Item 1.01. Entry into a Material Definitive Agreement.***Background***

The controlling stockholder of Scilex Holding Company (the “Company”), Sorrento Therapeutics, Inc. (“Sorrento”) and its wholly owned direct subsidiary, Scintilla Pharmaceuticals, Inc. (together with Sorrento, the “Debtors”), commenced voluntary proceedings under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code,” and such cases, the “Chapter 11 Cases”) in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”).

After a hearing before the Bankruptcy Court on March 29, 2023, the Bankruptcy Court entered a final order approving a non-amortizing super-priority senior secured term loan facility in an aggregate principal amount not to exceed \$75,000,000 in term loan commitments (the “Senior DIP Facility”), provided to the Debtors by JMB Capital Partners Lending, LLC (the “Senior DIP Lender”), on a final basis. The Debtors then negotiated definitive financing documentation, including a Senior Secured, Super-Priority Debtor-in-Possession Loan and Security Agreement and other documents evidencing the Senior DIP Facility. The Senior DIP Facility matures July 31, 2023, however, the Debtor’s liquidity is expected to last only until July 7, 2023.

On June 30, 2023, the Debtors filed the *Debtors’ Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Obtain Junior Secured Superpriority Postpetition Financing and (B) Use Cash Collateral, (II) Granting Liens and Providing Claims with Superpriority Administrative Expense Status, (III) Modifying the Automatic Stay, (IV) Scheduling a Final Hearing, and (V) Granting Related Relief* (the “DIP Motion”), seeking the Bankruptcy Court’s approval of the Junior DIP Facility (as defined below) and certain related relief.

Junior Debtor-in-Possession Financing

On July 5, 2023, at a hearing before the Bankruptcy Court, the Bankruptcy Court entered an interim order (the “Interim DIP Order”) approving the Junior DIP Facility between the Debtors (as borrowers) and the Company (as lender) on an interim basis. Upon entry of the Interim DIP Order and satisfaction of all applicable conditions precedent, as set forth in the Junior DIP Term Sheet (as defined below), the Debtors were authorized to make a single draw of the Junior DIP Facility (as defined below) (the “Draw”) to be funded by the Company as the lender under the Junior DIP Facility, which is subject to a certain intercreditor and subordination agreement entered into by and among the Senior DIP Lender and the Company (the “Subordination Agreement”). Other definitive financing documentation, including a loan and security agreement, will be negotiated and executed as soon as possible following the Draw on the Junior DIP Facility, by no later than the earlier of (i) 15 business days from the entry of the Interim DIP Order, and (ii) entry of the Final Order (as defined below).

On July 5, 2023, the Company and the Debtors executed that certain Debtor-in-Possession Term Loan Facility Summary of Terms and Conditions (the “Junior DIP Term Sheet”), pursuant to which the Company (or its designees or its assignees) will provide the Debtors with a non-amortizing super-priority junior secured term loan facility in an aggregate principal amount not to exceed the sum of (i) \$20,000,000 (the “Base Amount”), plus (ii) the amount of the commitment fee and the funding fee, each equal to 1% of the Base Amount, plus (iii) the amount of the DIP Lender Holdback (as defined in the Interim DIP Order) (the “Junior DIP Facility”), subject to the terms and conditions set forth in the Junior DIP Term Sheet. The Junior DIP Term Sheet grants to the Company a right of first refusal to provide any debtor-in-possession financing during the course of the Chapter 11 Cases to the Debtors occurring after the date of the Interim DIP Order until the Chapter 11 Cases are concluded. In connection with the Junior DIP Term Sheet, the Company entered into the Subordination Agreement with the Senior DIP Lender, which specifies that the Junior DIP Facility is subordinated in right of payment and security to the Senior DIP Facility as more fully set forth therein.

The Junior DIP Facility will bear interest at a per annum rate of 12.00% payable in kind on the first day of each month in arrears and on the DIP Termination Date (as defined in the Junior DIP Term Sheet). Upon the occurrence and during the continuance of an event of default as defined in the Junior DIP Term Sheet, the interest rate on outstanding DIP Loans (as defined in the Junior DIP Term Sheet) would increase by 2.00% per annum. The commitment fee and the funding fee described above shall be payable upon the funding of the DIP Loans (as defined in the Junior DIP Term Sheet), in each case as set forth in the Junior DIP Term Sheet. Upon repayment or satisfaction of the DIP Loans (as defined in the Junior DIP Term Sheet) in whole or in part, the Debtors shall pay to

the Company in cash an exit fee equal to 2% of the aggregate principal amount of the Junior DIP Facility on the date of the Draw.

The Junior DIP Facility matures on the earliest of: (i) September 30, 2023; (ii) the effective date of any chapter 11 plan of reorganization with respect to the Debtors; (iii) the consummation of any sale or other disposition of all or substantially all of the assets of the Debtors pursuant to section 363 of the Bankruptcy Code; (iv) the date of the acceleration of the DIP Loans and the termination of the DIP Commitments in accordance with the DIP Documents (each as defined in the Junior DIP Term Sheet); (v) dismissal of the Chapter 11 Cases or conversion of the Chapter 11 Cases into cases under chapter 7 of the Bankruptcy Code; and (vi) July 31, 2023, unless the Final Order has been entered by the Bankruptcy Court on or prior to such date. Further, in no event shall the Junior DIP Facility mature before the maturity date of the Senior DIP Facility obligations as in effect on the date of the Interim DIP Order.

Pursuant to the terms of the Subordination Agreement, the Debtors' obligations to the Company under the Junior DIP Facility are subordinated to the obligations of the Debtors to Senior DIP Lender on the terms and conditions set forth therein. The Debtors anticipate seeking final approval (the "Final Order") of the Junior DIP Facility at a final hearing on the DIP Motion on July 24, 2023.

The foregoing summaries of the Junior DIP Term Sheet and the Subordination Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of the Junior DIP Term Sheet and the Subordination Agreement, copies of each of which are attached to this Current Report on Form 8-K as Exhibit 10.1 and Exhibit 10.2, respectively, and are incorporated by reference herein.

Summary of Terms and Conditions

This term sheet (together with the exhibits and schedules hereto, the “**Term Sheet**”) sets forth a summary of the terms and conditions with respect to the DIP Facility (as defined below) from and after, and subject to, the entry of the Junior Interim Order (as defined below). This Term Sheet shall be a binding agreement from and after, and subject to, the entry of the Junior Interim Order with respect to the DIP Loans (as defined below) but does not purport to summarize all of the terms, conditions, representations and other provisions with respect to the DIP Facility, which will be set forth in the DIP Documents (as defined below). The obligation of the DIP Lender (as defined below) to provide financing pursuant to this Term Sheet is conditioned upon the execution and delivery of signature pages to this Term Sheet by each of the parties hereto and shall be subject to the conditions precedent and other terms and conditions set forth herein. In the event of any conflict between this Term Sheet and the terms of the Junior Interim Order or the Final Order (in each case, as defined below), the terms of the Junior Interim Order or the Final Order (as applicable) shall govern.

The statements contained in this Term Sheet and all discussions between and among the parties in connection herewith constitute privileged communications that shall not be disclosed or introduced pursuant to Federal Rule of Evidence 408 and/or other applicable law, unless otherwise required by judicial order or applicable law. All assumptions, principles and numbers are based upon and subject to continuing due diligence and are subject to change as the parties’ positions develop further.

1. **Borrowers:**
 - SORRENTO THERAPEUTICS, INC. (“**Sorrento**”) and SCINTILLA PHARMACEUTICALS, INC. (each a “**Borrower**” and collectively, the “**Borrowers**”), as debtors and debtors-in-possession in Case No. 23-90085 (DRJ) (Jointly Administered) (the “**Chapter 11 Cases**”) (the Borrowers shall be referred to herein under the Chapter 11 Cases, each as a “**Debtor**” and collectively, the “**Debtors**”) under chapter 11 of title 11 of the United States Bankruptcy Code (the “**Bankruptcy Code**”) commenced in the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”) on February 13, 2023 (the “**Petition Date**”).
2. **Guarantors:**
 - Each of Sorrento’s existing and future, direct and indirect domestic or foreign subsidiaries that become debtors and debtors-in-possession in the Chapter 11 Cases (collectively, the “**Guarantors**” and together with the Borrowers, each a “**Loan Party**” and collectively, the “**Loan Parties**”). As of the date of the Junior Interim Order, the only two Loan Parties shall be the Borrowers. No Guarantor shall be added as a Loan Party unless such Guarantor guarantees the Priming Obligations (as hereafter defined).

-
- The DIP Obligations (as defined below) of the Borrowers shall be unconditionally guaranteed, on a joint and several basis, by the Guarantors.
3. **DIP Lender:**
- SCILEX HOLDING COMPANY and/or its designees or its assignees (the “**DIP Lender**”).
4. **Type and Amount of the DIP Facility:**
- A non-amortizing super-priority junior secured term loan facility in an aggregate principal amount not to exceed the sum of (i) \$20,000,000 (the “**Base Amount**”), plus (ii) the amount of the Commitment Fee and the Funding Fee, plus (iii) the amount of the Junior DIP Lender Holdback (as defined in the Junior Interim Order) (the “**DIP Facility**”; the DIP Lender’s commitments under the DIP Facility, the “**DIP Commitments**”; and the loans under the DIP Facility, the “**DIP Loans**”). For the avoidance of doubt, the DIP Loans will be funded net of items (ii) and (iii) above, which amounts will be retained by DIP Lender and applied in payment of such items in accordance with this term sheet and the Junior Interim Order, resulting in the cash proceeds of the DIP Loans to the Borrowers in the amount of \$20,000,000.
- The borrowing of DIP Loans shall permanently decrease the DIP Commitments, and DIP Loans repaid may not be reborrowed.
- Loan proceeds to be funded into a newly established funding account (the “**DIP Accounts**”), subject to a first priority control agreement solely in favor of the DIP Lender to be entered into within seven business days of the entry of the Junior Interim Order, subject to a 15-day cure period if the Loan Parties are using commercially reasonable efforts to obtain a satisfactory control agreement.
5. **Availability:**
- Upon the Bankruptcy Court’s entry of the Junior Interim Order (as defined below), and satisfaction of all applicable conditions precedent described herein, the full amount of the DIP Facility shall be available to the Debtors, subject to compliance with the terms, conditions and covenants described in the DIP Documents, in a single draw (the “**Draw**”), upon one (1) business days’ written notice (or such shorter period as may be reasonably agreed by the DIP Lender).
6. **Maturity and Termination**
- Subject to the Subordination Agreement (as hereafter defined), all DIP Obligations (as defined below) shall be due and payable in full in cash (or such other form of consideration as the DIP Lender and the Borrowers may mutually agree) on the earliest of (such earliest date, the “**DIP Termination Date**”):
- i. September 30, 2023;
 - ii. the effective date of any chapter 11 plan of reorganization with respect to the Borrowers or any other Debtor (a “**Plan**”);

- iii. the consummation of any sale or other disposition of all or substantially all of the assets of the Debtors pursuant to Section 363 of the Bankruptcy Code;
- iv. the date of the acceleration of the DIP Loans and the termination of the DIP Commitments in accordance with the DIP Documents;
- v. dismissal of the Chapter 11 Cases or conversion of the Chapter 11 Cases into cases under chapter 7 of the Bankruptcy Code; and
- vi. July 31, 2023, unless the Final Order has been entered by the Bankruptcy Court on or prior to such date.

In no event shall the DIP Obligations mature before the maturity date of the Priming Obligations as in effect on the date of the Junior Interim Order.

7. **Interest Rate:**
 - The DIP Loans shall bear interest at a per annum rate equal to 12.00% payable in kind (PIK) on the first day of each month in arrears and on the DIP Termination Date (the “**Non-Default Interest**”).
 - Notwithstanding the foregoing, after the occurrence and during the continuance of an Event of Default (as defined below), the DIP Loans shall bear interest at an additional per annum rate of 2.00%, payable in kind, plus the Non-Default Interest, on the first day of each month and on the DIP Termination Date.
8. **Commitment, Exit & Funding Fee:**
 - The Borrowers shall pay to the DIP Lender a commitment fee equal to 1% of the Base Amount (the “**Commitment Fee**”). The Commitment Fee shall be fully earned and non-refundable, upon entry of the Junior Interim Order, and shall be payable on the date of the Draw by being added to the principal amount of the DIP Loans as contemplated above.
 - The Borrowers shall pay to the DIP Lender a funding fee equal to 1% of the amount of the Base Amount (the “**Funding Fee**”). The Funding Fee shall be fully earned and non-refundable, upon entry of the Junior Interim Order and shall be payable on the date of the Draw by being added to the principal amount of the DIP Loans as contemplated above.
 - Upon repayment or satisfaction of the DIP Loans in whole or in part the Borrowers shall pay to the DIP Lender in cash an exit fee equal to 2% of the aggregate principal amount of the DIP Facility on the date of the Draw (the “**Exit Fee**”). The Exit Fee shall be fully earned and non-refundable upon entry of the Junior Interim Order. If the DIP Termination Date has occurred solely as a result of the occurrence and continuation of an Event of Default under the DIP Documents, then the Exit Fee shall not be payable until the DIP Obligations have been

accelerated by the DIP Lender or the DIP Obligations have matured in accordance with their terms.

9. **Use of Proceeds:**

- The Commitment Fee, the Exit Fee, and the Funding Fee shall be approved by the Bankruptcy Court as part of the Junior Interim Order and the Final Order, respectively. If such premiums are not approved by the Bankruptcy Court, this Term Sheet shall automatically terminate and be of no further force and effect.
- The proceeds of the DIP Facility shall be used only for the following purposes and, excluding payments pursuant to clause (ii) below or payments of the DIP Lender Legal Expenses paid pursuant to the terms hereof, subject to the Budget and 20% permitted variances as set forth below:
 - i. working capital and other general corporate purposes of the Borrowers and the Guarantors and certain subsidiaries as reflected in the Budget;
 - ii. professional fees and expenses of administering the Chapter 11 Cases, to the extent the Bankruptcy Court authorizes payment (including fees incurred prior to the Closing Date);
 - iii. interest, fees and expenses payable under the DIP Facility, including, without limitation, the Commitment Fee, the Funding Fee and the Exit Fee and the DIP Lender Legal Expenses; and
 - iv. interest and other amounts payable under the Priming Credit Agreement.
- Notwithstanding any other provision of this Term Sheet, no DIP Loans or DIP Collateral (as defined below), or any portion of the Carve-Out may be used directly or indirectly by any Debtor, any Guarantor, any official committee appointed in the Chapter 11 Cases (the "Committees"), or any trustee appointed in the Chapter 11 Cases or any successor cases, including any chapter 7 cases, or any other person, party or entity:
 - i. [reserved];
 - ii. to prevent, hinder, or otherwise delay the DIP Lender's enforcement or realization on the DIP Obligations, DIP Collateral, and the liens, claims and rights granted to such parties under the Junior Interim Order or the Final Order, as applicable, each in accordance with the DIP Documents and the Junior Interim Order or the Final Order, as applicable; provided, however, that no such restrictions shall apply to (a) objections to the Final Order or (b)

avoidance actions against the DIP Lender that are not related to the DIP Facility or the DIP Loans;

- iii. to seek to modify any of the rights and remedies granted to the DIP Lender under the Junior Interim Order or the Final Order (other than with the consents contemplated thereunder), or the DIP Documents, as applicable; or
- iv. to apply to the Bankruptcy Court for authority to approve superpriority claims or grant liens (other than the liens permitted pursuant to the DIP Documents) or security interests in the DIP Collateral or any portion thereof that are senior to, or on parity with, the DIP Liens, DIP Claims, unless permitted under the DIP Documents or unless all DIP Obligations, and claims granted to the DIP Lender under the Junior Interim Order or the Final Order, as applicable, have been refinanced or paid in full in cash or otherwise agreed to in writing by the DIP Lender.

10. **Voluntary Prepayments:**

Subject to the Subordination Agreement, voluntary prepayments of the DIP Loans shall be permitted at any time, subject to (i) payment of the Exit Fee due thereon, which shall be due and payable on the date of such voluntary prepayment; and (ii) in minimum amounts of at least \$1,000,000 of principal.

11. **Security:**

- As security for the DIP Obligations, each Loan Party shall grant to the DIP Lender, subject to the Carve-Out and any transaction fee or the like owed to Moelis & Company LLC or M3 Advisory Partners, LP: (i) a first-priority security interest in and continuing lien on all proceeds of the DIP Facility and the DIP Accounts and (ii) a second-priority security interest in and continuing lien on all of such Loan Party's right, title and interest in, to and under all the Loan Parties' other assets, including, but not limited to the following, in each case, whether now owned or existing or hereafter acquired, created or arising and wherever located (collectively, clauses (i) and (ii) the "**DIP Collateral**", and clause (ii) alone, the "**Common Collateral**"): all assets and property of such Loan Party and its estate, real or personal, tangible or intangible, now owned or hereafter acquired, whether arising before or after the Petition Date, including, without limitation, all contracts, contract rights, licenses, general intangibles, instruments, equipment, accounts, documents, goods, inventory, fixtures, documents, cash, cash equivalents, chattel paper, letters of credit and letter of credit rights, investment property, commercial tort claims, arbitration awards, money, insurance, receivables, receivables records, deposit accounts, collateral support, supporting obligations and instruments, fixtures, all interests in leaseholds and real properties, all patents, copyrights, trademarks, all trade names and other intellectual property (whether such intellectual property is registered in the United States or in any foreign jurisdiction), together with all books and records relating to the foregoing, all proceeds, products, accessions, rents and profits of or in respect of any of the foregoing (as such terms are defined in the Uniform

Commercial Code as in effect from time to time in the State of New York) and proceeds of any actions under Sections 544, 545, 547, 548 and 550 of the Bankruptcy Code, other than, in each case “Excluded Assets” (which shall be defined in a manner consistent with the Priming Credit Agreement). Excluded Assets shall include causes of action (and proceeds thereof) under chapter 5 of the Bankruptcy Code or otherwise related to (i) the distribution by Sorrento of its common stock in the DIP Lender to Sorrento’s shareholders on or about January 19, 2023, (ii) the current or former directors or officers of the Borrowers or the DIP Lender (other than in connection with the DIP Facility), (iii) the DIP Lender (other than in connection with the DIP Facility), (iv) any transfer by the Borrowers to any of their subsidiaries or affiliates occurring prior to the Petition Date, and (v) any insider or affiliate transaction, including investments by Sorrento in other companies (such causes of action related to the items referenced in the foregoing clauses (i)-(v), the “**Excluded Claims**”). Excluded Assets shall also include insurance policies and proceeds thereof relating to the foregoing Excluded Assets.

- In addition to appropriate orders of the Bankruptcy Court granting and perfecting such liens, the Loan Parties shall take all other commercially reasonable steps (including the execution and filing of UCC financing statements) requested by DIP Lender with respect to such security interests and liens.

12. **Priority and Security:**

- The liens on the DIP Collateral securing the DIP Obligations (the “**DIP Liens**”) shall mean the liens described above and shall have the priority set forth in the Junior Interim Order and the Final Order.

“Senior Indebtedness Termination Date” means the date when the Senior Obligations shall have been indefeasibly paid in full in cash and the Senior DIP Agreement shall be irrevocably terminated pursuant to its terms.

“Senior Loan Documents” means the Loan Documents as defined in the Senior DIP Agreement (as in effect on the date hereof).

“Senior Obligations” means all Obligations (as defined in the Senior DIP Agreement) and other obligations owing by any Loan Party to the Senior Lender, whether such debt, liability or obligation now exists or is hereafter created or incurred, and whether it is or may be direct or indirect, due or to become due, absolute or contingent, primary or secondary, liquidated or unliquidated, or joint, several or joint and several, including but not limited to the indebtedness evidenced by any Senior DIP Agreement, in each case, issued or incurred in connection with, under or pursuant to, the Senior DIP Agreement and the other Loan Documents (as defined in the Senior DIP Agreement), including all interest, fees, costs and expenses of collection, including attorneys fee; and legal expenses, and all renewals, extensions and modifications thereof and any notes issued in whole or partial substitution therefor.

“Subordinated Obligations” means all of the obligations of the Loan Parties to the Subordinated Lender as evidenced by or incurred pursuant to the Junior DIP Loan Documents, including without limitation principal, interest, fees thereon, and costs and expenses of collection including attorneys' fees and legal expenses.

2. Subordination.

The payment of the Subordinated Obligations is expressly subordinated to the Senior Obligations in right to payment in all respects. At all times from and after the date of this Agreement and until the Senior Indebtedness Termination Date, the Subordinated Lender shall not, without the prior written consent of the Senior Lender, demand, receive or accept any direct or indirect payment or distribution of any kind or character whatsoever (whether in cash, securities, other property, by set-off, or otherwise) on account of the Subordinated Obligations, other than Permitted Junior Payments. Under no circumstance shall any Secured Lender Remedy be taken by the Subordinated Lender against any Loan Party or the Collateral until the Senior Indebtedness Termination Date has occurred, in each case with respect to any of the Subordinated

Obligations (including to assert, enforce or collect any of the Subordinated Obligations), in each case, except with the prior written consent of the Senior Lender.

3. Security Interest Subordination.

a) Acknowledgment of Lien. Each Lender agrees and acknowledges that the other Lender has been granted a Lien upon the Collateral.

b) Priority. Notwithstanding the order or time of attachment, or the order, time or manner of perfection, or the order or time of filing or recordation of any document or instrument, or other method of perfecting a Lien in favor of each Lender in any Collateral and notwithstanding any conflicting terms or conditions which may be contained in any other agreement, until the Senior Indebtedness Termination Date, the Liens upon the Collateral securing the Senior Obligations shall have priority over the Liens upon the Collateral securing the Subordinated Obligations and such Liens securing the Subordinated Obligations are and shall be, in all respects, subject and subordinate to the Liens securing the Senior Obligations to the full extent of the Senior Obligations outstanding from time to time; provided, however, that notwithstanding anything to the contrary contained in the foregoing, the Liens upon the Junior DIP Account Collateral and the Junior DIP Lender Holdback securing the Subordinated Obligations shall have priority over the Liens upon the Junior DIP Account Collateral and the Junior DIP Lender Holdback securing the Senior Obligations, and the Liens upon the Junior DIP Account Collateral and the Junior DIP Lender Holdback securing the Senior Obligations are and shall be, in all respects, subject and subordinate to the Liens upon the Junior DIP Account Collateral and the Junior DIP Lender Holdback securing the Subordinated Obligations to the full extent of the Subordinated Obligations outstanding from time to time.

c) No Alteration of Priority. The Lien priorities provided in Section 3(b) of this Agreement shall not be altered or otherwise affected by any amendment, modification, supplement, extension, renewal, restatement or refinancing of the Senior Obligations or the Subordinated Obligations, nor by any action or inaction which Senior Lender or the Subordinated Lender may take or fail to take in respect of the Collateral nor by any order of the Bankruptcy Court.

d) Perfection. Each Lender shall be solely responsible for perfecting and maintaining the perfection of its respective security interest in the Collateral. The foregoing provisions of this Agreement are intended solely to govern the respective Lien priorities between the Lenders and shall not impose on the Senior Lender any obligations in respect of the disposition of proceeds of foreclosure on any Collateral which would conflict with prior perfected claims therein in favor of any other Person. Subordinated Lender agrees that it will not contest the validity, perfection, priority or enforceability of the Liens of the Senior Lender in the Collateral and that as between the Lenders, the terms of this Agreement shall govern even if part or all of the Senior Obligations or the Liens of Senior Lender securing payment and performance thereof are avoided, disallowed, set aside or otherwise invalidated in any judicial proceeding or otherwise.

e) Management of Collateral. Senior Lender shall have the exclusive right to manage, perform and enforce the terms of the Senior DIP Agreement with respect to the Collateral (other than the Junior DIP Account) and to exercise and enforce all privileges and rights thereunder according to its discretion and exercise of its business judgment including, without limitation, the exclusive right to take or retake control or possession of the Collateral (other than the Junior DIP Account) and to hold, prepare for sale, process, sell, lease, dispose of, or liquidate the Collateral (other than the Junior DIP Account). The Senior Lender shall not have any duty to preserve, protect, care for, insure, take possession of, collect, dispose of, or otherwise realize upon any of the Collateral, and in no event shall the Senior Lender be deemed the agent for the Subordinated Lender with respect to the Collateral. In connection therewith,

Subordinated Lender hereby waives and all rights to affect the method or challenge the appropriateness of any action by Senior Lender.

f) Sale of Collateral. Only the Senior Lender shall have the right to restrict or permit, or approve or disapprove, the sale, transfer or other disposition of Collateral (other than the Junior DIP Account). Subordinated Lender will, promptly upon the reasonable written request of Senior Lender (but no later than two (2) Business Days thereafter), release or otherwise terminate its Liens upon the Collateral (other than the Junior DIP Account), to the extent such Collateral is sold or otherwise disposed of either by Senior Lender, its agents, or any Loan Party with the consent of Senior Lender, in each case, to the extent that Senior Lender also concurrently releases its Liens on such Collateral, in each case, other than in connection with the Senior Indebtedness Termination Date provided, that any such release by Subordinated Lender shall not extend to or otherwise affect any of the rights, if any, of Subordinated Lender to the proceeds from any such sale, transfer or other disposition of any Collateral. To the extent the Subordinated Lender's consent is required to sell, transfer or dispose of the Collateral (other than the Junior DIP Account), the Subordinated Lender shall promptly, upon the request of the Senior Lender (but no later than two (2) Business Days thereafter), provide its consent to such sale to the same extent as the Senior Lender shall have provided its consent. The Senior Lender agrees that it shall provide prior notice of any sale, transfer or other disposition of Collateral pursuant to this clause (f) in the manner required by the Uniform Commercial Code. In accordance with the provisions of applicable law, the Liens of Subordinated Lender shall automatically attach to any proceeds of any Collateral subject to any such sale, transfer or other disposition to the extent not used to repay Senior Obligations.

g) Secured Lender Remedies. In no event shall Subordinated Lender exercise any Secured Lender Remedies (other than with respect to the Junior DIP Account or the Junior DIP Lender Holdback) until the Senior Indebtedness Termination Date.

h) Notice and Waiver of Marshaling. Subordinated Lender and Senior Lender acknowledge that this Agreement shall constitute notice of their respective interests in the Collateral and each hereby waive any right to compel any marshaling of any of the Collateral.

i) Prohibition on Contesting Liens. In respect of any Collateral, the Subordinated Lender agrees that it shall not, and hereby waives any right to, directly or indirectly:

- 1) contest, or support any other Person in contesting, in any proceeding (including the Chapter 11 Cases), the priority, validity, extent, attachment, perfection or enforceability of any Lien of the Senior Lender on such Collateral; or
- 2) demand, request, plead or otherwise assert or claim the benefit of any marshaling, appraisal, valuation or similar right which it may have in respect of such Collateral or the Liens of the Senior Lender on such Collateral, except to the extent that such rights are expressly granted in this Agreement.

j) No New Liens or Guaranties. Until the Senior Indebtedness Termination Date, the Subordinated Lender shall not (i) acquire or hold any Lien on any assets of any Loan Party securing any Subordinated Obligations which assets are not also subject to the Lien of the Senior Lender under the Senior Loan Documents, subject to the Lien priority set forth herein or (ii) accept any guarantee, indemnity or any other assurance or form of recourse (collectively, the "Guarantee") against loss by any Person in respect of any or all of the Subordinated Obligations if such Person does not also provide a Guarantee to the Senior

Lender in respect of the Senior Obligations on substantially similar terms. If the Subordinated Lender shall (nonetheless and in breach hereof) acquire or hold any Lien on any assets of any Loan Party securing any Subordinated Obligation or accept any Guarantee which assets are not also subject to the Lien of the Senior Lender under the Senior Loan Documents and/or Senior Lender does not receive a Guarantee on substantially similar terms, then the Subordinated Lender shall, without the need for any further consent and notwithstanding anything to the contrary in any other Junior DIP Loan Document, be deemed to also hold and have held such Lien or Guarantee for the benefit of the Senior Lender as security for the Senior Obligations (subject to the Lien priority and other terms hereof) and shall promptly notify the Senior Lender in writing of the existence of such Lien or Guarantee.

k) Separate Liens. Subordinated Lender and the Senior Lender hereby agree, and the Loan Parties hereby acknowledge, that (a) the grants of Liens pursuant to the Senior Loan Documents and the Junior DIP Loan Documents constitute separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Collateral, the Subordinated Obligations in respect of any Collateral is fundamentally different from the Senior Obligations in respect of such Collateral, and the Subordinated Obligations and the Senior Obligations in respect of any Collateral must be separately classified in the Chapter 11 Cases. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that, in respect of any Collateral, the Subordinated Obligations and the Senior Obligations in respect of the Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then the Subordinated Lender hereby acknowledges and agrees that all Distributions in respect of such Collateral shall be made as if there were separate classes of senior and junior secured claims in respect of such Collateral (with the effect that, to the extent that the aggregate value of such Collateral is sufficient (for this purpose ignoring all claims held by the Subordinated Lender), until the Senior Indebtedness Termination Date, the Senior Lender shall be entitled to receive, in addition to all Distributions received by it in respect of the Senior Obligations, all amounts owing on the Senior Obligations before any Distribution is made in respect of the claims held by the Subordinated Lender). The Subordinated Lender hereby agrees to turn over to the Senior Lender any Distributions otherwise received or receivable by them to the extent necessary to effectuate the intent of this Section 3, even if such turnover has the effect of reducing the claim or recovery of the Subordinated Lender.

4. Receipt of Prohibited Payments.

If the Subordinated Lender receives any payment on account of the Subordinated Obligations (other than any Permitted Junior Payments) prior to the Senior Indebtedness Termination Date, the Subordinated Lender will hold the amount so received in trust for the Senior Lender, and will forthwith turn over such payment to the Senior Lender in the form received (along with the endorsement of the Subordinated Lender where necessary) for application to then-existing Senior Obligations (whether or not due), in accordance with the Senior Loan Documents then remaining unpaid until the Senior Indebtedness Termination Date.

5. Modification of Subordinated Debt.

The Subordinated Lender shall not, without the consent of the Senior Lender, (i) amend, restate, supplement, or otherwise modify in any manner the Junior DIP Term Sheet or (ii) enter into the definitive financing documentation referenced in clause (v) of the defined term "Secured Lender Remedies" inconsistent with the requirements thereof.

6. Action on Subordinated Debt.

The Subordinated Lender will not exercise, enforce or take any Secured Lender Remedy available to the Subordinated Lender with respect to any Collateral (including, for the avoidance of doubt, any right to credit bid in any sale pursuant to section 363 of the Bankruptcy Code in the Chapter 11 Cases), unless and until the Senior Indebtedness Termination Date has occurred.

7. Application of Proceeds

All proceeds received with respect to any Collateral (other than Collateral consisting of the Junior DIP Account or the Junior DIP Lender Holdback) shall be applied to the Senior Obligation until the Senior Indebtedness Termination Date, and thereafter shall be applied to the Subordinated Obligations. All Junior DIP Account Collateral and the Junior DIP Lender Holdback shall be applied to the Subordinated Obligations until the Subordinated Obligations have been indefeasibly paid in full in immediately available funds, and thereafter shall be applied to the Senior Obligations.

8. Waivers

The Subordinated Lender agrees that it will not at any time prior to the Senior Indebtedness Termination Date:

- a) support a plan of reorganization that is not an Acceptable Plan or object or withhold any required consent to (i) the confirmation of an Acceptable Plan or (ii) the approval of an Updated Budget (as defined in the Junior DIP Term Sheet) which Senior Lender has approved in its discretion (provided that such Updated Budget does not result, in the aggregate when taken together with any other updates or amendments made since the most recent Updated Budget was approved by Subordinated Lender, in more than a 15% variance from the most recent Updated Budget approved by the Subordinated Lender) (for the avoidance of doubt, the Subordinated Lender approves the most recent Updated Budget provided by the Borrowers, a copy of which is attached hereto as Exhibit A, and acknowledges that this Updated Budget shall remain in effect until a new Updated Budget is approved by Senior Lender and Subordinated Lender to the extent required under the Junior DIP Term Sheet);
- b) support a sale that is not an Acceptable 363 Sale or object or withhold any consent to the sale of the Collateral supported by the Senior Lender to the extent such consent is required pursuant to Section 3(f) of this Agreement;
- c) object to or otherwise oppose the treatment of the Senior Obligations as senior in priority to the Subordinated Obligations (other than with respect to the Junior DIP Account Collateral and the Junior DIP Lender Holdback, as to which the Subordinated Obligations shall be senior in priority to the Senior Obligations in accordance with the terms hereof);
- d) contest the validity, perfection, priority (as set forth in this Agreement) or enforceability of the Senior Obligations or the Liens and security interests of the Senior Lender in the Collateral;
- e) contest, object to or otherwise oppose, in any manner whatsoever, the sale of any Collateral (other than the Junior DIP Account Collateral) without the prior written consent of the Senior Lender (with email being sufficient); or

-
- f) exercise any right to credit bid for all or any portion of the Collateral, whether in a sale under or pursuant to Section 363 of the Bankruptcy Code, a Chapter 11 plan subject to confirmation under section 1129 of the Bankruptcy Code, a sale or disposition by a Chapter 7 trustee, or otherwise.

9. Transfer of Subordinated Obligations.

Prior to the Senior Indebtedness Termination Date, the Subordinated Lender will not, without the prior written consent of the Senior Lender, assign, transfer or pledge to any other person, any of the Subordinated Obligations, and any such transfer in violation of this Section 9 shall be null and void.

10. Continuing Effect.

This Agreement shall constitute a continuing and irrevocable subordination agreement until the Senior Indebtedness Termination Date, and the Senior Lender may, without notice to or consent by the Subordinated Lender, subject to the terms and conditions of the Senior DIP Agreement and this Agreement, modify any term of the Senior Indebtedness in reliance upon this Agreement. Without limiting the generality of the foregoing, the Senior Lender may, at any time and from time to time, without the consent of or notice to the Subordinated Lender and without incurring responsibility to the Subordinated Lender or impairing or releasing any of the rights of the Senior Lender or of the Subordinated Obligations hereunder:

- (i) change the interest rate or change the amount of payment or extend the time for payment or renew or otherwise alter the terms of any Senior Indebtedness or any instrument evidencing the same in any manner;
- (ii) sell, exchange, release or otherwise deal with any property at any time securing payment of the Senior Obligations (other than the Junior DIP Account or the Junior DIP Lender Holdback) or any part thereof;
- (iii) release anyone liable in any manner for the payment or collection of the Senior Obligations or any part thereof;
- (iv) exercise or refrain from exercising any right against the Loan Parties or any other person (including the Subordinated Lender); and
- (v) apply any sums received by the Senior Lender, by whomsoever paid and however realized, to the Senior Obligations in such manner as the Senior Lender shall deem appropriate.

11. No Commitment.

None of the provisions of this Agreement shall be deemed or construed to constitute or imply any commitment or obligation on the part of the Senior Lender to make any future loans or other extensions of credit or financial accommodations to the Borrowers. None of the provisions of this Agreement shall be deemed or construed to constitute or imply any commitment or obligation on the part of the Subordinated Lender to make any future loans or other extensions of credit or financial accommodations to the Borrowers.

If the subordination provisions of any instrument evidencing the Subordinated Obligations (including, without limitation, the Junior DIP Loan Documents or any final order of the Bankruptcy Court

approving the Junior DIP Loan Documents) conflict with the terms of this Agreement, the terms of this Agreement shall govern the relationship between the Senior Lender and the Subordinated Lender and the subordination of the Subordinated Obligations and Junior Lender's liens in the Collateral.

14. No Amendment or Waiver.

No waiver shall be deemed to be made by either Lender of any of its rights hereunder unless the same shall be in writing signed by such Lender, and each such waiver, if any, shall be a waiver only with respect to the specific matter or matters to which the waiver relates and shall in no way impair the rights of either Lender or the obligations of either Lender to the other Lender in any other respect at any time.
