any Loan hereunder or to reduce any amount receivable hereunder, then, in any such case, Borrower shall promptly pay to Lender any additional amounts necessary to compensate Lender, on an after-tax basis, for such additional cost or reduced amount as determined by Lender. If Lender becomes entitled to claim any additional amounts pursuant to this Section 6.13 it shall promptly notify Borrower of the event by reason of which Lender has become so entitled, and each such notice of additional amounts payable pursuant to this Section 6.13 submitted by Lender to Borrower shall, absent manifest error, be final, conclusive and binding for all purposes. IX. RIGHTS AND REMEDIES AFTER DEFAULT

9.1 Rights and Remedies

(a) In addition to the acceleration provisions set forth in Article VIII above, upon the occurrence and continuation of an Event of Default, Lender shall have the right to exercise any and all rights, options and remedies provided for in any Loan Document, under the UCC or at law or in equity, including, without limitation, the right to (i) apply any property of Borrower received or held by Lender to reduce the Obligations in such manner as Lender may

deem advisable, (ii) foreclose the Liens created under the Loan Documents, (iii) realize upon, take possession of and/or sell any Collateral pledged with or without judicial process, (iv) exercise all rights and powers with respect to the Collateral as Borrower might exercise, (v) collect and send notices regarding the Collateral with or without judicial process, (vi) at Borrower's expense, require that all or any part of the Collateral be assembled and made available to Lender at any reasonable place designated by Lender, (vii) reduce or otherwise change the Facility Cap, (viii) engage, on behalf of Borrower, a third party to service and collect Accounts constituting Collateral, and/or (ix) relinquish or abandon any Collateral or any Lien thereon. Such expenses and advances shall be added to the Obligations and increase the principal amount outstanding hereunder, until reimbursed to Lender and shall be secured by the Collateral, and such payments by Lender shall not be construed as a waiver by Lender of any Event of Default or any other rights or remedies of Lender.

(b) Borrower agrees that notice received by it at least ten (10) days before the time of any intended public sale, or the time after which any private sale or other disposition of Collateral is to be made, shall be deemed to be reasonable notice of such sale or other disposition. If permitted by applicable law, any perishable Collateral which threatens to speedily decline in value or which is sold on a recognized market may be sold immediately by Lender without prior notice to Borrower. At any sale or disposition of Collateral or securities pledged, Lender may (to the extent permitted by applicable law) purchase all or any part thereof free from any right of redemption by Borrower which right is hereby waived and released. Borrower covenants and agrees not to, and not to permit or cause any of its Subsidiaries to, interfere with or impose any obstacle to Lender's exercise of its rights and remedies with respect to the Collateral. Lender, in dealing with or disposing of the Collateral or any part thereof, shall not be required to give priority or preference to any item of Collateral or otherwise to marshal assets or to take possession or sell any Collateral with judicial process.

9.2 Application of Proceeds

In addition to any other rights, options and remedies Lender has under the Loan Documents, the UCC, at law or in equity, all dividends, interest, rents, issues, profits, fees, revenues, income and other proceeds collected or received from collecting, holding, managing, renting, selling, or otherwise disposing of all or any part of the Collateral or any proceeds thereof upon exercise of its remedies hereunder shall be applied in the following order of priority: (i) first, to the payment of all reasonable out-of-pocket costs and expenses of such collection, storage, lease, holding, operation, management, sale, disposition or delivery and of conducting Borrower's business and of maintenance, repairs, replacements, alterations, additions and improvements of or to the Collateral, and to the payment of all sums which Lender may be required or may elect to pay, if any, for taxes, assessments, insurance and other charges upon the Collateral or part thereof, and all other payments that Lender may be required or authorized to make under any provision of this Agreement (including, without limitation, in each such case, in-house documentation and

diligence fees and legal expenses, search, audit, recording, professional and filing fees and expenses and reasonable attorneys' fees and all expenses, expert witness fees, liabilities and advances made or incurred in connection therewith, whether litigation is commenced or not); (ii) second, to the payment of all Obligations as provided herein, (iii) third, to the satisfaction of Indebtedness secured by any subordinate security interest of record in the Collateral if written notification of demand therefor is received before distribution of the proceeds is completed, provided, that, if requested by Lender, the holder of a subordinate security interest shall furnish reasonable proof of its interest, and unless it does so, Lender need not address its claims; and (iv) fourth, to the payment of any surplus then remaining to Borrower, unless otherwise provided by law or directed by a court of competent jurisdiction, provided that Borrower shall be liable for any deficiency if such proceeds are insufficient to satisfy the Obligations or any of the other items referred to in this Section.

9.3 Rights of Lender to Appoint Receiver

Without limiting and in addition to any other rights, options and remedies Lender has under the Loan Documents, the UCC, at law or in equity, upon the occurrence and continuation of an Event of Default, Lender shall have the right to apply for and have a receiver appointed by a court of competent jurisdiction in any action taken by Lender to enforce its rights and remedies in order to manage, protect and preserve the Collateral and continue the operation of the business of Borrower to the extent necessary to collect all revenues and profits thereof and apply the same to the payment of all expenses and other charges of such receivership including the compensation of the receiver and to the payments as aforesaid until a sale or other disposition of such Collateral shall be finally made and consummated. Borrower hereby consents to the appointment of a receiver selected by Lender upon the occurrence and during the continuance of an Event of Default and agrees not to oppose the appointment of such receiver or the rights and powers granted, or proposed by Lender to be granted, to such receiver so long as such rights and powers are consistent with applicable law. Borrower waives any right to require a bond to be posted by or on behalf of any such receiver.

9.4 Application of Payments Following Default

Following the occurrence and continuance of an Event of Default, Lender may, notwithstanding Section 9.2, apply any and all payments received by Lender in respect of the Obligations, and any and all proceeds of Collateral received by Lender, in such order as Lender may from time to time elect.

9.5 Power of Attorney Following Default

Until full payment in cash of all Obligations (other than inchoate reimbursement obligations for which no claim has been made), Borrower hereby irrevocably designates, makes, constitutes, and appoints Lender as Borrower's true and lawful attorney and agent in fact to act in the name of Borrower to effectuate any term in this Agreement after the occurrence and during the continuation of any Event of Default. Without limiting the generality of the foregoing, Borrower's power of attorney to Lender provided above authorizes Lender after the continuation of an Event of Default to:

(a) demand payment of the Accounts, enforce payment thereof by legal proceedings or otherwise, settle, adjust, compromise, extend, or renew any or all of the Accounts or any legal proceedings brought to collect the Accounts, discharge and release the Accounts or any of them, and exercise all of Borrower's rights and remedies with respect to the collection of Accounts in accordance with the Related Property and applicable law;

(b) prepare, file, and sign the name of Borrower on any proof of claim in bankruptcy or any similar document against any Account Debtor or any notice of Lien, assignment, or satisfaction of Lien or similar document in connection with any of the Collateral;

(c) use the stationery of Borrower, open Borrower's mail, notify the post office authorities to change the address for delivery of Borrower's mail to an address designated by Lender, and sign the name of Borrower to verifications of the Accounts and on any notice to the Account Debtors; and

(d) use the information recorded on or contained in any data processing equipment and computer hardware and software relating to the Accounts, inventory, or other Collateral.

In addition to the foregoing, if Borrower breaches its obligation under Section 2.5 to ensure that all collections and cash proceeds from Accounts are deposited into the Concentration Account, Lender is hereby irrevocably made, constituted and appointed the true and lawful attorney for Borrower pursuant to this Section, and as such, Lender may by the signature or other act of any of Lender's officers or authorized signatories (without requiring any of them to do so), direct any Account Debtor to pay such collections and cash proceeds from Accounts other Collateral to the Concentration Account.

The appointment of Lender as attorney-in-fact for Borrower is coupled with an interest and is irrevocable until full payment in cash of all Obligations (other than inchoate reimbursement obligations for which no claim has been made).

9.6 Rights and Remedies not Exclusive

Lender shall have the right in accordance with the terms hereof, in its Permitted Discretion to determine which rights, Liens and/or remedies Lender may at any time pursue, relinquish, subordinate or modify, and such determination will not in any way modify or affect any of Lender's rights, Liens or remedies under any Loan Document, applicable law or equity. The enumeration of any rights and remedies in any Loan Document is not intended to be exhaustive, and all rights and remedies of Lender described in any Loan Document are cumulative and are not alternative to or exclusive of any other rights or remedies which Lender otherwise may have under the Loan Documents. The partial or complete exercise of any right or remedy shall not preclude any other further exercise of such or any other right or remedy.

X. WAIVERS AND JUDICIAL PROCEEDINGS

10.1 Waivers

Except as expressly provided for herein, Borrower hereby waives setoff, counterclaim, demand, presentment, protest, all defenses with respect to any and all instruments and all notices and demands of any description, and the pleading of any statute of limitations as a defense to any demand under any Loan Document. Borrower hereby waives any and all defenses and counterclaims it may have or could interpose in any action or procedure brought by Lender to obtain an order of court recognizing the assignment of, or Lien of Lender in and to, any Collateral. With respect to any action hereunder, Lender conclusively may rely upon, and shall incur no liability to Borrower in acting upon, any request or other communication that Lender reasonably believes to have been given or made by a person authorized on Borrower's behalf, whether or not such person is listed on the incumbency certificate delivered pursuant to Section 4.1. In each such case, Borrower hereby waives the right to dispute Lender's action based upon such request or other communication, absent manifest error.

10.2 Delay; No Waiver of Defaults

No course of action or dealing, renewal, release or extension of any provisions of any Loan Document, or single or partial exercise of any such provision, or delay, failure or omission on Lender's part in enforcing any such provision shall affect the liability of Borrower or operate as a waiver of such provision or affect the liability of Borrower or preclude any other or further exercise of such provision. No waiver by any party to any Loan Document of any one or more defaults by any other party in the performance of any of the provisions of any Loan Document shall operate or be construed as a waiver of any future default, whether of a like or different nature, and each such waiver shall be limited solely to the express terms and provisions of such waiver. Notwithstanding any other provision of any Loan Document, by completing the Closing under this Agreement and/or by making Advances, Lender does not waive any breach of any representation or warranty of under any Loan Document, and all of Lender's claims and rights resulting from any such breach or misrepresentation are specifically reserved.

10.3 Jury Waiver

EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION ARISING UNDER THE LOAN DOCUMENTS OR IN ANY WAY CONNECTED WITH OR INCIDENTAL TO THE DEALINGS OF THE PARTIES WITH RESPECT TO THE LOAN DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED THEREBY, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENTS OF THE PARTIES TO THE WAIVER OF THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY.

XI. EFFECTIVE DATE AND TERMINATION

11.1 Effectiveness and Termination

(a) Termination by Lender. Subject to Lender's right to terminate and cease making Advances upon the occurrence and during the continuance of an Event of Default, this Agreement shall continue in full force and effect until the full performance and indefeasible payment in cash of all Obligations (other than indemnity obligations with respect to which no claim has been made), unless terminated sooner as provided in this Section 11.1.

(b) Termination by Borrower. Borrower may terminate this Agreement at any time upon not less than thirty (30) days' prior written notice to Lender and upon full performance and indefeasible payment in full in cash of all Obligations (other than indemnity obligations with respect to which no claim has been made) on or prior to such 30th day after receipt by Lender of such written notice. Borrower may elect to terminate this Agreement in its entirety only. No section of this Agreement or type of Loan available hereunder may be terminated singly.

(c) Effectiveness of Termination. All of the Obligations (other than indemnity obligations with respect to which no claim has been made) shall be immediately due and payable upon the Termination Date. All undertakings, agreements, covenants, warranties and representations of Borrower contained in the Loan Documents shall survive any such termination and Lender shall retain its Liens in the Collateral and Lender shall retain all of its rights and remedies under the Loan Documents notwithstanding such termination until all Obligations have been irrevocably discharged or paid, in full, in immediately available funds, including, without limitation, all Obligations under Section 3.4 resulting from such termination, at which time Lender hereby automatically releases all Liens on Collateral.

11.2 Survival

All obligations, covenants, agreements, representations, warranties, waivers and indemnities made by Borrower in any Loan Document shall survive the execution and delivery of the Loan Documents, the Closing, the making of the Advances and any termination of this Agreement until all Obligations (other than indemnity obligations with respect to which no claim has been made) are fully performed and indefeasibly paid in full in cash. Notwithstanding the foregoing sentence of this Section 11.2, the obligations and provisions of Sections 3.7, 10.1, 10.4, 13.1, 13.3, 13.4, 13.7 and 13.12 shall survive termination of the Loan Documents and any payment, in full or in part, of the then-outstanding Obligations.

XII. ASSIGNMENTS AND PARTICIPATIONS

12.1 Assignments

Lender may at any time assign the Lender's rights and obligations hereunder and under all other Loan Documents to one or more Eligible Assignees. Upon receipt of notice of such assignment, Borrower shall treat the assignee as the Lender for all purposes hereunder and under the other Loan Documents. Each Eligible Assignee shall have all of the rights and benefits with respect to the Obligations, Collateral and/or Loan Documents held by it as fully as if the original holder thereof; provided that, Borrower shall not be obligated to pay under this Agreement to any

Eligible Assignee any sum in excess of the sum which Borrower would have been obligated to pay to Lender had such assignment not been effected. Notwithstanding any other provision of a Loan Document, Lender may disclose to any Eligible Assignee all information, reports, financial statements, certificates and documents obtained under any provision of any Loan Document. Borrower may not offset any amounts owing to Borrower by an Eligible Assignee from any amounts owed by Borrower to such Eligible Assignee pursuant to this Agreement.

12.2 Participations

Lender may at any time, without the consent of, or notice to, Borrower, sell to one or more Persons participating interests in its Loan, commitments or other interests hereunder (any such Person, a “**Participant**”). Subject to Section 12.3, in the event of a sale by Lender of a participating interest to a Participant, (i) Borrower shall continue to deal solely and directly with Lender in connection with Lender’s rights and obligations hereunder, and (ii) all amounts payable by Borrower shall be determined as if Lender had not sold such participation and shall be paid directly to Lender. Lender shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other Obligations under the Loan Documents (the “Participant Register”); provided that Lender shall not have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

Any judicial proceeding against either party hereto may be brought in any federal or state court of competent jurisdiction located in the State of New York. By execution and delivery of each Loan Document to which it is a party, each of the Borrower and Lender (i) accepts the non-exclusive jurisdiction of the aforesaid courts and irrevocably agrees to be bound by any judgment rendered thereby, (ii) waives personal service of process, (iii) agrees that service of process upon it may be made by certified or registered mail, return receipt requested, pursuant to Section 13.5 and (iv) waives any objection to jurisdiction and venue of any action instituted hereunder and agrees not to assert any defense based on lack of jurisdiction, venue or convenience. Nothing shall affect the right of Lender to serve process in any manner permitted by law or shall limit the right of Lender to bring proceedings against Borrower in the courts of any other jurisdiction having jurisdiction. Any judicial proceedings against Lender involving, directly or indirectly, the Obligations, any Loan Document or any related agreement shall be brought only in a federal or state court located in the State of New York. All parties acknowledge that they participated in the negotiation and drafting of this Agreement and that, accordingly, no party shall move or petition a court construing this Agreement to construe it more stringently against one party than against any other.

13.2 Binding Effect of Loan Documents

The Loan Documents shall inure to the benefit of Lender, its assignees, and all future holders of the Obligations and/or any of the Collateral, and each of their respective successors and assigns. Each Loan Document shall be binding upon the Persons other than Lender that are parties thereto and their respective successors and assigns, and no such Person may assign, delegate or transfer any Loan Document or any of its rights or obligations thereunder without the prior written consent of Lender. No rights are intended to be created under any Loan Document for the benefit of any Person who is not a party to such Loan Document. Nothing contained in any Loan Document shall be construed as a delegation to Lender of any other Person’s duty of performance. BORROWER ACKNOWLEDGES AND AGREES THAT LENDER AT ANY TIME AND FROM TIME TO TIME MAY, SUBJECT TO ARTICLE XII, SELL, ASSIGN OR GRANT PARTICIPATING INTERESTS IN OR TRANSFER ALL OR ANY PART OF ITS RIGHTS OR OBLIGATIONS UNDER ANY LOAN DOCUMENT, THE OBLIGATIONS AND/OR THE COLLATERAL TO ELIGIBLE ASSIGNEES.

13.3 Revival of Obligations

To the extent that any payment made or received with respect to the Obligations is subsequently invalidated, determined to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver, custodian or any other Person under any Debtor Relief Law, common law or equitable cause or any other law, then the Obligations intended to be satisfied by such payment (whether or not previously terminated) shall be revived and shall continue as if such payment had not been received by Lender. Any payments received with respect to such revived Obligations shall be credited and applied in such manner and order, as Lender shall decide in its Permitted Discretion.

Borrower shall indemnify Lender, its Affiliates and its and their respective managers, members, officers, employees, Affiliates, agents, representatives, successors, assigns, accountants and attorneys (collectively, the “**Indemnified Persons**”) from and against any and all liability, obligations, losses, damages, penalties, actions, judgments, suits, reasonable and documented out-of-pocket costs, expenses and disbursements of any kind of nature whatsoever (including, without limitation, reasonable and documented out of pocket attorneys’ fees and disbursements of counsel, expert witness fees, and reasonable in-house documentation and diligence fees and reasonable legal expenses) which may be imposed on, incurred by or asserted against any Indemnified Person as a direct result of any litigation, proceeding or investigation instituted or conducted by any Person with respect to any aspect of, or any transaction contemplated by or referred to in, or any matter related to, any Loan Document or any agreement, document or transaction contemplated thereby, whether or not such Indemnified Person is a party thereto, except to the extent that any of the foregoing (i) arises out of the gross negligence or willful misconduct of any Indemnified Person or (ii) arises out of a dispute between or among any Indemnified Persons *provided, however*, all such costs and expenses incurred prior to the Closing Date and in connection with Closing (inclusive of legal fees and any other costs and expenses for which Lender may seek reimbursement under any other provision of this Agreement or any other Loan Document) shall not exceed \$80,000.00 without the Borrower’s prior written consent. Lender agrees to give Borrower reasonable notice of any event of which Lender becomes aware for which indemnification may be required under this Section 13.4, and Lender may elect (but is not obligated) to direct the defense thereof, provided that the selection of counsel shall be subject to Borrower’s consent which consent shall not be unreasonably withheld or delayed. Any Indemnified Person may in its reasonable discretion, take such actions, as it deems necessary and appropriate to investigate, defend or settle any event or take other remedial or corrective actions with respect thereto as may be necessary for the protection of such Indemnified Person or the Collateral. Notwithstanding the foregoing, if any insurer agrees to undertake the defense of an event (an “Insured Event”), Lender agrees not to exercise its right to select counsel to defend the event if that would cause Borrower’s insurer to deny coverage; provided, however, that Lender reserves the right to retain counsel to represent any Indemnified Person with respect to an Insured Event at its sole cost and expense. To the extent that Lender obtains recovery from a third party other than an Indemnified Person of any of the amounts that Borrower has paid to Lender pursuant to the indemnity set forth in this Section 13.4, then Lender shall promptly pay to Borrower the amount of such recovery.

13.5 Notice

The captions in the Loan Documents are intended for convenience and reference only and shall not affect the meaning or interpretation of the Loan Documents. The Loan Documents may be executed in one or more counterparts (which taken together, as applicable, shall constitute one and the same instrument) and by facsimile, pdf or other transmission, and such signatures shall be considered original executed counterparts. Each party to this Agreement agrees that it will be bound by its own electronic signature and that it accepts the electronic signature of each other party.

All of the foregoing shall be charged to Borrower's account and shall be part of the Obligations. Without limiting the foregoing, Borrower shall pay all stamp, court or documentary, intangible, recording, filing or similar Taxes (other than any personal property tax), if any, that arise in connection with the transactions contemplated by this Agreement and the Loan Documents and the filing and/or recording of any documents and/or financing statements in connection with this Agreement and the Loan Documents, except any such Taxes that are Other Connection Taxes imposed with respect to an assignment.

This Agreement and the other Loan Documents to which Borrower is a party constitute the entire agreement between Borrower and Lender with respect to the subject matter hereof and thereof, and supersede all prior agreements and understandings, if any, relating to the subject matter hereof or thereof. Any promises, representations, warranties or guarantees not herein contained and hereafter made shall have no force and effect unless in writing signed by Borrower and Lender, *provided, however*, additional covenants, representations, warranties and guarantees will be enforceable if executed by the party against whom enforcement is sought. No provision of this Agreement may be changed, modified, amended, restated, waived, supplemented, discharged, canceled or terminated orally or by any course of dealing or in any other manner other than by an agreement in writing signed by Lender and Borrower. Each party hereto acknowledges that it has been advised by counsel in connection with the negotiation and execution of this Agreement and is not relying upon oral representations or statements inconsistent with the terms and provisions hereof. Any schedule may be amended from time to time by the Borrower with the consent of the Lender, which consent shall not be unreasonably withheld.

13.9 Lender Approvals

Any approval, consent, waiver or satisfaction of Lender with respect to any matter that is subject of any Loan Document (i) shall not be effective unless it is in writing (which shall include electronic transmission) and (ii) unless expressly provided herein to the contrary, may be granted or withheld by Lender in its Permitted Discretion.

13.10 Confidentiality and Publicity

Lender agrees to maintain the confidentiality of the Information (as defined below), and not disclose Information to any Person, except that Information may be disclosed on a need to know basis (a) to its Affiliates (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and, to the extent such Person does not agree in writing to the terms of this Section 13.10, the Lender shall be liable for any breach of this Section by any of its Affiliates),

(b) to the extent required or requested by, or required to be disclosed to, any rating agency, or regulatory or similar authority having jurisdiction over such Person (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (and, to the extent practicable and permitted by applicable laws, the Lender shall provide advance notice to the Borrower of any disclosure under this clause (c)), (d) in connection with the exercise of any remedies under this Agreement, or the enforcement of rights hereunder or thereunder, (e) subject to an agreement containing provisions substantially the same as those of this Section, to any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights and obligations under this Agreement, (f) with the consent of the Borrower, (g) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Lender or any of its Affiliates on a nonconfidential basis from a source other than the Borrower (which source is not known by the Lender or any of its Affiliates to have provided such information in breach of any confidentiality restriction) or (h) to governmental regulatory authorities in connection with any regulatory examination of the Lender's regulatory compliance policy if the Lender deems necessary for the mitigation of claims by those authorities against the Lender or any of its subsidiaries or affiliates. For purposes of this Section, "Information" means all information received from Borrower or any Subsidiary thereof relating to Borrower or any Subsidiary thereof or any of their respective affiliates or businesses.

Nothing herein shall prohibit any disclosure by Borrower of the terms hereof, the existence of the Loans or any other information arising out of the transactions contemplated hereunder; provided, however, Borrower shall not distribute any Loan Document to any lender or bank with the intention of soliciting or negotiating a working capital loan with such lender or bank.

13.11 USA PATRIOT Act

Borrower shall not, directly or through affiliates, conspire to violate the USA PATRIOT Act of 2001, 31 U.S.C. §5318. Lender hereby notifies Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record certain information and documentation that identifies Borrower, which information includes the name and address of Borrower and such other information that will allow Lender to identify Borrower in accordance with the USA PATRIOT Act.

GUARANTY AGREEMENT

THIS GUARANTY AGREEMENT dated as of June 27, 2023 (this “**Agreement**”) delivered to eCAPITAL HEALTHCARE CORP., a Delaware corporation (together with its successors or assigns, “**Lender**”) by SCILEX HOLDING COMPANY, a Delaware corporation (“**Guarantor**”).

RECITALS

WHEREAS, SCILEX PHARMACEUTICALS INC., a Delaware corporation (“**Borrower**”) and Lender have entered into that certain Credit and Security Agreement, dated as of the date hereof (as may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”), under which Lender has made or may in the future make loans or extensions of credit to or for the benefit of Borrower, secured by Borrower’s personal property, including, without limitation, Borrower’s accounts receivable;

WHEREAS, Guarantor is Borrower’s Affiliate (as defined in the Credit Agreement); and

WHEREAS, it is a condition precedent to Lender’s agreement to enter into the Credit Agreement, and to make advances to Borrower thereunder, that Guarantor executes and delivers this Agreement in favor of Lender.

AGREEMENT

For good and valuable consideration, the receipt and adequacy of which is hereby acknowledged and stipulated to by the Guarantor, the Guarantor covenants and agrees as follows.

1. Definitions. Capitalized terms shall have the meanings set forth herein, or if not defined herein, in the Credit Agreement.
2. Guaranty.

(a) The Guarantor hereby absolutely and unconditionally, guarantees the prompt, complete and full payment of all of the Borrower’s Obligations under the Credit Agreement, howsoever created, arising or evidenced, whether direct or indirect, absolute or contingent, or now or hereafter existing, or due or to become due, whether at the stated maturity thereof, by acceleration or otherwise, and the punctual performance and observance by the Borrower of all of the terms, covenants, conditions and agreements contained in the Credit Agreement, and agrees to pay to the Lender upon demand all losses, damages and documented out-of-pocket expenses of the Lender (including reasonable and documented out-of-pocket attorneys’ fees) resulting from or incurred in connection with (A) any breach by the Borrower of such obligations, covenants and agreements or (B) any action to enforce this Agreement (all such amounts so guaranteed and such terms, covenants, conditions and agreements so guaranteed are referred to herein as the “**Guaranteed Obligations**”). The Guarantor represents, warrants, acknowledges and agrees that (a) the Guarantor will benefit from the execution, delivery and performance by the Lender of the Credit Agreement and the other Loan Documents and the advancement of funds to the Borrower pursuant thereto, (b) the loan by the Lender constitutes valuable consideration to the Guarantor,

(c) this Agreement is intended to be an inducement to the Lender to execute, deliver and perform the Credit Agreement and the other Loan Documents and to extend credit to the Borrower, whether the Obligations were created or acquired before or after the date of this Agreement, and (d) the Lender is relying upon this Agreement in making the Loan and advancing funds to the Borrower. Notwithstanding any provisions of this Agreement to the contrary, it is intended that this Agreement not constitute a Fraudulent Conveyance (as defined below). Consequently, the Guarantor agrees that if this Agreement would, but for the application of this sentence, constitute a Fraudulent Conveyance, this Agreement shall be valid and enforceable only to the maximum extent that would not cause this Agreement to constitute a Fraudulent Conveyance, and this Agreement shall automatically be deemed to have been amended accordingly at all relevant times. For purposes hereof, "**Fraudulent Conveyance**" means a fraudulent conveyance under Section 548 of the Bankruptcy Code or a fraudulent conveyance or fraudulent transfer under the provisions of any applicable fraudulent conveyance or fraudulent transfer law, order, ruling, decision or similar law, order, ruling or decision binding upon the undersigned of any foreign, federal, state, municipal or other government, or any department, commission, board, bureau, agency, public authority or instrumentality thereof or any court or arbitrator, as in effect from time to time.

(b) This is a continuing guarantee relating to the Guaranteed Obligations, including any renewal, modification or extension of the Guaranteed Obligations whether or not any portion of the Guaranteed Obligations has been satisfied. This Agreement is not revocable. Notwithstanding the full payment and performance of the Guaranteed Obligations, this Agreement shall remain in effect or be reinstated with respect to the Guaranteed Obligations if, in connection with bankruptcy, insolvency or similar proceedings filed by or against the Borrower, a court enters an order or judgment compelling or requiring the Lender to return any or all payments made with respect to the Guaranteed Obligations.

(c) The obligations hereunder are independent of the Obligations of the Borrower, and a separate action or actions may be brought and prosecuted against the Guarantor whether action is brought against the Borrower or whether the Borrower is joined in any such action or actions; and the Guarantor waives the benefit of any applicable statute of limitations affecting its liability hereunder or the enforcement thereof to the extent permitted by law. Any partial payment by the Borrower or other circumstance which operates to toll any statute of limitations as to the Borrower shall operate to toll the applicable statute of limitations as to the Guarantor.

(d) The Guarantor authorizes the Lender, without notice or demand and without affecting the liability of the Guarantor hereunder or under any other document related to the Guaranteed Obligations to which the Guarantor is a party, from time to time to (a) renew, compromise, extend, amend, waive, restructure, refinance, release, accelerate or otherwise modify, amend or change the time for payment of, or otherwise modify, amend or change the terms of the Guaranteed Obligations or any part thereof, including, without limitation, increasing or decreasing the Facility Cap (as that term is defined in the Credit Agreement) or the rate of interest as stated in the Credit Agreement or otherwise; (b) accept new or additional documents, instruments or agreements relative to the Guaranteed Obligations; (c) consent to the change, restructure or termination of the corporate structure of the Borrower and correspondingly restructure the Guaranteed Obligations; (d) take and hold security or additional guarantees for the payment of this Agreement or the Guaranteed Obligations, and amend, alter, exchange, substitute, transfer,

enforce, waive, subordinate, terminate or release any such security; (e) apply such security and direct the order or manner of sale thereof as the Lender in its discretion may determine; (f) release or substitute any one or more of the endorsers or guarantors; (g) reduce or increase the outstanding amount owed by the Borrower under the Loan Documents; (h) release any of the Collateral; (i) accept partial payment or performance on the Obligations; (j) settle, compromise, release, substitute, impair, enforce or exercise, or fail or refuse to enforce or exercise, any claims, rights, or remedies, of any kind or nature, which the Lender may at any time have against the Borrower or any other guarantor of the Obligations or any other Person, or with respect to any security interest of any kind held by the Lender at any time, whether under any Loan Document or otherwise; and (k) take or fail to take any other action whatsoever with respect to the Obligations.

(e) The Guarantor waives any right to require the Lender to (a) proceed against the Borrower or any other person; (b) proceed against or exhaust any security held from the Borrower; or (c) pursue any other remedy in the Lender's power whatsoever. The Lender may, at its election, exercise any right or remedy it may have against the Borrower or any security held by the Lender, including, without limitation, the right to collect the Borrower's receivables or foreclose upon any security by judicial or non-judicial sale, whether or not every aspect of any such sale is commercially reasonable, without affecting or impairing in any way the liability of the Guarantor hereunder except to the extent the Guaranteed Obligations have been paid and performed, and the Guarantor waives any defense arising out of the absence, impairment or loss of any right of reimbursement or subrogation or other right or remedy of the Guarantor against the Borrower or any such security, whether resulting from such election by the Lender, or otherwise. The Guarantor waives all rights and defenses arising out of an election of remedies by the Lender, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for a guaranteed obligation, has destroyed the Guarantor's rights of subrogation and reimbursement against the principal. The Guarantor waives any defense arising by reason of any disability or other defense of the Borrower or by reason of the cessation from any cause whatsoever of the liability of the Borrower. Until the Guaranteed Obligations shall have been paid and performed in full (other than indemnity obligations with respect to which no claim has been made), the Guarantor shall have no right of subrogation, and the Guarantor waives any right to enforce any remedy which the Guarantor now has or may hereafter have against the Borrower, and waives any benefit of, and any right to participate in, any security now or hereafter held by the Lender. The Guarantor waives all presentments, demands for performance, notices of non-performance, protests, notices of protest, notices of dishonor, and notices of acceptance of this Agreement and of the existence, creation, or incurring of new or additional obligations.

(f) The Guarantor hereby expressly waives, and agrees not to assert in any action to enforce this Agreement any defenses that may be asserted by the Borrower under the Credit Agreement. The Guarantor shall be primarily liable for the Guaranteed Obligations and the Lender may invoke the benefits of this Agreement without pursuing any remedies against the Borrower, without the necessity of joining all guarantors in any action hereon, and without proceeding against any collateral for such obligations.

3. [Reserved].

4. Subordination. Notwithstanding anything to the contrary contained herein or in any other document to which the Guarantor is a party, the Guarantor shall not exercise any rights

to subrogation, reimbursement, exoneration, contribution, setoff or any other rights that could accrue to a surety against a principal, to a guarantor against a maker or obligor, to an accommodation party against the party accommodated, or to a holder or transferee against a maker, and which the Guarantor may have or hereafter acquire against the Borrower or any other person in connection with or as a result of the Guarantor's performance of this Agreement or any other document to which the Guarantor is a party, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full (other than indemnity obligations with respect to which no claim has been made). The Guarantor shall not have or assert any such rights against the Borrower or its successors and assigns or any other person (including any surety), either directly or as an attempted set off to any action commenced against the Guarantor by the Borrower (as borrower or in any other capacity), the Lender or any other person unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full (other than indemnity obligations with respect to which no claim has been made). The Guarantor hereby acknowledges and agrees that this subordination is intended to benefit the Lender and shall not limit or otherwise affect the Guarantor's liability under this Agreement, under any other document to which the Guarantor is a party, or the enforceability hereof or thereof. In furtherance, and not in limitation, of the preceding subordination, the Guarantor agrees that any payments made by the Guarantor under this Agreement shall be deemed a contribution to the capital of the Borrower or other obligated party and any such payment shall not cause the Guarantor to become a creditor of the Borrower or any other such party unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full (other than indemnity obligations with respect to which no claim has been made).

5. [Reserved].

6. Representations and Warranties. The Guarantor represents, warrants and covenants as follows:

(a) The Guarantor has the full right, power and authority to execute, deliver and perform this Agreement. The Guarantor has executed and delivered this Agreement, and this Agreement constitutes the legal, valid and binding obligations of the Guarantor, enforceable against the Guarantor in accordance with the terms herein.

(b) Neither the execution, delivery or performance by the Guarantor of this Agreement, nor compliance with the terms and provisions hereof by the Guarantor nor the consummation of the transactions contemplated hereby will conflict or be inconsistent with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under any agreement or other instrument to which the Guarantor is a party.

(c) There are no actions, suits or proceedings pending or threatened against or involving the Guarantor before any court with respect to any of the transactions contemplated by this Agreement or the ability of the Guarantor to execute and deliver this Agreement and perform any of the obligations of the Guarantor hereunder.

7. Covenants. Guarantor shall furnish to Lender, as soon as available but in any no later than 120 days after the Guarantor's fiscal yearend, financial statements of Guarantor in a format acceptable to Lender, and verification or reasonable means to verify such information for the immediately preceding year commencing with the calendar year ending December 31, 2023. Notwithstanding the foregoing, the obligations in this Section 7 may be satisfied by furnishing Guarantor's Form 10-K filed with the SEC.

8. The Guarantor's Liability. The following shall constitute an "**Event of Default**" under this Agreement: (a) an Event of Default under any Loan Document; or (b) the failure of the Guarantor to discharge or perform any covenant contained in this Agreement or in any instrument securing this Agreement. Upon the occurrence of an Event of Default and Lender's demand, the Guarantor shall immediately pay to the Lender an amount equal to the Guaranteed Obligations.

9. Expenses. The Guarantor agrees to pay to the Lender all out-of-pocket expenses (including reasonable expenses for legal services of every kind) of, or incident to, the enforcement of any of the provisions of this Agreement, or performance by the Lender of any obligations of the Guarantor in respect of the Collateral which the Guarantor has failed or refused to perform, or any actual or attempted sale, or any exchange, enforcement, collection, compromise or settlement in respect of any of the Collateral, and for the care of the Collateral and defending or asserting rights and claims of the Lender in respect thereof, by litigation or otherwise and all such expenses shall be Guaranteed Obligations.

10. Further Assurances. The Guarantor agrees that, from time to time upon the written request of the Lender, the Guarantor will execute and deliver such further documents and do such other acts and things as the Lender may reasonably request in order fully to effect the purposes of this Agreement.

11. No Waiver. No failure on the part of the Lender to exercise, and no course of dealing with respect to, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by the Lender of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies given to the Lender by this Agreement are cumulative and shall be in addition to and independent of all rights, powers and remedies given the Lender by virtue of any statute, rule of law, or any agreement between the Guarantor and the Lender or between the Borrower and the Lender.

12. Governing Law; Forum; Waiver of Jury Trial. This Agreement shall be governed by, and construed in accordance with, the internal substantive laws of the State of New York without giving effect to its choice of law provisions; provided, however, if any provision(s) of this Agreement would violate or have the effect of violating the laws of the State of New York, but not the laws of the State of Delaware then, with respect to such provision(s), the laws of the State of Delaware shall apply. The Guarantor hereby consents to, and agrees to submit to the jurisdiction of the Supreme Court of the State of New York and the United States District Court for the Southern District of New York, and agrees, at the Lender's election, that any legal action or proceeding arising out of or with respect to this Agreement may be brought by the Lender, and shall be brought by the Guarantor, in the Supreme Court of the State of New York or in the United States District Court for the Southern District of New York, in each case, that are located

in New York County. The Guarantor hereby irrevocably consents to the service of any and all process in any such action or proceeding brought in the Supreme Court of the State of New York or the United States District Court for the Southern District of New York by the delivery of copies of such process to the Guarantor at its address specified below. The Guarantor hereby irrevocably and unconditionally waives any objection, including, without limitation, any objection to the laying of venue or based on the grounds of *forum non conveniens*, which the Guarantor may now or hereafter have to the bringing or maintaining of any such action or proceeding in the Supreme Court of the State of New York or in the United States District Court for the Southern District of New York, in each case, that are located in New York County, as the Lender shall elect. Nothing herein shall affect the right of the Lender to serve process in any other manner permitted by law or otherwise proceed against the Guarantor in any other jurisdiction. THE GUARANTOR HEREBY IRREVOCABLY WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY AT ANY TIME ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT.

13. Notices. Any notice or request hereunder shall be given to (i) the Guarantor at the Guarantor's address set forth beneath its signature on the signature page to this Guaranty and (ii) to the Lender at the address set forth below, or in each case, at such other address as such party may hereafter specify in a notice given in the manner required under this Section 13. 14. Entire Agreement, Amendments, Waivers, etc. This Agreement and the other Loan Documents to which the Guarantor is a party constitute the entire agreement between the Guarantor and the Lender with respect to the subject matter hereof and thereof, and supersede all prior agreements and understandings, if any, relating to the subject matter hereof or thereof. The terms of this Agreement may be waived, altered or amended only by an instrument in writing duly executed by the Guarantor and the Lender. Any such amendment or waiver shall be binding upon

If any provision hereof is invalid and unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (i) the other provisions hereof shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of the Lender in order to carry out the intentions of the Lender as nearly as may be possible and (ii) the invalidity or unenforceability of any provision hereof in any jurisdiction shall not affect the validity or enforceability of such provision in any other jurisdiction.
